ABOUT THIS GUIDE

Published in June 2024, the series of International Federations' Guides offer a summary of competition-related material about each sport at Paris 2024 and provide a variety of information aimed at helping International Federations in their planning and final preparation for the Games.

All information provided in this International Federations' Guide was correct at the time of publication, but some details may change prior to the Games so IF representatives are urged to regularly check with Paris 2024 IF Services and the respective competition management teams for the latest updates.

This information has been developed and approved by the IOC, International Federations and Paris 2024 competition management and may be updated as required leading up to the Games. The International Federations' Guides are designed for internal operational use by Paris 2024 stakeholders and should not be publicly shared.

WELCOME

On behalf of the Paris 2024 Organising Committee, I am delighted to present the series of International Federations' Guides for the Games of the XXXIII Olympiad.

At Paris 2024, we are proud to organise the first Games under the New Norm of the Olympic Agenda 2020, which focuses on economic, social and environmental efficiency and sets a precedent in the organisation of sports events. Our ambition is to present the first carbon-neutral Games, the first gender-balanced Games and the first Games open to all with the mass participation marathon. Paris 2024 aims to deliver responsible Games whether by using 95 percent of existing or temporary venues and 100 percent renewable energy during the Games, or by favouring a circular economy, sustainable food, and clean mobility, and by preserving the biodiversity on venues. By taking climate and environmental issues into account well before the event, we are breaking new ground in the history of the Games.

One hundred years since the last summer Games in France, Paris 2024 has huge ambitions for the Games in 2024. Our aim is to offer a new event model that is in tune with people's aspirations, especially those of the younger generations, for example by introducing four additional sports such as breaking, sport climbing, skateboarding or surfing.

As athletes are the heart of Paris 2024 Olympic Games, we are committed to offer them an exceptional experience, with unique competition venues in iconic sites of Paris and France, such as the foot of the Eiffel Tower, the Château de Versailles or Teahupo'o in Tahiti.

Paris 2024 will leave a positive and lasting impact on the lives of residents by making long-anticipated investments, especially in Seine-Saint-Denis, such as the Olympic Village and the Aquatics Centre. All the facilities that will be used by athletes and delegations during the Games are designed with their legacy in mind so that they can be repurposed as public facilities, housing and offices based on local needs.

We hope that this guide, produced in collaboration with IOC Sport and International Federations, will provide you with the information you need to prepare for your Games.

We are looking forward to welcoming you to the City of Lights in the summer of 2024 for what we hope will be revolutionary Games.

Aurélie Merle
Sport Director

**RHYTHMIC
GYMNASTICS
OVERVIEW**

RHYTHMIC GYMNASTICS COMPETITION

The Rhythmic Gymnastics competition at the Paris 2024 Olympic Games will be held from Thursday 8 August to Saturday 10 August at Porte de La Chapelle Arena.

MEDAL EVENTS

Total number of medal events: 2

WOMEN (2)

- Individual All-Around
- Group All-Around

A maximum of 94 female athletes may take part in the Olympic Rhythmic Gymnastics competition. This figure comprises 24 individual gymnasts, as well as 14 groups (five [5] gymnasts per group).

For details of the qualification system, see the [IOC website](#) and the [FIG website](#).

PARTICIPATING NOCS

RULES

The Rhythmic Gymnastics competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

→ **FIG Rules**

- Statutes
- Technical Regulations
- Apparatus Norms
- RG Code of Points 2022-2024
- Codes of Ethics, Conduct and Discipline
- Judges' Rules (general and Rhythmic Gymnastics-specific versions)
- License Rules
- FIG framework for the protection of athletes and other participants against harassment and abuse in sport at events
- Anti-doping rules
- Medical rules
- Media guidelines
- Advertising rules
- Accreditation rules
- Subsequent decisions of the FIG Executive Committee and the RG Technical Committee

All of the above-mentioned documents are available by clicking on the following link: <https://www.gymnastics.sport/site/rules/rules.php>

→ **Olympic Charter:** <https://olympics.com/ioc/olympic-charter>

In accordance with Rule 46 of the IOC Olympic Charter, the FIG will be responsible for the control and direction of the Rhythmic Gymnastics competition at the Paris 2024 Olympic Games.

JUDGES AND SCORING

There is one (1) judges' panel in Rhythmic Gymnastics, composed of three (3) groups of judges: group D evaluating Difficulty, group A evaluating Artistry and group E evaluating Execution. Each of these groups is composed of four (4) judges and the group evaluating Difficulty is divided into two (2) subgroups, subgroup DA and subgroup DB.

DB1 and DB2 judges evaluate the number and technical value of Difficulties of Body for the entire exercise independently, without conferring, and then determine one single common score. DA1 and DA2 judges evaluate the number and technical value of Difficulties of Apparatus for the entire exercise independently, without conferring, and then determine one single common score. D-score will be the sum of the two (2) partial D-scores (DB+DA).

The four (4) judges composing group A evaluate the Artistry penalties by deduction and independently. The highest and lowest scores are dropped, then the final score A is determined by averaging the two (2) remaining scores A. The average is then subtracted from 10.00 points.

The four (4) judges composing group E evaluate the technical penalties by deduction and independently. The highest and lowest scores are dropped, then the final score E is determined by averaging the two (2) remaining scores E. The average is then subtracted from 10.00 points.

The final score is calculated as follows: $F = D + A + E - \text{penalties}$ (neutral deductions).

INQUIRIES

Inquiries are allowed for D-scores (DB and/or DA) provided they are made verbally immediately after the score is shown or at the very latest before the score of the following gymnast/group is shown. For the last gymnast/group of a rotation, this limit is 1 minute after the score is shown on the scoreboard. The official designated to receive the verbal inquiry has to record the time of receiving it, either in writing or electronically, which starts the procedure.

The main inquiry table will be located next to the Kiss and Cry area, and another will be located close to the exit of the Field of Play. Both of them will be monitored under FIG rules.

If two (2) apparatuses are judged alternately (Individual Qualifications), the inquiry must be submitted before the score of the next gymnast on the same apparatus is shown.

As in Rhythmic Gymnastics, the D-score is divided into two sub-groups — Difficulty of Body (DB) and Difficulty of Apparatus (DA), each sub-group is considered as a distinct score and must be challenged separately (either DB and DA, or only DB or DA). If DB and DA scores of the same routine are challenged, the coach must submit two inquiries. DB will be considered as the first inquiry and DA as the second.

Only accredited coaches in the field of play are entitled to submit an inquiry. A zone will be designated near the Kiss and Cry area to allow coaches to watch their gymnast/group during the competition. Late verbal inquiries will be rejected. NOCs are not permitted to complain against a gymnast/group from another NOC. Inquiries for execution or artistry scores are not allowed.

The inquiry must be confirmed as soon as possible in writing or electronically, but within 4 minutes at the latest after the verbal inquiry. This procedure requires an agreement of payment of CHF 300 for the first inquiry, CHF 500 for the second inquiry made by the same NOC and CHF 1,000 for the third and all subsequent inquiries submitted by the same NOC throughout the Olympic Games (and not starting from “1” again at each competition phase). NOCs are asked not to pay in cash, as cash is not permitted on the field of play. Should the inquiry not be confirmed in writing within 4 minutes, the procedure becomes obsolete.

Each inquiry must be examined by the Superior Jury and a final decision (which may not be appealed) must be taken at the very latest:

- if possible, at the end of the rotation for the Qualifications
- before the score of the following gymnast or group is shown for the All-Around Final

Should the final score be higher, the inquiry will not be invoiced by FIG to the NOC. However, should the final score remain unchanged or be lowered, the inquiry will be invoiced, and the money transferred to the FIG Foundation for Solidarity.

REVIEW OF TIME AND LINE DEDUCTIONS

Coaches have the right to request the Superior Jury to review time and line deductions. This request must be made through the official who receives inquiries at one of the inquiry tables.

CLOTHING AND EQUIPMENT

Clothing and equipment used by athletes and other participants in the Gymnastics competitions at the Olympic Games must comply with the documents listed below:

- **FIG Technical Regulations**
- **FIG RG Code of Points**
- **Rules Competition Clothing and Advertising**

All of the above-mentioned documents are available at the address

<https://www.gymnastics.sport/site/rules/>

- **Olympic Charter** (<https://olympics.com/ioc/olympic-charter>), in particular *Rule 50: Advertising, Demonstrations, Propaganda*
- **IOC Guidelines Regarding Authorised Identifications for the Games of the XXXIII Olympiad, Paris 2024 for Rhythmic Gymnastics:** <https://stillmed.olympics.com/media/Documents/Olympic-Games/Paris-2024/FIG.pdf>

The prohibition of any advertising and publicity in and above Olympic sites (as expressed in the Olympic Charter) is one of the aspects that differentiate the Olympic Games from other international events. This principle is reflected in the Bye-law to Rule 50 of the Olympic Charter. Detailed information on the implementation of Rule 50 to clothing, equipment, accessories and other items is detailed in the IOC's Guidelines Regarding Authorised Identifications for the Games of the XXXIII Olympiad, Paris 2024, which has been distributed by the IOC to all NOCs, IFs and sporting goods manufacturers.

Please refer to the complete [Guidelines Regarding Authorised Identifications](#) document for detailed information and instruction on all aspects of Rule 50 and its application and enforcement at the Paris 2024 Olympic Games.

