**COMPETITION
 FORMAT
 SEE ALSO WORLD
 CUP RULES**

Competitions consist of Qualifications, Semi-Finals (Speed only) and Finals. The Freestyle score from Qualification will not be carried to the Finals, where each athlete starts from 0 points.

Speed

Speed competitions will be organized on two parallel lanes.

Speed Qualifications

The starting order for the first run of Qualification will be determined by a draw. An intermediate ranking list is established at the end of the first run. The athletes may choose to have a second run. Should they choose a second run, they have to announce it immediately after the end of their course by raising their hand after seeing their time. The starting order for this second (optional) run is determined by the original starting order, but only with the athletes performing a second run. For the athletes who have chosen to have a second run, the result of the second run only counts. The final ranking list of the Qualification will be established at the end of the second runs. In case of a tie at any place, the tie-breaking rules set out in art. 4.1 apply. Runners' lanes- Lane 1 is farthest from the judge's tower and Lane 2 is closest, assigned by draw.

Speed Semi-Finals

Knock-out competition format

The top athletes from the final ranking list of the Qualification (max. 2 per NF) participate in the Semi-Finals. No second run is possible. In case of a tie at any place, the tie-breaking rules set out in art. 4.1 applies. The highest ranked athlete faces the lowest ranked athlete, and the loser of that race is excluded from advancing to the final. Another example, the athlete ranked 2nd faces the 2nd to last athlete from the Qualification and so on for each athlete to be matched against the appropriate competitor. The loser of each race is excluded from advancing to the final.

SPEED	11 or less athletes	12-16 athletes	17 athletes or more
Semi-Final No wildcard	No Semi-Final	8 best times from Qualification	10 best times from Qualification
Finals	6 best from Qualification	6 total 4 from Knock-out + 2 next best times overall from Semi-Final	6 total 5 from Knock-out + 1 next best time overall from Semi-Final

In case of a tie at the 6th rank for the Final, the tie-breaking rules set out in art. 4.1 apply. Three reserve athletes will be able to warm-up for the Semi-Final and Final rounds. Runners' lanes: Lane 1 is farthest from the judge's tower and Lane 2 is closest, determined by qualifying time.

Speed Finals

The top 6 athletes from the final ranking list of the Qualification or the semi-finals (max. 2 per NF) participate in the Final.

In the final round, the 5th and 6th, the 3rd and 4th and the 1st and 2nd run by pairs. The final ranking is based on the time (no knock out).

In case of a tie at any place, the tie-breaking rules set out in art. 4.1 apply.

The Final is held in one single run.

Runners' lanes: Lane 1 is farthest from the judges' tower and Lane 2 is closest, determined by qualifying time

Freestyle

Freestyle Qualifications

The starting order for the first run of Qualification will be determined by a draw.

The runs of 30 to 70 seconds, are judged based on the criteria defined in the Code of Points.

An intermediate ranking list is established at the end of the first run.

The athletes may choose to have a second run. Should they choose a second run, they have to announce it immediately after the end of their course (before the score is shown) by raising their hand. The starting order for this second (optional) run is determined by the original starting order, but only with athletes performing a second run.

For the athletes who have chosen to have a second run, the result of the second run only counts.

The final ranking list of the Qualification will be established at the end of the second run.

In case of a tie at any place, the tie-breaking rules set out in art. 4.2 apply.

Freestyle Finals (max. 2 per NF)

The top eight athletes from the final ranking list of the Qualification participate in the Final.

In case of a tie at any place, the tie-breaking rules set out in art. 4.2 apply.

The Final is held in one single run.

The starting order is established based on the ranking after Qualification with the best athletes starting last.
