

**Baku 2015**  
1ST EUROPEAN GAMES

## ARTISTIC GYMNASTICS

### Games-time Guide

## Disclaimer

All information in this guide was correct at the time of going to press. Changes to schedules, procedures, facilities and services, along with any other essential updates, will be communicated to teams by competition management if required. Changes to the competition schedule will also appear on the Games-time Website, while any changes to the training schedule will be communicated by the Sport Information Centre in the Athletes Village.

## Welcome

The Baku 2015 European Games will welcome around 6,000 athletes, 3,000 supporting team officials and 1,600 Technical Officials from across Europe to participate in elite-level sport competition.

We aim to provide all participants with optimal conditions so that they are able to perform at their best. This guide will help with those preparations and Games-time operations as it provides key information including the relevant competition rules and format, medal events, competition schedule and key dates. Each audience – athletes, team officials and Technical Officials – also has their own dedicated section within the guide that includes the information that is relevant to them.

The guide also includes details of the relevant venue, medical, anti-doping, training and competition related services, as well as the key policies and procedures that will be in place during the Games for each client group.

We hope that this guide helps with your planning in the weeks remaining before the European Games. Hard copies of this Games-time Guide will be provided to each client group upon arrival in Baku.

We look forward to welcoming you to Baku for 17 days of competition that puts sport first and sets a tradition for the European Games that follow.

# General Information

# Artistic Gymnastics Competition:

## General Information

The Artistic Gymnastics Competition at the Baku 2015 European Games will be held from 14-20 June at the National Gymnastics Arena in Baku. A total of 90 male athletes (26 teams and 12 individual) and 89 female athletes (26 teams and 11 individual) may take part in the Artistic Gymnastics Competition. All of them must have a valid FIG license. According to the FIG and UEG age group regulations all male athletes participating in the Artistic Gymnastics event at Baku 2015 must be a minimum of 18 years while female athletes must be a minimum of 16 years during the year of competition.

Key Dates	
Date	Event

## Selection and appointment of Judges

Each NOC represented in the Gymnastics competitions at Baku 2015 was given the opportunity to have an International Technical Official judging at the European Games. Where in the MAG event an NOC could not provide a qualified brevet judge, that place was redrawn among the competing nations with nominated D judges.

**International Technical Officials (ITOs) for MAG**

Apparatus Final (Competition III) - Rings	Apparatus Final (Competition III) - Balance Beam
Apparatus Final (Competition III) - Vault	Apparatus Final (Competition III) - Floor
Apparatus Final (Competition III) - Parallel Bars	
Apparatus Final (Competition III) - Horizontal Bar	

## Competition format

### Qualification (Competition I) / Team Competition (Competition IV, according to the results of Competition I)

A senior team consists of three gymnasts. For Team results the two best scores obtained on each apparatus will be added together for the total result. The NOC nominates the team members for each apparatus in advance. If a NOC does not have a sufficient number of gymnasts for a full team, it is possible to participate with individual gymnasts.

In this case, the result of Competition I serves as a qualification for Competition II (All-Around Final) and for Competition III (Apparatus Final).

In Men's Artistic Gymnastics (MAG) competitions, athletes execute exercises on six apparatus, while in Women's Artistic Gymnastics (WAG) competitions, athletes execute exercises on four apparatus.

The Team Final and Individual Qualification will run on a format of three MAG and two WAG apparatus taking place in parallel across two days. On the first day, teams and individuals will compete on MAG Floor, Pommel Horse, Rings, WAG Vault and Uneven Bars, while on the second day teams and individuals will all return to compete on MAG Vault, Parallel Bars, Horizontal Bar, WAG Balance Beam and Floor. The composition of subdivisions is decided by the drawing of lots among the teams and individual gymnasts.

### **All-Around Final (Competition II)**

The 18 gymnasts with the highest ranking obtained in the qualifying Competition I will qualify for the Individual All-Around Final Competition II. A maximum of one gymnast per NOC is allowed in the finals. For the Individual All-Around Final, there will be four reserve gymnasts.

### **Apparatus Finals (Competition III)**

The six highest-ranked gymnasts on each apparatus from Competition I will be qualified for the corresponding Apparatus Finals. A maximum of one gymnast per NOC will be allowed in the finals. For the Apparatus Finals, there will be three reserve gymnasts per apparatus.

## **Competition rules**

The Artistic Gymnastics competitions will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- International Federation of Gymnastics (FIG) Statutes (Edition 2015)
- European Union of Gymnastics (UEG) Statutes (Edition 2013)
- FIG Technical Regulations 2015 (Edition 2014)
- UEG Technical Regulations 2015 (Edition 2014)
- FIG Code of Points for Men's Artistic Gymnastics, Appendix to the

- Code of Points (December 2013) and relevant Newsletters & Help Desk
- FIG Code of Points for Women’s Artistic Gymnastics (2013-2016) (Edition November 2014) and relevant Newsletters (34 and Help Desk ERRATA Edition 4, January 2014; 35 - Edition August 2014; 36 – Edition November 2014) and Help Desk (Edition 5 - April 2015)
- FIG General Judges’ Rules (Revised on 29.05.2013)
- FIG Specific Judges’ Rules (Revised on 13.02.2013)
- UEG Medical Guidelines (Edition 2014)
- FIG License Rules (last update on November 18, 2014)
- UEG Media Rules (2015)
- UEG Rules for Advertising and Publicity (Edition August 2009)
- European Games Rules on Advertising, Demonstrations and Propaganda

If there are any new editions, revisions or any other updates of the abovementioned rules by the time of the start of the Games, the most recent versions shall be applied.

**Note: The EOC corresponding rules will prevail when necessary.**

### Judges and Scoring

Swiss Timing Ltd is contracted to deliver the timing and scoring for Artistic Gymnastics competitions (as for other Gymnastics disciplines) during the Games. During the competitions, the judges will be divided as follows: the Apparatus Jury will be comprised of seven panel judges - two Difficulty (D) Panel Judges and five Execution (E) Panel Judges. D Panel Judges independently evaluate exercises’ difficulty content and then jointly determine the D-Score (discussions are allowed). E Panel Judges evaluate the technical execution of an exercise. The E-score is calculated by dropping the highest and lowest E Judges’ scores and averaging the three remaining scores.

In case of a tie, the FIG Tie Break Rules for the Olympic Games shall be applied.

Where an NOC has not nominated an ITO or where the NOC withdraws their athlete from Competition, prior to the entry closing date, the filling of the ITO’s position will be determined by the Technical Committee.

## Men's Artistic Gymnastics (MAG)

There will be a total of 45 officials, including seven members of the UEG Men's Artistic Gymnastics Technical Committee (MAG TC) and 38 International Technical Officials (ITOs, judges).

The ITOs must be holders of the current valid FIG Judging Brevet I, II or III, unless the NOC does not have a judge at this level and then a Brevet Judge Category IV may be nominated. Each participating National Olympic Committee (NOC) will nominate an ITO; in the case of Apparatus Supervisors and Difficulty judges, these will be nominated by UEG Technical Committee, and for others the NOC will nominate. There will be three judging panels comprising one Apparatus Supervisor, two Difficulty, five Execution, Line and Time Judges as appropriate.

## Women's Artistic Gymnastics (WAG)

There will be a total of 43 officials, including seven members of the UEG Women's Artistic Gymnastics Technical Committee (WAG TC) and 36 International Technical Officials (ITOs, judges). The ITOs must be holders of the current valid FIG Judging Brevet I, II or III, unless the NOC does not have a judge at this level and then a Brevet Judge Category IV may be nominated. Each participating NOC will have a nominated ITO; in the case of Difficulty Judges these will be nominated by UEG Technical Committee, and for others the NOC will nominate. There will be four judging panels comprising one Apparatus Supervisor, two Difficulty, five Execution, Line and Time Judges as appropriate.

## Inquiries

Inquiries for the difficulty scores are allowed, provided that they are made verbally immediately after the publication of the score or at the very latest before the end of the exercise of the following gymnast or group; for the last gymnast or group of a rotation, this limit is one minute after the score is shown on the score board. The person designated (Inquiry Officer) will be seated near to the Technical Table and when receiving the verbal inquiry has to note the time of receiving it and starts the procedure.

Only the accredited coaches in the competition area are entitled to submit an inquiry. Late verbal inquiries will be rejected.

A NOC is not allowed to complain against the scores of a gymnast from

another NOC. Inquiries for all other scores (Execution, Artistic, Time of flight and Synchro) are not allowed.

The inquiry must be confirmed as soon as possible in writing, within four minutes at the latest after the verbal inquiry, and requires an agreement of payment of Euro 300. for the first complaint; Euro 500 for the second complaint and Euro 1'000.- for the third and any further complaints during the discipline's event at the European Games. Should the inquiry not be confirmed in writing within four minutes, the procedure becomes obsolete.

