5. PARTICIPATION RIGHT AND ACCREDITATIONS

Senior and Junior Gymnasts holding a valid FIG licence until the end of the competitions, and with the correct age from European Gymnastics and FIG affiliated Federations in good standings, may take part in these European Championships. An individual is entitled to only one accreditation card. If an individual has several valid “accreditable” functions, the highest function is normally selected and the access zones of the functions are cumulated. No substitutes may directly benefit from unused accreditations. The functions of judge and gymnast cannot be combined with any other function, except for a gymnast who can also act as Head of Delegation.

Maximum Delegation Size

The maximum size of each delegation, as per European Gymnastics Technical Regulations, is as follows:
All federations are entitled to participate with either a team composed of 3 to 5 gymnasts, or individual gymnasts.

Function	Junior	Senior	Combined
Gymnasts	5	5	10
Head of delegation	1	1	1
Team manager	1	1	2
Coaches	2	2	4
Doctors	1	1	1
Physiotherapist	1	1	2
Judges*	1	1	2

*Note: see also Point “9. Judging “below for additional information

Additional accreditations are at the charge of the delegations. The cost of these accreditations are as follows:

Additional Coach	EURO 180
Additional Paramedical Staff	EURO 180
Guest	EURO 180
VIP Guest	EURO 250

The cost for additional accreditations must be paid directly to the LOC. An additional invoice will be sent to the concerned NF, including the bank details of the LOC.

Accreditation Application Process

Each National Federation (NF) is kindly asked to enter the personal details and to upload photos of all delegation members in the following online accreditation tool of the LOC:

<https://acc.gymresult.it/>

The online accreditation system will be open from **1 February 2024** and will be closed on **4 April 2024**.

All details on how to access the LOC online accreditation portal and description of the application process will be provided to each NF by the LOC after the definitive registration deadline.

This will involve entering personal information (name, date of birth etc.), assigning the correct Job Title (e.g. Athlete, Coach, Doctor) and uploading a photograph which meets the requirements below.

The photograph must follow the same requirements as for a passport:

- It must be in **colour**, should be a recent and an accurate likeness of the applicant and must not have been altered in any way
- It should be a **front view of the applicant's face, head and shoulders (facing forward and looking straight at the camera)**; hats, hair bands or dark glasses must not be worn.
- It should show the full head, without any head covering, unless worn for religious beliefs or medical reasons
- With a neutral expression and with the mouth closed
- With eyes open and clearly visible (no sunglasses or tinted glasses and no hair across the eyes)
- No objects, other people or shadows in the photo
- The **background must be plain and light colour, preferably white** but light blue and light grey will be accepted (NO black, dark blue, red etc.)
- Be clear and in sharp focus
- Be taken within the last 6 months

Details should be entered for all participants **until no later than 4 April 2024**. This includes applications for accreditation of additional coaches, paramedical staff and guests for whom the NF will assume the participation costs, as described above.

Please consider: If photos will have to be taken at the accreditation desk (because they were not sent within the deadline/in the correct format) **EUR 50.-** will be charged for each photo.

All data submitted by NFs via the Smart Scoring platform are subject to the approval of European Gymnastics. The European Gymnastics Accreditation Rules will be strictly applied, notably as far as the number of accreditations per federation is concerned. No further accreditations may be issued. Any additional person is considered a spectator and must buy entry tickets.

Accreditation cards will not be delivered unless all financial and insurance obligations have been successfully completed.

In addition, each NF **must also** register on the **European Gymnastics GymData Online registration system** by the stated entry deadlines for Definitive & Nominative entry (see Point 7).

Media Accreditations

International and local media representatives as well as federations' communication staff who are interested in covering the event can register online through the European Gymnastics website: [Media | European Gymnastics](#).

If a Federation does not enter a judge or comes with an insufficient number of judges, European Gymnastics, in line with the Technical Regulations, will request payment in the sum of EUR €2,000.00 per missing judge.

All judges must have a current valid FIG brevet and category, for their function **according to FIG Judges rules at the time of the event.**

Whilst the presence of E-Judges at the Official Podium Training is not mandatory, the WTC would strongly encourage all NF to ensure their E-Judges are present at Podium Training.

10. DRAWING OF LOTS

The gymnasts' drawing of lots will take place after the deadline of the Nominative Registration, on **11th April 2024** at the Head Office of European Gymnastics.

