COVID RULES IN ITALY

COVID rules and regulation issued by Italian Ministry of Health for entering the Italian territory and for Sports Events, which are different from the ones to enter the Country, will change from May the 1st 2022.

RULES TO TAKE PART IN A SPORT EVENT

All participant to the event (accredited person) need to wear an FFP2 mask at all time in the venue, but for gymnasts performing, and on transports (event bus but also public transport).
Vaccination is no longer requested to take part in sport events in any function.

RULES TO ENTER ITALY

As of 1st of May 2022 Passenger Locator Form won't be requested anymore.

Regardless of the country of entry into Italy, **the traveller will be still required to present simultaneously** to the carrier and to whoever is in charge of checking:

- the [COVID-19 Green Certificate](#) or other [equivalent certificate](#) which must state one of the following conditions:
- **completion of the primary vaccination series or booster dose** according to the vaccination plans of the countries of release with vaccines authorized by the European Medical Agency (primary series validity 9 months and booster dose without predefined limit)
- **recovery from SARS-CoV-2 infection** (valid for 180 days from positive swab test)
- **recovery after the administration** of the first dose of vaccine or at the end of the primary vaccination series or following the administration of the relevant booster dose
- **rapid antigen or molecular swab test**, respectively within 48 or 72 hours before entry into Italy.

Covid-19 green certificates of successful vaccination are accepted in one of the following languages: Italian, English, French, Spanish or German. If submitted in another language, they must be accompanied by a sworn translation into Italian. Foreign certifications of recovery must be accompanied by a sworn translation into Italian.

As per rules and regulation to enter Italy we suggest all delegation to keep an eye on <https://www.salute.gov.it/portale/nuovocoronavirus/homeNuovoCoronavirus.jsp?lingua=english> where all update and changes are regularly issued.

COVID POSITIVE PERSON MANAGEMENT

People who are tested positive with a swab test (PCR or antigenic) needs to be isolated as follows:

- **At least 10 days** from 1st positive test, last three days should be without symptoms (but for sense of taste and smell).
- **Isolation days are reduced to 7** for those who have received the booster and those who had two vaccine shots no more than 120 days before the positive test.
- Isolation ends only after being tested negative with a swab test (PCR or antigenic). If still positive to the swab test but with no symptoms for at least 7 days (but for sense of taste and smell) the isolation can **be ended after 21 days**.

Close Contact

- Those who had close contact with a someone tested positive need to self monitor her/his health status and wear an FFP2 mask at all times, when in close spaces or with other people, for 10 days after the close contact.
- If during the self monitoring period any symptom occurs it is needed to do a swab test, to be repeated in case of negative result but persisting symptoms, after 5 days.