NOCs shall not pay cash when submitting an enquiry. Invoices will later be sent by the UEG Headquarters to the NOC. If the inquiry is accepted, this sum will be not be invoiced by UEG to the NOC. Otherwise, the sum will be invoiced by UEG to the NOC.

Every inquiry must be examined by the Superior Jury and a final decision (which may not be appealed) must be taken at the very latest:

- at the end of the rotation/group for the qualifying competitions, the all-around competitions and the team competition (final)
- before the score of the following gymnast or group is shown for the finals.

## Clothing and equipment

Clothing and equipment used by athletes and other participants in the Gymnastics competition must comply with the following documents:

- International Federation of Gymnastics (FIG) Statutes (Edition 2015)
- European Union of Gymnastics (UEG) Statutes (Edition 2013)
- FIG Technical Regulations 2015 (Edition 2014)
- UEG Technical Regulations 2015 (Edition 2014)
- FIG Code of Points for Men's Artistic Gymnastics, Appendix to the Code of Points (December 2013) and relevant Newsletters & Help Desk
- FIG Code of Points for Women's Artistic Gymnastics (2013-2016), (Edition November 2014) and relevant Newsletters (34 and Help Desk ERRATA Edition 4, January 2014; 35 - Edition August 2014; 36 – Edition November 2014) and Help Desk (Edition 5 – April 2015)
- The IOC Olympic Charter (2014)
- UEG Rules for Advertising and Publicity (Edition August 2009)

## European Games Rules on Advertising, Demonstrations and Propaganda

The following Rules for the European Games are based on Rule 50 of the Olympic Charter.

- 1 The European Olympic Committees (EOC) determine the principles and conditions under which any form of advertising or other publicity may be authorised.
- 2 No form of advertising or other publicity shall be allowed in and above the stadia, venues and other competition areas which are considered as part of the European Games sites other than that relating to the contractual rights of the marketing partners of the Baku 2015 European Games.
- 3 No kind of demonstration of political, religious or racial propaganda is permitted in any of the European Games sites, venues or other areas.
- 4 These rules and any other manuals, guides, guidelines or any other instructions issued by the EOC Executive Committee apply to all persons holding accreditation for the Games and are a pre-condition to the ongoing validity of that accreditation.

### Manufacturer's Identification on Equipment and Clothing

Definition: Manufacturer's Identification means the normal display of the name, designation, trademark or logo. The Manufacturer's Identification can only appear once on each piece. **The standard graphic elements recognised by the WFSGI, e.g. adidas' three stripes may also be used within reason and subject to prior written agreement. Other identifications such as 'Goretex' and 'Dryfit' may also be used within reason subject to prior written agreement. The size of these may not be larger than the Manufacturer's Identification.**

**All approvals must be requested via [brand.approvals@baku2015.com](mailto:brand.approvals@baku2015.com)**

- 1 Other than the Manufacturer's Identification, produced according to the size guidelines shown below, **and the standard graphic elements** no form of publicity or propaganda, commercial or

otherwise, may appear on persons or on any article of clothing or equipment worn or used by the athletes or other participants in the Baku 2015 European Games. It also includes, but is not limited to, for example, any form of body art, jewellery or contact lenses.

1.1 Equipment: any Manufacturer's Identification used cannot take up more than 10% of the surface area of the equipment visible during competition up to a maximum size of 60cm<sup>2</sup>. **Exceptions may apply, subject to prior written agreement ([brand.approvals@baku2015.com](mailto:brand.approvals@baku2015.com)).**

1.2 Headgear and gloves: the maximum size of the Manufacturer's Identification allowed on any form of headgear and on gloves is 6cm<sup>2</sup>. Headgear includes, but is not limited to, hats, helmets, sunglasses and goggles.

1.3 Clothing (e.g. **NOC uniforms**, competition clothing, tracksuits, T-shirts, shorts, sweat tops and sweat pants): the maximum size allowed for any Manufacturer's Identification on clothing is 20cm<sup>2</sup>. There is **one exception**:

Where a one piece body suit is worn in competition, two Manufacturer's Identifications may be included – one above the waist and one below. These Identifications must not be placed next to each other.

1.4 Shoes: the normal distinctive design pattern of the manufacturer may appear on shoes. The manufacturer's name and/or logo may also appear, up to a maximum size of 6cm<sup>2</sup>, either as part of the normal distinctive design pattern or separate to it.

1.5 Technical gear: the maximum size of the Manufacturer's Identification on all technical gear, installations and other apparatus, which are neither worn nor used by athletes or other participants (for example, timing equipment and scoreboards), may be no larger than 1/10th of the height of the piece in question up to a maximum of 10cm high.

1.6 In case of special rules adopted by an International Sports Federation, exceptions to the rules mentioned above may be approved by the EOC Executive Committee.

Any violation of these rules may result in disqualification or withdrawal of the accreditation of the person concerned. The decisions of the EOC Executive Committee regarding this matter shall be final.

## NOC Uniforms

The official uniforms of the NOCs may include:

- symbols of the country (name of the country, national flag, emblem, etc.);
- emblem of the NOC;
- logo of the Baku 2015 European Games;
- emblem of the respective National Sport Federations (on competition kit only where permitted by the NOC).

The NOCs are requested to bring a sample of the competition uniform to the first Technical meeting of each sport for final check in order to avoid any problems on the field of play.

NOCs should seek prior written approval from BEGOC for their uniforms before production begins. Pictures featuring the branding should be sent to [brand.approvals@baku2015.com](mailto:brand.approvals@baku2015.com) for review and official approval.

## Athlete Conduct

During the European Games athletes' ongoing accreditation is conditional upon them not:

- Taking any sport equipment and/or national flag onto the podium during a Medal Ceremony;
- Making any kind of demonstration or promote political, religious or racial propaganda in any European Games venue or associated areas during the period of the Games.

## Late Athlete Replacement Policy

The deadline for sport entries of participating athletes in the Baku 2015 European Games was 1 May 2015.

However, where urgent medical problems arise, or in other exceptional circumstances that are assessed on a case-by-case basis, the European Olympic Committee (EOC) may permit the permanent replacement of one athlete by another only in the same sport, discipline and event.

During the European Games, it is the policy of the EOC that Personal coach (P) accreditations are not available.

Replacement of an athlete can only occur after consultation with the relevant European Federation (EF) and, when deemed necessary by the EOC, an EOC medical expert.

The replacement of athletes due to medical reasons after 1 May 2015 and up to 2 hours prior to the Sport Technical Meeting, or weight draw as appropriate, is possible providing:

- 1 The replacement athlete is entitled, and qualified, to take part in the European Games as stipulated in the Qualification systems, published in 2014 and regularly updated by the EOC and Baku European Games Operation Committee (BEGOC).
- 2 No doping control issues are pending concerning the replacement athlete.
- 3 The National Olympic Committee (NOC) of the replacement athlete had applied for accreditation for the athlete prior to the application for accreditation deadline on 12 March 2015.

The non-medical replacement of athletes is possible after 1 May 2015 and up to 24 hours prior to the Sport Technical Meeting, or weight draw as appropriate.

**NB: The deadlines for medical and non-medical replacements are different.** For non-medical replacements, in order to keep changes to a manageable level and to support a sustainable level of resourcing within the BEGOC Sport Entries team, a limit on changes to an NOC's delegation has been put in place.

Each NOC shall be allocated a quota for non-medical replacements based upon the NOC overall number of athletes:

Number of athletes	Quota for non-medical LAR
From 1-10	1

From 11-20	2
From 21-50	5
From 51-100	5
From 101-150	15
From 151-200	20
201+	30

Following confirmation from the BEGOC Sport Entries team that the submission procedure has been correctly completed the application for Late Athlete Replacement shall be approved by:

- Technical Delegate for the relevant sport or discipline, on behalf of the European Federation
- Designated representative of the EOC.

The following additional procedures must also be carried out in order for one athlete to be replaced by another:

- a) The relevant NOC must fill out an Official Athlete Replacement Form for the athlete being replaced and the replacement athlete.
- b) The relevant NOC must add the new athlete's details to the Eligibility Conditions Form which they already hold and, when required, the Sport Entry Form for the replacement athlete.
- c) The accreditation card of the replaced athlete must be withdrawn. Following the athlete replacement, the accreditation card of the replaced athlete shall be cancelled. Procedures relating to the replaced accreditation card will be released in due course.

Once a replacement athlete has been approved, that individual athlete cannot be replaced for non-medical reasons.

All documentation and queries regarding this matter should be sent by email or submitted in person to the BEGOC Sport Entries department, at:

---

## **Athletes Village – Sport Entries and Sport Information Centre**

Email: [entries@baku2015.com](mailto:entries@baku2015.com)

The BEGOC Sport Entries Office will forward all received queries to the BEGOC Accreditation team and to the EOC accordingly.

