## **ABOUT THIS GUIDE**

Published in June 2024, the series of Team Leaders' Guides offers a summary of competition-related material about each sport at Paris 2024 and provides a variety of information aimed at helping teams in their planning and final preparation for the Games.

All information provided in this Team Leaders' Guide was correct at the time of publication, but some details may change prior to the Games so NOC representatives are urged to regularly check the IOC's NOCnet and myInfo, as well as Paris 2024 website and application, for the latest updates or contact your respective Paris 2024 sport managers.

This information has been developed and approved by the IOC, International Federations and Paris 2024 competition management and may be updated as required leading up to the Games. The Team Leaders' Guides are designed for internal operational use by Paris 2024 stakeholders and should not be publicly shared.

# WELCOME

**On behalf of the Paris 2024 Organising Committee, I am delighted to present the series of Team Leaders' Guides for the Games of the XXXIII Olympiad.**

At Paris 2024, we are proud to organise the first Games under the New Norm of the Olympic Agenda 2020, which focuses on economic, social and environmental efficiency and sets a precedent in the organisation of sports events. Our ambition is to present the first carbon-neutral Games, the first gender-balanced Games and the first Games open to all with the mass participation marathon. Paris 2024 aims to deliver responsible Games whether by using 95 percent of existing or temporary venues and 100 percent renewable energy during the Games, or by favouring a circular economy, sustainable food, and clean mobility, and by preserving the biodiversity on venues. By taking climate and environmental issues into account well before the event, we are breaking new ground in the history of the Games.

One hundred years since the last summer Games in France, Paris 2024 has huge ambitions for the Games in 2024. Our aim is to offer a new event model that is in tune with people's aspirations, especially those of the younger generations, for example by introducing four additional sports such as breaking, sport climbing, skateboarding or surfing.

Paris 2024 will be a spectacular celebration that takes sport into new and unexpected places: from the foot of the Eiffel Tower to the Champ-de-Mars, the Grand Palais, Invalides, Place de la Concorde, and the Château de Versailles. Beyond Paris and its region, the whole country will be the Games' playground. Surfers will master the iconic wave of Teahupo'o in Tahiti (French Polynesia), while shooting athletes will compete in a state-of-the-art facility in Châteauroux. The 27,000 spectators in the Pierre Mauroy stadium in Lille will cheer for the basketball and handball competitions, and football fans have a choice of seven exceptional stadiums across the country, including Marseille. The city will also be the spectacular backdrop for the sailing competitions.

As athletes are the heart of Paris 2024 Olympic Games, we are committed to offer them an exceptional experience, with unique competition venues in iconic sites of Paris and France, such as the foot of the Eiffel Tower, the Château de Versailles or Teahupo'o in Tahiti.

Paris 2024 will leave a positive and lasting impact on the lives of residents by making long-anticipated investments, especially in Seine-Saint-Denis, such as the Olympic Village and the Aquatics Centre. All the facilities that will be used by athletes and delegations during the Games are designed with their legacy in mind so that they can be repurposed as public facilities, housing and offices based on local needs.

We hope that this guide, produced in collaboration with IOC Sport and International Federations, will provide you with the information you need to prepare for your Games.

We are looking forward to welcoming you to the City of Lights in the summer of 2024 for what we hope will be revolutionary Games.

**Aurélie Merle**

## RULES

The Trampoline Gymnastics competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

### → FIG Rules

- FIG Statutes
- FIG Technical Regulations
- FIG Apparatus Norms
- Codes of Ethics, Conduct and Discipline
- FIG Code of Points specific to Trampoline Gymnastics, relevant newsletters and helpdesk
- FIG Judges' Rules (general and Trampoline Gymnastics-specific versions)
- FIG Licence Rules
- Subsequent decisions of the FIG Executive Committee

**All of the above-mentioned documents are available by clicking on the following link: <https://www.gymnastics.sport/site/rules/rules.php>**

### → Olympic Charter: <https://olympics.com/ioc/olympic-charter>

In accordance with Rule 46 of the IOC Olympic Charter, the FIG will be responsible for the control and direction of the Trampoline Gymnastics competition at the Paris 2024 Olympic Games.

# LATE ATHLETE REPLACEMENT (LAR)

Late replacement of an athlete (LAR) is only permitted for quota places allocated to an NOC. It can be done up to 24 hours before the start of men's GTR qualifications and up to 24 hours before the start of women's GTR qualifications. Any athlete for whom a request for accreditation has been submitted before the accreditation deadline (on the Long List) may be used as a substitute, provided he or she is eligible.

The LAR process and approval can take up to 24 hours and must be concluded with the final confirmation of athletes for the respective event.

Please refer to the latest version of the IOC LAR regulations and the specific procedures for late replacement of athletes. If you do not have direct access to these documents, please contact your NOC to obtain a copy.

# CLOTHING AND EQUIPMENT

Clothing and equipment used by athletes and other participants in the Gymnastics competitions at the Olympic Games must comply with the documents listed below:

- **FIG Technical Regulations**
- **FIG Code of Points (discipline-specific versions)**
- **Advertising Rules Competition Clothing** (All of the above-mentioned documents are available at <https://www.gymnastics.sport/site/rules/>)
- **Olympic Charter** (<https://olympics.com/ioc/olympic-charter>), in particular Rule 50: Advertising, Demonstrations, Propaganda
- **IOC Guidelines Regarding Authorised Identifications for the Games of the XXXIII Olympiad, Paris 2024 for artistic gymnastics:** <https://stillmed.olympics.com/media/Documents/Olympic-Games/Paris-2024/FIG.pdf>.

The prohibition of any advertising and publicity in and above Olympic sites (as expressed in the Olympic Charter) is one of the aspects that differentiate the Olympic Games from other international events. This principle is reflected in the Bye-law to Rule 50 of the Olympic Charter. Detailed information on the implementation of Rule 50 to clothing, equipment, accessories and other items is detailed in the

IOC's Guidelines Regarding Authorised Identifications for the Games of the XXXIII Olympiad, Paris 2024, which has been distributed by the IOC to all NOCs, IFs and sporting goods manufacturers.

Please refer to the complete Guidelines Regarding Authorised Identifications document for detailed information and instruction on all aspects of Rule 50 and its application and enforcement at the Paris 2024 Olympic Games.

## QUALIFYING ROUND

There are two (2) exercises in the qualifying round, with 10 different elements in each exercise.

The two (2) exercises will be free. The execution score plus the horizontal displacement and the time of flight are added to the difficulty score to give the total for an exercise.

## FINAL

The final will comprise a free exercise with 10 different elements without restrictions. The execution score plus the horizontal displacement and the time of flight are added to the difficulty score to give the total for an exercise.

# JUDGES AND SCORING

The jury will be composed of one (1) Chair of Judges' Panel, six (6) Judges for Execution and two (2) Judges for Difficulty.

An exercise on the trampoline is characterised by acrobatic elements performed in the athlete's flying phase. These elements must be high, continuously rhythmic, feet-to-feet and feet-to-back, front or seat rotational jumping elements, without hesitation or intermediate straight bounces. A trampoline exercise should be planned to demonstrate a variety of forward and backward twisting or non-twisting elements and show good form, good form, execution, height and opening to demonstrate perfect control of the body during the flying phase.

The evaluation of execution, difficulty and horizontal displacement is done in tenths of a point. The flight time is evaluated to 1/1000 of a second rounded to 1/100 of a second at the end of the routine.

The final score (F) is calculated as follows:

$$F = E (\text{max. 20 pts}) + H (\text{max. 10 pts}) + D + T - \text{penalty}$$

Judges must write their deductions independently of one another. The Chair of Judges' Panel (CJP) controls all aspects of the competition. They take decisions on all matters other than

execution, difficulty, horizontal displacement and time scores. They also act on and communicate these decisions to all the relevant officials.

The evaluation of execution and difficulty is done in tenths of a point. The time of flight is evaluated in 1/1000 of a second rounded down to 5/1000 of a second.

# PRE-COMPETITION PROCEDURES

## ARRIVING AT THE VENUE

All gymnasts should arrive at the competition venue 60 minutes before their warm-up session. Upon arriving Bercy Arena, athletes will be met by the teams at the Sport Information Desk, as well as by the Paris 2024 Athlete Services teams who will guide gymnasts to the athlete preparation areas and the warm-up hall.

Team officials should go to the venue Sport Information Desk (SID) to confirm and receive competition details.

## SUPPLEMENTARY ACCESS CONTROL DEVICES (SACDS)

Supplementary Access Control Device (SACD) will allow access to the warm-up hall and the Field of play on podium training and competition days. Cards will be issued separately for each day of podium training and competition on arrival in the warm-up hall (as the Sport Information Desk).

Coaches and support staff who are waiting for a warm-up hall SACD to become available from another member of their delegation should wait just outside the

warm-up hall. Coaches and support staff who wish to use a SACD to swap personnel on the field of play during competition should make themselves known to the field-of-play access control team and should then wait in the Transferable Card Waiting Area, which is clearly signposted, until they have received the card from their NOC colleague. For details of allocations per NOC please see the FIG Accreditation Rules available at <https://www.gymnastics.sport/>.

## **SUBMISSION OF COMPETITION CARDS**

NOCs must collect the competition cards and return them to the SID at Bercy Arena. Completed cards must be submitted at the orientation meeting to be held on July 31 from 13:00 to 14:00 in the Bercy Arena press conference room.

Competition cards must be completed using FIG-recognized notation. Finals exercises must be included on the back of the form, as there will be no time allowed between the qualifying and final exercises to complete and submit a new form.

## **ORIENTATION MEETING**

<b>DATE</b>	<b>TIME</b>	<b>LOCATION</b>
31 July 2024	13:00 – 14:00	Press conference room at Bercy Arena

Representatives of the FIG and Paris 2024 gymnastics competition management will outline the full event programme and address NOCs' questions. The meeting will be held in English only. Each participating NOC is required to attend, with a maximum of two (2) delegates per NOC. The FIG event judges are not invited to the orientation meeting.

## PODIUM TRAINING

DATE	GROUP	TIME	
		Warm-up hall	Field of play

	Men's Group 2 podium training	16:10 – 16:40	16:45 – 17:45

Podium training will be open to the media.

Podium training for trampoline gymnastics will take place at Bercy Arena on 1 August 2024, as described in the table above. A two-hour period will be allocated to a group of 16 trampoline female and male gymnasts. A warm-up period of 60 minutes will take place before each podium training session, held in the warm-up hall.

During transition from the warm-up hall to the field of play, gymnasts and coaches will be shown the march-in, march-out and competition routes, and the kiss and cry area.

Otherwise, the structure of training will be free.

