## 5. PARTICIPATION RIGHT AND ACCREDITATIONS

---

Senior and Junior Gymnasts holding a valid FIG licence until the end of the competitions, and with the correct age from European Gymnastics and FIG affiliated Federations in good standings, may take part in these European Championships. An individual is entitled to only one accreditation card. If an individual has several valid “accreditable” functions, the highest function is normally selected and the access zones of the functions are cumulated. No substitutes may directly benefit from unused accreditations. The functions of judge and gymnast cannot be combined with any other function, except for a gymnast who can also act as Head of Delegation.

### Maximum Delegation Size

---

The maximum size of each delegation, as per European Gymnastics Technical Regulations, is as follows:  
All federations are entitled to participate with either a team composed of 3 to 5 gymnasts, or individual gymnasts.  
\*\*MAG Senior Teams have the option to bring one further individual apparatus specialist gymnast.

| Function           | Junior | Senior | Combined |
|--------------------|--------|--------|----------|
| Gymnasts           | 5      | 6      | 11       |
| Head of delegation | 1      | 1      | 1        |
| Team manager       | 1      | 1      | 2        |
| Coaches            | 2      | 2      | 4        |
| Doctors            | 1      | 1      | 1        |
| Physiotherapist    | 1      | 1      | 2        |
| Judges*            | 1      | 1      | 2        |

\*Note: see also Point “9. Judging “below for additional information

Additional accreditations are at the charge of the delegations. The costs of these accreditations are as follows:

|                              |          |
|------------------------------|----------|
| Additional Coach             | EURO 180 |
| Additional Paramedical Staff | EURO 180 |
| Guest                        | EURO 180 |
| VIP Guest                    | EURO 250 |

The cost for additional accreditations must be paid directly to the LOC. An additional invoice will be sent to the concerned NF, including the bank details of the LOC.

### Accreditation Application Process

---

Each National Federation (NF) is kindly asked to enter the personal details and to upload photos of all delegation members in the following online accreditation tool of the LOC:

**<https://acc.gymresult.it/>**

The online accreditation system will be open from **24 January 2024** and will be closed on **26 March 2024**.

All details on how to access the LOC online accreditation portal and description of the application process will be provided to each NF by the LOC after the definitive registration deadline.

This will involve entering personal information (name, date of birth etc.), assigning the correct Job Title (e.g. Athlete, Coach, Doctor) and uploading a photograph which meets the requirements below.

The photograph must follow the same requirements as for a passport:

- It must be in **colour**, should be a recent and an accurate likeness of the applicant and must not have been altered in any way
- It should be a **front view of the applicant's face, head and shoulders (facing forward and looking straight at the camera)**; hats, hair bands or dark glasses must not be worn.
- It should show the full head, without any head covering, unless worn for religious beliefs or medical reasons
- With a neutral expression and with the mouth closed
- With eyes open and clearly visible (no sunglasses or tinted glasses and no hair across the eyes)
- No objects, other people or shadows in the photo
- The **background must be plain and light colour, preferably white** but light blue and light grey will be accepted (NO black, dark blue, red etc.)
- Be clear and in sharp focus
- Be taken within the last 6 months

Details should be entered for all participants **until no later than 26 March 2024**. This includes applications for accreditation of additional coaches, paramedical staff and guests for whom the NF will assume the participation costs, as described above.

Please consider: If photos will have to be taken at the accreditation desk (because they were not sent within the deadline/in the correct format) **EUR 50.-** will be charged for each photo.

All data submitted by NFs via the Smart Scoring platform are subject to the approval of European Gymnastics. The European Gymnastics Accreditation Rules will be strictly applied, notably as far as the number of accreditations per federation is concerned. No further accreditations may be issued. Any additional person is considered a spectator and must buy entry tickets.

Accreditation cards will not be delivered unless all financial and insurance obligations have been successfully completed.

In addition, each NF **must also** register on the **European Gymnastics GymData Online registration system** by the stated entry deadlines for Definitive & Nominative entry (see Point 7).

## Media Accreditations

---

International and local media representatives as well as federations' communication staff who are interested in covering the event can register online through the European Gymnastics website: [Media | European Gymnastics](#).