The composition of subdivisions is decided by drawing of lots among the teams and individual gymnasts.

For Juniors, the draw will be **open**, and will start with the final Subdivision and work its way back to Subdivision 1. As Federations are drawn, they will be placed horizontally across the apparatus working in Olympic order. The draw

will continue until all Federations have been drawn.

For Seniors, the draw will start with the **4 highest ranked Teams from the Qualification Competition at the European Championships in Antalya 2023**, drawn in the final subdivision and placed horizontally across the apparatus working in Olympic order.

The draw will then continue with the remaining teams and individual gymnasts to complete the final Subdivision and then work its way back to Subdivision 1. As Federations are drawn, they will be placed horizontally across the apparatus working in Olympic order. The draw will continue until all federations have been drawn.

11. COMPETITION FORMAT

According to FIG TR 2023, the 2024 European Championships is a qualifying event for the Olympic Games Paris 2024. For details, see the FIG TR **Appendix A – Qualifications Pathway. – Criteria 7**

Competition Format

QUALIFYING COMPETITION

Seniors - Qualifying Competition including All-Around Final, plus qualification for Apparatus Finals and Team Final
Juniors - Qualifying Competition including All-Around and Team Final, plus qualification for the Apparatus Finals

A Senior and Junior team consists of 3 - 5 gymnasts, of which up to 4 gymnasts compete on each apparatus. The 3 best scores on each apparatus are added together to make the team total on that apparatus. The NF nominates the team on each apparatus.

If a Federation does not have a sufficient number of gymnasts for a full team, it is possible to participate with Individual gymnasts.

A separate All-Around Final result list will be produced to include the 24 gymnasts with the highest ranking obtained. A maximum of 2 gymnasts per Federation will be taken into consideration.

The results from the Senior Qualifying Competition will determine the All-Around Senior European Artistic Gymnastic Champion 2024.

The results from the Junior Qualifying Competition will determine the Junior European Artistic Gymnastics Team Champions 2024 as well as the All-Around Junior European Artistic Gymnastic Champion 2024.

SENIORS & JUNIORS - Apparatus Finals

The 8 highest ranked gymnasts on each apparatus from the Qualifying Competition will qualify for the respective Apparatus Final. A maximum of two gymnasts per Federation will be allowed in the finals.

SENIORS - Team Final

The 8 best Teams from the Qualifying Competition will participate in the Team Final. Teams consist of 3 to 5 gymnasts. 3 gymnasts will compete on each apparatus with all 3 scores counting towards the total score for the Team on that apparatus.

RESERVE GYMNASTS:

For the Apparatus Finals, the following number of reserve gymnasts will be designated, by taking into account the respective Apparatus ranking results in the Qualification Competition:

- Three (3) gymnasts per apparatus

If called upon, a reserve works in accordance with the order of the gymnasts replaced. Reserves must be prepared to compete and must be present in the warm-up hall in case they are called upon.

The provisional training, warm-up and competition schedules will be included in the Work Plan.

12. EQUIPMENT

The Manufacturer Supplier will be Spieth. Please refer to Appendix 1 for the complete List of Apparatus which will be used, including the certified product names and article numbers.

The Host Federation, the Organizing Committee, European Gymnastics and the FIG will not be held responsible for any liabilities in case of accidents, illness, repatriation and the like.

The European Gymnastics and FIG Technical Regulations foresee that all participating Federations are responsible for making their own arrangements to have the necessary valid insurance coverage against illness, accidents and for repatriation for all the members of their Delegation.

The FIG insurance IMSSA (International Medical & Security Sports Assistance) **for gymnasts and judges** with a valid FIG License / Brevet is valid for these European Championships. Please see further information on the FIG Intranet. Basic insurance (sickness, accident and repatriation) in your country of residence is compulsory in order to be able to benefit from coverage by FIG IMSSA subsidiary insurance. Please also refer to <https://www.gymnastics.sport/site/pages/medical-insurance.php> for additional information regarding the FIG IMSSA insurance for Athletes and Judges.

All other delegation members are NOT included in this insurance and must present a proof of insurance at the accreditation.

The LOC will verify the insurance upon arrival of the delegation members (e.g. cover note or photocopy of the valid policy in English writing).

Delegation members with insufficient insurance coverage will subsequently be offered with insurance at the Federations own charge as follows: **€ 15,00** per person/day.