### **Effective**

For Non-Medical replacements – from 1 May 2015 until up to 24 hours prior to the Sport Technical Meeting, or weight draw as applicable for that event.

– For Medical replacements – from 1 May 2015 until up to 2 hours prior to the Sport Technical Meeting, or weight draw as applicable for that event.

This policy is not applicable to athlete nominative disciplines (Badminton, Women's Boxing, Fencing for individually qualified athletes, Judo, Karate, Taekwondo, Table Tennis for individually qualified athletes). In the case of an injury and for disciplines where the quota place is allocated to an athlete by name the quota place will be reallocated. The common deadline for such reallocations is 1 June 2015.

### **Waiver**

The above-noted policy is subject to further change by the EOC for exceptional circumstances.

### **Doping control**

BEGOC is committed to delivering a world-class doping control programme during the Baku 2015 European Games. Under the authority and direction of the EOC, the BEGOC doping control programme will ensure the integrity of sport is upheld and protect the rights and health of the athletes.

The EOC Medical & Anti-Doping Commission is responsible for determining in advance the distribution and number of doping controls to be carried out throughout the Games period, from 8 June to 28 June 2015, and during this period athletes from all sports will be eligible for urine and blood testing. The EOC has the authority to test athletes for

substances and doping methods prohibited by the World Anti-Doping Agency (WADA) anytime and anywhere during in-competition and pre-competition. All sample analysis will be performed in a WADA-accredited laboratory established for the Games.

The selection of the athletes may be targeted at random or based on the athlete's final position in competition.

BEGOC has appointed PWC Global Service GmbH & Co. KG as the delivery partner for the doping control programme. As delivery partner, it will be responsible for sample collection, analysis and secure chain of custody.

Full details on the doping control programme and procedures at the European Games are available in the Baku 2015 Medical, Anti-doping and Pharmacy Guide, which can be downloaded from the e-Qəzet. Printed copies of the guide will be distributed at the EOC Medical Commission meeting on 11 June. If medical staff arrive later than 11 June, copies of the guide can be collected at the Polyclinic.

## Sport information

### Sport Information Centre (SIC) and Sport Information Desks (SIDs)

Sport Information Desks (SIDs) are located at all competition venues and at the Sport Information Centre (SIC) in the Athletes Village. The desks will provide a variety of services to NOCs, as follows:

- The dissemination of general sport information.
- The distribution of start lists, draw lists and results.
- Training schedule information for open and pre-allocated training.
- Sport-specific requirements (e.g., forms submitted for several sports in relation to uniform checks or music submission).
- Lost and found (SIDs at competition venues only).

The SIC is located on the second floor of the Administration Centre, next to the NOC Services Centre, in the Athletes Village. The opening hours are as follows:

SIC opening hours	
Period	Hours of operation
Pre-opening (3-7 June 2015)	07:30-20:00
Official opening period (8-28 June 2015)	07:00-22:00
Official closing (29 June-1 July 2015)	07:00-18:00

The SID (located on Level -2 at the National Gymnastics Arena) will open one hour before training commences and will operate until 30 minutes after the final training or competition session ends. All competitors' paperwork and music must be submitted at SID.

## Competition schedule

During the Games, there may be delays, postponements or cancellations of competition. Should this occur, NOCs will be informed of the revised competition schedule through the Sport Information Centre (SIC) at the Athletes Village and the Sport Information Desk (SIDs) at the competition venue. For details on both see page 32. Changes will also appear on the Games-time Website at [www.baku2015.com](http://www.baku2015.com)

## Men's Artistic Gymnastics

### Men's Artistic Gymnastics qualification

This will be a two-day event, with three apparatus pieces each day. Day 1 (14 June) will feature Floor, Pommel Horse and Rings. Day 2 (15 June) will involve Vault, Parallel Bars and Horizontal Bar. This event also comprises the Team Final.

### Mixed Groups

Four mixed groups were composed in the draw that took place on 3 March 2015 in Baku.

### Men's Artistic Gymnastics Team Final

The accumulating best two scores on each apparatus from the Competition I (CI) Qualification event will give the rankings for the Team Final. The medals for this will be presented at the end of the CI competition on 15 June 2015.

# Competition Venue Information

---

## Competition: Venue information

### Key information

The National Gymnastics Arena (NGA) is in close proximity with the Athletes' Village (AVL). During the Baku 2015 European Games the venue will host all five Gymnastics disciplines at once.

The Arena is primarily assigned to host competitions in different Gymnastics disciplines. On a day-to-day basis, gymnasts train at the NGA. The facilities consist of a main concourse and upper stands for spectators, whereas all VIP and functional room hospitality spaces are located between these two levels.

All training (except podium training) for the five Gymnastics disciplines will be held at the Gymnastics Training Venue located behind the National Gymnastics Arena (see the Training section on page 104). Warm-up prior to competition will take place at the warm-up area at the competition venue, located near the competition podium.

### Venue access

The point of access for athletes and team officials is on Level -2 (please refer to the map in the appendices section). The athletes' drop-off zone at the National Gymnastics Arena is at the corner of the Gymnastics Training Venue (TGY).

### Travelling between the Gymnastics venues

As the Gymnastics Training Venue (TGY) and National Gymnastics Arena (NGA) are next to each other, travelling will be done by foot.

### Athlete load zone

The Athlete load zone at the National Gymnastics Arena is at the corner of the Gymnastics Training Venue (TGY).

### Competing and non-competing athlete transport

A regular shuttle bus service will operate between the Athlete Village and NGA. Competing athletes should always have preferential access to the bus, either traveling to or from the venue.

## Drawing 1: Field of play

## Field of play

Events in all five Gymnastics disciplines will be held on the same field of play. Therefore, transition of apparatus will be necessary in the warm-up area and the field of play between competition sessions. This transition will be supervised by an official Gymnastics apparatus supplier of the UEG. Appropriate apparatus for MAG and WAG and the necessary supplementary equipment will be installed. All equipment will be presented in accordance with the FIG apparatus norm. The Arena will be equipped with a music system for playing women's artistic gymnasts' floor music.

## Venue facilities and services

The facilities at the competition venue will include:

### Athletes' changing rooms, showers and toilets

Changing rooms, showers and toilets are provided for athletes in the training hall as well as in the National Gymnastics Arena.

### Athletes' Lounge

A lounge for athletes and their support staff is located on level -2 of the venue. The lounge contains sofas, tables and chairs, a TV with live coverage of Gymnastics when available, Wi-Fi, an athlete refreshment station, and the SID (see page 31). The Athletes' Lounge will be open during operational hours that athletes and officials are present at the venue for competition and official training.

### Broadcast Mixed Zone and I-Zone

All competition venues will include a Broadcast Mixed Zone for broadcast media, and an I-Zone for written press. The Broadcast Mixed Zone is located near or adjacent to the field of play. The I-Zone is located in or near the Venue Media Centre.

## Catering services

### Athlete refreshment station

Every competition venue will offer a refreshment station within its Athletes' Lounge, from the first day of training until the final day of competition. This service will be available from 90 minutes before the competition session begins until one hour after the end of the session. All beverages and snacks will be self-served with the station monitored and replenished by catering staff periodically.

The refreshment station will include the below as standard:

- Tea and coffee
- Whole fruit (bananas, apples and oranges)
- Quality Biscuit (packaged)
- Granola Bar (e.g., Nutri-Grain bar or similar)
- Still water (chilled and ambient) – 500ml
- Soft drinks (Coke, Coke Zero, Sprite, Fanta) – 500ml
- Sports drinks (varieties) – 500ml

### **Fasting athletes**

Provision has been made during Ramadan for athletes and officials who are fasting. Fasting packs will consist of dates, a baguette, a piece of fruit, an energy bar and water. They will be made available for athletes that will be away from the Village or venue during fasting time and can be collected from the Athletes Lounge on venue (available on demand).

### **EF facilities**

Technical Officials will have access to internet access cables and stationary in the EF Administrative work area. Internet access cables will also be available in the Technical Officials' Meeting Rooms and wireless internet will be available in the Technical Officials' Lounge.

### **Internet access**

Internet access will be available in the lounges at the National Gymnastics Arena. A single password will be published in the area for all users to use.

### **Language services**

BEGOC Language Services Team Members (LSTM) will provide volunteer interpretation services on competition days at the National Gymnastics Arena from one hour prior to competition start until one hour after the end of competition or Medal Ceremony – whichever is the latest.

The LSTMs will have a unique identifier as part of their uniform. They can be deployed on request by contacting a member of the Protocol team directly, or by requesting Language Services support from a member of Games workforce at the venue.

Languages services will be covering Azerbaijani, Bosnian, Bulgarian, Croatian, Czech, English, French, German, Greek, Hungarian, Italian, Polish, Portuguese, Romanian, Russian, Serbian, Spanish and Turkish. The specific languages provided will vary by venue.