**Deadline: 09 April 2024.**

The European Gymnastics Accreditation Rules and Media Rules have to be strictly respected.

- NFs must declare through the gymnast's FIG profile whether their 18 year old gymnasts will compete as junior or senior prior to their first FIG sanctioned competition for the year concerned.

Gymnasts who have participated in a Senior World Championships, a Senior Continental Championships, a World Cup / World Challenge Cup, and Multi-Sport Games, may not participate afterwards in Junior competitions.

FIG Technical Regulations - Section 2 - Art. 6 - Registration Changes).

Please consult the FIG licence rules for additional information in this respect.

## 9. JUDGING

---

Each National Federation with a Team or Individual Gymnasts for the Senior or Junior competitions has the obligation to nominate 1 judge. Each National Federation with teams or individual gymnasts for the Senior and Junior competitions must nominate 2 judges.

If a federation does not enter a judge or comes with an insufficient number of judges, European Gymnastics, in line with the Technical Regulations, will request payment in the sum of EUR 2000.00 per missing judge.

**All judges must have a current valid FIG brevet and category, for their function according to FIG Judges rules at the time of the event.**

Whilst the presence of E-judges at the Official Podium Training is not mandatory, the MTC would strongly encourage all E-Judges to be present at Podium Training.

## 10. DRAWING OF LOTS

---

The gymnasts' drawing of lots will take place after the deadline of the Nominative Registration, on **2<sup>nd</sup> April 2024** at the Head Office of European Gymnastics.

The composition of subdivisions is decided by drawing of lots among the teams and individual gymnasts.

For Juniors, the draw will be open, and will start with the final Subdivision and work its way back to Subdivision 1. As federations are drawn, they will be placed horizontally across the apparatus working in Olympic order. The draw will continue until all federations have been drawn.

For Seniors, the draw will start with the 6 (MAG) highest ranked teams from the qualification competition at the European Championships from the previous year (or in exceptional circumstances from another competition to be decided by the EC following proposals from the MAG Technical Committees) drawn in the final subdivision and placed horizontally across the apparatus working in Olympic order.

The draw will then continue with the remaining teams and individual gymnasts to complete the final Subdivision and then work its way back to Subdivision 1. As federations are drawn, they will be placed horizontally across the apparatus working in Olympic order. The draw will continue until all federations have been drawn.

## 11. COMPETITION FORMAT

---

According to FIG TR 2023, the 2024 European Championships is a qualifying event for the Olympic Games Paris 2024.

For details, see the FIG TR **Appendix A – Qualifications Pathway. – Criteria 7**

**Recognition of these 2024 European Championships as a MAG Olympic Qualification event for Paris 2024 is subject to approval by the FIG EC on February 29, 2024.**

### Competition Format

---

**SENIORS - Qualifying Competition** including All-Around Final, plus, qualification for Apparatus Finals and Team Final.

**JUNIORS - Qualifying Competition** including Team Final, plus qualification for the All-Around Final and Apparatus Finals.

A Senior and Junior Team consists of 3 - 5 gymnasts, of which up to 4 compete on each apparatus. The 3 best scores on each apparatus are added together to make the total score for the Team on that apparatus.

Federations who compete with a Senior Team may bring a 6<sup>th</sup> gymnast to participate as an individual apparatus specialist. This gymnast may compete on a maximum of 3 apparatus. The apparatus on which the 6<sup>th</sup> gymnast competes must be declared by the Federation in the nominative entry and cannot subsequently be changed.

The competition consists of 6 apparatus. As a general rule, the events will be performed in the Olympic order.

The number of subdivisions depends on the number of participating gymnasts. As a general rule, every subdivision includes 12 teams/mixed groups.

The composition of subdivisions is decided by drawing of lots among the teams and individual gymnasts.

The best Junior Team is awarded the title "Junior European Artistic Gymnastic Team Champion Men".

The best Senior Individual All-around gymnast is awarded the title "Senior European Champion in Artistic Gymnastics Men".

### **JUNIORS - All-Around Final**

The 24 gymnasts with the highest ranking obtained in the Qualifying Competition will qualify for the All-Around final.

A maximum of two gymnasts per federation are allowed in the finals.

The starting order of the gymnasts will be communicated in the work plan.