COMPETITION

COMPETITION SCHEDULE

SESSION	TIME	DURATION	EVENT
Thursday 8 August 2024 – Porte de La Chapelle Arena			
GRY01	10:00 – 13:00	3:00	Individual All-Around Qualification – Part 1 of 2 (hoop and ball)
GRY02	15:00 – 18:00	3:00	Individual All-Around Qualification – Part 2 of 2 (clubs and ribbon)
Friday 9 August 2024 – Porte de La Chapelle Arena			
GRY03	10:00 – 12:30	2:30	Group All-Around Qualification (5 hoops and 3 ribbons/2 balls)
GRY04	14:30 – 17:00	2:30	Individual All-Around Final Individual All-Around Victory Ceremony
Saturday 10 August 2024 – Porte de La Chapelle Arena			
GRY05	14:00 – 15:45	1:45	Group All-Around Final Group All-Around Victory Ceremony

COMPETITION FORMAT

The order of routines for individual gymnasts will be hoop, ball, clubs, ribbon.

The sequence of routines for groups shall be: 5 hoops, followed by mixed routine with 3 ribbons and 2 balls.

The individual all-around event begins with qualifications. Individual gymnasts will perform a routine with each apparatus. The 10 top-ranked gymnasts based on the sum of the results of the four (4) routines (including all gymnasts tied for 10th place after Olympic tie-breaking rules have been applied) from the initial 24 qualify to the All-Around final.

The group competition also begins with qualifications. Groups will perform two (2) routines. In the first routine, the five (5) gymnasts in the group will perform the routine with five (5) hoops. For the second routine, the group will perform a mixed routine with three (3) ribbons and two (2) balls. During the routine the gymnasts will exchange apparatus multiple times. The eight (8) top-ranked groups (including all groups tied for eighth place after Olympic tie-breaking rules have been applied) from the initial 14 qualify to the All-Around final.

The individual qualifications will be held on Thursday 8 August in two (2) sessions: the morning session dedicated to hoop and ball and the afternoon session dedicated to the clubs and ribbon. The individual All-Around final will be in the afternoon of Friday 9 August, and will be followed by a victory ceremony.

The group qualifications will be held in the morning of Friday 9 August, while the Group All-Around final will be on Saturday 10 August in the afternoon, followed by a victory ceremony.

For more information, see the detailed table in “Competition schedule” above.

Two (2) reserve individual gymnasts and two reserve groups are designated for the Individual and Group All-Around final, taking into account the list of results of the Qualification. The reserve gymnasts must be prepared to compete and present in the training hall in case they are called upon. They must warm-up according to the programme until the finalists' presentation begins. After this point, reserves will no longer be able to compete. If called upon, a reserve works in accordance with the order of the individual gymnast / group replaced.

PRE-COMPETITION PROCEDURES

RHYTHMIC GYMNASTICS ORIENTATION MEETING

DATE	TIME	LOCATION
6 August 2024	19:00 – 20:00	La Chapelle Arena – Multipurpose Room (3rd floor)

Representatives of the FIG and Paris 2024 gymnastics competition management will outline the full event programme, give information about the training and competition venues and address NOCs' questions. The meeting will be held in English only. Each participating NOC is required to attend, with a maximum of two delegates per NOC. Technical officials will not be invited to the technical meeting.

Dedicated transport to La Chapelle Arena is provided for this meeting.

DATE	TIME	DEPARTURE OLV	DEPARTURE VENUE	VEHICULE NUMBER	PAX
6 August 2024	19:00 – 20:00	18:25	20:15	1	50

VENUE FAMILIARISATION

Technical officials will have the chance to become acquainted with the venue and their own areas (such as the technical officials' lounge and technical officials' meeting rooms), on the first official day at Porte de la Chapelle, on 7 August.

DISTRIBUTION OF EQUIPMENT TO TECHNICAL OFFICIALS

The technical official group leader will ensure that all the equipment required by judges (line flags, timers, etc.) and score sheets are in place before the competition starts. The equipment must be left on site at the end of competition to be collected by the technical official group leader.

TRAINING VENUES

No access will be granted to the training venues and warm-up hall for TOs.

COMPETITION PROCEDURES

TECHNICAL OFFICIALS' PRE-COMPETITION MEETINGS AND BRIEFINGS

ITOs including reserves, and NTOs acting as secretary, time or line judges in the competition days must attend the pre-competition judges' meetings and briefing, after leaving their personal belongings in their place at the technical table (non-official clothing and equipment will not be permitted at the technical table).

A member of the FIG RG technical committee will make the roll call in the technical officials' lounge. Before leaving the technical officials' lounge, all technical officials' uniforms will be checked to ensure that it is correct and to verify compliance with Rule 50 of the Olympic Charter.

All technical officials will meet at their meeting point in the corridor behind the technical table to be in position 15 minutes before the start of competition.

FIELD OF PLAY AND WARM-UP ACCESS

The technical officials do not have access to the training and warm-up halls.

Access to the field of play will be limited to officials who are taking part in the competition at the time in question. The number of persons with access to the field of play will be strictly limited in accordance with the FIG Technical Regulations and Accreditation Rules. The persons concerned must show their accreditation (OIAC) and the SACD (supplementary access control devices, commonly known as TAC).

Technical officials must enter the field of play through the technical officials' entrance(s) only, indicated by the Paris 2024 team, and must use the restricted access corridors to circulate within the building.

ENTRANCES / EXITS

Flows to the Field of Play (FOP) will be explained during the technical meeting.

INTER-SESSION ACTIVITY

Between sessions, technical officials may return to the technical officials' lounge and use this time to go to the venue dining when possible. The venue dining section is described below.

POST-COMPETITION PROCEDURES

LEAVING THE FIELD OF PLAY

Technical officials must remain in place at the technical table during the entire competition and the victory ceremony (if applicable). Victory ceremony for the individual event will take place around seven (7) minutes after the end of competition, and victory ceremony for group event will take place around twelve (12) minutes after the end of competition.

As a general rule, technical officials will leave their seats to go to the technical officials' meeting room after the last sequence in the competition, once the score has been shown and the competition is finished. The technical delegate and the Paris 2024 team members for the field of play will coordinate these transitions.

PARIS 2024

2 3 4

**COMPETITION
VENUE**

PORTE DE LA CHAPELLE ARENA

Arena Porte de la Chapelle - Avenue de la Porte de la Chapelle - 75018 Paris - France

An eco-design venue thought out for a legacy to benefit neighbouring communities well beyond the Games, Porte de La Chapelle Arena will be a new cultural hub to the north of Paris, hosting a range of cultural and sporting events each day. As soon as it opens in 2024, it will be home to Paris Basketball as its resident club.

The Arena is located near remarkable tourist sites including Sacré-Cœur Basilica and the famous Montmartre District, as well as being just 9 kilometres from the Olympic and Paralympic Village. Porte de La Chapelle Arena will host the Badminton and Rhythmic Gymnastics events during the Olympic Games and the Para Badminton and Para Powerlifting during the Paralympic Games. The venue will have a capacity of 7,000 spectators for the Rhythmic Gymnastics events.

VENUE ACCESS

Transport will be provided to FIG members and technical officials. Dedicated bus will be put in place between the accommodation (Pullman Paris City Center Bercy and Ibis Styles Paris Bercy) and Porte de la Chapelle Arena. This transport enables technical officials to arrive at the venue 30 minutes before the technical officials' pre-competition briefing. Departure from the Arena to the technical officials' accommodation is scheduled 30 minutes after the end of competition (last gymnast/group's result published).

10/08/2024	16:00	Arena La Chapelle	16:33	Ibis Style Paris Bercy	16:38	Pullman Paris Centre-Bercy	1

The ITO and NTO load zone will be located outside the security zone as close as possible to the entrance. They will go through the Passenger Screening Area (PSA) and accreditation will be checked in order to enter the venue.

FEDERATION STANDS

Only International Technical Officials, Technical Delegate, EB members have access to the Federation stands (F stands) to watch the competition when they are not in function. See below the location and allocation of the F stands (F55, F15, F6):

NTOs do not have access to the F stands, however they can watch the competition from the Skybar when they are not in function.

SERVICES AND FACILITIES

Two (2) halls will be used for training and warm up at Porte de la Chapelle Arena:

- The training hall on the 4th floor (gymnasium 2 -G2) will have 3 stretching areas (with mirrors and ballet barres) as well as three training carpets with apparatus.
- The ground floor warm-up hall (gymnasium 1-G1) will have two additional carpets for the final warm-up.

In total, there will be five (5) training and warm-up carpets.

All carpets will measure 14x14m with a 50cm border in accordance with FIG standards. Each training carpet (3 carpets in G2) will be equipped with a music system to play the gymnasts' music.

Only competing gymnasts will be allowed to use the lifts.

→ TECHNICAL OFFICIALS' LOUNGE

The technical officials' lounge is located on the ground floor of Porte de la Chapelle Arena and measures approximately 50m². This room is also a workspace for technical officials. This space will be equipped with a refreshment station that will provide unlimited bottled water, Coca-Cola fizzy drinks and whole fruits.

These refreshments will generally be available 1.5 hours before the start of each competition session and up until one (1) hour after the end of each competition session.

→ **MEDICAL SERVICES AND FACILITIES**

Medical services for athletes will be provided in accordance with the requirements of the FIG and the Olympic regulations. Medical services will be available from the time athletes, team officials and technical officials arrive at the venue until the time they leave.

The athletes' medical station will be located on level 0, to the north-east of the field of play. It will provide services such as first aid, emergency care, sports medicine and physical therapy services to athletes and team officials. It will also have suitable equipment and medicines.