During off hours and for venues or situations where volunteer Language Services Team Members cannot be deployed, a telephone interpretation service will be available. This service will be available 24 hours a day, 7 days a week and will offer interpretation for over 150 languages.

Please note that telephone interpretation should always be used as a last-resort if no volunteer Language Services Team Member is available and is rarely suited for emergency situations.

### **Lost and found**

All reports of lost items at the National Gymnastics Arena should be directed to the SID. This is also the location to which all found items should be delivered. Items will be kept at the venue until the end of the Gymnastics competition, at which point they will be transferred to the Village Centre Information Desk at the Athletes Village.

### **Massage plinths**

Massage plinths are located in the training hall for the team medics and athletes.

### **Medical services and facilities**

Medical services will be provided at competition, training and other official venues. These services will be backed up by services at the Polyclinics and the designated European Games hospitals.

Ambulances, staffed by doctors and nurses, will be stationed at competition and some non-competition venues. Emergency services and physiotherapy services for ill and injured athletes and team officials will be available at each competition venue.

Medical services will generally be available from one hour before the start of competition until one hour after competition ends. However, times vary in some venues: please check with the SID or the Venue Medical and Anti-doping Manager at the venue for details.

Athletes injured on the field of play during competition or training will be evaluated on site. If necessary, they will be retrieved from the field of play and transported to the athlete medical room, Polyclinic or hospital as appropriate. Field-of-play response will abide by EF rules.

At the competition venues, the following medical services will be provided:

- Field of play recovery teams
- Physiotherapy
- Emergency services

Full details on medical services at the European Games are available in the Baku 2015 Medical, Anti-doping and Pharmacy Guide, which can be downloaded from the e-Qəzet. Printed copies of the guide will be distributed at the EOC Medical Commission meeting on 11 June. If medical staff arrive later than 11 June, copies of the guide can be collected at the Polyclinic.

### **Music systems**

Music system (CD system and playlist) for gymnasts' floor exercises will be available in the WAG training area. Sport volunteers will assist with organising and playing floor exercise music.

### **Physiotherapy services**

Physiotherapy will be provided to athletes if needed in the Athlete Medical Room (AMR) by appointed internationally trained physiotherapists and during the allocated operational hours of the AMR.

### **Sport Information Desk (SID)**

The Sport Information Desk at the National Gymnastics Arena is located on Level -2.

A mailbox card will be provided to each NOC for each discipline on its first visit to the SID. This should be presented when submitting or collecting information at the SID or SIC. Only the person presenting the card is able to submit or receive information.

## Technical Committee Rooms

Meeting rooms for Technical Committees are provided on a shared basis (with other disciplines), however there will never be two Technical Committees at the same time in the same room.

## Technical Officials' changing rooms

It is expected that Technical Officials will travel to and from the venue in their competition attire and there is no dedicated changing area for Technical Officials. Storage of personal items that are not permitted on the field of play will be in the Technical Officials' Lounge which has dedicated EF Services Team Members. Access to this area is restricted to Technical Officials.

## Technical Officials' Lounge

The Technical Officials' Lounge is located on Level 1. The following refreshments will generally be provided for Technical Officials at competition venues in the Technical Officials Lounge:

- bottled water
- soft drinks
- whole fresh fruits
- tea and coffee
- granola bars or healthy snacks

Refreshments will be available from maximum of 90 minutes before competition session begins until approximately one hour after.

## Technical Officials' Meeting Rooms

All instructions and draws will take place in the Technical Officials' Meeting Rooms, located on Level -2 and Level 1. The rooms will include seating, tables and projection facilities. All refreshments will be provided to the Technical Officials' Lounge.

## Training and warm-up halls

The final warm-up hall is located in the same building where the field of play is. The final warm-up hall and the field of play are linked by a wall. Both warm-up hall and training halls have the required apparatus, which are all identical. There is a MAG and WAG vault in the warm-up hall. A number of TV screens in the warm-up hall will show live updates of the status of the competition during finals.

## Drawing 2: Warm-up Hall

### Venue evacuation and emergency procedures

In the unlikely event of a venue evacuation, a public announcement message will be broadcast within the venue that will provide directions. On hearing the evacuation message, client groups onsite should follow the directions of BEGOC workforce and leave the venue via the

indicated routes and report to the designated evacuation assembly points. Details on the locations of the assembly points for each venue will be provided.

### **Warm-up hall**

All trainings and competitions run according to a detailed schedule. Gymnasts have access to a designated area for general warm-up and stretching, before training on apparatus starts. The final warm-up area is in the National Gymnastics Arena, immediately next to the field of play.

Measuring over 30m x 40m (1,600m<sup>2</sup>), with a height above 10m, the warm-up hall is located close to the field of play. The hall includes a music system for playing WAG gymnasts' floor music. During the finals a number of TV screens will show live updates of the status of the competition. All equipment will be presented in accordance with FIG regulations (i.e. a sprung floor area and a vaulting table for MAG and WAG as well as uneven bars and balance beams for WAG and a horizontal bar, a set of rings, parallel bars and pommel horse for MAG including a stretching area).

### **Weighing Scales**

Weighing scales will be provided in the warm-up hall.

### **Weather information**

For sports which are directly impacted by weather conditions, information will be made available from the Sport Information Centre in the Athletes Village, and at Sport Information Desks at the competition venues. This will include the forecast for the current day, as well as a summary forecast for up to three days in advance. The weather forecast will be regional and will be updated throughout the day as required.

For information on meteorological elements in June, please view the table on page 67.

Meteorological elements in June	Baku
Mean temperature (°C)	23.0
Maximum mean temperature (°C)	26.8
Minimum mean temperature (°C)	19.3
Mean wind speed (m/s)	6.5
Maximum wind speed (m/s)	32
Prevailing wind	North
Monthly precipitation (mm)	10.0

# Athletes' information

## Frequently Asked Questions

### Essential information and emergencies

#### What is the phone number to call in an emergency?

If you find yourself in an emergency situation, the number to call depends on your location at the time. For emergency services within the Athletes Village, dial the numbers listed in your welcome pack and displayed in public areas, as well as on apartment doors and internal phones. For more information on what action to take in an emergency, see page 74.

#### What languages are most commonly spoken?

The official language is Azerbaijani but many people also speak Russian, Turkish and/or English. The official language of the European Games will be English.

#### How can I access medical treatment?

There will be a Polyclinic at the Athletes Village and medical services at all competition venues. See page 66. Hospital and ambulance services will be provided free of charge for the entire Villages operational period. These services will include treatment of acute illnesses and injuries, or acute exacerbations of pre-existing illnesses and injuries.

#### Where can I report an item lost or found?

In the Athletes Village, all found items and reports of lost items should be delivered to the nearest Resident Centre. Items will be stored at the Resident Centre until the end of day when they will afterwards be transferred to a Resident Centre that operates on a 24-hour basis. For information on lost and found services at training and competition venues, see pages 66 and 108.

#### How can I access an interpreter?

BEGOC Language Services Team Members will provide volunteer interpretation services at competition venues and the Athletes Village.

#### How do I make an international telephone call?

To dial abroad from Azerbaijan, dial 00, then the relevant country code

and telephone number. For more on phones and dialling codes, see page 140.

### **Which currency is used in Azerbaijan?**

The currency in Azerbaijan is the Azerbaijan New Manat (AZN). One hundred qepik equals one manat, and manat notes come in 1, 5, 10, 20, 50 and 100 denominations.

It is not possible to exchange currency into Manat in countries other than Azerbaijan so visitors will need to use the foreign exchange desk at the arrivals hall at the airport or withdraw from ATMs around the city. ATMs will be available at the Athletes Village.

## **Accreditation**

### **What should I do my European Games Identity and Accreditation Card (EGIAC) is lost, stolen or damaged?**

Every lost, stolen or damaged accreditation card must be reported to the nearest accreditation facility, where it will be cancelled in the accreditation system. A new card will be issued on presentation of a request for accreditation card replacement from an NOC. For accreditation facilities, see page 123.

## **Transport**

### **Which services are provided by the T-A bus system?**

A range of services will be provided, including arrivals and departures and connections between training/competition venues and the Villages. For a full list of services, see page 125.

### **Is travel on Baku's public transport network free?**

Free access to the Baku Public Transport System (metro and Games-time shuttle lines from/to the competition venues) will be granted to all NOC accredited Games participants. See also page 126.

### **Which side of the road should I drive on?**

In Azerbaijan you must drive on the right-hand side of the road. Cycling training on any other roads within Baku and Azerbaijan will not be permitted, and NOCs are discouraged from using their competition bicycles at any locations other than Bilgah Beach, BMX Velopark,

Cycling Training Venue, Freedom Square, and Mountain Bike Velopark.

