## **IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC**

Anyone not complying with the conditions of participation described in these outlines will not be eligible to take part in the event

The fundamental principle during the VARNA FIG ARTISTIC GYMNASTICS World Challenge Cup' 21 during the Covid-19 pandemic is to Protect and Be Protected by wearing a mask, sanitizing, distancing, and respecting the recommendations of "FIG Official Medical Guidelines" as well as the requirements of the Bulgarian Health Ministry.

It is the responsibility of the National Federations (NF) to verify the up-to-date travel information before departure to Bulgaria on: <https://www.mfa.bg/en/>

It is the responsibility of the NF to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any COVID-19-related costs for all their delegations' members. The LOC of the event accepts no liability for any claims relating to the cancellation of the event due to COVID-19 or medical costs for any COVID-19 related illness that may affect a NF delegation member during the event.

- FIG's IMSSA insurance covers Covid19 as illness (including all treatments, possible repatriation, etc.) for gymnasts and judges. However, an eventually needed quarantine period (or need to stay on-site as accompanying person) of a "not ill" person is NOT covered. The national federation must take care of the appropriate coverage and financial planning themselves.

- For all other members of the delegations, the NF are requested to present insurance, and stating that it covers the consequences of Covid19; as for the Covid-19 related quarantine costs, if it is not included in the insurance coverage, the NF assumes the financial risk themselves.

The insurance confirmation is to be sent by email to the LOC [gymnasticsevents@gmail.com](mailto:gymnasticsevents@gmail.com) by the 18th of May.

The use of disposable FFP2 masks in and outside the venue (obligatory on the entire Palace of Culture and Sports, in and outside) is mandatory for all accredited persons. It is the responsibility of the delegations to bring a sufficient number of FFP2 masks. (FFP2 masks can be worn 3 days and must be disposed of afterward)

It is highly recommended to stay only within the controlled event zones (venue, hotel, official transport) at all times. The use of public transport is not allowed.

Due to restrictions caused by the Covid-19 pandemic the event will take place without spectators and all side events such as the welcome receptions, city tours, banquet have been canceled.

A negative PCR test result (done max. 72h before arrival), readable in English, must be provided for all participants at accreditation at the latest. To speed up the accreditation process, please send all test results by email prior to your arrival to [gymnasticsevents@gmail.com](mailto:gymnasticsevents@gmail.com)

Present upon arrival at the accreditation desk an individual declaration of honor on the absence of symptoms for at least 14 days per delegate. Appendix 1

In case your team members need PCR tests made in Bulgaria to enter your country, a request needs to be made during the accreditation. The cost of 1 PCR test is 70 EUR, to be borne by each NF concerned.

The HoD of each delegation is daily monitoring the condition of each member of the delegation and the possible appearance of flu-like symptoms – colds, runny nose, sneezing, sore throat, mild cough and fever. The sick members are immediately isolated in a separate room.

In accordance with the orders of the Bulgarian Ministry of Health the following measures are mandatory when conducting competitions:

- Persons with symptoms like colds, runny nose, sneezing, sore throat, mild cough, and fever are not allowed in the venue.
- It is mandatory for employees, staff, coaches, judges, and officials to wear a protective mask or other means covering the nose and mouth, while in the venue.
- It is only allowed for the performing athletes to be without a mask, but only while training and performing.
- Persons without negative PCR result are not allowed in the venue and in the competition in general.

- It is not allowed to exchange personal items – bottles, towels, etc.
- Mandatory disinfection of all touchable surfaces in the whole venue – before the beginning day and between each group – at around 2 hours.
- The staff and employees wear masks and gloves.
- The staff and employees are instructed to watch out for symptoms by athletes, coaches, and officials and how to react if such symptoms occur.
- Avoiding gathering of many people around and at the venue entrances.

The venue staff and employees keep the following measures:

- Keeping safe distance at all times;
- Sneezing or coughing is done in the elbow, not in the palm. If a tissue is used, it is immediately thrown away.
- wash their hands as much as possible with soap and water.
- Disinfect regularly the contact surfaces and the user apparatus and equipment.
- The toilets, dressing rooms, trash bins, common parts, apparatus, premises, and all equipment is disinfected as regularly as possible, but at least once per 2 hours.

- Disinfect their hands and shoe soles upon entering the venue.
- Provide their own protective masks.
- Provide their own magnesium for each gymnast.
- The athletes enter the floor areas only in gym shoes, no sneakers or other shoes.
- It is not allowed for coaches and other support personnel to step on the floors or pathways with shoes or sneakers (in case it is needed they must wear medical overshoes)

In case of a suspected COVID-19 case, the person is isolated and then sent for additional examinations and diagnosis in the medical center, proposed by the health authorities. The LOC is not responsible for the costs, resulting from the examinations.

In case of confirmed COVID-19, laboratory examinations of all contact persons should be made, in accordance with the health authorities. The LOC is not responsible for the costs, resulting from the examinations. In such cases, the Bulgarian health authorities are contacted and if they decide that the whole team should be quarantined, then the respective team immediately ceases its participation in the competition and follows the recommendations of the Bulgarian health authorities.

Requirements for award ceremonies:

- 1st to 3rd place for Finals;
- The athletes are keeping 1.5 m between each other
- The athletes do not shake hands, nor touch anyone involved in the award ceremony
- The athletes take their medals and prizes themselves.
- The persons who award are wearing masks and gloves.

In addition to this, please note that no separate transportation will be arranged. In case your country wants transport only for their team, they should contact the LOC to check this possibility and the respective additional payment.

For those of you, who have received invitations from the Bulgarian Ministry of Youth and Sports, please also remember to bring a copy of the invitation for the Border control.