An ambulance will be parked at the competition venue during medical services operating hours. The crew will comprise three (3) paramedics.

FIELD-OF-PLAY INTERVENTION

The medical services teams will also be present in the field of play, training and warm-up halls.

Intervention teams will provide first aid and emergency services to athletes and officials on the FOP should such services be required. If necessary, the patient will be collected from the FOP and transported to the Athletes Medical Station, the Polyclinic or the Games-designated hospital, as appropriate. The order of intervention on the FOP and all the decisions-making will follow the current IF rules in force on medical care on the FOP.

→ **VENUE DINING**

The venue dining will be located near Porte de la Chapelle Arena (approximately 4 minutes' walk), where technical officials will have a dedicated line to order their food, as well as a dedicated seating area.

This space will be shared with Paris 2024 staff members (from all departments), and lunch/dinner times have been drawn up, considering their meetings and competition schedule:

	07 August	8 August	9 August	10 August
Lunch	12:00 (TC) 14:00 (ITO/NT0)	13:00	12:30	12:00
Dinner	19:00	20:00	20:00	

A platform has been set up to facilitate dining order for technical officials. The contractor meal order system (CMOS) is a software purchasing system that provides the possibility to buy meal vouchers and access the competition venue dining room. It enables all IFs to buy meal vouchers for their technical officials in advance.

Access to the on-site venue dining is conditional on the purchase of a meal voucher. Technical officials will have the possibility to purchase their own vouchers at the venue dining (during opening hours) on the same day, by card (VISA only) or cash. There is also the possibility to purchase several vouchers in advance for the following days.

Venue dining opening hours are listed below:

→ LUNCH: 11:00H – 15:00H

→ DINNER: 17:00H – 21:00H

They will receive a daily allowance to cover the cost of food and related expenses. Technical officials will have the choice between a cold packed meal/lunchbox (12€) and a buffet service/hot meal (15€).

Details of the menus will be displayed at their dedicated working spaces.

IF staff may access the venue dining, but only if a voucher has been purchased in advance via the CMOS. IF staff cannot buy restaurant vouchers on the day itself in the venue dining room.

→ LOST AND FOUND

All reports of objects lost or found at the venue should be notified to the Sport Information Desk on the 3rd floor of Porte de la Chapelle Arena.

VENUE ACCREDITATION HELP OFFICE (VAHO)

The VAHO is located outside the security perimeter to allow any person who has an accreditation issue to fix it before entering the venue. The VAHO is close to the workforce PSA. Please, find below the different services provided by the VAHO at Arena La Chapelle Arena.

SERVICES	
OIAC/PIAC Distribution	No
Pre-Valid Card Validation	Yes

INFORMATIONS**

ACCOMMODATION

The Technical Delegate (TD) and Technical Officials (ITOs and NTOs) will be accommodated at the hotels listed below:

PULLMAN PARIS CENTRE BERCY (TD, ITOs)

12 Rue Libourne, 75012 Paris

<https://all.accor.com/hotel/2192/index.en.shtml>

The hotel is located a little over fifteen kilometres from Porte de la Chapelle Arena and the journey time is around thirty-five minutes.

The hotel offers its guests various services, such as lifts, air conditioning and dry cleaning available seven (7) days a week. A member of the hotel's staff is also present 24 hours a day at reception to greet guests. The languages spoken by the hotel staff are German, English, Arabic, Chinese, Spanish and French. The rooms are also equipped with an air conditioning system, Wi-Fi and a minibar/fridge.

Check-in is possible from 2pm and check-out until 12:00. Luggage storage is available for guests arriving early or leaving late, free of charge.

Umbrellas can also be borrowed free of charge in case of bad weather, just in time to get to the Arena.

A breakfast buffet will be offered on the following opening hours. There is the possibility to get a breakfast box on specific days. When a breakfast box is needed, the hotels reception needs to be informed 48 hours in advance by the TOs concerned.

DATES	OPENING HOURS BREAKFAST	BREAKFAST BOX
22 July	06:30 – 11:00	
23 July	06:00 – 11:00	
24 July	06:00 – 11:00

12 August	06:00 – 11:00	

More information on the Pullman Paris Centre Bercy services is available on their website by clicking the URL above.

IBIS STYLES PARIS BERCY (NTOS)

77 Rue de Bercy, 75012, Paris

<https://all.accor.com/hotel/0941/index.en.shtml>

Please check the hotel website for information about hotel facilities and services.

The hotel is located a little over fifteen kilometres from Porte de la Chapelle Arena and the journey time is around forty minutes.

The hotel offers its guests various services, such as lifts, air conditioning and a Wi-Fi network (in the lobby and rooms). A member of the hotel's staff is also present 24 hours a day at reception to greet guests. The languages spoken by the hotel staff are English, Italian, Portuguese, Spanish and French. The rooms are also equipped with an air conditioning system.

Check-in is possible from 2pm and check-out until 12:00. Luggage storage is available for guests arriving early or leaving late, free of charge.

Umbrellas can also be loaned in exchange for a deposit, which will be returned in the event of bad weather, while you make your way to the Arena

A breakfast buffet will be offered daily from 6:30 to 10:00. There is always the possibility to get a breakfast box. When a breakfast box is needed, the hotels reception needs to be informed 24 hours in advance by the TOs concerned.

More information on the ibis Styles Paris Bercy services is available on their website by clicking the URL above.

ACCREDITATION PROCESS

PRE-VALIDATED CARD (PVC)

There will be accreditation validation desks at the two major airports, Roissy Charles-De-Gaulle Airport (CDG) and Orly Airport (ORY). The Accreditation validation desks will be open from 7:00 – 23:00 pm. It is very important that all ITOs arriving by plane validate their PVC at the respective airports upon arrival.

ITOs arriving by train will not be able to validate their PVC at the train stations. They either must go to the UAC or to the VAHO before entering their respective venue for the first time.

NTOs will not receive a PVC.

UNIFORM AND ACCREDITATION CENTRE (UAC)

The UAC time slot for all Technical Officials, will be on August 6. A dedicated transport is put in place by Paris 2024. All officials are required to bring an official identity document to complete the process at the UAC.

**GENERAL
INFORMATION**

THE OLYMPIC GAMES: ESSENTIALS

PARIS AND FRANCE IN 2024

France is the world's top tourism destination with some 89 million visitors who flock here every year. Paris is a city unlike any other. It is overflowing with culture, history, and beauty. And whilst people travel to Paris to see the Louvre, the Eiffel Tower, or Notre-Dame, the real magic is found in the streets. Whilst Paris is a city with a strong cultural identity, it also houses people from all over the world who add their own culture and customs into the mix.

As you explore the streets of Paris, you might find yourself walking the hills of Montmartre in search of that perfect crêpe or meandering through Belleville, a Chinese neighbourhood with hip, young Parisians and elaborate street art. Across the river Seine, you might find yourself enjoying a verre de vin at a café in Saint-Germain-des-Prés or exploring the winding streets of the Latin Quarter.

France is also one of Europe's most diverse, gastronomic, and interesting countries to explore. Romantic hill towns and castles, meandering river valleys, and oceans of vineyards carpet this country's landscape.

France remains at the forefront of technology, architecture, fashion, and cuisine. A fascinating blend of natural and man-made beauty, France offers châteaux, never-ending coastlines, medieval cathedrals, Europe's highest mountain ranges, and museums showcasing cultural icons of the Western world.

ACCOMMODATION

Paris 2024 is tasked with organising and holding the Paris Games and this responsibility includes procuring and allocating accommodation solutions on behalf of the Accredited Games Community. This community includes all those designated by the International Olympic Committee and International Paralympic Committee, in particular members of the IOC and/or IPC, and their invitees, members of the French National Olympic and Sports Committee, French Paralympic and Sports Committee, National Olympic and Paralympic Committees, National and International Sports Federations.

Accordingly, Paris 2024 has booked a contingent of accommodation units with hotels and other establishments offering accommodation at a guaranteed price during the Period of the Games. In order to meet the needs of all stakeholder groups, Paris 2024 has secured more than 54,300 rooms in France, including more than 44,800 in Paris, in strategic locations for the Games.

All the specific information is presented in the Accommodation Guide, shared in December 2021. For IFs specific allocations, please refer to the demands made through the Accommodation Management System (AMS).

Concerning the contractual conditions and obligations linked to Accommodation, all is specified in the Accommodation Allocation Agreement (AAA), sent in 2023.

ACCREDITATION

OLYMPIC IDENTITY AND ACCREDITATION CARD (OIAC)

The Olympic Identity and Accreditation Card (OIAC) is the official Paris 2024 Olympic Games document that establishes the identity of its holder and their entitlements. In addition, the OIAC will provide accredited individuals with access to Olympic venues and other services during the Paris 2024 Olympic Games, according to their role.

To ensure the safety and security of all Games participants, they must pass a background check in order to receive an OIAC. The background check will be carried out by the relevant French Government agencies.

→ PRE-VALID CARD VALIDATION

Before validation, the OIAC is referred to as a Pre-Valid Card (PVC). The Paris 2024 Accreditation team will produce Pre-Valid Cards (PVCs) for all IF staff and international technical officials. Accredited delegates will be able to validate their PVC in accordance with the dates for each sport.

Individuals arriving in France on international flights at Charles-de-Gaulle and Orly airports will be able to validate their PVCs at the airport from 15 July 2024. Individuals arriving via other ports of entry will have to go to the appropriate accreditation centre to finalise the procedure for validating their accreditation. Each participant will need to visit an accreditation facility in person to finalise the validation procedure. Individuals will need to bring their PVC and the valid ID provided to Paris 2024 during the accreditation application process.

