

AER Judges' Examination Directives

Lausanne, November 2024

General:

Guidelines are the FIG [General](#) and [Specific Judges' Rules](#) 2025-2028 for AER.

This document is to be considered for both intercontinental and international judges' courses.

For international judges courses only:

Please bring your own computer/tablet with you.

Judges can practice how to insert the scores the morning of the exam during the mock examination.

Allowed documents:

- CoP
- Difficulty Table Chart
- Pens and pencils
- Reading glasses

Not allowed:

- Electronic devices to talk, transmit or receive messages are not allowed (such as smartphones, smartwatches, etc).
- personal notebooks

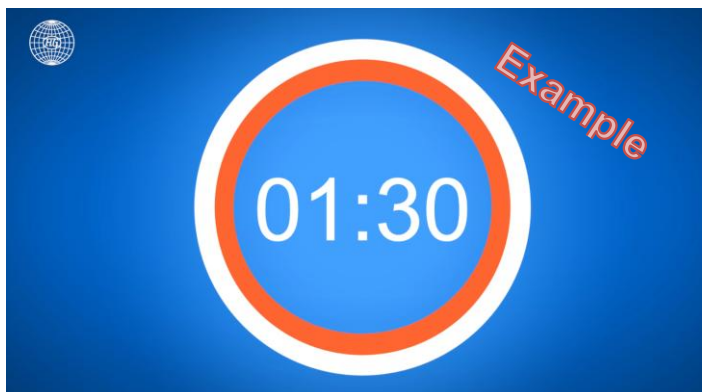

Blank paper will be provided for the exam session.

The seating position in the exam room is done by random draw by the FIG.
After each exam component all papers will be collected.

All exercises must be judged according to the FIG Senior programs.

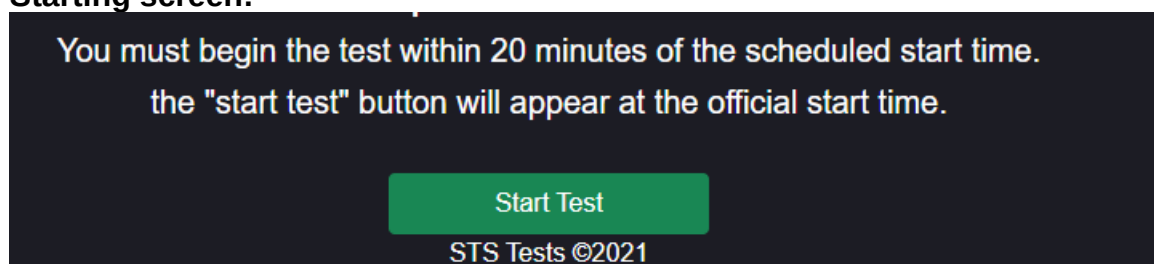

The exam is divided in 4 components.
The test order will be D, E, A and CJP.

After each exercise, there will be an automatic timer, which shows the remaining time for the input of the values for every sub-component, according to the specific judges' rules. There will be an acoustic signal when the last 10 seconds start.

Each judge is responsible for her/his own data entry.
Between every component examination, there will be a short break of 3 minutes.

Starting screen:

DIFFICULTY:

Insert every difficulty element value (0 to 10) in the order of performance.
Then, insert the combination additional value (0, 1 or 2).
In case an element has a value of zero (0) please insert 0, do not leave blank.
10 corresponds to 1.0