Paris 2024 may wish to test certain elements of its operations, such as march-in, presentation and march-out during podium training. Gymnasts will be required to pass through the mixed zone at the end of their session to aid familiarisation with the athlete pathway.

## ATHLETES' HEADSHOTS

Mandatory sports presentation photos will take place in the village on July 31 for Trampoline Gymnastics. When athletes arrive at B2T (Centre Bastille), there will be an information desk for the photo and video studio inside the reception area on the first floor.

Both photos and videos will be taken. The process takes between 5 and 6 minutes per person. Please consult the table below for your time slot.

# **COMPETITION PROCEDURES**

## **ACCESS TO THE WARM-UP HALL**

Access to the warm-up hall will be limited to the gymnasts and officials who are scheduled to train at that time. The number of persons who have access to the warm-up hall is strictly limited in accordance with the FIG Technical Regulations and Accreditation Rules. Teams must be accredited with the Olympic Identity and Accreditation Card (OIAC) and a SACD (for podium training and competition days). Other team members or additional persons (irrespective of their OIAC) will not be allowed to enter the warm-up halls.

## **EARLY MORNING WARM-UP PROCEDURES**

On the morning of competition day, competing gymnasts will have podium training and may train for 30 minutes in the warm-up hall and for one (1) hour on the field of play. The 16 athletes competing that day will be divided into two (2) groups of 8 athletes for the warm-up.

## **CALL TO COMPETITION**

Ten minutes before the competition of each group the gymnasts will be called to line up in competition attire and will be moved to the corridor leading to the entrance of the field of play. Gymnasts will then be lined up and placed in order for their march-in to the arena. Rule 50 compliance checks and final accreditation checks will take place at this time. Gymnasts will then be asked to give all required accreditations, bags and equipment to their coaches to carry on to the field of play.

Gymnasts will be asked to march in behind a field-of-play team member. The field of play supervisors and other team members will ensure that gymnasts know where they are going throughout the competition. Gymnasts will be escorted to the trampoline podium.

Coaches and medical staff will enter the field of play after the gymnasts and will be escorted directly to the athlete seating with all bags and equipment.

## **FIELD OF PLAY ACCESS**

Aside from members of FIG, Omega and Paris 2024 staff, technical officials, and members of the media with separate accreditations, access to the field of play will be limited to the gymnasts and officials who are taking part in the competition at the

time. The number of persons who will have access to the field of play will be strictly limited in accordance with the FIG Technical Regulations and Accreditation Rules. All persons seeking access to the field of play must have an OIAC and a SACD.

For gymnasts and team officials, there is only one access point onto the field of play. Gymnasts will use this access point to march into the field of play. The mixed zone is located on the north side of the field of play. Gymnasts and team officials will be asked to show their OIAC and SACD before entering the field of play, with the exception of gymnasts for the initial procession at the start of the competition.

Team officials will be asked to leave the field of play if they are not conducting a role relevant to the competition in progress.

## **CONTROLLED FIELD OF PLAY WARM-UP**

Immediately after the gymnasts' introduction, the gymnasts will go to the athlete seating area, and then each gymnast may perform a 45-second, one-touch warm-up on one of the competition trampolines. After that, gymnasts will return to the athlete seating area.

## **SEQUENCE TO QUALIFICATION COMPETITION**

Entry on to and exit from the field of play will be managed by the field of play supervisor and team members. Gymnasts should listen for instructions by the venue announcer over the public address (PA) system.

After the march-in, presentation and one-touch warm-up, each gymnast will be announced in turn in accordance with the draw. Gymnasts will be guided to wait at the steps to the Trampoline podium nearest to the technical table. Then, after the announcement of his/her name, each gymnast should mount the podium and his/her chosen trampoline.

Gymnasts must wait for the green timing signal on the Omega plasma screens and a signal from the chair of judges' panel before starting their performance. Gymnasts should leave the podium via the steps furthest from the technical table within 30 seconds of the end of the routine.

After the completion of the first exercises, all 16 gymnasts will complete their second qualification exercise in the same pre-determined order without further warm-up on the competition trampolines. Gymnasts will be invited to the trampoline in order and will be escorted to the kiss and cry area to await their score.

## ***RETURN TO WARM-UP HALL DURING COMPETITION***

Gymnasts may return to the warm-up hall during the qualification period after completing their first qualification exercise. Gymnasts from the first group may gain access to the warm-up hall trampolines as soon as the second group of gymnasts has finished its controlled warm-up period.

It is the responsibility of each gymnast to ensure that he/she returns to the field of play in time for his/her exercise. The competition running order will be displayed on screens in the warm-up hall, and field-of-play volunteers will be available to guide gymnasts between the field of play and the warm-up hall.

After the second qualification exercise, gymnasts are expected to remain on the field of play.

Gymnasts and team officials must take their OIAC and SACD passes with them to gain entry to the warm-up hall and re-entry to the field of play.

## ***TRANSITION BETWEEN QUALIFICATION AND FINAL***

At the end of the qualification round, all gymnasts must remain on the field of play until the official qualification results are announced. Finalists will then return to the warm-up hall, and the remaining gymnasts will be invited to line up and leave the field of play through the mixed zone.

## ***SEQUENCE TO FINAL COMPETITION***

Finalists will be marched onto the podium and individually presented. Immediately after the gymnasts' introduction, each gymnast may perform a 45-second, one-touch warm-up on one of the competition trampolines. After that, gymnasts will return to the athlete seating area. Finalists will compete in reverse order of qualification.

# **POST-COMPETITION PROCEDURES**

## ***LEAVING THE FIELD OF PLAY (AT THE END OF QUALIFICATIONS OR FINAL)***

Gymnasts and team officials must not leave the field of play until directed by the field of play marshals. Generally, this direction will follow the final exercise of each stage of the competition, after the final confirmation of scores has been displayed. At this time, everyone leaving the field of play should assemble in line to march out. After completing two qualification exercises or their final exercise, gymnasts must remain on the field of play until the end of the qualification or final round.

Non-finalists will line up, march off and exit the field of play at the end of the qualification round via the mixed zone. Immediately after the march out from the final round, non-medallists will be required to make their way through the mixed zone. The medallists will be required to pass through the mixed zone just after their victory ceremony. Coaches and support staff will be escorted from the field of play by Paris 2024 representatives and should not proceed through the mixed zones.

**COMPETITION  
VENUE**

# **BERCY ARENA (BCY)**

8 boulevard de Bercy – 75012 Paris – France

Bercy Arena is an iconic venue for culture and sport in Paris and across France, recognisable with its pyramid design that stands out from the landscape of Paris' 12th arrondissement. Built in 1984, the venue is located 21 kilometres from the Olympic Village and close to various tourist sites including Notre-Dame de Paris Cathedral, the Hôtel de Ville and the Latin Quarter.

Its 15,000-spectator capacity allows Bercy Arena to host high-level sports events, such as the Paris Masters, an international men's tennis tournament from the ATP Tour, and the final rounds of the 2018 European women's handball championship. It will also be the venue for the Olympic Basketball finals as well as Artistic and Trampoline Gymnastics, and the Wheelchair Basketball events during the Paralympic Games.

Renovated between 2014 and 2015 to modernise its infrastructure, Bercy Arena ticks all of the boxes today for hosting major competitions and cultural events. Bercy has nothing left to prove since it was inaugurated, this multi-sports venue has already welcomed more than 30 million spectators at hundreds of events, from athletics to basketball, ice hockey and motocross.

## **VENUE ACCESS**

Paris 2024 will provide athletes and support staff with a dedicated transport service from the Olympic Village. Athletes will be dropped off at gate 28, near the athletes' entrance. The detailed timetable will be available at the venue Sport Information Desk (SID). The trampoline gymnastics competition venue is also easily accessible by public transport thanks to its location in south-east Paris. The Arena is served by different metro and bus lines which are detailed in the section below.

## **VENUE TRANSPORT**

Bercy Arena is accessible by metro via line 14 and line 6—Bercy stop, as well as bus line 24, Bercy Arena stop.

## **VENUE MAP**

Venue map will be communicated later.

## **FIELD OF PLAY**

The field of play will contain two (2) FIG-certified 505 x 291 cm trampolines mounted on a podium. Attached to the trampolines, safety platforms will extend the trampoline landing zone, providing greater security in case of a fall outside of the canvas. In addition to the trampolines and platforms, a safety area marked out by landing mats will surround the trampolines. Coaches will be based in this area to ensure athletes' safety.

## **VENUE FACILITIES AND SERVICES**

All men's artistic gymnastics apparatus will be removed from the field of play. Two (2) trampolines will then be installed.

The competition venue will also have the following services and facilities:

### **→ WARM-UP AREAS**

A warm-up area will be located on the ground floor. Some men's artistic gymnastics apparatus may be removed and two (2) trampolines will be installed.

### **→ CHANGING ROOMS WITH SHOWERS (SEPARATE FACILITIES FOR WOMEN AND MEN)**

There are changing rooms for men and women. Each changing room contains showers and toilets. Other toilets reserved for athletes are located near the warm-up halls and the field of play.

### **→ ATHLETES' LOUNGES**

The athletes' lounge will be located near the warm-up halls and the Sport Information Desk. Refreshments such as bottled water, isotonic drinks and hot drinks will be available throughout the day in the lounge.

A refreshment station offering sweet snacks for teams and athletes will be located in the athletes' lounge. Athletes and team officials may bring their own food to Bercy Arena. However, please note there is no refrigeration and no microwaves available.

### **→ INTERNET ACCESS**

Internet access will be available throughout the competition venue, as well as in the various athletes' areas such as the lounge and the two (2) warm-up halls.

**→ MIXED ZONE**

There are three (3) mixed zone areas (where accredited media interview athletes after competition) at Bercy Arena, one of which has a view over the FOP and is located in Entrance B.

**→ SPORT INFORMATION DESK (SID).**

The SID will be located at the athletes' entrance just after the entrance door on the right, before the warm-up hall. The SID will generally open between two (2) hours before the first training or competition session of the day and close 30 minutes after the last training or competition session of the day.

**→ MEDICAL FACILITIES**

The athletes' medical station will be located near the entrance to the field of play, on the east side of the venue.

**→ DOPING CONTROL STATION**

The Bercy Arena doping control station will be located next to the women's artistic gymnastics warm-up hall, after the medical station, on the south-east side of the venue. Access will be after the Mixed Zone before returning to the warm-up area.

**→ MASSAGE AREA**

A massage area will be located in each warm-up hall, and each will be equipped with two (2) massage tables.

***TRAINING***

## TRAINING VENUES

Trampoline Gymnastics training will take place at Pierre de Coubertin Stadium. The training facilities will include four (4) trampolines.

Training sessions will also be held at the competition venue, Bercy Arena, the day before the competition. This corresponds to the familiarisation day, known as “podium training”.