## The Villages

### What catering facilities are available in the Villages?

A wide range of food options are available in both villages. Options at the Athletes Village include the Main Dining Hall, Best of Azerbaijan casual dining area, Super Recreation Centre cafes and the Village cafe and juice bar (see page 82 for more information on these services). At the Canoe Sprint Village, residents will have access to the Main Dining Hall (see page 84).

### What leisure facilities are available in the Villages?

A whole range of leisure facilities are available to residents in both Villages. In addition to leisure facilities that include tennis courts, an outdoor 5-a-side football pitch and indoor swimming pool, there are also Recreation and Super Recreation Centres, which offer a place for residents to socialise and watch TV, or try their hand at pool, table football, table tennis, and more. For Athletes Village residents, see page 81; and for Canoe Sprint Village residents, see page 83.

### Where can I find my nearest place of worship?

There is a multi-faith centre in the Athletes Village, and multi-faith rooms at the Canoe Sprint Village. For more information, see page 80.

### Where can I find a bank or currency exchange?

There are ATM services and a foreign currency exchange machine in the Village Square in the Athletes Village. The same services are also available in the Canoe Sprint Village near buildings 2 and 3. For precise locations, refer to the maps in the appendices section.

There are a multitude of ATM machines around the city in Baku, most of which accept international debit and credit cards.

## Sport

### Are there restrictions on what I may wear during training and competition at the Games?

Restrictions on clothing and equipment are outlined in the European Games Rules on Advertising, Demonstrations and Propaganda. See page 25.

### **Will I be asked to undergo a doping control test?**

Athletes may be selected to undergo one or more doping control tests during the period of the European Games. For guidance on the doping control test procedures, see page 30.

### **How can I access the training and competition schedules and the day's results?**

Team officials will have access to the Sport Information Centre (SIC) at the Athletes Village, where training schedules and other key competition information will be made available. Both athletes and officials can also access these services by visiting the Sport Information Desks (SIDs) at the competition venues. For more information on these services, see page 31. Detailed competition schedules and official results will be available on the Games-time Website at [www.baku2015.com](http://www.baku2015.com)

### **What facilities can I expect at competition and training venues?**

A list of facilities for National Gymnastics Arena and Gymnastics Training Venue is provided in the Competition: Venue information and Training sections within this guide. See pages 64 and 107.

## **Tickets**

### **Am I eligible for complimentary sport tickets?**

If you have an accreditation in the following categories (Aa, Ao, Ac) then you can obtain two complimentary tickets per each same-sport session per day. You can use these tickets yourself or distribute them to your friends and family. Different-sport athletes and team officials will also be able to obtain two complimentary tickets per day for one different-sport session held that day. Complimentary tickets will always be the best available seats.

### **How can I get sport tickets for guests?**

International public purchasers will be able to buy tickets through the online ticket sales channel, on the Baku 2015 official website, as well as at the city ticket outlets or venue ticket box offices during Games time.

## **Social media**

### **May I tweet or blog about the Games?**

BEGOC wishes to sensibly and proactively embrace social media as a

valuable tool to share the excitement of the Games with spectators, supporters and the global public. There are many different ways to use social media but BEGOC requires that all accredited persons do so thoughtfully, courteously and within the values of the Games and the EOC. The social media guidelines can be found on the iVillage.

## Ceremonies

### **How can I learn more about the Opening and Closing Ceremonies of the Baku 2015 European Games?**

The inaugural European Games will begin with the Opening Ceremony on 12 June 2015 and conclude with the Closing Ceremony on 28 June 2015. For more information on both events, please see page 85.

### **If I take part in a Medal Ceremony, what should I wear?**

Athletes who take part in a Medal Ceremony must adhere to the regulations governing both dress and conduct outlined on page 100.

## Baku 2015 Villages

Two Villages will be used in order to accommodate the athletes and team officials participating in the inaugural European Games. Care has been taken to create a home away from home in a stress-free environment that will allow athletes to maximise their performance and enjoy their Games experience.

The residential area at both Villages include bedrooms and social spaces that will provide comfortable environments for athletes and officials during their time in Azerbaijan. All menus have been developed in consultation with caterers and sport nutritionists, and will offer a diverse range of nutritious and European food options. A range of recreation and fitness facilities will be available to Village residents, as well as efficient transport services to both competition and training venues.

A directory of Village essentials for the Baku 2015 Villages has been included as part of this guide. For full details on each Village, please consult the Village maps and Resident Centres.

## Village essentials

### Alcohol and smoking

The Athletes Village and Canoe Sprint Village are non-smoking venues. Smoking is strictly forbidden within any buildings. A limited number of outside smoking areas will be available throughout the Villages and will be clearly marked. Please note that the consumption of personal alcohol is restricted to private spaces. Any NOC delegation members residing in the Villages are permitted to carry up to five litres of alcohol, in sealed containers, into their residential areas.

### Fasting athletes

Fasting packs will consist of dates, bread, a piece of fruit, an energy bar and water. They will be made available for athletes who will be away from the Village or venue during fasting time and can be collected from the Athletes' Lounge on venue (available on demand).

### Healthcare

Emergency medical services are available throughout both Villages 24 hours a day. Each Village also contains a Polyclinic, open 07:00 to 23:00 daily and offering a variety of services to residents.

### Housekeeping

Housekeeping staff will clean the communal areas of all buildings and NOC spaces on a 24-hour basis. Services will be based in the Resident Centres.

### Internet access

At the Athletes Village there will be free Wi-Fi available for all residents, allowing them to access internet Wi-Fi hotspots in all apartments, Recreation Centres, NOC office spaces, Resident Centres, Media Centre, Welcome Centre and Village Café and juice bar.

Free Wi-Fi will be available in all accommodation units, NOC shared office space and Recreation Centres. There will be one hotspot at each Resident Centre at the Canoe Sprint Village.

A number of laptops will be available to residents in the Recreation Centres and Super Recreation Centres.

## iVillage

An innovative alternative to the traditional Village Newspaper, iVillage is a private social media platform available in English for Village residents and a limited number of BEGOC-approved users from 8 June-1 July 2015. Village residents will have to register in order to access content. In addition to being a primary source of information for Village residents, members are invited to interact with each other and create and share their own content, similar to popular social networking sites.

## Lost and found

At the Athletes Village and Canoe Sprint Village, all items found in the Residential Zone should be taken to the closest Resident Centre, where details of the items will be documented by Resident Centre staff. The item(s) will be stored at the Resident Centre until the end of the day when (if appropriate) they will thereafter be transferred to one of the Resident Centres that operates on a 24-hour basis. NOCs wishing to reclaim lost items can visit any Resident Centre to locate their item(s).

At the Athletes Village, items found in the Village Square will be taken to the Information Desk, which will be the lost and found point for this area of the Village, and will remain there for the duration of the Games.

A resident or guest who has lost an item can go to any Resident Centre or the Information Desk in the Village Square to report the item lost.

## Multi-faith Centre

The Multi-faith Centre is located on level 1 of the Administration Centre and will be available for worship and meditation to those of all faiths and those of none, and aims to provide spiritual support, encouragement and confidential advice. It will comprise several prayer rooms and a worship hall. The Chaplaincy team consists of volunteers from a variety of religions. Men and women will each have a separate Muslim Prayer Room.

## Laundry

Residents may drop off their individual laundry bags between 07:00 and 23:00 at the serviced laundry facilities. All residents will receive two laundry bags – one for lights and one for colours. Laundry delivered from 07:00 to 10:00 will be available for pick-up the same day after 19:00. Laundry delivered after 10:00 will be available for collection from 10:00 the following day.

## Recreation services

The Athletes Village and Canoe Sprint Village will both offer Recreation Centres and Super Recreation Centres. Recreation Centres will feature television lounges, wireless internet and laptops available on a short-term loan basis. Super Recreation Centres will have a more diverse range of activities available, including television lounges, video game console area, pool table, table football, table tennis, board games, laptops available for short-term loans and wireless internet.

## Athletes Village

The Athletes Village is located in the north-west part of Baku, a short walk from the Olympic Stadium that will host the Athletics competition and the Opening and Closing Ceremonies, as well as the National Gymnastics Arena.

Athletes and team officials will be accommodated in 13 newly constructed permanent buildings, ranging in height from 10 to 15 levels, with accommodation offered on levels 3 and higher. Please be aware that ground level equals level 1 in all buildings. The buildings contain apartments with 6-10 beds. Each apartment includes a separate social space for the residents.

A summary of key services follows.

## Village Zones

The Athletes Village consists of three zones: the Residential Zone, the Village Square and the Operational Zone.

The Residential Zone will be divided into four areas: the Wave, Carpet, Pomegranate and Flame areas. Each area will have its own unique feel and will be branded to assist with wayfinding within the Village. This will also be reflected in signage and keytags for the buildings. The Residential Zone is accessible only to residents with 'R' on their Accreditation Card. It is comprised of the accommodation units, NOC administrative and medical spaces, Recreation Centres, dining facilities and the NOC Services Centre.

