#### General principles for individual and for group competitions:

The order of the apparatus for individuals and groups are pre-defined, Hoop and Ball, Clubs and Ribbon for RGI, and 5 pairs of Clubs and 5 Hoops for RGG.

- Drawing of lots will be conducted in the following order of priority:
  1. Individual qualification
  2. Individual apparatus finals
  3. Group all-around competition
  4. Group finals

#### Individual competitions – qualifications

General principles:

- 1) One drawing of lots will be conducted with all participating National Federations (NFs)
- 2) The drawing of lots will be then divided into four (4) equal groups, A, B, C and D (if possible, depending on the final total number of NFs)
- 3) Each group will then be cut into two subgroups (A1/A2, B1/B2, C1/C2, D1/D2).

#### **Day 1:**

- Group A (A1) will start the competition followed by groups B (B1), C (C1), and D (D1)
- When all NFs from group A have their gymnast performed their first apparatus alternately Hoop and Ball, NFs will keep the same order for their gymnast to perform the second apparatus alternately Ball and Hoop
- Same principle for sub-groups B, C and D.

#### **Day 2:**

- Sub-group A (A2) will start the competition followed by groups B (B2), C (C2), and D (D2)
- When all NFs from sub-group A have their gymnast performed their first apparatus (alternately Clubs and Ribbon), NFs will keep the same order for their gymnast to perform the second apparatus (alternately Ribbon and Clubs)
- Same principle for sub-groups B, C and D.