VENUE	ADDRESS	DISTANCE FROM VILLAGE	OPENING DATES
<b>Stade Pierre de Coubertin</b>	88 avenue Georges Lafont 75016 Paris	15km // 30min	26/07 to 01/08
<b>Arena Bercy</b>	8 boulevard de Bercy 75012 Paris	21km // 30min	01/08 to 02/08

Training in Stade Pierre de Coubertin will be available from: 08:30 to 19:00.

Please note that this schedule may change on some training days. There will be no training in the afternoon of the opening ceremony.

All training equipment will be approved by FIG and will comply with Rule 50 and By-law to Rule 50 of the IOC Olympic Charter.

Equipment for athlete training will be identical to that used during the competitions.

## TRAINING SESSIONS

Training slots will be predetermined by the teams in charge of the Paris 2024 trampoline gymnastics events, in accordance with the competition schedule.

## TRAINING REGULATIONS

### MEDIA

Training sessions will be open to the media.

## **“P” (PERSONAL COACHES) ACCREDITATION ACCESS**

Personal trainers with “P” accreditation will have access to the training venue in accordance with the training schedule of their respective gymnasts. They will not be admitted outside of these times and have no other privileges.

# **TRAINING FACILITIES**

## **FOOD AND BEVERAGE SERVICES**

Given the short distance between the Olympic Village and the training venues, as well as the limited time spent by the athletes on each training venue, no food service will be offered on site. A range of snacks to take away will be available at the Olympic Village. Additionally, cold drinks (water and isotonic drinks provided by Coca-Cola) as well as hot drinks (tea and coffee) will be available on training venues.

## **OTHER FACILITIES AND SERVICES AT THE TRAINING VENUE**

The Gymnastics training facilities at Pierre de Coubertin will consist of:

→ Four (4) trampolines (two [2] for men and two [2] for women)

### **→ ATHLETES’ LOUNGE**

A lounge for athletes and their support staff will be located at the training venue. The lounge will be equipped with tables, armchairs and chairs. Bottled water and isotonic drinks will also be available in the lounge. This location will enable athletes and escorts to rest, hydrate and charge their devices. Paris 2024 volunteers will be present in this lounge throughout training to serve and support athletes if necessary.

### **→ CHANGING ROOMS**

Separate changing rooms and toilets for men and women are located near the training hall.

### **→ MEDICAL SERVICES**

The medical station will be located in the vicinity of the training hall. A medical team will be present throughout training.

**→ PRESS AREA**

A zone near the training areas will be provided for the press.

**BERCY ARENA — PODIUM TRAINING**

Please refer to the previous section for details of the services available at the venue.

**VENUE ACCESS****VENUE TRANSPORT**

Paris 2024 will organise a bus service for athletes and their support staff from the Olympic Village to the Pierre de Coubertin training venue. The journey time is around 35 minutes, and a detailed timetable will be provided at the venue Sport Information Desk.

The venue is also accessible by public transport thanks to its location in western Paris, on metro line 9, Porte de Saint Cloud stop.

**DEDICATED TRAINING  
VENUE ACCESS**

Training venues will be accessible only to holders of a valid Olympic Identity and Accreditation Card. NOCs will be granted access to one or more training venues, according to the sport code(s) printed on their accreditation.

Specific passes for training venues will no longer exist for the Paris 2024 Games, but the requirements are integrated into “P” accreditation quotas.

- The maximum quota of “P” accredited persons allowed per venue has been defined as one (1) per gender team per training slot.

# THE OLYMPIC GAMES: ESSENTIALS

## PARIS AND FRANCE IN 2024

France is the world's top tourism destination with some 89 million visitors who flock here every year. Paris is a city unlike any other. It is overflowing with culture, history, and beauty. And whilst people travel to Paris to see the Louvre, the Eiffel Tower, or Notre-Dame, the real magic is found in the streets. Whilst Paris is a city with a strong cultural identity, it also houses people from all over the world who add their own culture and customs into the mix.

As you explore the streets of Paris, you might find yourself walking the hills of Montmartre in search of that perfect crêpe or meandering through Belleville, a Chinese neighbourhood with hip, young Parisians and elaborate street art. Across the river Seine, you might find yourself enjoying a “verre de vin” at a café in Saint-Germain-des-Prés or exploring the winding streets of the Latin Quarter.

France is also one of Europe's most diverse, gastronomic, and interesting countries to explore. Romantic hill towns and castles, meandering river valleys, and oceans of vineyards carpet this country's landscape.

France remains at the forefront of technology, architecture, fashion, and cuisine. A fascinating blend of natural and man-made beauty, France offers châteaux, never-ending coastlines, medieval cathedrals, Europe's highest mountain ranges, and museums showcasing cultural icons of the Western world.

# ACCREDITATION

## OLYMPIC IDENTITY AND ACCREDITATION CARD (OIAC)

The Olympic Identity and Accreditation Card (OIAC) is the official Paris 2024 Olympic Games document that establishes the identity of its holder and their entitlements. In addition, the OIAC will provide accredited individuals with access to Olympic venues and other services during the Paris 2024 Olympic Games, according to their role.

To ensure the safety and security of all Games participants, they must pass a background check in order to receive an OIAC. The background check will be carried out by the relevant French Government agencies.

Unlike previous editions of the Olympic Games, the OIAC/PVC does not act as a visa waiver. For accredited participants who need a short-stay visa to enter the Schengen Area, Paris 2024 submits a visa request as part of the accreditation process. The final visa will be printed on the PVC and not on the participant's passport.

### → PRE-VALID CARD VALIDATION

The OIAC will grant access to Paris 2024 venues only once it has been validated after completion of the NOC's F-DRM. Validation must be completed in-person at a validation counter in any Paris 2024 accreditation facility.

Individuals arriving in France on international flights at Paris-Charles de Gaulle and Paris-Orly airports will be able to validate their PVCs at the airport from 15 July 2024, provided that their NOC's F-DRM has been completed. Individuals arriving via other ports of entry will have to go to the appropriate accreditation centre to finalise the procedure for validating their accreditation. Each participant will need to visit an accreditation facility in person to finalise the validation procedure. Individuals will need to bring their PVC and the valid ID provided to Paris 2024 during the accreditation application process.

## ACCREDITATION CATEGORIES AND PRIVILEGES

All Games participants are provided with access only to the venues and zones that are required for them to complete the duties associated with their roles. The table below outlines the level of access granted to each category of participant.

### → CATEGORIES AND PRIVILEGE

## → ACCREDITATION PRIVILEGE CODES

The Accreditation Card Operating System assigns access privileges according to a privilege matrix that includes any function performing an official role at the Games. The privileges are based on accreditation zones and are printed on the OIAC along with the individual's personal information, function and responsible organisation. At sport venues the privileges give access to accreditation zones as described below:

ZONES	
WHITE	General circulation areas
RED	Operational areas, General circulation areas
BLUE	Field of play, Operational areas, General circulation areas
2	Athlete preparation areas
4	Press areas
5	Broadcast areas
R	Residential zone of the Olympic Village
MZ	Athletes' side of the Mixed Zone

### → LOST, STOLEN, DAMAGED ACCREDITATION CARDS

Lost and stolen accreditation cards should be reported immediately to the nearest accreditation centre or Venue Accreditation Help Office (VAHO). Participants will be required to complete a Lost/Stolen Accreditation Card form and present a valid form of identification.

Accreditation cards which are damaged in such a way that the photograph and/or the personal information is not legible or that the access control system is not able to read the card, should also be returned for replacement at any accreditation facility that provides accreditation card printing.

Please note that PVCs or OIACs cannot be reissued after the end of the operational period of Paris 2024 accreditation facilities.

### → ACCESS TO TRAINING VENUES – “P” ACCREDITATION

Training venues will be accessible only to holders of a valid accreditation. NOCs will be granted access to one or more training venues, according to the sport code(s) printed on their accreditation.

Specific passes for training venues will no longer exist for the Paris 2024 Games, but the requirements are integrated into “P” accreditation quotas.

The Olympic Village has eight training venues within its security perimeter for six sports (Studios and Gymnase Lallement): basketball, handball, breaking, fencing, modern pentathlon (fencing), weightlifting and wrestling. Seven of these venues are located in the existing cinema studios next to the Main Dining Hall, and they are accessible from the Village Plaza. The other training venue, Gymnase Aimé Lallement, is in the Village operational zone, next to Workforce Entry.

For access to training venues within the Olympic Village, “P” accredited persons for the relevant sports will be given an additional dedicated access code (not OLV) allowing them access to the training venues in the Olympic Village, only on the

training day and according to the training schedule. It will not be possible to access the Residential Zone from the Village Training Venues without “R” on the OIAC.

The maximum quota for “P” accredited personnel per venue per NOC, who are allowed access at any given time, is indicated in the Training section.

### → SUPPLEMENTARY ACCESS CONTROL DEVICES (SACDS)

A Supplementary Access Control Device (SACD) may be required to access specific areas of competition venues in line with sport-specific regulations. Specific areas within a venue, despite being within an accredited zone, can have additional restrictions and the OIAC itself may not grant access to these areas (e.g. the field of play, doping control stations). The SACD could take different forms such as an armband or an additional pass to be attached to the same lanyard as the OIAC.

The SACDs for each sport are detailed within the sport specific section of each Team Leaders’ Guide.

## ANTI-DOPING

### ANTI-DOPING PROGRAMME

The anti-doping programme for the Olympic Games is implemented by Paris 2024 under the responsibility of the International Testing Agency (ITA), to which the International Olympic Committee (IOC) has delegated certain responsibilities.

This programme is conducted in accordance with the anti-doping rules of the IOC (IOC ADR), and the World Anti-Doping Code. These rules are accompanied by a list of prohibitions, regulations governing the whereabouts of athletes and Therapeutic Use Exemptions (TUEs).

## **OPERATIONS DURING THE GAMES**

Doping controls are carried out at competition venues, training sites, athletes' places of residence or any other location.

After doping controls have been carried out at Paris 2024 venues, athletes and officials may use the usual transport services (TA) to return to the Villages.

Outside TA service operating hours, Paris 2024 will ensure that a transport solution is available for their return.

As doping controls may take place at any time during the period of the Olympic Games, all athletes competing must provide complete whereabouts information.

The quantity and timing of tests, their nature and the identity of athletes selected for doping control are defined in accordance with the test distribution plans developed by the ITA.

More information on the antidoping programme at the Olympic Games is available in the Chef de Mission Guide and can be found in the "Publications section" of NOCnet (please contact your NOC if you do not have access to this).

