

FIG - International Gymnastics Federation

Athletes, Judges & Experts - Group II

COVID-19

Additional information on pandemic coverage

Preamble

COVID-19 conditions are covered for all FIG Athletes, Judges & Experts of Group II.

The treatment of these conditions is covered both for inpatient and outpatient treatment.

Possible repatriation to the country of residence, required by the patient's condition, is also covered.

Prerequisites for COVID-19 treatment costs to be covered

Treatment costs are covered only if :

1. the insured has undergone the usual tests at the departure of the trip and on arrival in the country of the meeting or competition, and
2. both tests were negative.

Testing fees are **not** refunded.

Group II - Reminder of the circle of insured

- Gymnasts with a valid FIG license as well as former licensees participants in the FIG Galas
- Judges with an international brevet
- Education expert

Details of insured benefits

COVID-19

The cost of medical treatment (In- and Outpatient) abroad, including tests and drugs prescribed by the medical profession.

Repatriation costs to the country of residence.

Provided that the condition first manifested itself during a trip on behalf of the FIG, the costs in the country of residence that are insufficiently covered by local insurances (private, sports, social or professional) are covered but limited to a maximum of 365 days. If the insured is not covered by local insurance, the complementary coverage of IMSSA will lapse.

Claims & Documents to be Provided

All expense claims must be received by IMSSA through the online channel at www.imssa.org within 7 business days.

Exception:

In the event of a **medical emergency**, requests for assistance must be announced immediately by phone at **+41 26 921 8001**.
