11. DRAWING OF LOTS

The gymnasts' drawing of lots will decide the starting order of the qualification competitions and the finals. It will take place during the TC meeting to be held on March 18th to 20th in Tel Aviv (ISR).

12. COMPETITION FORMAT AND PROGRAMME

See the current European Gymnastics & FIG Technical Regulations & FIG Code of Points.

World Championships qualification

1. A ranking of in total 8 routines from 2 – 3 senior individual gymnasts per federation from the qualification competition to decide the 12 quota places for 2 – 3 individual gymnasts to the WCh.
2. The 26 quota places for 1 individual gymnast to the WCh go to federations not qualified yet among the above mentioned 12 quota places and are based on the all-around ranking of the qualification competition of the senior individual gymnasts, counting the 3 highest-scored exercises per gymnast. Only 1 quota place per NF can be obtained.

In case of a tie at any place in the qualification to the WCh for the 12 quota places for 2-3 individual gymnasts, the ranking will be determined by the following criteria:

1. By adding the 8 E-scores of the 8 senior individual gymnasts' routines from the NF concerned
2. By adding the 8 D-scores of the 8 senior individual gymnasts' routines from the NF concerned
3. By adding the 7 highest E-scores of the 8 senior individual gymnasts' routines from the NF concerned
4. By adding the 7 highest D-scores of the 8 senior individual gymnasts' routines from the NF concerned

If there is still a tie, the tie will not be broken.

Senior individual Hoop – Ball – Clubs – Ribbon

No more than 3 gymnasts per federation compete in this competition, presenting 8 exercises according to FIG rules in the order fixed by the FIG. Each gymnast must present at least 1 exercise but no more than 4 (a maximum of 1 exercise per apparatus). If a NF participates with only 1 gymnast, she must present an exercise with all 4 apparatus. She can qualify for the All-Around Final and the Apparatus Final.

If a NF participates with only 1 gymnast, this NF cannot be in the Team ranking.

The 3 best exercises will count for the qualification for the All-Around Final. After this competition, the 24 best gymnasts (max. 2 per NF) are qualified for the All-Around Final

All-Around finals

The best 24 gymnasts (max. 2 gymnasts per NF) from the qualifications. If the host country has not qualified, they will get 1 place. The distribution of places will be as follows: 24+1 from the host country. The gymnasts must present 4 routines. The All-Around ranking result is obtained by the best 4 scores. The starting order for the best 24 will be drawn by level groups define by their ranking from the qualifications

Apparatus finals

(4 apparatus) of the 8 best gymnasts per apparatus (max. 2 gymnasts per NF) of the Qualifying Competition according to FIG rules.

Senior group – 5 Hoops, 3 Ribbons & 2 Balls

Competition according to the FIG program and with 2 different exercises, one executed with 1 apparatus, the other with 2 types of apparatus. The All-Around competition is also a qualifying competition for the Apparatus finals.

Apparatus finals

Competition of the 8 best groups per apparatus of the Qualifying Competition according to FIG rules.

Team ranking Senior groups & Senior individuals

The winner of the Team Competition is designated as follows:

Senior Individual gymnasts: the result of all 8 routines. Senior Groups: the result of the 2 exercises. The above-mentioned results will be added; the best NF is awarded with the title “European Team Champion”.

If a NF does not participate in the Team Competition (i.e. competes without a Senior Group): the gymnast/s can be ranked for the All-Around competition and qualify for the Apparatus Finals. If a NF does not participate in the Team Competition (i.e. competes without Senior Individuals): the Senior Group will be ranked for the All-Around competition and can qualify for the Apparatus Finals.

Tie-break rules for team rankings (combined senior individuals + senior groups and juniors)

The same principle as for the team ranking of senior individuals (please see the paragraph “World Championships qualification”) will be followed.

Junior individual competition Hoop – Ball – Clubs – Ribbon

Qualifying Competition for the Apparatus Final, **including a team ranking**. Junior individuals’ competition (1 – 4 gymnasts), presenting 4 exercises according to FIG rules in the order fixed by the FIG. Each gymnast must present at least 1 exercise but no more than 4 (a maximum of 1 exercise per apparatus). If a NF participates with only 1 gymnast, she must present an exercise with all 4 apparatus.

Apparatus Finals

(4 apparatus) of the 8 best gymnasts per apparatus (max. 1 gymnast per NF) of the Qualifying Competition according to FIG rules.

A federation participating with only one Senior individual gymnast cannot be classified as a team, even if this federation participates with a group.