Unlike previous editions of the Olympic Games, the OIAC/PVC does not act as a visa waiver. For accredited participants who need a short-stay visa to enter the Schengen Area, Paris 2024 submits a visa request as part of the accreditation process. The final visa will be printed on the PVC and not on the participant's passport.

ACCREDITATION CATEGORIES AND PRIVILEGES

All Games participants are provided with access to only the venues and zones that are required for them to complete the duties associated with their roles. The table below outlines the level of access granted to IF population.

→ CATEGORIES AND PRIVILEGE

CATEGORY	POPULATION	VENUE ACCESS	ZONE ACCESS	QUOTA	SEATING ACCESS	CEREMONIES	TRANSPORT

→ ACCREDITATION PRIVILEGE CODES

The Accreditation Card Operating System assigns access privileges according to a privilege matrix that includes any function performing an official role at the Games. The privileges are based on accreditation zones and are printed on the OIAC along with the individual's personal information, function and responsible organisation. At sport venues the privileges give access to accreditation zones as described below:

ZONES	
WHITE	General circulation areas
RED	Operational areas, General circulation areas
BLUE	Field of play, Operational areas, General circulation areas
2	Athlete preparation areas
4	Press areas
5	Broadcast areas
R	Residential zone of the Olympic Village
MZ	Athletes' side of the Mixed Zone

TF	Technical officials / IFs transport system

SPORTS / VENUES

CODE [1]	Competition venue(s) and training venue(s) for each discipline – white letters with black background
-----------------	--

[1] The code is represented by the three-letter acronym of the venue in question, or by ALL for access to all sites.

→ CONDITIONS OF PARTICIPATION (COP)

As required by the IOC and in accordance with Rule 40 of the Olympic Charter, IF delegates and J category population (technical officials, judges, and jury members) must complete and sign a Conditions of Participation including the Parental/ Legal Guardian Acknowledgement of Consent for Minors form (if applicable), acknowledging their compliance with the IOC and International Federation rules regarding Games participation and the World Anti-Doping Code. Each individual applicant must provide their original signature on a hard copy of the Conditions of Participation form. The form will be available in English and French. Each IF is required to return signed COP prior to arrivals. Paris 2024 will not be able to validate your PVC if the signed COP is not submitted before the Games.

→ UNIFORM COLLECTION AT THE UAC

All IF delegates and technical officials should visit the Uniform and Accreditation Centre (UAC) to collect their uniforms or from the accreditation centres in co-host cities.

French Technical Officials will have the possibility to collect their accreditation and uniform in advance at the UAC or in one of the co-host or football cities. For the rest of the technical officials, an UAC visit will be organised for each group of

technical officials according to their programme of activities before the first day of competition. Those who either are unable to complete the validation process at the airport or do not receive their PVCs in advance of the Games will be able to collect their OIAC at the UAC prior to collecting the uniform.

All Technical Officials must go to the UAC, except those officiating in co-host cities, and those who have been identified and contacted for a pick-up in co-host cities prior to their arrival in Paris.

CITY	ACCREDITATION CENTRE	ADDRESS
PARIS	Parc des Expositions de la porte de Versailles – Pavillon 2.1	9 Avenue Ernest Renan, 75015 Paris
BORDEAUX	Stadium Vélodrome de Bordeaux Lac	Cours Jules Ladoumègue, 33000 Bordeaux
SAINT-ETIENNE	Boulodrome Marius Javelle	9 All. des Frères Gauthier, 42000 Saint-Étienne
LYON	Stade de Lyon, Mezzanine OL Store	10 Avenue Simone Veil, 69150 Décines-Charpieu
MARSEILLE	Parc Chanot, Palais des Congrès et des Expositions	SAFIM. Rond-Point du Prado, 13008 Marseille

LILLE	Stade Pierre Mauroy	261 Boulevard de Tournai, 59650 Villeneuve-d'Ascq
CHÂTEAURoux	Centre National de Tir Sportif	Route de Lignières, RD 925, 36130 Déols

→ ENTRY INTO FRANCE

In line with the Host City Contract, and in agreement with the IOC, PVCs facilitate entry into France. However, unlike previous editions of the Olympic Games, the OIAC/PVC does not act as a visa waiver. For accredited participants who need a short-stay visa to enter the Schengen Area, Paris 2024 submits a visa request as part of the accreditation process.

These requests will be processed centrally in France by the Games Consulate, which is operational since January 2024, and only issues multiple-entry short-stay visas (maximum of 90 days within 180 consecutive days) valid from 26 June 2024 to 11 September 2024. All previous visits to the Schengen Area (including previous short-stay visas) within the last 180 days will count towards the maximum of 90 days.

Any participant requiring a long-stay visa or a short-stay visa outside of these dates will have to follow the standard visa process available from the French authorities. The short-stay requirement also applies to visa exempt participants (non- EU/ Schengen nationals).

Once the short-stay Schengen visa request process has been successfully completed, the visa number will be printed on the participant's PVC, which, together with a valid passport (same document used during the accreditation process), will serve as an entry document to France for the purpose of participating in the Paris 2024 Olympic Games.

If the participant does not need a visa, they do not need a visa number printed on their PVC.

→ ACCREDITATION VALIDATION COUNTERS

VENUE	POPULATION	DATES 2024	VALIDATION	PRODUCTION	ISSUE RESOLUTION	HELP DESK
Airports CDG-Orly	Olympic Family	15 July (Full operation)	Yes	No	No	No

VAHO Venue Accreditation Help Office	All accredited populations	According to lockdown	Yes	No	Yes	No
VAHO+ Outside Île-de-France	All accredited populations	According to lockdown	Yes	Yes	Yes	Yes (limited)
UAC Uniform and Accreditation Centre	All accredited populations	May 2024	Yes	Yes	Yes	Yes

→ LOST, STOLEN, DAMAGED ACCREDITATION CARDS

Lost and stolen accreditation cards should be reported immediately to the nearest accreditation centre or to the Olympic Family Hotel (OFH) or to the Venue Accreditation Help Office (VAHO). Participants will be required to complete a Lost/Stolen Accreditation Card form and present an acceptable form of identification.

Accreditation cards which are damaged in such a way that the photograph and/or the personal information is not legible or that the access control system is not able to read the card, should also be returned for replacement at any accreditation facility that provides accreditation card printing.

Please note that PVCs or OIACs cannot be reissued after the end of the operational period of Paris 2024 accreditation facilities.

ARRIVALS AND DEPARTURES

Paris 2024 will use several airports and train stations to welcome IF population to the Olympic Games. The period of full arrival and departure operations will be effective 11 days before the Opening Ceremony and will end three days after the Closing Ceremony; 15 July - 14 August 2024.

The types of Port of Entry (POE) mentioned below are used by Paris 2024 to serve the official accommodation of the 2024 Olympic Games.

PRIMARY PORTS OF ENTRY (PPOE).

Paris-Charles de Gaulle (CDG) and Paris-Orly (ORY) international airports will be the Primary Ports of Entry (PPOE) - Olympic Gateway - and will offer full arrival and departure services from 15 July - 14 August 2024. Services will be available in all terminals at the PPOE.

SECONDARY PORTS OF ENTRY (SPOE)

Secondary Ports of Entry (SPOE) will have limited services according to the information provided by IFs in the ADS

Five SPOEs will be available during the Olympic Games:

- Fa'a'a International Airport (PPT), Papeete - Tahiti
- Paris-Gare de Lyon (train station), Paris
- Gare de Marseille Saint-Charles (train station), Marseille
- Paris-Gare du Nord (train station), Paris
- Marseille Provence Airport (MRS), Marseille

In addition, 20 Arrivals & Departures Service Points (AND SPs) will be available during the Olympic Games: in co-host cities airport and train stations (see list in the Arrivals & Departures Guide). They will offer the same level of services as in SPOEs; but are activated on restricted dates depending on the competitions and information received via the ADS.

On the days of the Opening Ceremony (26 July 2024) and Closing Ceremony (11 August 2024), the Arrivals and Departures service strongly advises against arriving after 13:00. Transport services will be very limited and therefore congested. In

addition, airspace will be closed from 17:30. All services will resume as normal the following day.

ACTIVATION PERIOD

CITIES	ACTIVATION PERIOD
	OLYMPIC GAMES
Paris	15 July – 14 August 2024
Châteauroux	16 July – 8 August 2024
Marseille	16 July – 11 August 2024
Lille	16 July – 14 August 2024
Tahiti	16 July – 8 August 2024
Nice / Saint-Etienne	16 July – 3 August 2024
Bordeaux	16 July – 5 August 2024
Nantes	16 July – 11 August 2024
Lyon	16 July – 12 August 2024

ARRIVALS & DEPARTURES SERVICE

Primary port of entry	<ul style="list-style-type: none"> → Welcome and information desk at the exit of the baggage claim area → Accreditation validation desk → Accessibility support (airport service) → Transport service (based on ADS information and transport privilege) → Transport Connect lines for several hubs in Paris → Facilitations at immigration control → Administrative assistance in the event of lost or delayed luggage/ sports equipment (communication with airlines and their sub-contractors)
-----------------------	--

<p>Secondary port of entry</p>	<ul style="list-style-type: none"> → Welcome and information desk at the exit of the baggage claim area, and in train station halls → Accessibility support (airport and SNCF services) → Transport service (based on ADS information and transport privileges) → Transport Connect lines for several hubs in Paris → Administrative assistance in the event of lost or delayed luggage/ sports equipment (communication with airlines and their sub-contractors, communication with SNCF services)
<p>AND Service Points</p>	<ul style="list-style-type: none"> → Welcome and information desk at the exit of the baggage claim area (only in Nice), and in train station halls. → Accessibility support (airport and SNCF services) → Transport service (based on ADS information and transport privileges) → Administrative assistance in the event of lost or delayed luggage/ sports equipment (communication with airlines and their sub-contractors, communication with SNCF services)

Accreditation validation desks will be available in all terminals at Paris-Charles de Gaulle (CDG) and Paris-Orly (ORY) to allow IF population to validate their PVCs.