The Village Square is a hub of activity within the Athletes Village, and the place for residents and their guests to meet. Residents and guests can buy essential items and Games merchandise, find useful support

services and visit the Village Café and juice bar. It will host the Athlete Welcome Ceremony at 18:00 on 11 June 2015.

The Operational Zone is the area providing support services for the effective operation of the Village.

## Key services

### Athlete fitness and sport recreation

The Athletes Village Fitness Centre, which is located on level -1 of the Administration Centre, will contain a gymnasium with a selection of cardiovascular equipment and free weights, as well as space for stretching and warming up/down. Male and female saunas with separate changing facilities are located in close proximity to the weigh-in rooms. Changing rooms including showers will be available as part of the gymnasium.

Leisure facilities include: two outdoor tennis courts and an outdoor 5-a-side football pitch with artificial grass. Tennis rackets, tennis balls and footballs can be signed out from the Fitness Centre reception desk.

### Catering services

The Main Dining Hall will offer a diverse range of nutritious and European food options. A full service will be available from 05:00 to 23:00, and a reduced food offer will be available from 23:00 to 05:00 including call order grill items, along with pizza and pasta. A nutritional kiosk will provide athletes with nutritional information and guidance on all athlete meals available within the Athletes Village during peak dining hours.

The Best of Azerbaijan, a separate casual dining facility available to residents, will showcase the flavours and cuisine of Azerbaijan (e.g. grilled kababs and salads). It will be open for lunch and dinner. It will operate from 11:00 to 23:00, with the exception of 12 June and 28 June when it will close at an earlier time although lunch will still be offered.

A small café will be available in each of the four Super Recreation Centres and will provide fresh coffee, as well as grab-and-go snack

food items free to accredited residents.

Open daily from 09:00 to 21:00 and located in the Village Square, the Village café and juice bar will provide fresh made-to-order juices and smoothies, along with bean-to-cup coffee and traditional Azerbaijan tea. Light snacks, sandwiches and pastries will also be available throughout the day. This is a user-pay service that will be open to Village residents and guests.

### **Resident Centres**

There are seven Resident Centres located within the Residential Zone of the Athletes Village. For the locations of these Resident Centres, refer to the maps in the appendices. Their primary purpose is to act as a one-stop shop for all questions and issues regarding residents' accommodation in order to cater fully to the needs of the residents. Four Resident Centres will operate 24 hours a day and three Resident Centres will operate from 07:00 to 23:00 daily. The Resident Centres also offer ice, irons and ironing boards, IT services, linen / towel exchange and key loss / replacement services.

### **Canoe Sprint Village**

Athletes and teams participating in the Canoe Sprint competition will be accommodated in the Canoe Sprint Village located in Mingachevir (324km west of Baku).

Athletes and team officials will be accommodated in four newly constructed permanent buildings of nine floors. Canoe Sprint Village residents will stay in two types of apartments with twin shared bedrooms. Accommodation will also be provided for Baku-based visiting Ao and Ac within their team's allocation. Similar to the Athletes Village, the Canoe Sprint Village will also be divided into four residential areas: the Wave, Carpet, Pomegranate and Flame areas.

### **Key services**

#### **Athlete fitness and recreation**

While there will be no gymnasium at the Canoe Sprint Village, fitness facilities will be available for Canoe Sprint athletes at the Mingachevir competition venue. At Mingachevir there will be a swimming pool and fitness facilities, including kayak and canoe

ergometers for training, warming up and cooling down.

The Canoe Sprint Village will also feature three Recreation Centres and a Super Recreation Centre.

### Catering services

The Main Dining Hall will offer a diverse range of nutritious and European food options. A full service will be available from 05:00 to 23:00, and light meals will be available during the night between 23:00 and 05:00.

### Resident Centres

There are two Resident Centres located within the Residential Zone of the Athletes Village. For the locations of these Resident Centres, refer to the maps in the appendices. Their primary purpose is to act as a one-stop shop for all questions and issues regarding residents' accommodation in order to cater fully to the needs of the residents. One Resident Centre will operate 24 hours a day and one Resident Centre will operate from 07:00 to 23:00 daily. The Resident Centres also offer ice, irons and ironing boards, IT services, linen / towel exchange and key loss / replacement services.

## Athlete Welcome Ceremony

The Athlete Welcome Ceremony (AWC) will take place at 18:00 on 11 June 2015 and will officially welcome all NOCs to Baku. Taking place in the Village Square of the Athletes Village, the ceremonial portion of the AWC will last no longer than 30 minutes and will consist of:

- an introduction to the Village Mayor
- a brief welcome from the Village Mayor
- a brief address from the EOC President
- gift exchange between the Mayor and the Chef de Mission from the host nation of the next European Games
- recognition of protocol set of flags
- a cultural performance that will reflect the music, culture and traditions of Baku and Azerbaijan.

The AWC promises to be fun, engaging and interactive for athletes.

## Opening and Closing Ceremonies

### Opening Ceremony

The Baku 2015 European Games Opening Ceremony will be held at the Olympic Stadium on Friday 12 June 2015 from 21:00 to 23:00. The pre-show will start at 20:15 and the Athletes' Parade will start at 21:30.

All marching athletes will walk from the Athletes Village to the Olympic Stadium. The distance from the Athletes Village exit to the entrance to the Olympic Stadium is approximately 1.7km with an estimated walking time of 40 minutes.

Following EOC decision, only athletes, Chefs de Mission and Deputy Chefs de Mission will be allowed to march in the Athletes' Parade for the Opening Ceremony. BEGOC will check the accreditation and marching passes of athletes on departure from the Athletes Village and when they return.

Team officials and non-marching athletes will be seated in complimentary seating in the Olympic Stadium before the pre-show starts at 20:15. They will enter the Olympic Stadium using the main spectator entrance, using the tickets issued by BEGOC.

The parade will begin with Greece first and with host country Azerbaijan entering the Olympic Stadium last. Following the parade, athletes will be guided to their allocated seating within the seating bowl.

For athletes wishing to depart the ceremony before its completion, there will be a limited window during which to return to the Athletes Village. Athletes will return to the Athletes Village by walking back along the same route they used to enter. All athletes who remain until the end of the ceremony will be accompanied by non-marching athletes and team officials during their return to the Athletes Village.

### Closing Ceremony

The Closing Ceremony will be held at the Olympic Stadium on Sunday 28 June 2015. The ceremony will be broadcast live from 21:00. Athletes, team officials, Chefs de Mission and Deputy Chefs de Mission will be allowed to march in the Athletes Parade for the Closing Ceremony. All participants will walk from the Athletes Village to the Olympic Stadium on the same route as for the Opening Ceremony.

## Marching athletes and officials

Under no circumstances may participants in the Opening or Closing Ceremonies display any form of publicity or propaganda – commercial, political or otherwise – on any item worn, or in any other manner that is visible on camera. Participants may not use selfie sticks during the parade.

## Ticketing

### Complimentary sport tickets for athletes and officials

All participating athletes and team officials with an accreditation in the following categories (Aa, Ao, Ac) will be able to obtain two complimentary tickets per each same-sport session per day. Tickets can be used by athletes and team officials or distributed to their friends and family. However, it should be noted that each competition venue has its own dedicated athlete seating area; as a result, if athletes and team officials choose to sit with their friends and family, they will have to make use of the complimentary sport tickets as their accreditation will not allow them to sit in the spectator seating areas.

Different-sport athletes and team officials will also be able to obtain two complimentary tickets per day for one different-sport session held that day.

Complimentary tickets will always be the best available seats. Athletes and team officials will be able to request them at the City Ticket Outlets, the Athletes Village or Venue Ticket Box Offices by displaying accreditation

---

# Team Leaders' Information

## Team Leaders' Information

### Pre-competition procedures

#### Draw

The draw took place at the Open Joint Azerbaijan Championships in Gymnastics Disciplines on 3 March 2015.

#### **MAG – Qualification (CI)**

- Day 1: 14 June 2015: Individual Qualification and Team Final
- Day 2: 15 June 2015: Individual Qualification and Team Final

#### **MAG – All around Final (CII): 18 June 2015**

#### **MAG – Apparatus Finals (CIII): 20 June 2015**

#### **WAG – Qualification (CI)**

- Day 1: 14 June 2015: Individual Qualification and Team Final
- Day 2: 15 June 2015: Individual Qualification and Team Final

#### **WAG All-Around Final (CII): 18 June 2015**

#### **WAG – Apparatus Finals (CIII): 20 June 2015**

#### Arriving at the venue

All gymnasts should arrive at the competition venue on their scheduled warm-up time. Athlete Services Team Members will meet them and escort them to the sport areas and the training hall. Team Officials should go to the Sport Information Desk to collect all the necessary information for the day.