## **TRANSPORTATION AFTER COMPLETING DOPING CONTROL ON THE DAY OF THE CLOSING CEREMONY**

Doping control will also be conducted on the day of the Closing Ceremony. All athletes undergoing doping control must complete testing at their competition venue before travelling to the Closing Ceremony. After completing doping control, Paris 2024 will transport athletes to the Olympic Village. Athletes participating in the Closing Ceremony are requested to take a bus to the Olympic Stadium from the Olympic Village. Therefore, Paris 2024 recommends that all athletes who are competing on the day of the Closing Ceremony take with them to their competition venue all necessary items that may be required during the Closing Ceremony (such as their uniforms) as they may not be able to return to their accommodation in the Olympic Village prior to going to the ceremony.

# ARRIVALS AND DEPARTURES

Paris 2024 will use several airports and train stations to welcome NOC delegations to the Olympic Games. The period of full arrival and departure operations will be effective 11 days before the Opening Ceremony and will end three days after the Closing Ceremony; 15 July - 14 August 2024.

The types of Port of Entry (POE) mentioned below are used by Paris 2024 to serve the official accommodation of the 2024 Olympic Games

## PRIMARY PORTS OF ENTRY (PPOE).

Paris-Charles de Gaulle (CDG) and Paris-Orly (ORY) international airports will be the Primary Ports of Entry (PPOE) – Olympic Gateway – and will offer full arrival and departure services from 15 July - 14 August 2024. Services will be available in all terminals at the PPOE.

## SECONDARY PORTS OF ENTRY (SPOE)

Secondary Ports of Entry (SPOE) will have limited services according to the information provided by NOCs in the ADS, and competition schedules.

Five SPOEs will be available during the Olympic Games:

- Fa'a'a International Airport (PPT), Papeete – Tahiti
- Paris-Gare de Lyon (train station), Paris
- Gare de Marseille Saint-Charles (train station), Marseille
- Paris-Gare du Nord (train station), Paris
- Marseille Provence Airport (MRS), Marseille

In addition, 20 Arrivals & Departures Service Points (AND SPs) will be available during the Olympic Games in co-host-city airports and train stations (see list in the Arrivals & Departures Guide). They will offer the same level of service as in SPOEs; but are activated on restricted dates depending on the competitions and information received via the ADS.

## ACTIVATION PERIOD

Accreditation validation desks will be available in all terminals at Paris-Charles de Gaulle (CDG) and Paris-Orly (ORY) to allow NOCs to validate their PVCs once the NOC's F-DRM has been completed.

Accreditation validation desks will be open from 07:00-23:00 from 15 July - 11 August 2024. Validation desks will be located in secure zones of the terminals between immigration and the baggage claim area or in the baggage claim area depending on the terminals. Only PVC validation will be possible at CDG and ORY.

## **BAGGAGE AND ATHLETES' OVERSIZED SPORT EQUIPMENT**

Upon arrival at the POE, it is the responsibility of the passenger and/or baggage manager to claim their own baggage, to check that all baggage has been delivered and accounted for and to check that baggage is not damaged.

All baggage destined for the Olympic Village, satellite Villages and football hotels will be transported either in the hold of the coaches or by the logistics trucks provided for this purpose.

Logistics staff (handlers) will be present at airports and train stations to assist delegations with the loading and unloading of baggage onto vehicles.

Logistics trucks will be available from the POE to official athlete accommodations, based on the information provided by NOCs on the ADS. Logistics support will be provided for the loading and unloading baggage of athletes' oversized sport equipment.

Vaulting poles, firearms and ammunition will be transferred from the POE directly to the competition or training venues. All other athletes sports equipment will be transferred from the POE to the Olympic Villages or football accommodation, the equipment will be temporarily stored at the Olympic Village and then delivered to the competition venue by the Paris 2024 logistics team.

For the transportation of firearms and ammunition, Paris 2024 strongly recommends using Paris-Charles de Gaulle (CDG) or Paris-Orly (ORY) international airports as Ports of Entry if NOCs wish to benefit from Paris 2024 transfer services. Services will start on 18 July 2024.

Firearms and ammunition will be transported to the competition venue located in Châteauroux (300km from CDG and 260km from ORY) by Paris 2024's official freight forwarder, according to a pre-established process as well as information provided by NOCs on the ADS.

At the airports, the delegations will be responsible for collecting their baggage and sports equipment from the baggage reclaim area and for transporting it to the loading area for the logistics vehicles.

Oversized sport equipment will be stored in one of the following locations:

- Village Residential Zone
- Competition venues for boats (canoe, rowing, sailing), firearms and ammunition
- Competition venue for bikes (track cycling)
- Training venues for vaulting poles

## CEREMONIES

### OPENING CEREMONY

The Paris 2024 Opening Ceremony will take place on the river Seine, in the heart of the city.

#### → TIME

The Opening Ceremony will start at 19:30 on 26 July 2024 and will end at 23:45.

#### → ATHLETES' PARADE

For the first time, the Opening Ceremony will not take place in a stadium but in the centre of Paris, on the “Olympic Seine”. Athletes will be the heart of the ceremony, which will start with the Athletes' Parade. Throughout the Ceremony, athletes will be featured on boats alongside performers.

The parade will depart from Austerlitz Bridge. From the boats, athletes will enjoy spectacular views of some competition venues such as Place de la Concorde, Esplanade des Invalides, Grand Palais, and lastly Iéna Bridge where they will disembark and make their way to Trocadéro and seats on the Iéna Bridge for the ceremony finale.

The Opening Ceremony will consist of three main elements:

- Athletes' Parade: NOC delegations will travel six kilometres from east to west on the river Seine.
- Artistic show: There will be performances on river barges and bridges along the route of the Athletes' Parade.
- Protocol elements: Some protocol elements of the ceremony will take place at Trocadéro and Iéna Bridge.

### → PARTICIPATION TO THE CEREMONY

Only athletes by virtue of their accreditation and a limited number of team officials (Ac, Ao, Ap) with a marching pass may take part in the Athletes' Parade during the Opening Ceremony.

The marching pass quota has been validated by the IOC and is based on boat capacity with a minimum of three marching passes per delegation. The details of marching pass quota based on the number of athletes participating in the Olympic Games can be found in the Guide des Chefs de Mission.

Athletes and team officials who are not able to attend or do not wish to take part in the parade may stay at the Olympic Villages and follow the Ceremony from there.

### → DEPARTURES FROM OLYMPIC VILLAGE

Only athletes and team officials taking part in the Athletes' Parade will be able to participate in the Opening Ceremony. Shuttle buses will only be available from the Olympic Village, Paris, so those residing elsewhere must first go to the Olympic Village.

The buses will take parade participants to the boarding zone, which extends from the Nelson Mandela Bridge to Pont d'Austerlitz. Delegations will be grouped in buses according to their boat allocation. Please note that there will be no loading or parking areas for NOC vehicles on Pont d'Austerlitz. Athletes and officials joining the parade should start from the Olympic Village

The journey time is estimated at 45 minutes from the Olympic Village to the boat boarding zone. Ceremony uniforms will be checked by the IOC in the days prior to the Ceremony. NOCs are required to present their uniforms at the IOC offices in the NOC Services Centre to ensure they are compliant with Rule 50. There will be a further Rule 50 check prior to departure from the Olympic Village or prior to embarkation.

## → BOARDING

Athletes and team officials will board from the Nelson Mandela bridge and as far as Pont d'Austerlitz, in dedicated areas assigned to their group. Athletes will be dropped off close to their boats, with an average distance from bus to boarding of 110 metres. Paris 2024 staff will be available to guide and assist participants.

Water and snacks will be available along the way.

## → BOAT TRIPS

The fleet transporting athletes will comprise over 100 boats, ranging from the smallest boat measuring five metres to the largest measuring 90 metres long. The fleet mainly comprises traditional Parisian barges (wooden boats) and the famous "bateaux promenade" that are used for cruises on the Seine.

Different delegations will be grouped on the same boat, taking into account French protocol order and the capacity of the boat's exterior spaces to offer the best visibility and exposure for the athletes.

The largest boats will be able to accommodate a maximum of four delegations grouped together on board. The majority of the fleet will carry one or two delegations per boat.

## → DISEMBARKATION

The disembarkation zone from the Pont de Léna represents the end of the Athletes' Parade. The first delegations to start the parade will disembark to the west of the landing zone. In this way, the athletes will have time to reach Trocadéro while the rest of the boats dock as the parade progresses.

Following disembarkation, athletes will have two ways of getting to Trocadéro: on foot or by bus. The means of transport will be determined according to the disembarkation location.

Services, toilets and refreshments will be available along the way.

Upon disembarkation, athletes will also be able to return to the Village using early departure services. This arrangement is currently being studied and will be communicated later.

## → POST-CEREMONY DEPARTURES

The Opening Ceremony will end at 23:45. All athletes positioned on the Pont de Léna will be invited to join the bus pick-up area, located in the immediate vicinity of the Eiffel Tower, with an average distance of 500 metres from the Pont de Léna.

Athletes and team officials will be transported by bus back to the Olympic Village. Paris 2024 Food & Beverage and Village teams are working on extended Main Dining Hall services for those returning from the Opening Ceremony.

Further information will be provided later regarding athletes who are not accommodated at the Olympic Village or are coming from/returning to satellite Villages.

## → RISK MANAGEMENT, SECURITY, AND MEDICAL SERVICES

Paris 2024 is working closely with public authorities to ensure the safety of participants and access to medical services along the parade route.

Two systems will be in place:

→ A river system made up of a fleet of public authority boats that will sail during the parade alongside the fleet of boats hosting the delegations. In addition, Paris 2024 medical teams will set up a nautical device along the route.

→ A ground system:

- Security: all embarkation areas and boats will be inspected by the public authorities before delegations arrive in the area.
- Access to medical care: medical teams will be available in the embarkation and disembarkation zones, specifically for NOC delegations. A dedicated medical facility will also be in place at Trocadéro.

## CLOSING CEREMONY

The Closing Ceremony will take place at Stade de France, the nation's largest stadium.

The ceremony will start at 21:00 and finish at 23:15. Please note that timings are subject to change. Updates will be provided to NOCs as plans are confirmed.

The Ceremony will be composed of four main elements (the elements may be alternated between protocol and artistic sequences):

- Flag bearers' parade, in protocol order
- Athletes' parade, in masse without protocol order, symbolising unity between countries
- Protocols elements: official speeches, handover ceremony, extinguishing of the flame to mark the end of the Games, etc.
- Artistic concepts: a series of artistic shows or tableaux, in which Thomas Jolly, the artistic director of the Ceremonies, will express his innovative staging approach, offering an unforgettable show.

## → TRANSPORT

### **TRANSPORT FROM THE OLYMPIC VILLAGE TO THE STADE DE FRANCE**

Gathered at the Transport Mall in the Village, the athletes will transfer by bus to the holding area at the Annexe Stadium of the Stade de France. Transfer time by bus is estimated at eight minutes.