Accreditation validation desks will be open from 07:00-23:00 from 15 July - 11 August 2024. Validation desks will be located in secure zones of the terminals between immigration and the baggage claim area or in the baggage claim area depending on the terminals. Only PVC validation will be possible at CDG and ORY.

CEREMONIES

The Paris 2024 Opening Ceremony will take place on the river Seine, in the heart of the city, and the Closing Ceremony will be held at Stade de France, near the Olympic Village.

OPENING CEREMONY

For the first time, the Opening Ceremony will not take place in a stadium but in the heart of Paris, on the "Olympic Seine". Athletes will be the heart of the ceremony, which will start with the Athletes' Parade. Throughout the Ceremony, athletes will be featured on boats alongside performers.

The Opening Ceremony will consist of three main elements:

- Athletes' Parade: NOC delegations will travel six kilometres from east to west on the river Seine.
- Artistic show: There will be performances on river barges and bridges along the route of the Athletes' Parade.
- Protocol elements: Some protocol elements of the ceremony will take place at the Trocadéro and Iéna Bridge.

TIME

The Opening Ceremony will start at 19:30 on 26 July 2024 and will end at 23:15.

SEATING AND TICKETS

For the Opening Ceremony, the IF President, IF Secretary General and their accompanying guests, Executive Board Members, IF Delegates and IF Senior Staff will have a seat in the Trocadero's venue.

To reach their seats in Trocadero, they will have to follow this itinerary: they will have to reach the PSA in Kleber metro station and present a valid accreditation along with the elements of the Ceremony Kit. The IF will be in charge of distributing the ceremony kit to all clients, except for the IF President and Sec Gen for who the IOC will manage the distribution.

Your Sport Manager or Services will come back to you to organize your collection of the Ceremony kits.

If for any reason your IF wishes to transfer Trocadero quota, this will be possible only to accredited population. The IF will also have to ensure the transfer of the Ceremony Kit.

ITO will be seating in Quais de Seine. The person in charge of the CTP in your Federation will have to redistribute the tickets to each ITO. Tickets are not transferable.

TRANSPORT TO THE OPENING CEREMONY

Olympic Family members seated on Trocadero will receive information regarding the journey from the Kleber Station to the Trocadero one and the list of metro station closures on 26 July to help them to build their journey planner. For any assistance, please refer to your SPT counterpart.

In addition, the following paragraph is mentioned in the DSLA: “EB members will come to Kléber by public transport to join the operations with the Olympic Family.

Metro Kléber will be secured by Paris 2024 for the accredited guests, mainly the Olympic Family. Metro Kléber, Line 6 of the Parisian metro, is located on Avenue Kléber. Once they arrive at Kléber, the EB members will get on the metro directly to Trocadéro (2 metro stations ahead). The metro will not stop in between the two stations. The metro will only operate for the accredited guests before and after the ceremony.

We recommend getting there before H-3 because of the spectator flow all over Paris. The best way to get to Kléber is by arriving to the stop station Charles de Gaulle - Etoile with the metro lines 1, 2 and RER A. Once arrived at Kléber by walk, they will join the operations with the privatized metro.

They will use the metro to get to Trocadero, to the ceremony. Once the ceremony is over, the operations will run until all the accredited guests have arrived at Kléber.”

Regarding ITOs, the journey planners are already available in the DSLA Finale Version.

→ CLOSING CEREMONY

The Closing Ceremony will take place at Stade de France, the nation’s largest stadium.

The ceremony will start at 21:00 and finish at 23:15. Note that timings are subject to change.

SEATING AND TICKETS

The IF President, IF Secretary General and their accompanying guests, Executive Board Members, IF Delegates and IF Senior Staff will have to present a valid accreditation along with the elements of the Ceremony Kit. The IF will be in charge of distributing the ceremony kit to all clients, except for the IF President and Sec Gen for who the IOC will manage the distribution.

Your Sport Manager or Services will come back to you to organize your collection of the Ceremony kits.

If for any reason your IF wishes to transfer the quota, this will be possible only to accredited population. The IF will also have to ensure the transfer of the Ceremony Kit.

Regarding ITO, the person in charge of the CTP in your Federation will have to redistribute the tickets to each ITO. Tickets are not transferable.

TRANSPORT TO STADE DE FRANCE

Olympic Family members will receive information regarding the journey from the OFH to Stade de France and the list of metro station closures on 26 July to help them to build their journey planner. For any assistance, please refer to your SPT counterpart.

Regarding ITOs, the journey planners are already available in the DSLA Finale Version.

ENVIRONMENTAL RESPONSIBILITY

Paris 2024 has been committed to proposing a different model for the Games, one that is more sober and just as spectacular, and it is mobilising all its energies to achieve this. Paris 2024 is taking action at every level to reduce its impact on the climate and the environment. By developing and testing more responsible solutions in all areas of the organisation, Paris 2024 also hopes to inspire and leave a legacy for more responsible sport.

Paris 2024 is committed to halving its carbon emissions compared with the average for previous editions of the Games (London 2012, Rio 2016).

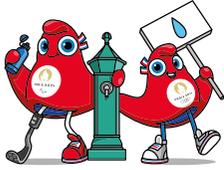

To achieve this, Paris 2024 is taking action at every level. By relying on 95% existing or temporary infrastructure, by offering twice as much plant-based food, by using less than 50% single-use plastic in catering, by finding a second-life solution for 100% of the temporary infrastructure and furniture on the Games sites, by connecting the venues to the public electricity grid to avoid the use of generators and by supplying the venues with 100% renewable electricity.

You can discover the rest of the commitments and actions for more responsible Games on our [website](#).

RECOMMENDATIONS

The success of more responsible Games is everyone's responsibility. At all the venues, you have the opportunity to act at your own level and help Paris 2024 achieve its objectives for Games that everyone can be proud of. That's why Paris 2024 encourages you to adopt a few eco-reflexes:

- Using reusable water bottles and water fountains at the Olympic Village to reduce plastic waste.
- Using the waste sorting system to reduce the volume of waste that is sent to landfill sites.
- Promoting responsible food options and reducing food waste.
- Ensuring the responsible management of water and energy resources.
- Preserving sites and biodiversity, and respecting equipment to encourage their second life.

**USE YOUR REUSABLE
BOTTLE AND THE WATER
FOUNTAINS**

**AVOID FOOD WASTE
AND SORT YOUR WASTE**

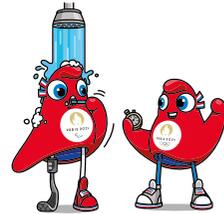

**RESPECT THE VENUES
AND BIODIVERSITY**

**EAT MORE
RESPONSIBLY**

**TRAVEL WITH A LOW
CARBON FOOTPRINT**

**SAVE WATER AND ENERGY
RESOURCES**

FOOD AND BEVERAGE

Considering previous studies conducted by Paris 2024, the quality of the officials' experience results from a food and beverage offer that meets the dietary needs of an individual. As a result, food and beverage services will be sustainable according to the Food Vision developed by Paris 2024 in collaboration with the Sport Managers' insight.

At competition venues, Paris 2024 will provide food and beverage services for TOs in the Technical Officials' Lounges and Venue Dining.

→ In the Technical Official's Lounge: A refreshment station will be set up in the Technical Officials' lounge of each venue during the Olympic and Paralympic Games, including during the familiarisation phase prior to the start of the competition. The service will include snacks such as cereal bars and fruits, as well as Coca Cola products and hot drinks. Cold drinks will be provided in glass bottles to comply with French AGECE Law.

→ In the Venue Dining: If Technical Officials spend more than four (4) hours on the competition venue, they can order and pay for one (1) of the two (2) meal options available at each Venue Dining:

- Technical Official Venue Meal (TOVM): packed cold lunch box.
- Enhanced Technical Official Venue Meal (ETOVM): buffet service with hot and cold options.

Meal services can be provided after completing the purchase by credit card (Visa only) or cash directly at the Venue Dining using the Per Diem allowance of each Technical Official. Vouchers can be purchased near the entrance of the Venue Dining. A counter and cash desk will be set up in all Venue Dining areas before the queuing area. Technical Officials will be given a paper voucher as soon as they have paid. Technical Officials will receive a per diem (see Per diem section below) that is aimed at being used to pay for meal vouchers.

Please note the opening hours of the Venue Dining: 11:00 to 15:00 / 17:00 to 21:00. These opening hours are generic and are in certain cases adjusted according to the competition schedule. The two (2) options can be eaten at the Venue Dining.

HOSPITALITY

As part of this unprecedented celebration and driven by a desire to be innovative, it is fitting that Paris 2024 will also be the first Olympic and Paralympic Games to implement the New Hospitality Model and offer a revolutionary approach that provides fans from all over the world with a first-of-its-kind, unparalleled hospitality experience.

