#### 4. PARTICIPATION AND SIZE OF THE DELEGATIONS

##### **Participation / Accreditation**

Please refer to the directives for details on the participation rights, maximum delegation size, supplementary accreditations, payment procedures and insurance deadlines.

In addition, a list including all medical staff duly approved by the FIG is published on the FIG website. Medical personnel seeking accreditation for these WAGC and who are not on this list must send to the FIG Office (attention Mr. Loïc Vidmer at [lvidmer@fig-gymnastics.org](mailto:lvidmer@fig-gymnastics.org)) a copy of his/her medical certificate/diploma duly translated into English or French and must complete the "FIG Medical Staff – Application Form" which can be downloaded from the FIG database after creating a profile for medical staff, (please refer to the FIG database User instructions available on the FIG administration website) as soon as possible but at the very latest at the deadline of the nominative registration. Without this document, the accreditation of the medical personnel will not be released.

##### **Accreditation Principles**

FIG Accreditation Rules have to be strictly respected and applied notably as far as the number of accreditations and transferable access cards (TAC) per federation is concerned. The accreditation identifies individuals in good standing from FIG affiliated federations participating in the event. It indicates and defines individuals' right to access to the different zones as per their functions. All participants and officials are required to wear their accreditation card at all times.

The accreditation is personal, non-transferable and compulsory to access the training and competition halls, the official functions and the transport system of the LOC. Access to the warm-up hall is strictly limited to the gymnasts participating in the specific competition and according to the warm-up schedule, with the appropriate delegation member's TAC. The accreditation card is also necessary to pass the security controls.

**Accreditations for the World Championships will not be valid for the World Age Group Competitions.**

Any misuse of an accreditation (zone, time, TAC, etc.) will lead to the withdrawal of the accreditation and a fine of CHF 2500.- to the respective federation for each case. Further steps are possible (e.g. case to be submitted to the FIG Gymnastics Ethics Foundation).

In case of lost or stolen accreditation cards, the LOC and the FIG must be informed immediately to block the accreditation. Lost or stolen accreditations may be replaced (except TAC) at the charge of the card holder (refer to the directives for the price).

The accreditation procedure will only be dealt and accepted from delegations by the HD, the Team Manager (TM) or any other person with the Appendix 4 dully filled, stamped and signed by the National Federation President or Secretary General.

### **Transferable access cards (TAC)**

According to FIG Accreditation Rules, coaches will need to present a TAC to access the Competition Area (Field of Play (FoP), Zone 1). HD/TM will need to present a TAC to access the Warm-up Hall (WuH, Zone 3).

The TACs are only transferable within the NF's official delegation and appropriate function. They can only be used in conjunction with the primary accreditation card. All delegations will be allocated a number of Zone 1 and Zone 3 TACs respecting FIG Accreditation Rules.

### **Lost or stolen transferable cards shall not be replaced.**

### **Media Accreditation**

For Media accreditation, please see point 23.

## **5. NOMINATIVE REGISTRATIONS**

---

### **On-line Nominative Registrations**

Please note that the order in which the nominative entry form is completed is used to determine the place of the gymnasts, pairs, trios and groups for their country and the number in the starting order. Please refer to the drawing of lots (see Appendix 2).

The first gymnasts, pairs, trios and groups submitted will be allocated number 1, the second pairs and trios number 2 and the third gymnasts number 3. **No changes will be allowed.**

### **Coaches**

No coaches will be accepted at these WAGC without a valid coach-sport profile at the deadline of the Nominative Registration. In order to be considered, the coach-sport profile (including all relevant documents) should have been submitted in the FIG Database by **7 August 2024** at the very latest (two weeks prior to the deadline for nominative registration).

### **Music**

The LOC is responsible for complying with the local laws of music copyright, to obtain the broadcast and online rights, and to secure and retain all clearances required with respect to any and all music or sounds played during any phase of the event.

The ClickNClear system will be used at these WAGC to upload the music of all units, to inform on the music data, and to assist NFs to ensure that all music is appropriately licenced for use in competition.

