Practical/General  
Guidelines

## APPLICATION OVERVIEW

---

Please use this document in conjunction with the Practical/General Guidelines documents for a full overview.

In the following pages, it is also indicated if the identification needs to be placed in a specific place [Precise] or if the placement is not specified [Floating].

Precise identification   ■ Floating identification

Authorised Identifications include:

-  Identification of the Manufacturer
-  Product Technology Identification
-  NOC Emblem and National Identity
-  Homologation Marks

## SUBMISSION PROCESS

---

### [Section 14 of General Guidelines apply](#)

The IOC has set up a procedure for Items to be reviewed and offer assistance to the NOCs and IFs. Submissions should be sent to [rule50@olympic.org](mailto:rule50@olympic.org).

As in previous Games, while the process is not mandatory, it is highly encouraged in order to minimise any possible Games-time issues. Once a submission has been made through the online tool, NOCs and IFs will be notified of the “reviewed” or “non-compliant” status of their submitted Items.

No additional obligatory submission process required by the IF, section 14 of the General Guidelines applies.

## Additional IF Specifications

### Section 05

#### Third Party Identifications (athlete names)

No names of athletes allowed on items, section 8 of the General Guidelines applies.

### Section 07

#### NOC Emblems and National Identity

All competitors who participate in competition must wear an identification of their country/ territory in the form of a flag (in official colors) or the country name (IOC abbreviation or in full) [●] and may not exceed the maximum overall area of 80cm<sup>2</sup> and must cover a minimum overall area of 30cm<sup>2</sup>. A national emblem, NOC emblem, or crest, if the country/territory has one, or its coat of arms may be worn, but only in addition to the flag or country/territory name [●], and with the same maximum size requirement.

The uniform may be designed in the national colours and portray clearly the national identity, as long as a flag or country name (abbreviated or in full) is included. The identification can be in the form of a patch, crystals, screen print or other method, and must be sewn-on or affixed to prevent removal during competition.

Such emblems may appear as follows:

#### Men's singlet

Anywhere on the front or side, ensuring aesthetic presentation.

During the Qualification competition of the 2020 Tokyo Olympic Games, the additional individual gymnasts from a NOC with a qualified team must wear a distinctively different colour singlet (MAG) and leotard (WAG) than the gymnasts participating in the team event.

The national identification on the warm-up suit is not regulated, but should be reasonable and in good taste in keeping with other rules as specified.

Display by selecting one of the colored square buttons the specifications of one or other of the identification mark.