One of the driving forces behind Paris 2024 adapting this new model is to re-invent and elevate the hospitality designed for and delivered to those that are the heart and soul of the Olympic and Paralympic Games – our Games Stakeholders.

IF have access to three types of Hospitality lounges in venues:

- Olympic Family Lounge
- Upgraded IF Lounge
- Private IF Lounge

INSURANCE

Coverage for ITOs and NTOs during the Olympic Games is as follows;

DISABILITY AND DEATH COVER APPLICABLE TO ALL

Assistance and invalidity/death cover are identical for both categories (ITOs/NTOs).

In the event of death or disability occurring in France during the period of mobilisation of technical officials for the Olympic and Paralympic Games, the sum insured is 80,000 euros.

In the event of recognised disability, and after stabilisation, the victim will receive 80,000 euros in the event of disability of more than 60%. In the event of lesser disability, the victim will receive 80,000 euros multiplied by the percentage of disability. For example, if the victim is 50% disabled, he or she will receive €40,000.

MEDICAL EXPENSES REPATRIATION ASSISTANCE COVER

For other cover, a difference must be considered between those (generally French nationals or French residents) who are beneficiaries of the French social security system (A), and those who are not (B).

→ A. BENEFICIARIES OF THE FRENCH SOCIAL SECURITY SYSTEM

URSSAF rules will apply:

- Use of the “carte Vitale”
- Complementary reimbursement by the mutual insurance company
- Any remaining expenses will be covered by the specific guarantee set up by Paris 2024. In order to benefit from this cover, ITOs and NTOs can write directly to assurances@paris2024.org. The Paris 2024 insurance team will put them in direct contact with the relevant insurer.

→ B. FOREIGN BENEFICIARIES NOT COVERED BY URSSAF

- The claim must be reported to the Paris 2024 insurance team as soon as possible at assurances@paris2024.org. This point is fundamental to confront the insurer with the problem and thus avoid any hassle for the victim.

- Except in exceptional cases, or where the insurance contract excludes coverage, the aim is to avoid any payment on the part of the victim, as the expenses will be covered directly by the insurer.
- The amount of medical expenses covered will not exceed 150,000 euros.

→ C. REPATRIATION

- Whatever the victim's origin or nationality, repatriation is covered at 100% by the insurer contacted by Paris 2024. The final decision to repatriate, as well as the conditions of repatriation, can only be decided by the insurer/assister accompanied by our medical team.

MEDICAL SERVICES

Public health services, including disease surveillance, communicable disease control, food and water quality control and air quality monitoring will be in place throughout France during the Games.

MEDICAL SERVICES AT VENUES

→ ATHLETE MEDICAL SERVICES AT COMPETITION VENUES

At least one dedicated athlete medical station will be available at all competition venues. Each medical station will provide medical such as first aid, emergency care, sports medicine to athletes and team officials.

At most venues there will be an ambulance on site for the evacuation of athletes if needed. If not directly on site, ambulances will be available nearby.

→ TECHNICAL OFFICIALS SERVICES AT COMPETITION VENUES

Medical services to technical officials at competition venues will be provided by the spectators medical services.

→ FIELD-OF-PLAY RESPONSE

Field-of-Play (FOP) teams will provide first aid and emergency care to athletes and team officials on the FOP should such services be required. If necessary, the patient will be taken from the FOP and transported to the athlete medical station, Olympic Village Polyclinic, or a designated Games hospital as appropriate. The order of response on the FOP and any decision-making will differ according to the sport and the rules of the respective IF.

DESIGNATED GAMES HOSPITALS

If the necessary medical services cannot be provided at the venue medical station, IF population will be transferred to designated Games hospitals in Paris or the co-host city.

Any patient suffering from a life-threatening condition at any of the venue zones will be taken to the nearest hospital.

The following public hospitals have been designated as the official hospital for IF population during the Paris 2024 Olympic Games:

CITY	HOSPITAL*
Paris and greater Paris	Hôpital européen George Pompidou 20 rue Leblanc, 75015 Paris
Châteauroux	Centre hospitalier de Châteauroux 216 avenue de Verdun, 36000 Châteauroux
Lille	CHRU Jeanne de Flandre Avenue Eugène Avinée, 59000 Lille (to be confirmed)
Marseille	AP-HM hôpital de la Timone 264 rue Saint-Pierre, 13385 Marseille
Tahiti	Centre hospitalier de Polynésie française Avenue du Général de Gaulle, 98713 Papeete

PER DIEMS

All Technical Officials participating in the Paris 2024 Olympic and Paralympic Games will receive a per-diem to cover daily expenses and additional costs (transport between home and the station/airport, meals on and off the competition site, laundry, etc.). To do so, Paris 2024 sends a global Per Diem Grant to each International Federation, who has to transfer the corresponding amount to each IF Delegates and International Technical Officials. For National technical Officials, Paris 2024 sends directly the corresponding amount to the Technical Official. The exact amount of the Per Diem depends on the official operational dates that have been communicated by Paris 2024, or by the International Federation.

Per Diem payment will be made as follows:

- Technical Delegate and International Technical Officials: payment of the Per Diem by the International Federation.
- National Technical Officials: payment of the Per Diem by Paris 2024 ahead of the event.

RATE CARD

The Rate Card programme is a service provided by Paris 2024 to IFs. The Rate Card team will provide a complete end-to-end service to customers: ordering, invoicing, payment, procurement, delivery and installation.

Paris 2024 has created a Rate Card Ordering Platform to facilitate the ordering process. Rate Card orders placed prior to the Games-time ordering period can only be placed through this platform.

A Rate Card catalogue has been shared with all IFs, covering all the products and services available for IFs. Three main categories of items are available through the catalogue:

- Technology services
- Furniture fixtures and equipment
- Transport (vehicles & VAPPs)

Non-Standard Requests cover products, services and locations requested by Rate Card Customer which are not fully covered in the published catalogue items.

SECURITY

In accordance with its letter of guarantee and the IOC's Host City Contract, the French State is responsible for the safety and security of the Paris 2024 Olympic Games.

The government will coordinate all security matters as well as emergency services, whilst Paris 2024 is responsible for the design, implementation, and execution of security measures at Paris 2024 competition and non-competition venues.

Paris 2024 has partnered with national security agencies to integrate the most effective security arrangements within venues and other official sites.

SECURITY AT VENUES

→ VENUE INSPECTION AND LOCKDOWN

All competition and some non-competition venues (such as hotels) will undergo a security inspection by specialist government departments and a lockdown period prior to the Games.

During the lockdown period, all security and safety procedures will be implemented, and access controls will be activated with the support of technology measures. However, please note that French legislation does not allow facial recognition. During this period, no person, vehicle, or equipment may enter the venues without accreditation (or other appropriate access devices) and without passing the appropriate security checks.

After the accreditation check, people wishing to access venues will be subject to a personal and property inspection. Personal and baggage inspections for people whose age, mobility or medical reasons do not allow them to undergo the generic procedure are subject to an adapted procedure that takes better account of their specific needs.

PROHIBITED OR RESTRICTED ITEMS POLICY

→ PROHIBITED ITEMS

These items are strictly forbidden in the Paris 2024 venues.

AT COMPETITION VENUES

- **Firearms and/or ammunition not used for Games competitions.**
- **Replica weapons:** airsoft firearms, replica weapons and/or reproductions that could cast doubt on the owner's intention.
- **Weapons "of opportunity":** selfie sticks, everyday blades (such as multi-tools, scissors, razors etc.) that can malevolently be used as a weapon to inflict harm.
- **Explosives, flammable substances, and pyrotechnic devices:** explosive devices, improvised explosive devices, gunpowder, smoke bombs, smoke, flares, fireworks, objects re-sembling explosive devices, ignition devices.
- **Dangerous substances, doping products, and illegal narcotics:** items likely to in-fringe the law regulating toxic and noxious substances, narcotics and

stimulants or other illegal drugs in France, Europe, and other parts of the world, items corresponding to dangerous materials under French legislation, tear gas, pressurised containers, items corresponding to dangerous materials,

- **Alcoholic beverages.**
- **Glass containers, cans, and tins.**
- **Wireless equipment not authorised without a TAG from French spectrum agency (ANFR):** radios, microphones, broadcasting cameras, drones, satellite links, wireless 4G routers, jamming or scanning equipment, radio scanners.
- **Political, religious, vulgar messaging, or trademarks:** advertising materials, signs, banners, etc. that include a religious or political message, or are deemed contrary to public order. Ropes, carboards, posters, and other items that can be used for demonstrations in the venues,
- **Personal mobility devices, whether electric or not: bicycles, scooters, rollerblades, skates, gyropods, hoverboards, etc.**
- **Objects producing excessive noise:** megaphones, vuvuzelas, air horns.
- **Laser pointers.**

IN OLYMPIC VILLAGES

- **Firearms and/or ammunition not used for Games competitions.**
- **Replica weapons:** airsoft firearms, replica weapons and/or reproductions that could cast doubt on the owner's intention.
- **Explosives, flammable substances, and pyrotechnic devices:** explosive devices, improvised explosive devices, gunpowder, smoke bombs, smoke, flares, fireworks, objects resembling explosive devices, ignition devices.
- **Dangerous substances, doping products, and illegal narcotics:** items likely to infringe the law regulating toxic and noxious substances, narcotics and stimulants or other illegal drugs in France, Europe, and other parts of the world, items corresponding to dangerous materials under French legislation, tear gas, pressurised containers, items corresponding to dangerous materials,
- **Wireless equipment not authorised without a TAG from French spectrum agency (ANFR):** radios, microphones, broadcasting cameras, drones, satellite links, wireless 4G routers, jamming or scanning equipment, radio scanner.
- **Political, religious, vulgar messaging, or trademarks:** advertising materials, signs, banners, etc. that include a religious or political message, or are deemed contrary to public order. Ropes, carboards, posters, and other items that can be used for demonstrations in the venues,

→ RESTRICTED ITEMS

These items are authorised at venues but restricted in quantity and/or nature.