A continuous rotation of buses (with a capacity of 80 seats) will be set up between the Olympic Village and the Annexe Stadium. Delegations will be accompanied by NOC assistants and volunteers throughout their journey. Further details will be provided during the Chefs de Mission meeting on the day before the Closing Ceremony.

Please note that participants in the Closing Ceremony are not allowed to bring bags or luggage.

### **TRANSPORT FROM COMPETITION VENUES TO THE STADE DE FRANCE**

For athletes competing on the day of the Closing Ceremony, transport will be arranged in accordance with the competition schedule.

Due to the tight schedule between the end of competition and the Closing Ceremony, direct transport to the ceremony will be provided for basketball and handball athletes. Competing athletes will be transported by their team buses while separate TA buses will be provided to Same Discipline Athletes (SDA). Athletes participating in the Closing Ceremony must load their own baggage on to the bus going to the Olympic Village. Buses will first go to the Olympic Village to drop off the baggage, as well as Team officials or athletes not

participating in the ceremony. A late departure TA bus will be provided for athletes who attend press conferences after competition. Athletes who undergo anti-doping tests may take this bus if they wish to participate in the ceremony as long as samples are completed before departure.

### → FOOD AND BEVERAGES

Snacks and water will be provided during the athletes' journey from the start of the Olympic Village until the athletes and team officials return after the Closing Ceremony. Paris 2024 Food & Beverage and Village teams are working on extended Main Dining Hall services for those returning from the Closing Ceremony.

## VICTORY CEREMONIES

In principle, Victory Ceremonies will take place at the competition venue for each sport and discipline, with the exception of Victory Ceremonies for the men's and women's marathon and race walk that will be held in the Stade de France. For women's marathon, the Victory Ceremony will be celebrated during the Closing Ceremony. During the ceremonies, the medal and a gift will be presented to gold, silver and bronze medallists. The flags of the countries/territories of the medallists will be raised and the national anthem of the country/territory of the gold medallist will be played. Victory Ceremonies will be conducted in French and English.

During the Victory Ceremonies, the medallists' accreditation must be temporarily handed over to Paris 2024 staff or held out of sight. No participant should carry flags, mascots, or other personal items such as mobile phones, water bottles or cameras. Medallists must also comply with Rule 50 of the Olympic Charter and the Guidelines on Athlete Expression.

Upon completion of the photo opportunity after the victory ceremony, each athlete will be required to pass through the mixed zone, unless indicated by the athlete escorts and the Paris 2024 sport manager.

During the Victory Ceremony, the athletes are required to stay in line of sight of the doping control team at all times. Therefore, it is imperative that athletes do not deviate from the prescribed routes outlined in the briefing.

## → MEDALS AND DIPLOMAS

Medals and diplomas will be awarded in each event in accordance with the IOC Olympic Charter (Rule 56: Victory, Medal and Diploma Ceremonies) and the IOC Protocol Guide (Article 5.4).

- First place: a gold (silver gilt) medal, a diploma, an Olympic medallist's pin and a medal box.
- Second place: a silver medal, a diploma, an Olympic medallist's pin and a medal box.
- Third place: a bronze medal, a diploma, an Olympic medallist's pin and a medal box.
- Fourth, fifth, sixth, seventh and eighth places: a diploma.

Medal boxes, medallist pins and victory diplomas (for athletes ranked first to eighth) will be distributed in the NOC Services Centre at the Olympic Village. Satellite Village information will be confirmed later.

## CHAMPIONS PARK

In the majestic setting of Trocadéro, the Champions Park (Le Parc des Champions) will offer medallists a unique experience in the history of the summer Olympic Games: an iconic place to celebrate their performance and their medals.

At the end of each day, medallists from the previous day will be invited to gather and celebrate their victories in an unforgettable setting, in front of the Eiffel Tower and 15,000 sports fans. A live broadcast of competitions and main finals will follow the celebrations.

The Champions Park will be open for ten days of celebrations, from 29 July - 10 August 2024, except 2-4 August 2024 when the Champions' Park will be closed.

Each athlete's celebration at Champions Park is planned to take place the day after their respective Victory Ceremony.

On the day of the Victory Ceremony, NOCs will be requested to confirm athlete attendance at the Champions' Park the following day, to allow for proper planning.

Medallists will have the opportunity to celebrate their victories with their family and friends (limited number) in a dedicated area at the Palais de Chaillot, before and after meeting the public.

After celebrating their medals, athletes will be able to proceed to the Mixed Zone if they wish to do so, or to enjoy the live site and/or restricted area in Palais de Chaillot.

Athletes can expect to spend at least one hour at the venue.

## **ATHLETE TRANSPORTATION SERVICES**

Paris 2024 will organise dedicated transport services between the Olympic Village and Trocadéro, on days when they will be celebrating at the Champions' Park.

It will also be possible for athletes to come to Trocadero by other means of transport.

Regarding athletes competing in Châteauroux and Marseille, studies are being conducted on transport to/from Paris and/or the Olympic Village to allow athletes from these sports to be celebrated as well. Note that additional beds will not be provided at the Olympic Village for athletes travelling from the satellite Villages to go to the Champion's Park.

## **SCHEDULE OF CELEBRATIONS**

The detailed schedule of celebrations will be defined according to other activities at Trocadéro (including the Opening Ceremony, race walk and road cycling events).

Please note that:

→ Medallists on D1 (27 July) will be celebrated on D3 (29 July)

→ Medallists on D6 (1 August), D7 (2 August) and D8 (3 August) will be celebrated on D10 (5 August).

Surfing medallists who are travelling to Paris after their competition will have the opportunity to celebrate with their fans at the Champions Park, between 5 and 10 August.

## **CHAMPIONS PARK INFORMATION DESK**

A Champions Park desk will be available in the NOC Services Centre at the Olympic Village to answer operational questions from NOCs.

# **ENVIRONMENTAL RESPONSIBILITY**

Paris 2024 has been committed to proposing a different model for the Games, one that is more understated and just as spectacular, and it is mobilising all its energies to achieve this. Paris 2024 is working at all levels of the organisation to reduce its environmental and climate impact. By developing and testing more responsible solutions across all aspects of the organisation, Paris 2024 also hopes to inspire and leave a legacy for more responsible sport.

Paris 2024 is committed to halving its carbon emissions compared with the average for previous editions of the Games (London 2012, Rio 2016).

To achieve this, Paris 2024 is taking action at every level. By relying on 95% existing or temporary infrastructure, by offering twice as much plant-based food, by halving the amount of single-use plastic in catering, by finding a second-life solution for 100% of the temporary infrastructure and furniture on the Games sites, by connecting the venues to the public electricity distribution network to avoid the use of generators and by supplying the venues with 100% renewable electricity.

You can discover the rest of the commitments and actions for more responsible Games on our website.

## RECOMMENDATIONS

The success of more responsible Games is everyone's responsibility. At all the venues, you have the opportunity to act at your own level and help Paris 2024 achieve its objectives for Games that everyone can be proud of. That's why Paris 2024 encourages you to adopt a few eco-reflexes:

- Using reusable water bottles and water fountains at the Olympic Village to reduce plastic waste.
- Using the waste sorting system to reduce the volume of waste that is sent to landfill sites.
- Promoting responsible food options and reducing food waste.
- Ensuring the responsible management of water and energy resources.
- Preserving sites and their environment, and respecting equipment to encourage their second life.

**USE YOUR REUSABLE BOTTLE AND THE WATER FOUNTAINS**

**AVOID FOOD WASTE AND SORT YOUR WASTE**

**RESPECT THE VENUES AND BIODIVERSITY**

**EAT MORE RESPONSIBLY**

**TRAVEL WITH A LOW CARBON FOOTPRINT**

**SAVE WATER AND ENERGY RESOURCES**

# MEDICAL SERVICES

Public health services, including disease surveillance, communicable disease control, food and water quality control and air quality monitoring will be in place throughout France during the Games.

A basic summary of medical services at the Games is given below. Full details will be provided in the Healthcare Guide which will be distributed to NOCs by Paris 2024 early 2024.

## OLYMPIC VILLAGE POLYCLINIC

The three-storey Danhier Institute, which was renovated in 2021, is a podiatrist and osteopathy school of 3,262 m<sup>2</sup>. The institute, which is located in the south-east of the Olympic Village, will be the Polyclinic for the Paris 2024 Olympic Games. All the necessary medical services will be provided to athletes and NOC teams officials from 18 July to 13 August 2024. Emergency services will be available 24 hours a day, and other services from 07:00-23:00.

### POLYCLINIC SERVICES WILL INCLUDE:

- Emergency services
- Imaging, with two MRIs, X-ray and ultrasound
- Laboratory services
- Mental health department
- Pharmacy
- Physical therapy, including ice baths
- Specialised consultation:
  - Orthopaedics and Sports Medicine
  - Cardiology
  - Gynaecology
  - Podiatry
  - Supply of orthopaedic products (insoles, supports and orthoses, medical and sport compressions)
  - Ophthalmology
  - Dentistry, including the provision of mouth guards for athletes in need
  - Therapeutic Use Exemption (TUE) office

## MEDICAL SERVICES AT SATELLITE OLYMPIC VILLAGES

The medical services at satellite Villages will be available as follows:

SATELLITE VILLAGE	DATES OF OPERATION	MEDICAL RESOURCES	OPENING HOURS
Châteauroux	19 July - 7 August 2024	Emergency Doctor	20:00 – 08:00 (at night)
		Physiotherapist	08:00 – 22:00
		Osteopath	11:00 – 19:00
Lille Métropole	19 July - 12 August 2024	Emergency Doctor	20:00 – 08:00 (at night)
		Sports Doctor	08:00 – 22:00
		Physiotherapist	07:00 – 23:00
		Osteopath	08:00 – 17:00
Marseille	20 July - 12 August 2024	Emergency Doctor	20:00 – 08:00 (at night)
		Osteopath	07:30 – 10:30
Tahiti	20 July - 6 August 2024	Emergency Doctor	24 hours a day
		Nurse	24 hours a day

## MEDICAL SERVICES AT VENUES

### → ATHLETE MEDICAL SERVICES AT COMPETITION VENUES

At least one dedicated athlete medical station will be available at all competition venues. Each medical station will provide medical such as first aid, emergency care, sports medicine to athletes and team officials.

At most venues there will be an ambulance on site for the evacuation of athletes if needed. If not directly on site, ambulances will be available nearby.

### → **FIELD-OF-PLAY RESPONSE**

Field-of-Play (FOP) teams will provide first aid and emergency care to athletes and team officials on the FOP should such services be required. If necessary, the patient will be taken from the FOP and transported to the athlete medical station, Olympic Village Polyclinic, or a designated Games hospital as appropriate. The order of response on the FOP and any decision-making will differ according to the sport and the rules of the respective IF.

