

FÉDÉRATION INTERNATIONALE DE GYMNASTIQUE

Revised 11.11.2024

RG Judges' Examination Directives

Lausanne, November 2024

General:

Guidelines are the FIG [General](#) and [Specific Judges' Rules](#) 2025-2028 for RG.

For International Judges Courses only:

Please bring your own computer/tablet with you. No mobile phones!

Judges can practice how to insert the scores the day before the exam.

No Code of Points, no smartphones, no smartwatches or personal notebooks can be used during the exam.

Blank paper will be provided.

For Artistry only, official forms will be provided.

The seating position in the exam room is done by random draw by the FIG office.

After the exam all papers will be collected and destroyed.

All exercises must be judged according to the FIG Senior programmes.

No coordinator judge penalty is taken.

No penalty for eventual missing body groups is taken.

Every exam is divided into 4 components.

The test order will be DB, DA, A, E.

If the exam is done in two groups of participants, the exam will be as follows:

Group 1: DB & DA

Group 2: DB & DA

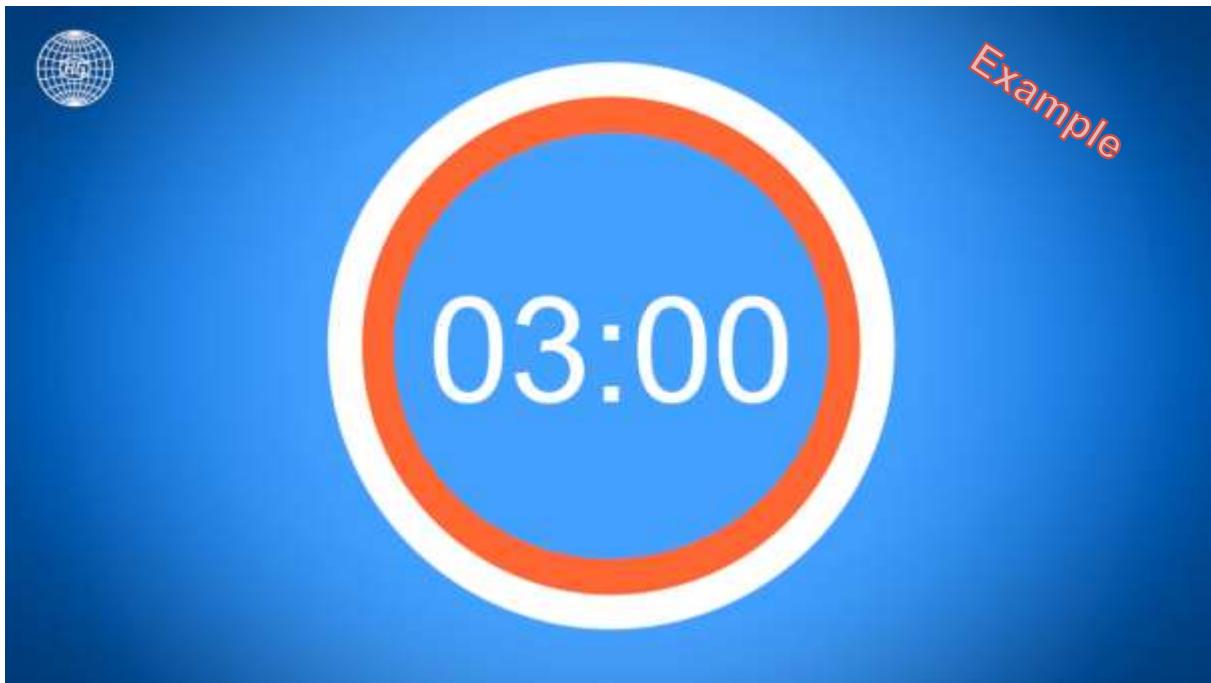

Group 1: A & E

Group 2: A & E

After each exercise, there will be an automatic timer, which will show the remaining time for the input of the values for every sub-component, according

to the [specific judges' rules](#). There will be an acoustic signal when the last 10 seconds start.

Each judge is responsible for her/his own data entry.

Between DB and DA and between A and E, there will be a short break of 3 minutes.

DIFFICULTY:

Submit every single recognized value of Difficulties, including “0”.

(Your exam result will NOT be affected in any way if your entry misses one or more “0”. We still ask that you submit the “0”, as this simplifies the TC’s analyses.)

RGI DB:

12 exercises – 3 per apparatus.

Submit all DB in chronological order, not only the highest DB.

Combined Body Difficulties will be submitted as two difficulties.

Do NOT submit 0.1 p. DB - valid DB entries start from 0.2.

Please submit all DB values in the first line; after, all R values in the second line. Submit all presented R.

For all data entries there is a double confirmation required. Once you pushed the “Next” button, the system will ask you for another confirmation. When you have confirmed your scores again for this exercise, there is no way to go back.