AT COMPETITION VENUES

- **Weapons of opportunity:** only walking aids are authorised,
- **Flammable substances:** only portable oxygen cylinders for medical use are allowed,
- **Containers:** plastic bottles, plastic or metallic flasks/gourd are allowed,
- **Luggage:** large sports bags and large pieces of luggage are permitted,
- **Animals:** only service dogs are allowed,
- **Flags:** only flags of countries and territories participating in the Games are allowed, without rigid flagpoles, and without size restrictions for athletes at competition venues.

IN OLYMPIC VILLAGES

- **Weapons of opportunity:** walking aids, everyday blades (such as multi-tools, scissors, ra-zors etc.) that are allowed in planes, that can malevolently be used as a weapon to inflict harm.
- **Flammable substances:** only portable oxygen cylinders for medical use are allowed,
- **Animals:** only service dogs are allowed,
- **Sprays and aerosols:** sprays and aerosols used for daily hygiene such as deodorants are allowed,
- **Objects producing excessive noise:** personal musical instruments and music speakers are allowed,
- **Flags:** only flags of countries and territories participating in the Games are allowed, without rigid poles. No maximum size for athletes at Villages.

→ OBJECTS CONSIDERED AS “TOOLS OF THE TRADE”

Objects authorised at venues only if they are required to carry out professional activities for certain stakeholders.

AT COMPETITION VENUES

- **Weapon of opportunity:** tools such as hammers, wrenches, saws, screwdrivers, etc. needed to maintain sports equipment and personal mobility aids for people

with reduced mobility, but that can malevolently be used as a weapon to inflict harm,

- **Personal mobility devices:** bicycles and other personal means of transport required for on-site competitions,
- **Sprays and aerosols:** sprays and aerosols required for sports and for the treatment of athletes,
- **Photography equipment:** camera lenses larger than 20cm are authorised.
- **Camera equipment:** all equipment used to take photos and videos to analyse athlete performance.
- **Medical equipment for the treatment of athletes.**

IN OLYMPIC VILLAGES

- **Weapon of opportunity:** tools such as hammers, wrenches, saws, screwdrivers, etc. necessary to help people settle at villages and the maintenance of sports equipment.
- **Laser pointers to be used in meetings**
- **Medical equipment for the treatment of athletes.**

At the F-DRM, the Chefs de Mission will receive stickers to be applied on tools of trade that have been registered in advance via Paris 2024 NOC services. The Chef de Mission will be responsible to distribute the stickers to all the delegation.

Please note that for security reasons, the use of drones is strictly forbidden at all competition and non-competition venues of the Olympic Games

EMERGENCY SERVICES

→ EMERGENCY NUMBERS OUTSIDE PARIS 2024 VENUES:

- European emergency number: 112
- Emergency Medical Services (SAMU): 15
- Police: 17
- Fire brigade: 18

Paris 2024 recommends that IF representatives do not programme emergency service numbers into mobile phones as speed dial functions can lead to accidental calls to the emergency services.

TICKETING AND ACCREDITED SEATING

GAMES-TIME TICKET SALES

At Games time, available tickets may only be purchased through the CTP.

→ TICKET TOUTING

Tickets for the Paris 2024 Olympic Games are only on sale on the official ticketing website for future spectators from all over the world. No other sales platform is authorised to sell tickets. By buying tickets or hospitality packages outside official channels, the buyer runs the risk that tickets or packages are not delivered to them, or that access to the sports venues will be denied to them by the Paris 2024 Organising Committee in accordance with the ticketing general terms and conditions. In addition, all buyers and/or sellers are informed that the unauthorised sale or resale of tickets outside of the official channels, constitutes an offense under French law, in particular, an offense sanctionable under article 313-6-2 of the French criminal code.

TRANSPORT

Paris 2024 aims to provide a safe, reliable and efficient system of transport, within the Host Country, free of charge, for technical officials, Olympic Family members and International Federation staff.

The transport services will consist of:

- Transport for Federations (TF)
- Public Transport (TP)
- Transport Connect (TC)
- On-Demand Transport Service (TX)

The TF Transport service will be provided from each official IF hotel as a base connecting to the competition venues, UAC, technical meetings.

TRANSPORT PRIVILEGE

TRANSPORT PRIVILEGE	SUMMARY OF SERVICES	TRANSPORT TYPE	SERVICE DESCRIPTION
Transport Federations (TF)	ITOs/NTOs and IF staff transport system	Coach	TF / ITOs/NTOs/IF staff transport system from official accommodations/hotels to competition and training venues. TF have access to TC and TP
TX	On-demand or on-request service available on booking with shared driver	Fleet (car / van)	TX On-demand or on-request service, vehicle available on booking with volunteer driver, allowed to go to all Tx destinations. Tx have access to TC and TP.
Transport Connect (TC)	Shuttle system from transport hubs to venues and TP stations	Bus / coach	TC Games stakeholders transport system (shuttles dedicated to clients of the Games). TC have access to TP
Public Transport (TP)	Free access to public transport in Paris Region Area.	Subway / bus / regional express line	TP Public transport system

TF TRANSPORT

A summary of transport at the Games follows.

Please note that full details of transport services at the Games, including timetables, may be found in the DSLA communicated to IFs.

Paris 2024 is responsible for providing transport services to properly accredited technical officials and IF staff during the period of the Olympic Games.

These transport services are collectively known as the TF service.

The TF service will be available for all accredited technical officials, judges, jury members, IF staff, and IF media staff.

→ SERVICES BETWEEN HOTELS AND COMPETITION VENUES

A dedicated TF service will operate between technical officials' hotels and each competition venue during the competition period for each sport, in accordance with the competition schedule. In general, TF services will start service two hours before competition and finish one hour after competition.

Where technical officials are required to attend meetings, briefings, venue familiarisations or other events before the start of competition, either at the competition venue or at another venue, TF services will be provided from and to the technical officials' hotels in accordance with the officials' requirements. However, in cases where the number of passengers is small, the principle is that the passengers should travel in the vehicles allocated to IF.

INTERCITY TRAVEL

Transport will be provided for technical officials between Paris and co-host cities. Details will be communicated to technical officials on arrival.

PUBLIC TRANSPORT

All accredited stakeholders will be entitled to free-of-charge access to public transport (TP) services within the Greater Paris area and in co-host cities, from 15 July to 14 August 2024.

→ GREATER PARIS AREA

A physical transport card (Navigo) will be provided during the accreditation validation process for each Games stakeholder with TP privileges. At the end of the

stay, stakeholders must leave the pass in a dedicated collection box at Transport Desks and Port of Entries.

In the Greater Paris area, most official venues can be reached by TP

Approximate TP hours of operation are as follows:

- Buses from 05:45 – 00:45
- Metro from 05:30 – 01:15 (until 2:15 on Fridays and Saturdays)
- RER from 04:30 – 01:15
- Trams from 05:10 – 01:00

These hours are for information only. Full details will be available on the Paris 2024 Transport Accredited app.

→ CO-HOST CITIES

In the co-host cities, most competition venues can be reached by public transport (except Tahiti). Bordeaux, Châteauroux, Lille, Lyon, Marseille, Nantes, Nice, and Saint-Etienne all have public transport systems that can be used free-of-charge by accredited stakeholders. Where applicable, access means will be distributed at the relevant co-host city.

Public transport in Châteauroux will be free of charge for both the general public and accredited stakeholders, therefore no access means will be distributed.

TRANSPORT CONNECT (TC)

The Transport Connect service (TC) is dedicated to accredited stakeholders and its aim is to complement public transport services. TC services will include regular shuttle and bus routes that connect transport hubs and public transit stations with venues, making it easier to reach venues than with public transport alone. The TP network will use various forms of transport (metro, bus, tram, RER trains) as well as TC lines. In some cases, TC lines could be replaced by TP if the journey is more direct and efficient.

TC will be operational from 15 July to 14 August 2024. Activations will start 4 hours before competition sessions and end 4 hours after competition sessions. On non-competition days TC will be activated from 8:00 to 20:00.

A TC night loop called Noctilien has also been created to complement regular TP offer during nighttime. It will run between 26 July and 12 August 2024 with a peak frequency of 10 minutes.

TC will be activated in the Greater Paris area, Lyon area, Lyon, Marseille, Lille, Chateauroux, Nantes, Nice, Bordeaux, Saint-Etienne and Tahiti.

The TC system is also available for all spectating athletes to reach competition venues. Spectating athletes can use the Paris 2024 Transport Accred app to plan their route.

Please note that TC drop-off and pick-up zones are located outside venue security perimeters.

TRANSPORT APP

Paris 2024 will launch a dedicated Games-time Transport app for all accredited stakeholders. This will be different to the Île-de-France Mobilités (IDFM) transport app for public transport.

The main functionalities will include:

- Journey planner to calculate the best itineraries according to user preferences.
- Multimodal app suggesting itineraries that use both public transport services (TP) and Paris 2024 transport services (each accredited stakeholder will only see the Paris 2024 transport services that they are entitled to).
- Real-time travel information (travel time updates, next departures, and alerts).
- Booking functionalities for TX services (available according to user privileges).

