9. JUDGES

All brevet judges of the 2017-2021 cycle that pass the online exam will retain their international brevet.

They will be able to judge competitions starting 01.01.2022 using the 2022- 2024 CoP until their online test results are released in February-April, depending on the test date.

The 2022-2024 brevet will become active upon passing the online test.

For all World Cups and World Championships starting after 31 March 2022, please note that a judges' brevet for the 2022-2024 cycle will be required to register and judge.

Therefore, no judge can be registered at the provisional and definitive stages for these competitions after 31 March without the new brevet certification.

It is ok to put "0" judges during registration for these cases and make the correction once the new brevets have been confirmed.

In case of failure at the first test, a retest will be scheduled in order to give a possibility to retest before the event.

The FIG brevetted judges are designated by their Federation and selected for the panels by draw, taking into consideration the degree of the brevet, according to the Judges' Rules.

Federations must present 1 or 2 judges (compulsory minimum 1) cat. 3 minimum.

Please note that Member Federations can register the same judge(s) for the World Age Group Competitions and the World Championships, provided the criteria as mentioned in the specific AER Judges rules are respected.

The Chairs of Judges' Panel (CJP) and the Difficulty Judges (D) were already drawn/appointed by the FIG according to the Technical Regulations and General / Specific Judges Rules.

If a NF rejects the invitation as CJP or D Judge, this judge may not be selected to another position for the same competition.

The draw for the E, A, T, L and reserve judges will be made at the judges' instruction at the World Championships. No E or A judge from the same NF may be drawn in a panel where his / her NF is already represented with a CJP or D. He / she will move directly to the other panel.

NF who has one of their judges drawn/nominated as CJP or D judge may propose one or two judges cat 1 to 3 in addition to the drawn/nominated CJP.

The selection of judges (E, A, T, L and reserve judges) is made by draw the day of each competition. Priority will be given to the highest categories.

In the Finals only judges (Artistic and Execution) whose Federations do not have competitors nor a No 1 reserve competitor may be called upon to judge.

The selection is made by the drawing of lots the day of each Final. If there are insufficient neutral judges the TC AER decides the process for designating the necessary number of judges.

Judges are requested to arrive in Guimarães one day before the Judges' Instruction at the very latest, and to be available until the last day of the competition they have been registered at by their Federation.

Judges shall recuse themselves if

- they are or were married to or live in a registered partnership or co-habit with a gymnast
- they are related to a gymnast by birth or marriage in direct or in collateral line, including the following persons: grandparent, parent, uncle, aunt, brother, sister, child, grandchild, nephew and cousin.

Jury of Appeal / Competitions' Supervisory Board (FIG T.R Art 7.8.3)

The Jury of Appeal consist of two members of the Executive Committee (one acting as President) and a third person to be designated in accordance with the matter of the appeal. In case of a judge's

appeal, a person not involved in the decision of the Superior Jury and in the Judging process of the category concerned will be nominated.

The composition of the Jury of Appeal will be communicated in the Workplan.