### → **MEDICAL SERVICES AT TRAINING VENUES**

Medical services at training venues vary depending on the venue size, the number of sports training there and the IFs regulations. Details are indicated in the “Training” section and can be found in the Paris 2024 Medical Guide.

## DESIGNATED GAMES HOSPITALS

If the necessary medical services cannot be provided at the Olympic Village Polyclinic or at the venue medical station, the athlete or team official will be transferred to designated Games hospitals in Paris or the co-host city.

Any patient suffering from a life-threatening condition at any of the venue zones will be taken to the nearest hospital.

The following public hospital has been designated as the official hospital for athletes and NOC team officials during the Paris 2024 Olympic Games:

**GHU AP-HP Nord-Université Paris Cité  
(site hospitalier Bichat – Claude Bernard)  
46 rue Henri Huchard, 75018 Paris**

In co-host cities, the designated hospitals are the following:

SATELLITE OLY	HOSPITAL*
Châteauroux	Centre hospitalier de Châteauroux 216 avenue de Verdun, 36000 Châteauroux
Lille	CHRU de Lille rue Emile Laine, 59000 Lille
Marseille	AP-HM hôpital de la Timone 264 rue Saint-Pierre, 13385 Marseille
Tahiti	Centre hospitalier de Polynésie française Avenue du Général de Gaulle, 98713 Papeete

## OLYMPIC VIDEO PLAYER (OVP)

Users will be able to view live streaming of all events covered live by OBS, and sport sessions will then be available in full, on-demand. English language commentary is available for selected sessions. All live content is subsequently available as Video-on-Demand replays for the duration of the Games.

OVP will be available for use on a laptop with Wi-Fi Internet connection at <https://olympics.com/en/olympic-channel>.

## OLYMPIC VILLAGES AND ACCOMMODATION

During the Paris 2024 Olympic Games, the Olympic Villages will accommodate 14,200 athletes and team officials. The main Olympic Village is located north of Paris and will be completed by satellite Olympic Villages in Châteauroux, Lille Métropole, Marseille and Tahiti, as well as grooms' accommodation and football accommodation.

### OLYMPIC VILLAGES DATES OF OPERATION

VILLAGE	PRE-OPENING	OPENING	CLOSING
Olympic Village	12 July at 08:00	18 July at 08:00	13 August at 18:00
Olympic Village Châteauroux	16 July at 08:00	19 July at 08:00	7 August at 18:00
Olympic Village Lille Métropole	16 July at 08:00	19 July at 08:00	12 August at 18:00
Olympic Village Marseille	17 July at 08:00	20 July at 08:00	12 August at 18:00
Olympic Village Tahiti	17 July at 08:00	20 July at 08:00	6 August at 18:00
Grooms Village	24 July at 08:00	11 August at 18:00	24 July at 08:00

All the information about the Olympic Villages can be found in the different Olympic Village Guides and the Chefs de Mission Games Time Guides, available on NOCnet.

## **SECURITY**

In accordance with its letter of guarantee and the IOC's Host City Contract, the French State is responsible for the safety and security of the Paris 2024 Olympic Games.

The government will coordinate all security matters as well as emergency services, whilst Paris 2024 is responsible for the design, implementation, and execution of security measures at Paris 2024 competition and non-competition venues.

Paris 2024 has partnered with national security agencies to integrate the most effective security arrangements within venues and other official sites.

### **SECURITY AT VENUES**

#### **→ VENUE INSPECTION AND LOCKDOWN**

The Olympic Villages, as well as the other accommodations and all competition and training venues will undergo a security inspection by specialist government departments and a lockdown period prior to the Games.

During the lockdown period, all security and safety procedures will be implemented, and access controls will be activated with the support of technology measures. However, please note that French legislation does not allow facial recognition. During this period, no person, vehicle, or equipment may enter the venues without accreditation (or other appropriate access devices) and without passing the appropriate security checks.

After the accreditation check, people wishing to access venues will be subject to a personal and property inspection. Personal and baggage inspections for people whose age, mobility or medical reasons do not allow them to undergo the generic procedure are subject to an adapted procedure that takes better account of their specific needs.

#### **→ OLYMPIC VILLAGES**

Access to the Olympic Village will be based on validated accreditation or other appropriate access devices. Access will be secured by Pedestrian Screening Areas (PSA) and Vehicle Screening Areas (VSA) to ensure that no prohibited items are brought in, and that each person has a valid accreditation.

The main principles of Olympic Village security are as follows:

- A perimeter entirely enclosed by video-monitored security barriers and equipped with anti-intrusion systems.
- A security inspection conducted by specialised government services prior to opening.
- Village surveillance and access control conducted by private security companies.
- Systematic pedestrian and vehicle control measures.
- Permanent state surveillance of the area surrounding the Olympic Villages with specialised intervention resources.

At competition venues, areas will be restricted to athletes and team officials. These areas will be secured by accreditation access control points.

### → FOOTBALL HOTELS

After the security inspection, a visual check of accreditation will be activated for the Paris 2024 exclusive zones: the check will be carried out in the exclusive zones as well as in the “drop-off/pick-up” zone.

Security checks will be carried out by magnetometer. In addition, the seals on the athletes’ buses will be checked. If the seals are broken, a new check will be carried out, and the doors will be locked and sealed after loading.

Securing the drop-off/pick-up area involves surveillance of this area with a protective device during loading and unloading if the hotel is not exclusive.

Human and video surveillance will be provided at all times, including lobby and Paris 2024 fleet.

### → TRAINING VENUES

After the State services have locked down the venues, access to training venues will be granted on presentation of a Paris 2024 accreditation that allows access to those venues.

A visual accreditation check will be carried out during pedestrian access, as well as a security check (bag opening, magnetometer).

Transport for Athletes (TA) services must be equipped with a Vehicle Access and/or Parking Permit (VAPP) allowing them access to venues. In addition, a seal control will be carried out at the vehicle access point. For other authorised vehicles, an additional control of accreditation of the persons in the vehicles will be carried out. Without this, access will not be granted.

## SECURITY OF TRANSFER AND TRANSPORT OPERATIONS

In Île-de-France, there will be a surveillance system for Olympic routes under the supervision of the Préfecture de Police.

A “bubble to bubble” system will operate from the Village Transport Mall to/from training and competition venues. TA vehicles will travel from one secure area to another using Olympic routes. Athletes and team officials will be allowed to remain inside the vehicle. The process of checking the external parts of the vehicles will be quick. However, these vehicles will have to stop at the Vehicle Screening Area (VSA) and there may be a queue for a few minutes before the inspection.

Athletes and team officials returning from training/competition venues will need to exit the TA vehicle at the Village Transport Mall and enter the Residential Zone through the Pedestrian Screening Area (PSA).

All NOC vehicles with an appropriate VAPP will go through the usual security processes at the VSA. Passengers will also be screened individually.

## PROHIBITED OR RESTRICTED ITEMS POLICY

### → PROHIBITED ITEMS

These items are strictly forbidden in the Paris 2024 venues.

### AT COMPETITION VENUES

- **Firearms and/or ammunition not used for Games competitions.**
- **Replica weapons:** airsoft firearms, replica weapons and/or reproductions that could cast doubt on the owner’s intention.
- **Weapons “of opportunity”:** selfie sticks, everyday blades (such as multi-tools, scissors, razors etc.) that can malevolently be used as a weapon to inflict harm.
- **Explosives, flammable substances, and pyrotechnic devices:** explosive devices, improvised explosive devices, gunpowder, smoke bombs, smoke, flares, fireworks, objects resembling explosive devices, ignition devices.

## → RESTRICTED ITEMS

These items are authorised at venues but restricted in quantity and/or nature.

### AT COMPETITION VENUES

- **Weapons of opportunity:** only walking aids are authorised,
- **Flammable substances:** only portable oxygen cylinders for medical use are allowed,
- **Containers:** plastic bottles, plastic or metallic flasks/gourd are allowed,
- **Luggage:** large sports bags and large pieces of luggage are permitted,
- **Animals:** only service dogs are allowed,
- **Flags:** only flags of countries and territories participating in the Games are allowed, without rigid flagpoles, and without size restrictions for athletes at competition venues.

### IN OLYMPIC VILLAGES

- **Weapons of opportunity:** walking aids, everyday blades (such as multi-tools, scissors, razors etc.) that are allowed in planes, that can malevolently be used as a weapon to inflict harm.
- **Flammable substances:** only portable oxygen cylinders for medical use are allowed,
- **Animals:** only service dogs are allowed,
- **Sprays and aerosols:** sprays and aerosols used for daily hygiene such as deodorants are allowed,
- **Objects producing excessive noise:** personal musical instruments and music speakers are allowed,
- **Flags:** only flags of countries and territories participating in the Games are allowed, without rigid poles. No maximum size for athletes at Villages.

## OBJECTS CONSIDERED AS “TOOLS OF THE TRADE”

Objects authorised at venues only if they are required to carry out professional activities for certain stakeholders.

### AT COMPETITION VENUES

- **Weapon of opportunity:** tools such as hammers, wrenches, saws, screwdrivers, etc. needed to maintain sports equipment and personal mobility aids for people with reduced mobility, but that can malevolently be used as a weapon to inflict harm,

- **Personal mobility devices:** bicycles and other personal means of transport required for on-site competitions,
- **Sprays and aerosols:** sprays and aerosols required for sports and for the treatment of athletes,
- **Photography equipment:** camera lenses larger than 20cm are authorised.
- **Camera equipment:** all equipment used to take photos and videos to analyse athlete performance.
- **Medical equipment for the treatment of athletes.**

## IN OLYMPIC VILLAGES

- **Weapon of opportunity:** tools such as hammers, wrenches, saws, screwdrivers, etc. necessary to help people settle at villages and the maintenance of sports equipment.
- **Laser pointers** to be used in meetings
- **Medical equipment for the treatment of athletes.**

At the F-DRM, the Chefs de Mission will receive stickers to be applied on tools of trade that have been registered in advance via Paris 2024 NOC services. The Chef de Mission will be responsible to distribute the stickers to all the delegation.

Please note that for security reasons, the use of drones is strictly forbidden at all competition and non-competition venues of the Olympic Games.

## EMERGENCY SERVICES

### → EMERGENCY NUMBERS OUTSIDE PARIS 2024 VENUES:

- European emergency number: 112
- Emergency Medical Services (SAMU): 15
- Police: 17
- Fire brigade: 18

Paris 2024 recommends that NOCs do not programme emergency service numbers into mobile phones as speed dial functions can lead to accidental calls to the emergency services.