While Appendix 1 of the directives (i.e., the ClickNClear "How To" document) will guide NFs, a dedicated webinar will be made as follows:

This Webinar will take place on **20 August at 13:00 CET (Swiss time) and all federations will be informed accordingly.**

The procedure to be completed by **28 August 2024** 23:59 CET at the very latest can be summarized as follows:

- The link to access the ClickNClear system for these WAGC / JWCH will be sent to all national federations.
- NFs will be required to create an account and add their unit(s).
- NFs will be asked to upload the music for their unit(s)

- NFs will be able to provide a music license agreement and supporting information for each of their unit(s)
- Information will be given to check whether the unit's music has been properly licensed.

For technical support, contact [support@clicknclear.com](mailto:support@clicknclear.com).

During podium training, NFs will be able to verify that the music for their units is correctly played.

### Fines

The fines after missing the registration deadlines or after late registrations are as follows (as per the FIG TR, Section 1, Reg. 11.1.2):

Fine after missing the Nominative Registration deadline or after late Nominative Registration	CHF 1'000
---	-----------

### **Change of Starts list** (please carefully chose the correct event on the online link)

- If a gymnast is injured or falls ill before the arrival at the place of the competition (i.e. in the period after the nominative registration until before the accreditation), they may be replaced by another gymnast (and accredited) upon arrival. The FIG and the LOC must be informed immediately via the [following link](#).
- In the case of injuries or illness between the time of accreditation and 24 hours prior to the beginning of the respective qualifications, the NF is allowed to change accreditations. The injured or ill gymnast must return his/her accreditation and another gymnast may be accredited. The FIG and the LOC must be informed immediately via the [following link](#).
- A gymnast may be replaced up to 60 minutes prior to the beginning of each phase of the competition (with medical certificate verified by the official FIG / LOC medical doctor). The substitute must take exactly the same place as the replaced gymnast. The FIG and the LOC must be informed immediately via the [following link](#).

### **In all above-mentioned cases, the replacing gymnast will fill the position of the replaced gymnast (in the draw/starting order).**

- After 24 hours prior to the beginning of qualification, no accreditations can be changed. The 24-hour period is from the start of the day of the respective qualification.
- If an NF withdraws a gymnast/unit from the qualification round, this place in the starting order will not be taken by the next gymnast from the same NF. E.g. if NED 1 is withdrawn the NED 1 place will remain "empty".

## **6. VENUE AND HALLS**

---

### **Competition venue details**

For general layout of the offices, seats, training area, warm-up area and FoP, please see Appendix 1. *Please note that the entire venue complex is a non-smoking area.*

Please refer to the TR, Section 1, Reg. 8.5.

Inquiries for the difficulty scores are allowed provided that they are made verbally immediately after the publication of the score or at the very latest before the score of the following gymnast/unit is shown. If two (2) categories are judged alternately (by two (2) panels or one single panel) the inquiry must be made before the score of the following gymnast or unit of the same category is shown.

For the last gymnast/unit of a rotation, this limit is **one minute** after the score is displayed on the scoreboard.

An NF is not allowed to submit an inquiry for scores of a gymnast/unit from another NF. Inquiries for all other scores (i.e execution, artistry/score, etc.) are not allowed.

An area close to the Kiss & Cry where the coach of the competing gymnast can see the score of the exercise will be designated. Late verbal inquiries will be rejected.

Only the accredited coaches in the competition area are entitled to submit an inquiry. Inquiry forms are no longer used as inquiries must be submitted electronically using a tablet provided by Gym Result. An LOC Inquiry Officer will help if needed. Procedures and details will be given during the orientation meeting and sent to the participating NFs. The expected score must be entered into the tablet for the inquiry to be accepted.

The inquiry must be confirmed by clicking on the relevant button as soon as possible but no later than **4 (four) minutes** after submitting the verbal inquiry and **requires an agreement to pay** CHF 300.- for the first inquiry, CHF 500.- for the second inquiry and CHF 1,000.- for the third and all subsequent inquiries lodged by the same NF throughout the WAGC (and not starting from "1" at each competition phase).

If the inquiry is not confirmed within 4 minutes it is rendered null and void.

**NFs may not pay in cash as no cash is allowed on the FoP.**

Every inquiry will be examined by the Superior Jury and a final decision, which may not be appealed, will be taken at the very latest:

- at the end of the rotation for the qualifying competitions
- before the score of the following gymnast/unit is shown for the finals.

After review of the inquiry, if the final score is higher, the FIG will not invoice the NF. However, if the final score remains unchanged, or is lowered, the amount due will be invoiced and donated to the FIG Foundation for Solidarity.