The app will be available to download from the Android Play Store and Apple App Store, and will be available in French, English, Spanish.

UNIFORMS

Paris 2024 and Le Coq Sportif, our official partner, have developed a uniform, consisting of a mix of casual and semi-formal items, which combines comfort, aesthetics and functionality, while respecting their joint commitment for sustainability.

The uniform has a unisex design, is adapted to different body types and made in breathable and resistant materials.

All technical officials will be provided with a uniform kit, containing the following items:

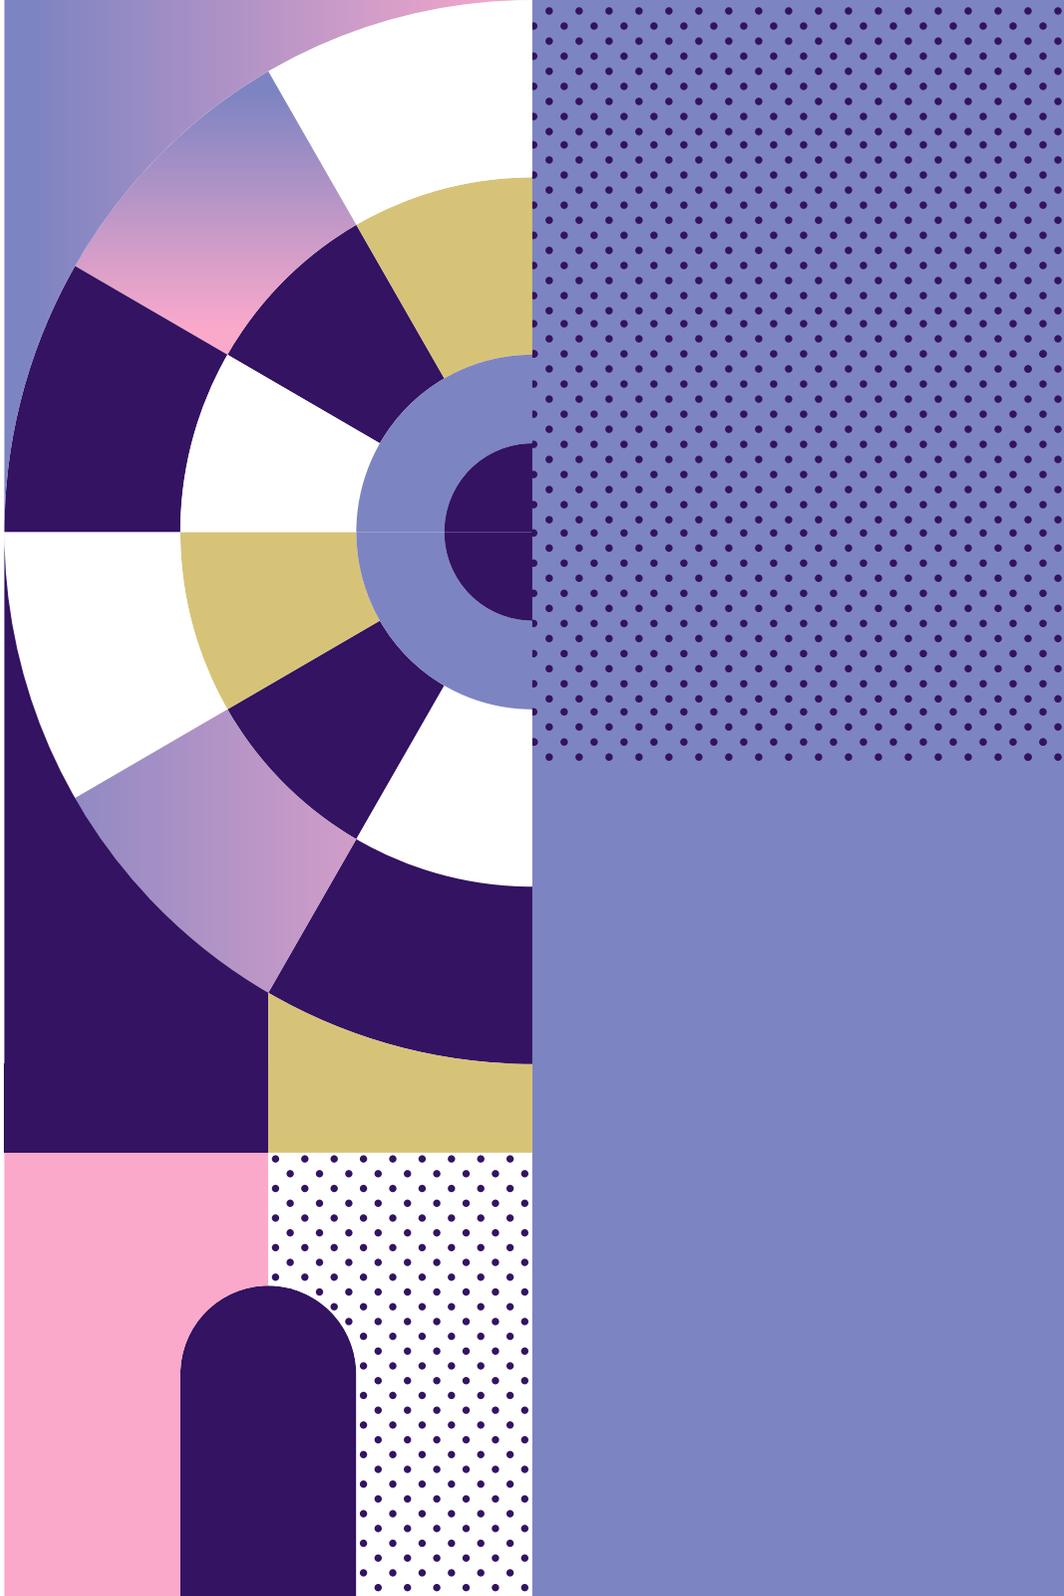

ITEM	QUANTITY
Polos	3
Pairs of casual trousers which can become shorts	2
Long-sleeved shirts	2
Rain-proof jacket	1
Smart jacket	1
Pair of smart trousers	1
Pairs of socks	4
Pair of sports shoes	1
Backpack	1
1 Small bag	1
1 Panama hat	1
1 Carrier bag containing the entire provision	1

UAC – ALTERATION SERVICE

Officials will be invited – through dedicated slots – to collect their uniform from the Uniform and Accreditation Centre (UAC) at Porte de Versailles in the 15th arrondissement of Paris. They will be able to try on the items and have alterations made to suit their body shape.

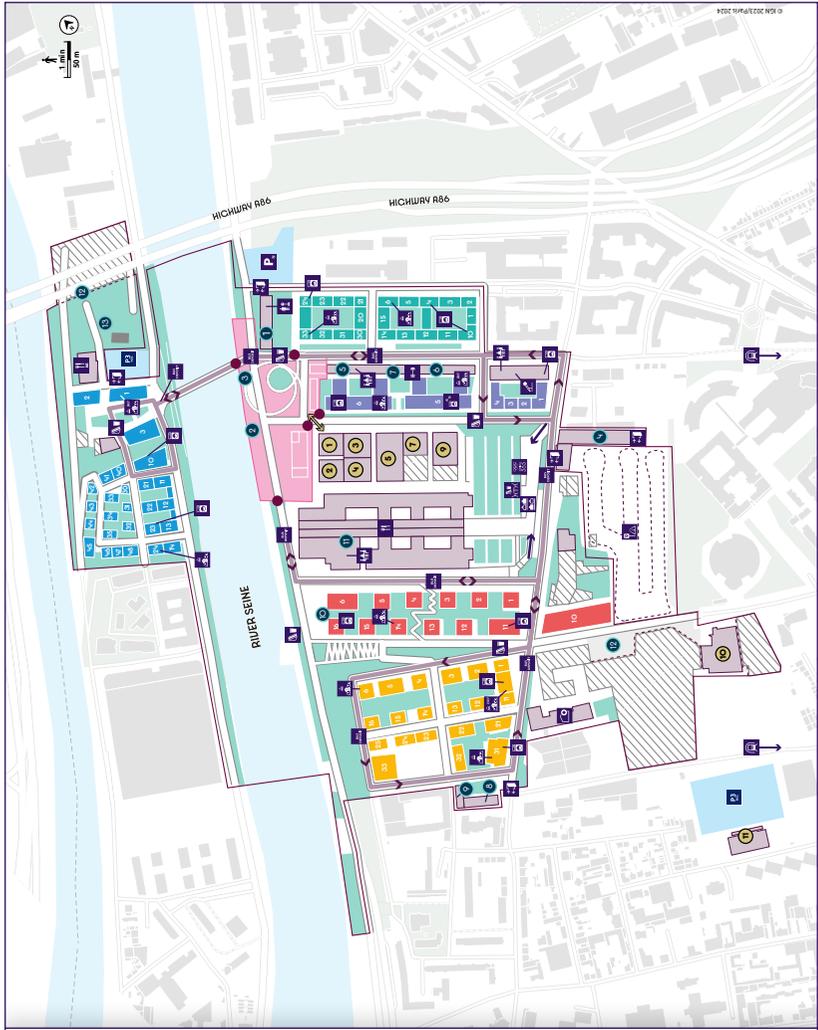

Officials of sports held in co-host cities will be able to collect their uniforms directly from the competition venue, and an alteration service will also be made available.