### → EMERGENCY NUMBERS THAT SHOULD BE USED AT PARIS 2024 VENUES

Olympic Village: +33 9 20 24 48 16

# SPORT INFORMATION CENTRE

The Sport Information Centre (SIC) will be located in the Halle Maxwell in the Olympic Village. Each competition venue and satellite Village will also have a Sport Information Desk (SID) where NOCs can go for venue and sport-specific information.

Venue SIDs will work closely with the Sport Information Centre (SIC) at the Olympic Village.

A variety of services and information will be available at the SIC/SID, including:

- sport-related information, sports publications, event announcements, schedules, results, etc.
- training schedules
- transport, food and beverage services information
- weather information

A reception area and reception desks divided by groups of sports (one desk for several sports) will be available in the SIC to answer specific questions from NOC team officials.

Athletes will not be allowed to access the SIC. Only duly accredited NOC team officials will be allowed to enter the SIC.

A sewing room and Spectrum office (radio spectrum testing and tagging room) will also be available at the SIC. In the Spectrum Office, the team will examine wireless equipment to ensure that it meets the specifications outlined in the radio frequency authorisation certificate.

	LOCATION	DATES	TIME
SIC Olympic Village	Halle Maxwell	18 July – 11 August	07:00 – 21:00*
Sport information desks (SID)	Competition venues	See “Services” in the Competition venue section	

\*Except on 26 July and 11 August, where the SIC will close at 17:00 for the Opening and Closing Ceremonies.

## MYINFO

myInfo (also formerly known as Info+) is an official sports reporting and information service platform delivered by the IOC and OBS, with development support from the organising committee. The service is designed to help with the official media coverage during the Olympic Games. Accredited NOC personnel will have access where needed and for unaccredited members of an NOC, additional access tokens can be requested through the Rate Card (subject to availability).

Please note that most of the information provided on myInfo will also be available on the Paris 2024 Games time website and application.

myInfo will be available as of 15 July 2024, and remain open until 14 August.

CONTENT	DETAILS
Background	Historical data, statistics, competition formats and rules, qualification criteria and venue descriptions
Biographies	Athlete biographies and team, coach, referee, umpire, judge and NOC profiles

Schedules	Competition and non-competition schedules, including press conferences, IOC activities and Cultural Olympiad

myInfo is available for users with an internet connection and login account (username and password) from all Paris 2024 venues, as well as remotely. myInfo provides the following features:

- customisation (ability for users to create their own notification overview by selecting only those sports and events of interest to them)
- news/events alerts via email
- hyperlinks to other websites, such as those of the IOC and IFs
- downloadable results books and competition reports
- copy and paste functionality

NOCs will have a free access to myInfo on available laptops at the SIC.

## ***TECHNICAL FILMING AT VENUES***

Technical filming at competition venues is treated on a sport-by-sport and venue-by-venue basis.

For those sports requiring competition footage for the IF and/or NOCs, a match copy service will be provided at the end of each session as per the individual International Federation requirements. Apart from exceptional cases where the footage derives from the video adjudication system, no USB sticks will be provided, but the video will be available for download from a dedicated online platform.

A link/QR code to access the web platform will be shared by the SPT team at the Sport Information Desk within the competition venue. The number of downloads per NOC will be strictly limited and only available for the respective sport. Download of the footage will only be available at the competition venue or in the Olympic Village.

Three Sport Viewing Rooms are available inside the Bastille Services Centre. Each of them has a 30-person capacity.

Inside these rooms, a device will allow NOCs to use the Content+ service provided by OBS and display competition footage for analysis purposes on the TV available in each room.

## TECHNOLOGY

The IOC, supported by Samsung and Paris 2024, is pleased to offer a cutting-edge Samsung smartphone to each athlete participating in the Games. All “Aa” athletes (including “Ap”) will receive their Samsung smartphone at the Olympic Village. These smartphones will come with a SIM card.

Athletes are encouraged to use their Samsung smartphones during the Olympic Games, as they will be a central hub for both general and useful information and communication.

## TICKETING AND ACCREDITED SEATING

### GAMES-TIME TICKET SALES

At Games time, available tickets may only be purchased through the CTP.

### COMPLIMENTARY SPORT TICKETS

#### → SAME DISCIPLINE ATHLETES (SDA)

Athletes and officials may access the athletes’ stand during competition for their own discipline(s) without a ticket, upon presentation of their Olympic Identity and Accreditation Card (OIAC).

#### → DIFFERENT DISCIPLINE ATHLETES (DDA)

To enhance the athlete experience, Paris 2024 will offer Different Discipline Athlete (DDA) tickets. The DDA ticketing programme allows athletes to attend competitions of disciplines other than their own free of charge.

Paris 2024 will offer one free ticket per athlete per day for a sport or discipline in which they do not compete. DDA have access through general public flows, and no transport services will be provided. DDA ticket holders need to take public transport to competition venues.

DDA tickets must be requested directly by athletes using a special link that will be provided by Paris 2024 to the Chefs de Mission, following the pre-DRMs.

### → **ATHLETES' FRIENDS & FAMILY (AF&F)**

Paris 2024 will guarantee two tickets for purchase per competing athlete per session, except for athletics (race walk), cycling road, shooting, and swimming. For these four sports/disciplines, Paris 2024 will guarantee one ticket for purchase per competing athlete per session.

AF&F ticket quota information and a list of sessions for which only one ticket is available per athlete per session, can be found on the CTP. AF&F tickets are not available for the Opening and Closing Ceremonies.

More information on the AF&F ticket programme and booking procedures is available in the Chefs de Mission Guide.

### → **TICKET TOUTING**

Tickets for the Paris 2024 Olympic Games are only on sale on the official ticketing website for future spectators from all over the world. No other sales platform is authorised to sell tickets. By buying tickets or hospitality packages outside official channels, the buyer runs the risk that tickets or packages are not delivered to them, or that access to the sports venues will be denied to them by the Paris 2024 Organising Committee in accordance with the ticketing general terms and conditions. In addition, all buyers and/or sellers are informed that the unauthorised sale or resale of tickets outside of the official channels, constitutes an offense under French law, in particular, an offense sanctionable under article 313-6-2 of the French criminal code.

## **TRANSPORT**

Paris 2024 aims to provide effective, reliable, secure and efficient transport services for athletes, team officials and members of the Olympic Family. A summary of transport services is given below, all details are available in the NOC Transport Guide.

The transport services will consist of:

- Transport for Athletes (TA)
- Intercity travel
- Public transport (TP)
- Transport Connect (TC)

## TA TRAINING AND COMPETITION SERVICES

The Transport for Athletes (TA) system will provide “bubble-to-bubble” transport services for athletes, NOC team officials (Aa, Ac, Ao and Ap), and their personal equipment, from 18 July until 13 August 2024 for competition and training.

The TA system comprises the following services:

- Arrivals and departures from/to Ports of Entry to/from the Olympic Village.
- Arrivals and departures to/from Ports of Entry in co-host cities to/from satellites Villages and official hotels.
- Transport between the Olympic Villages and official competition and training venues.
- Opening and Closing Ceremony services.

TA services vary depending on whether sports are individual sports or team sports. All activation dates and frequencies have been reviewed together with the International Federations (IFs) and the IOC to ensure they meet the needs of each sport. Schedule information is provided in the NOC Transport Guide.

### → INDIVIDUAL SPORTS

Transport services for individual sports between the Olympic Villages or hotels and the competition or training venues will be provided for athletes and team officials, according to the competition and training schedule as well as needs of the sport/discipline.

All the TA lines operating for individual sports are said to be shared, meaning that there are no dedicated buses for delegations, all athletes are moving together regardless of the country of origin.

### → TEAM SPORTS

To ensure that all team members can travel together, dedicated coach transfers will be provided for athletes and NOC team officials. Services will be provided between the Olympic Villages or football hotels and competition/training venues. Note that buses will not be allowed to stop anywhere en route to venues.

Services will start on the opening days of the Olympic Villages according to the needs of teams and the relevant sport.

Team sport bus schedules will be provided by the Sport Information Centre.

The booking and change request process is the following:

- For a training transfer: updates on the existing TA line are possible when adjusting training sessions on the Training Session Booking App or at the Sport Information Centre. Please note that the bus timetables associated with the slots are not flexible. It will not be possible to adjust the Arrival & Departure Law at the venue. Changing in training sessions must be made before 16:00 the prior day.
- For a competition transfer: No update on the timings will be available except if there is a change in the competition schedule.

For team sports dedicated transfers: For the competition venues, they can modify the schedules of bus/coaches in the planned time range of the coaches, with a margin of 15 minutes later from the village, and 15 minutes earlier from the competition venue. (The time range has been defined and approved by the sport manager and the IF.)

**Example:** I have a coach planned for my session at 16:15 from the Village and 20:45 from the competition:

I can request a change to leave at 16:30 maximum from the Village. Teams will not be able to leave earlier than 16:15 and later than 16:30.

Same for the way back, I can request a departure at 20:30, but I cannot leave earlier than 20:30 and later than 20:45.

### → SPECTATING ATHLETES

A distinction will be made between same discipline and different discipline spectating athletes.

- Same discipline spectating athletes will be entitled to use the TA service, except for team sports, but must give priority to competing athletes during peak times.
- Same discipline from team sports and different discipline athletes wishing to attend different discipline competitions should use TP and/or TC systems. Athletes will be able to find the most convenient route to venues by using the Paris 2024 Transport app.

## OLYMPIC ROUTE NETWORK (ORN)

The Olympic Route Network (ORN) will consist of a network of roads linking all competition venues and main non-competition venues such as the Olympic Village, Porte Maillot Hub (Olympic Family Hotels 2 & 3 and Main Press Centre) as well as the International Broadcast Centre (IBC). As the ORN is dedicated to Olympic vehicles (buses and vehicles with Vehicle Access and/or Parking Permits), athletes and officials will be able to travel efficiently between the Olympic Village, competition venues and non-competition venues. Please note that the ORN is only planned for the Greater Paris area and not in co-host cities.

Olympic lanes are a subset of the ORN, comprising lanes that can be reserved for Paris 2024 vehicles. Olympic paths are also a subset of the ORN, comprising shared lanes that will serve Olympic destinations.

## INTERCITY TRAVEL

Transport services will be provided to athletes and team officials between official Paris 2024 accommodation and co-host cities for competition and training (except for surfing in Tahiti), as well as for ceremonies. Intercity transport services will be provided either by coach, train, or plane according to the distances and travel time between Paris and the co-host cities. All intercity travels by train or flight for athletes and their staff will be booked in advance by Paris 2024 and are non-changeable.

Two SPS lines (specific service) will be activated on competition days to travel from Paris to Châteauroux or Lille, and the other way around. Stakeholders with TC rights will be able to use these buses. They will need to book their seats in the buses at any transport desk, at least 24 hours in advance for Chateauroux and 48 hours in advance for Lille.