Gymnasts and team officials will need to have their accreditation in order to be allowed access to the venue. Without accreditation, access will not be possible.

#### Transferable Access Cards (TACs)

During competition, in order to access Zone Blue (Field of Play, competition area) and Zone 2 (warm-up hall), all coaches, medical personnel and team leaders will need to present – in conjunction with their primary accreditation card – a Transferrable Access Card (TAC). All delegations will be allocated a number of Zone Blue and Zone 2 TACs according to the number of registered gymnasts and officials, respecting the Accreditation Rules.

The TACs are only transferable within the NOC's official delegation and

discipline. Lost cards will not be replaced.

TACs will allow access to the warm-up hall and the field of play on competition days. TACs for first competitions in each discipline will be issued to Team leaders at their first visit to the SID on venue. TAC cards for finals where the number of gymnasts/partnerships will be reduced from the full quota will be issued at the point an NOC gymnast/partnership commences warm-up.

Coaches and support staff who are waiting for a warm-up hall TAC to become available from another member of their delegation should wait just outside the warm-up hall. Coaches and support staff who wish to use a TAC to swap personnel on the field of play during competition should make themselves known to the field of play access control team and then wait at one of the two athlete entrances until they have received the card from their NOC colleague.

The following allocation tables pertain to all Gymnastics disciplines with the exception of Rhythmic Gymnastics.

### ***MAG and WAG considered as separate disciplines***

Phase	Number of gymnasts	Coach	Medical	Team leader*
<b>Podium training – Warm-up hall</b> Considered as a training hall. Reg.1.17 – 13 and 16 June 2015 (no TAC required)				
	Partnerships	2	2	2
	Teams (3)	3	2	2
	Individual (1)	1	2	2
<b>Podium training – FOP</b> Considered as a training hall. Reg.1.17 – 13 and 16 June 2015 (no TAC required)				
	Partnerships	2	2	2
	Teams (3)	2	2	2
	Individual (1)	1	2	2

\* *All disciplines combined.*

Competition – Warm-up hall 14, 15, 17, 18,19, 20 and 21 June 2015 – TAC required				
Phase	Number of gymnasts	Coach	Medical	Team leader**
Qualification	Partnerships	2**	1	1
Qualification	Teams (3)	3**	1	1
Qualification	Individual (1)	1**	1	1
All Around Final	Per Gymnast or Partnership	1 (total per NOC must not exceed 2)	1	1
Apparatus Finals	Per Gymnast or Partnership	1 (total per NOC must not exceed 2)	1	1

\* All disciplines combined.

\*\* The number of coaches in the warm-up and training halls must never exceed the number of gymnasts.

Competition – FOP 14, 15, 17, 18, 19, 20 and 21 June 2015 (TAC) required				
Phase	Number of gymnasts	Coach	Medical	Team leader**
Qualification	Partnerships	2**	1	0
Qualification	Teams (3)	2**	1	0
Qualification	Individual (1)	1**	1	0
All Around Final	Per Gymnast or Partnership	1 (total per NOC must not exceed 2)	1	0
Apparatus Finals	Per Gymnast or Partnership	1 (total per NOC must not exceed 2)	1	0

\* All disciplines combined.

\*\* In any case, the total number of coaches may not exceed 2 in non-artistic disciplines and 3 in artistic gymnastics..

In any case, the total number of support persons present in the Training Halls per discipline delegation.

may not exceed seven for Artistic Gymnastics teams, five for Individual Artistic gymnasts and six for other disciplines.

## Forms

A set of competition forms will be available at the Sport Information Desk at the competition venue. A mailbox card will be provided to each NOC for each discipline on its first visit to the SID. This should be presented when submitting or collecting information at the SID or SIC. Only the person presenting the card is able to submit or receive information.

## Bib (competitor) numbers

A set of two bib numbers will be available for each gymnast. These bibs should be collected by the SID between 11 June 2015 and the start of the competition. Teams should be aware that this number allows for the bibs to be used at all different stages of the competition. If an additional bib is required in exceptional circumstances for a gymnast the request should go to the SID.

## Music submission

Each NOC must complete the Gymnastics Music Submission Form to confirm that the music is used within the framework of the competitions at the European Games in a lawful way. This form should be returned with all music's routine in MP3 format and use the following naming convention:

**Last name\_First name\_NOC \_apparatus.MP3**

Submission deadline is no later than 20 May 2015. The forms should be sent electronically at [gymnastics@baku2015.com](mailto:gymnastics@baku2015.com)

In order to simplify the management of the process, on arrival in Baku, all WAG Gymnasts floor music (CD) must once again be submitted to the SID. All NOCs are required to provide two copies of their music per gymnast into the SID along with their Gymnastics Music Submission Form. The two CD's should be labelled with the name of the gymnast and the NOC. In addition, gymnasts should bring their own copies with them to use during their training sessions.

It is the responsibility of the NOC to ensure that gymnasts listen to

their music during podium training and sign to confirm that they are happy with the recording.

All music that is no longer required for competition, will be returned and ready for collection from the SID after each phase of competition and no later than 12:00 on 21 June. All CDs that will not be collected by this date will be recycled.

### **WAG written exercises (submission)**

Team leaders may submit the written exercises (shorthand writing) of each female gymnast as soon as possible on arrival at the SID at the National Gymnastics Arena and at the latest by 13:00 on 12 June.

### **New elements and Vault numbers**

Each NOC must submit new elements and Vault numbers to the SID by the assigned deadline of 12 June 2015 at 13:00, from where they will be placed in the men's TC or women's TC box.

### **Request for apparatus raise**

Each head of delegation must submit a request for apparatus raise at the SID at the National Gymnastics Arena by the assigned deadline of 12 June 2015 at 13:00, from where it will be placed in the Men's or Women's Technical Delegate information boxes.

### **Starting order**

For CI the starting order for each rotation of the gymnasts making up a team will be decided by each NOC. NOCs with more than one individual gymnast who have two slots in a given rotation must submit the starting order of gymnasts for each rotation. Starting orders must be submitted on the relevant form by 12 June 2015 at 13:00. If an NOC does not respect this deadline, the gymnasts' starting order will be determined based on the bib numbers.

### **Technical Orientation Meeting**

Date: 12 June 2015

Time: 12:30 – 13:30

Venue: National Gymnastics Arena- Technical Officials Lounge, Level 1

Representatives of the UEG and Baku 2015 Gymnastics competition management will outline the full event programme and address NOCs

questions. The meeting will be held in English only. Each participating NOC is required to attend, with a maximum of two delegates per NOC. The judges are not invited to the technical meeting.

### Confirmation of participation

NOCs are required to confirm participation in CII or CIII. This applies to the three names reserve gymnasts for each apparatus final (CIII) and the four names reserve for the All-Around final (CII). Confirmation to participate must be submitted to the SID by the assigned deadline (e.g. up to 60 minutes before competition).

### Submission of pre-competition forms

Forms should be submitted in accordance with the deadlines and locations mentioned below:

Form	Deadline	Submission Location
Gymnastics Music Submission	11 June 15:00	Sport Information Desk
Confirmation of Starting Order CI - MAG	12 June 13:00	Sport Information Desk
Confirmation of Starting Order CI - WAG	12 June 13:00	Sport Information Desk
Confirmation of Participation CII and CIII	Up to 60 mins before competition	Sport Information Desk
New Elements	12 June 13:00	Sport Information Desk
Request For Apparatus Raise MAG	12 June 13:00	Sport Information Desk
Request For Apparatus Raise WAG	12 June 13:00	Sport Information Desk
Vault Number	Up to 60 mins before competition	Sport Information Desk

### Podium training

Podium training will be held at the competition venue on 13 June and will be open to media. Podium training sessions are intended for athletes to get familiarised with the field of play and experience a competition

atmosphere prior to the event.

BEGOC may wish to test certain elements of its operations, such as access control, march-in, presentation and march-out during podium training. Gymnasts will be required to pass through the mixed zone at the end of their session to aid familiarisation with the athlete pathway. BEGOC may wish to allow viewing public into the spectator seating bowl during some or all of the podium training sessions.

### **Apparatus control**

All intensive, daily and light apparatus controls as determined by the FIG Apparatus Commissioners will be undertaken by the apparatus manufacturer and Gymnastics Equipment Team Leaders. The Technical Delegate and Apparatus Supervisors will be invited to witness these controls and make appropriate checks.

## **Competition procedures**

### **Access to warm-up hall**

Access to the warm-up hall will be limited to those NOCs who are scheduled to train at that time. The number of persons who have access to the warm-up hall is strictly limited, in accordance with the FIG Technical Regulations and accreditation rules. Teams must be accredited with the Baku 2015 accreditation and a TAC. Other team members or additional persons (irrespective of their accreditation status) will not be allowed to enter the warm-up hall. Technical Officials are not permitted in the warm-up hall, with the exception of those designed by the Technical Delegate.