The winner of the All-Around Final juniors is awarded the title "Junior European Champion in Artistic Gymnastics Men".

### **SENIORS - Team final**

The 8 best Teams from the Qualifying Competition will participate in the Team Final. Teams consist of 3 to 5 gymnasts. 3 gymnasts will compete on each apparatus with all 3 scores counting towards the total score for the Team on that apparatus.

The starting order of the gymnasts will be communicated in the work plan.

The winner of the Team Final for Seniors is awarded the title "European Artistic Gymnastic Team Champion Men".

## **SENIORS & JUNIORS - Apparatus Finals**

The 8 highest ranked gymnasts on each apparatus from the Qualifying Competition will qualify for the respective Apparatus Final.

A maximum of two gymnasts per federation will be allowed in the finals.

The starting order of the gymnasts will be communicated in the work plan.

The winner on each apparatus is awarded the title "European Champion on ... (the corresponding apparatus) Men" or "Junior European Champion on ... (the corresponding apparatus) Men".

## **Reserve gymnasts**

Reserve gymnasts for all Finals will be in accordance with the FIG Technical Regulations.

The provisional training, warm-up and competition schedules will be included in the Work Plan.

---

## **12. EQUIPMENT**

The Manufacturer Supplier will be Spieth. Please refer to Appendix 1 for the complete List of Apparatus which will be used, including the certified product names and article numbers.

---

## **13. PUBLICITY**

FIG advertising and publicity rules must be respected.

As the Code of Points outlines deductions should the FIG rules for Advertising and Publicity on attire and equipment not be respected, each Federation may fill in the online FIG Publicity form (FIG Rules for Advertising and Publicity Appendix E for men) if deemed necessary and send it to European Gymnastics by **26<sup>th</sup> March 2024** at the very latest in order to have it approved.

While the Publicity Rule Chart is available on the FIG website under "Rules – Publicity" for additional information, you may also contact [ldavila@europeangymnastics.com](mailto:ldavila@europeangymnastics.com) for further assistance if required.

---

## **14. VISA**

Please verify immediately with your travel agent or the Italian Embassy or Consulate in your country if a visa is required for your travel to Italy. The Organising Committee will be happy to assist each Delegation member with an official invitation letter, provided that the request is made before **24 February 2024** to Mrs. Claudia Ferrauto at the following email address: [Claudia.ferrauto@federginnastica.it](mailto:Claudia.ferrauto@federginnastica.it) or Tel: +39 0687975021

The request must include the function, full name, gender, date of birth, citizenship and passport number, passport expiry date, the arrival and departure dates of the Delegation Member as well as the city the visa application support letter must be sent to.

It is not guaranteed by the LOC that the requests made after this deadline will be fulfilled. More information about visas can be obtained on the following links: <https://vistoperitalia.esteri.it/home/en>

## **20. INSURANCE**

---

The Host Federation, the Organizing Committee, European Gymnastics and the FIG will not be held responsible for any liabilities in case of accidents, illness, repatriation and the like.

The European Gymnastics and FIG Technical Regulations foresee that all participating Federations are responsible for making their own arrangements to have the necessary valid insurance coverage against illness, accidents and for repatriation for all the members of their Delegation.

The FIG insurance IMSSA (International Medical & Security Sports Assistance) **for gymnasts and judges** with a valid FIG License / Brevet is valid for these European Championships. Please see further information on the FIG Intranet. Basic insurance (sickness, accident and repatriation) in your country of residence is compulsory in order to be able to benefit from coverage by FIG IMSSA subsidiary insurance. Please also refer to <https://www.gymnastics.sport/site/pages/medical-insurance.php> for additional information regarding the FIG IMSSA insurance for Athletes and Judges.

**All other delegation members are NOT included in this insurance and must present a proof of insurance at the accreditation.**

The LOC will verify the insurance upon arrival of the delegation members (e.g. cover note or photocopy of the valid policy in English writing).

Delegation members with insufficient insurance coverage will subsequently be offered with insurance at the Federations own charge as follows: **€ 15,00** per person/day.

## **21. WORK PLAN**

---

European Gymnastics should issue the work plan to Federations and other persons concerned six weeks prior to the start of the competition.