## PUBLIC TRANSPORT

All accredited stakeholders will be entitled to free-of-charge access to public transport (TP) services within the Greater Paris area and in co-host cities, from 15 July to 14 August 2024.

### → GREATER PARIS AREA

A physical transport card (Navigo) will be provided during the accreditation validation process for each Games stakeholder with TP privileges. Athletes and Alternate Athletes will have a digital TP card directly on their Samsung phones (distributed at the Olympic Village) given upon arrival that will work through the

Île-de-France Mobilités application. They can only request a physical TP card at any transport desk if the digital TP Card is dysfunctional. At the end of the stay, stakeholders must leave the pass in a dedicated collection box at Transport Desks and Port of Entries

In the Greater Paris area, most official venues can be reached by TP or TC. In addition, metro, RER stations and bus stops are within a short walking distance of the Olympic Village.

Approximate TP hours of operation are as follows:

- Buses from 05:45–00:45
- Metro from 05:30–01:15 (until 2:15 on Fridays and Saturdays)
- RER from 04:30–01:15
- Trams from 05:10–01:00

These hours are for information only. Full details will be available on the Paris 2024 Transport Accred app.

### → CO-HOST CITIES

In the co-host cities, most competition venues can be reached by public transport (except Tahiti). Bordeaux, Châteauroux, Lille, Lyon, Marseille, Nantes, Nice, and Saint-Etienne all have public transport systems that can be used free-of-charge by accredited stakeholders. Where applicable, access means will be distributed at the relevant co-host city.

Public transport in Châteauroux will be free of charge for both the general public and accredited stakeholders; therefore no access means will be distributed.

## **TRANSPORT CONNECT (TC)**

The Transport Connect service (TC) is dedicated to accredited stakeholders and its aim is to complement public transport services. TC services is a regular shuttle system that connect transport hubs and public transit stations with venues, making it easier to reach venues than with public transport alone. The TP network will use various forms of transport (metro, bus, tram, RER trains) as well as TC lines. In some cases, TC lines could be replaced by TP if the journey is more direct and efficient.

TC will be operational from 15 July to 14 August 2024. Activations will start 4 hours before competition sessions and end 4 hours after competition sessions. On non-competition days, TC will be activated from 8:00 to 20:00.

A TC night loop called Noctilien has also been created to complement regular TP offer during nighttime. It will run between 26 July and 12 August 2024 with a peak frequency of 10 minutes.

TC will be activated in the Greater Paris area, Lyon area, Marseille, Lille, Chateauroux, Nantes, Nice, Bordeaux, Saint-Etienne and Tahiti.

The TC system is also available for all spectating athletes to reach competition venues. Spectating athletes can use the Paris 2024 Transport Accred app to plan their route.

Please note that TC drop-off and pick-up zones are located outside venue security perimeters.

## **TRANSPORT DESK**

A Transport desk will be available in the NOC Services Centre at the Olympic Village, providing information on TA and other transportation systems.

Team sport bus schedules will be provided at the Transport desk in the Sport Information Centre, which is located in the same building as the NOC Services Centre (Halle Maxwell).

Transport desks will also be available at the satellite Villages and in the football hotels.

## **TRANSPORT APP**

Paris 2024 will launch a dedicated Games-time Transport app for all accredited stakeholders. This will be different to the Île-de-France Mobilités (IDFM) transport app for public transport.

The main functionalities will include:

- Journey planner to calculate the best itineraries according to user preferences.
- Multimodal app suggesting itineraries that use both public transport services (TP) and Paris 2024 transport services (each accredited stakeholder will only see the Paris 2024 transport services that they are entitled to).
- Real-time travel information (travel time updates, next departures, and alerts).
- Booking functionalities for TX services (available according to user privileges).

The app will be available to download from the Android Play Store and Apple App Store, and will be available in French, English, Spanish.

The Transport application will be pre-installed on phones given to Athletes and Alternate Athletes.

## **ATHLETES' BAGGAGE AND OVERSIZED SPORT EQUIPMENT**

Athletes' baggage and oversized sport equipment refers to the goods accompanying athletes and NOC team officials.

Baggage loaded onto logistics vehicles will be transported from the various Ports of Entry and arrival points within the Paris region, co-host cities and Tahiti to the relevant Village or the Paris 2024 hotel.

When oversized athletes sport equipment arrives on French territory or in French Polynesia, the final storage site will determine the types of transfers and movements during the Games.

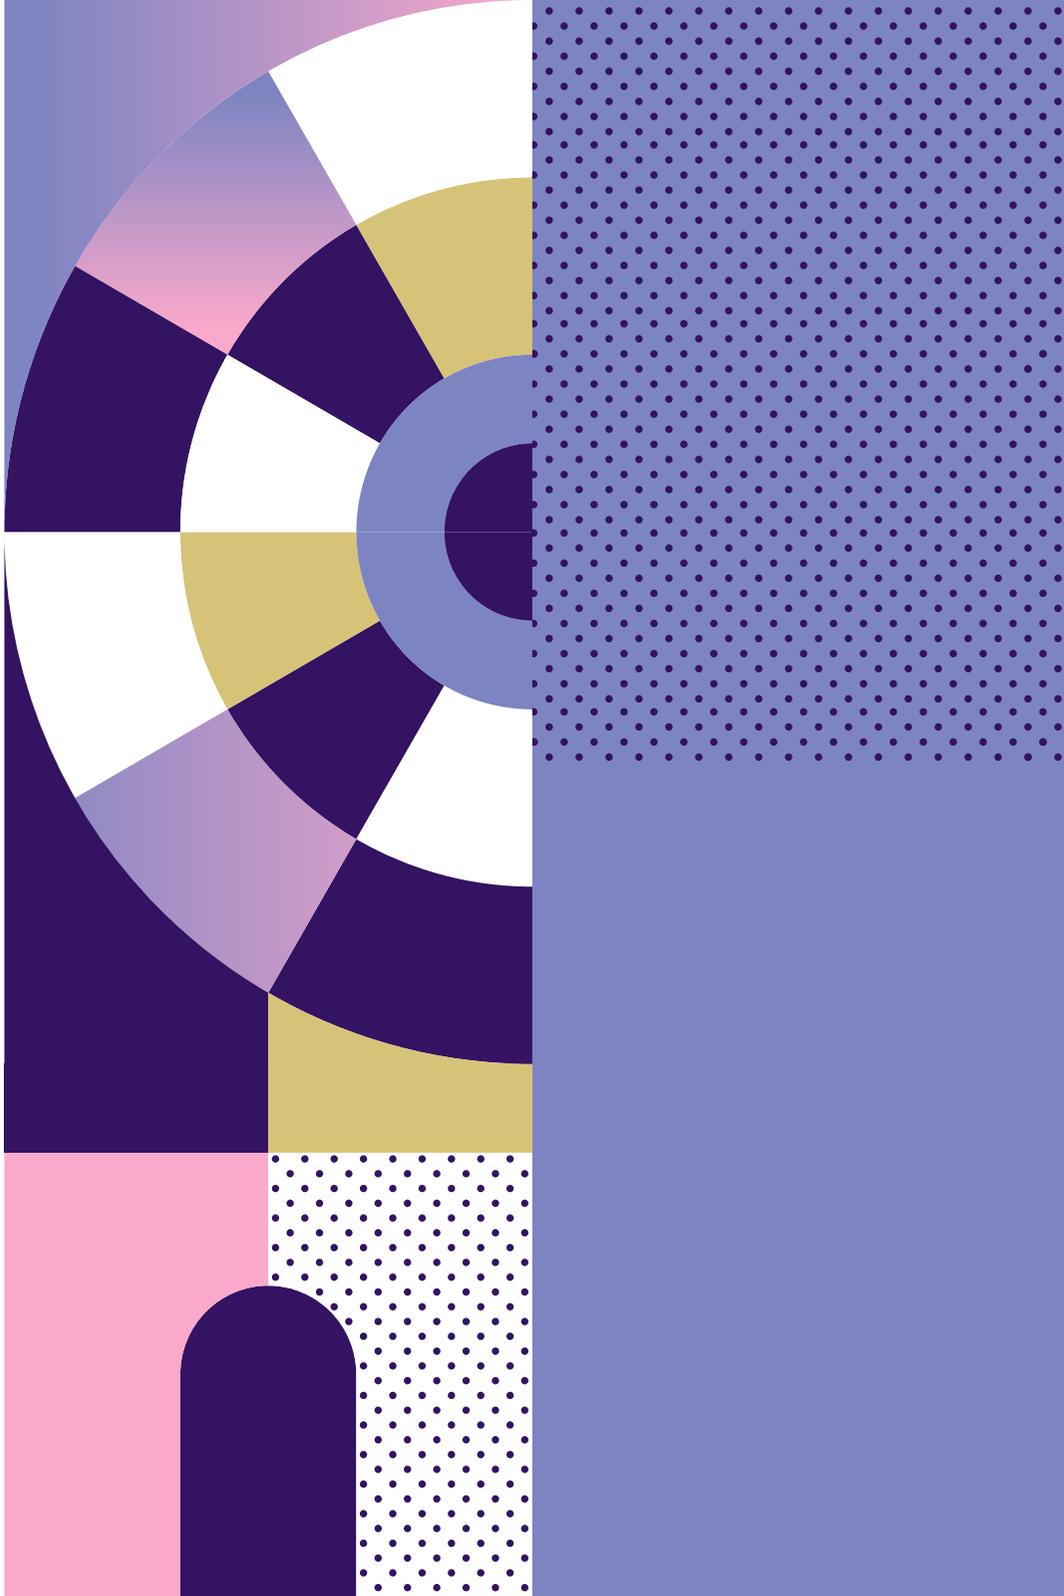

Two main categories of movements have been identified for first-time arrivals:

- From Port of Entry or arrival point (airport or train station) to the Olympic Village, the satellite Villages and the football hotels in the co-host cities.
- From Port of Entry or arrival point (airport or train station) to competition or training venues.

## **SPORT EQUIPMENT INTER-VENUE TRANSPORT**

A free-of-charge inter-venue transfer service will be available during the Olympic Games for oversized athletes sport equipment.

- Transfers will be organised from the Olympic Village to competition and/or training venues, as well as between competition venues and training venues.
- NOCs can request any kind of inter-venue transfers at the Logistics desk in the NOC Centre (Halle Maxwell).
- A drop-off and pick-up area for this equipment has been identified at the Olympic Village close to the Transport Mall.
- Athletes or team officials will be able to drop off and pick up oversized equipment at this area and send it to or from the competition or training venue.
- An equipment identification and tracking system (specific tag per venue) for each transfer will be used with information to complete.
