It is the responsibility of the National Federations to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any COVID-19-related costs for all their member delegations. The LOC of the event accepts no liability for any claims relating to the cancellation of the event due to COVID-19 or medical costs for any COVID-19 related illness that may affect a National Federation delegation member during the event.

- FIG's IMSSA insurance covers Covid19 as illness (including all treatments, possible repatriation, etc.) for athletes and judges. However, an eventually needed quarantine period (or need to stay on-site as accompanying person) of a "not ill" person is NOT covered. The national federation must take care of the appropriate coverage and financial planning themselves.

- For all other members of the delegations, the NF are requested to present insurance, and stating that it covers the consequences of Covid19; as for the Covid-19 related quarantine costs, if it is not included in the insurance coverage, the federation assumes the financial risk themselves.

Masks in the venue are mandatory for all accredited persons. It is the responsibility of the delegations to bring a sufficient number mask.

It is highly recommended to stay only within the controlled event zones (venue, hotel, official transport) at all times. The use of public transport is not allowed.

Due to restrictions caused by the Covid-19 pandemic all side events such as the welcome receptions, city tours, banquet have been canceled.

A negative PCR test result (done max. 72h before arrival), readable in English, must be provided for all participants at accreditation at the latest. To speed up the accreditation process, please send all test results by email prior to your arrival to gymnasticsevents@gmail.com

In case your team members need PCR tests made in Bulgaria to enter your country, a request needs to be made during the accreditation. The cost of 1 PCR test is **70 EUR**, to be borne by each NF concerned.