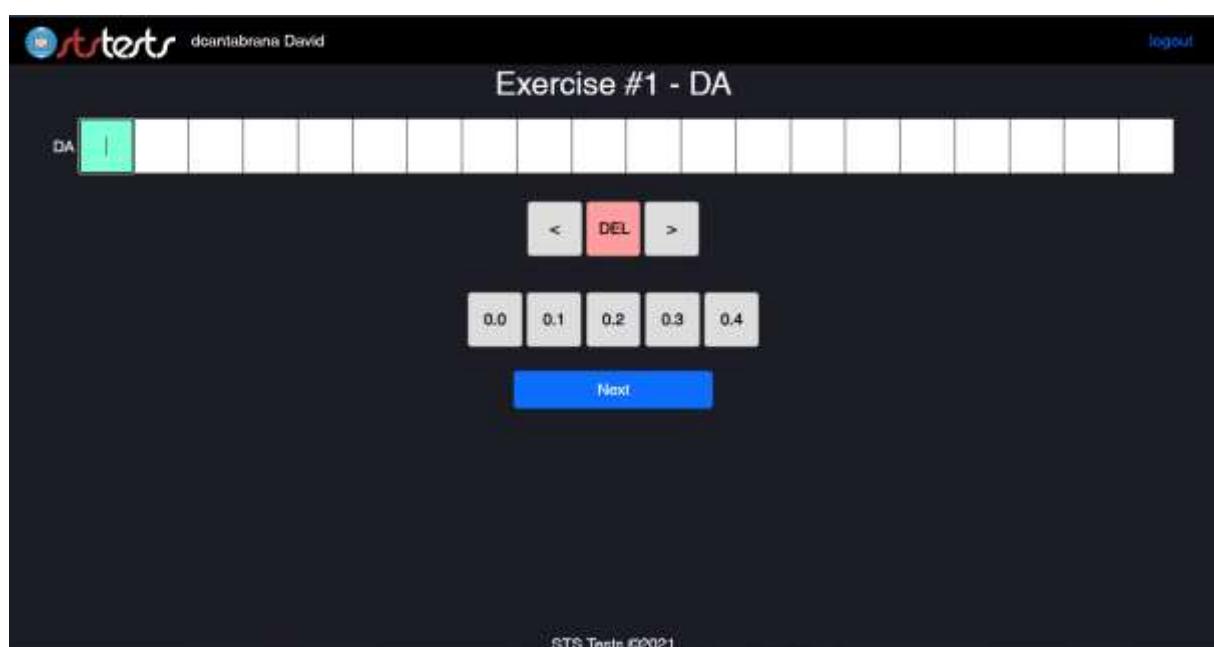

RGI DA:

12 exercises – 3 per apparatus.

Submit all (not only first 15) presented values in chronological order.

Elements with 1 base + 1 criterion per 2025 CoP (but 2 criteria per 2024 CoP):

Do not write any attempt of DA.

ART:

12 exercises – 3 per apparatus.

Please insert the total deduction – NOT the final score.

Please do not take any penalty under “Use of space”.

Please do not penalize for unethical lyrics, only for spoken words and non-characteristic sounds.

RGG

In RGG, it may happen for a short time that one or two gymnasts are not in the video frame. Please assume that the gymnasts that are not visible perform like the visible gymnasts, without mistakes.

Between DB and DA and between A and E, there will be a short break of 3 minutes.

Starting screen:

The starting screen of the STS Tests software. At the top left is the logo 'sts tests' and the user name 'dcantabrina David'. At the top right is a 'logout' link. The center of the screen displays 'Welcome David Cantabrina'. Below this, the text 'FIG IT Test - RGG Test' and 'Test Opens On 07/10/2024' is shown. A message below states: 'You must begin the test within 20 minutes of the scheduled start time. the "start test" button will appear at the official start time.' A green 'Start Test' button is centered at the bottom, with the text 'STS Tests ©2021' underneath it.

RGG DB:

6 exercises – 3 with 1 type of apparatus, 3 with 2 types of apparatus

Do NOT submit 0.1 p. DB - valid DB entries start from 0.2.

Please submit in chronological order: first, all DB values; after, all DE values, and if presented, the R value.

Combined Body Difficulties will be submitted as two difficulties.

The screenshot shows the 'Exercise #1 - DB' entry screen. It features a grid for entering values. The first row is labeled 'DB' and has one cell filled with a green color. The second row is labeled 'R' and has one cell filled with a white color. The third row is labeled 'DE' and has four cells filled with white colors. Below the grid are navigation buttons: '<', 'DEL' (highlighted in red), and '>'. Below these are two rows of numeric buttons: 0.0, 0.1, 0.2, 0.3, 0.4, 0.5, 0.6, 0.7, 0.8, 0.9, 1.0, and 1.1, 1.2, 1.3. At the bottom is a blue 'Next' button. The footer of the screen says 'STS Tests ©2021'.

RGG DA:

6 exercises – 3 with 1 type of apparatus, 3 with 2 types of apparatus.

Submit all presented values in chronological order.

Combined collaboration will be submitted as 0.0 p, but the type of pre-acrobatic rotations and eventual use of Series must be recorded.

A repetition of a pre-acrobatic element is 0 and the rotation is noted.

Series which are not valid are registered and counted towards the two allowed series.