### **Warm-up**

Gymnasts are allocated 20 minutes general warm-up plus the equivalent of 20 minutes on each piece of apparatus for the qualification rounds. For WAG gymnasts this will be timed. Field of play warm-up is also given for the Apparatus Finals. Team leaders should note that there may be preparation works occurring on the field of play during these warm-up periods.

### **Call to competition procedures**

Gymnasts must finish their allocated training in the warm-up hall 10 minutes before the start of competition. Gymnasts are then requested to line up in order for their march-in to the arena. Clothing and

equipment compliance checks and final accreditation/TAC checks will take place at this time. Gymnasts will then be asked to give all required accreditations, bags and equipment to their coaches to carry on to the field of play. When assembled, gymnasts will be moved to the corridor leading to the entrance of the field of play.

Gymnasts will be asked to march behind a Field of Play Guide, who will escort them to their first piece of apparatus. Field of Play Team Leaders and other Baku 2015 Field of Play Team Members will ensure that gymnasts know where they are going throughout the competition. After entering the FOP, gymnasts should present themselves in front of the judges on the podium before the competition begins.

Coaches and medical staff will enter the field of play after the gymnasts, and will be escorted directly to the athlete seating with all bags and equipment.

### **Apparatus finals**

Before the apparatus finals (CIII), gymnasts will be able to train on the field of play podium before the competition. This will be an open warm-up session of 2 hours 45 minutes, after which gymnasts must return to the warm-up hall to continue their training before the competition. Training in the warm-up hall and field of play will be available to the three named reserves in each apparatus final.

### **Reserve gymnasts (CII and CIII)**

Reserve gymnasts for CII and CIII will be entitled to warm up until the start of the march-in for the respective competition. After this point, reserve gymnasts will no longer be eligible to take part in the competition.

### **Field of play access**

Aside from members of the UEG, Swiss Timing Ltd and BEGOC staff, Technical Officials, and members of the media with separate accreditations, access to the FOP will be limited to the gymnasts and officials who are taking part in the competition at the time. The number of persons who will have access to the field of play will be strictly limited in accordance with the FIG Technical Regulations and Accreditation Rules. All persons seeking access to the field of play must have an appropriate Baku 2015 accreditation and TAC.

For gymnasts and team officials, there are two access points on to the field of play.

The entrances beside the Parallel Bars and Horizontal Bar podium are the only access points from the warm-up hall. Gymnasts and team officials will use these access points to march into the field of play and to exchange TACs. Gymnasts and team officials will be asked to show their Baku 2015 accreditation and TAC before entering the field of play, with the exception of gymnasts for the initial procession at the start of the competition.

Coaches may use the corridor immediately outside the field of play to move around the competition arena. Team officials will be asked to leave the field of play if they are not conducting a role relevant to the competition in progress.

All gymnasts and coaches will leave the field of play at the end of competition via the exit at the vault run-up.

### **Field of play procedures**

During the qualifications and Individual All-Around Final, warm-up just before the performance of each apparatus will take place on the field of play. Each gymnast is entitled to a warm-up period of 30 seconds with the exception of those gymnasts warming up for the Parallel Bars and Uneven Bars, where a period of 50 seconds (including the preparation of the bars) is allowed. For the women's Vault, the warm-up period should allow at least two attempts for those performing one vault and three attempts for those performing two vaults.

Gymnasts' rotations, entry on to and exit from the field of play will be managed by the field of play marshals and guides. Gymnasts should listen for instructions by the venue announcer over the public address (PA) system.

Before and after their performance on each apparatus, gymnasts must present themselves to the panel of judges on the podium. Each gymnast must wait for the green Tissot timing signal on the plasma screens or the approval of the D1 Judge before starting his/her performance, and must leave the podium within 30 seconds of the end of the routine.

## Adjustment of apparatus

For the women's competition, an additional accredited person may enter the field of play in order to aid the preparation of the uneven bars or to remove the board. This person may only enter the gates to the field of play at the Horizontal Bar corner. Once finished, he/she must immediately leave the field of play.

During the warm-up period in CI, the gymnast may be assisted by a second coach (male or female), as defined in the FIG Code of Points. In the All-Around competitions (CII) and apparatus finals (CIII), each gymnast may be assisted by one coach (two persons for Uneven Bars). A second person (coach or gymnast) may be present on the podium to remove the board, after which he/she must immediately leave the podium.

## Return to warm-up hall during competition

During CI, gymnasts may return to the warm-up hall but may not use the apparatus. During CIII gymnasts may leave the competition hall if their starting order permits. During CII, gymnasts may not return to the warm-up hall.

It is the responsibility of each gymnast to ensure that he/she returns to the field of play in time for his/her routine. The field of play team members will be available to guide gymnasts to the field of play. Gymnasts and team officials must take their accreditation and TAC passes with them to gain entry to the warm-up hall and re-entry to the field of play.

## Conduct on field of play

In line with the Technical Regulations, in the event of unsportsmanlike conduct by any competitor or official, the Chair of Judges' Panel and/or Superior Jury and/or the Technical Delegate will issue a warning. They will inform the team leader at the end of the round about any warning. In the event of repeated misconduct, the Chair of Judges' Panel and/or the Technical Delegate may order the expulsion of the offender from the competition hall for the remainder of the competition. An incident resulting in expulsion must be reported to the Secretary General and to the offender's NOC and national federation. Further action may be taken as deemed necessary by the Executive Committee or Disciplinary Commission. Dressing and undressing during competition

and warm-up periods in the designated competition area is judged as an unsportsmanlike gesture and may result in disqualification of the gymnast from the competition.

### **Mobile devices**

The use of mobile phones and other electronic devices on the field of play is strictly prohibited during competition.

### **Athlete seating**

Seating for competing gymnasts and their accompanying support staff (holding the appropriate TAC) will be provided in the area to the left-hand side of the Trampoline podium and Kiss & Cry area, as viewed from the Technical Table. Media will not be allowed in the area near athlete seating. Gymnasts and accompanying staff should remain in this area during competition, where they should use the seating provided and should not sit or lean on the podium. Team officials waiting in the TAC Waiting Area to swap in or out of the field of play with their TACs must restrict their movement into the competition arena to a minimum. Any person on or around the field of play not performing an official function will be asked to leave the area.

### **Accredited team seating**

Non-competing, same-sport gymnasts and team officials will have access to the accredited seating area in the seating bowl. Please note that space may be limited during certain times of the competition, and seating is available on a first-come, first-served basis. Athletes and support staff are strictly prohibited from sitting in any other ticketed seat unless authorised to do so by a BEGOC staff member. Accreditation must be worn at all times in this area.

Gymnasts and support staff who wish to watch the Trampoline Gymnastics events may do so as a same-sport athlete and do not require a spectator ticket.

## **Post-competition procedures**

### **Leaving the field of play**

Gymnasts and team officials must not leave the field of play until directed by the field of play marshals. Generally, this direction will follow the final routine of the rotation or competition, after the score

has been displayed. At this time, everyone leaving the field of play should assemble in line to march out. All team members will be expected to leave via the field of play gate at the side of the Vault podium. Immediately after the march out, non-medallists will be required to make their way through the Broadcast Mixed Zone. The medallists will be required to pass through the mixed zone after their Medal Ceremony.

If any gymnast has competed in one apparatus final and is also scheduled to compete in a subsequent final, they must take part in their medal ceremony, but are not required to pass through the broadcast mixed zone until after their last apparatus final has been completed.

### **Doping control**

Athletes selected for doping control will be notified in person and escorted to the Doping Control Station by a doping control chaperone as soon as practically possible after they have finished competing. It is the responsibility of the athlete to remain under continuous observation of the doping control chaperone after notification. For details of the doping control programme at Baku 2015, see page 30.

### **Broadcast Mixed Zone and I-Zone**

All competition venues will include a Broadcast Mixed Zone for broadcast media, and an I-Zone for written press. Following competition or a Medal Ceremony, all athletes must pass through the Broadcast Mixed Zone as they leave the field of play, but are not obliged to speak. Coaches of team and combat sports who are normally positioned on the field of play may also be asked to pass through the Broadcast Mixed Zone for interview possibilities.

After passing through the Broadcast Mixed Zone, athletes will be free to return to the changing room or go to Medical/Doping unless they are requested for the I-Zone for interviews.

Press wanting to interview someone in the I-Zone would make a request to Press Operations who will escort the athlete from the Broadcast Mixed Zone to the I-Zone.

By default, all gold medallists and all Azerbaijani athletes will be brought to the I-Zone for interviews. Press Attaches, Doping Control Officers and Language Services Team Members will be able to escort

athletes into the I-Zone as needed. The I-Zone will end operations about 45 minutes after competition ends.

The Broadcast Mixed Zone is located near or adjacent to the field of play. The I-Zone is located in or near the Venue Media Centre.

### **Results distribution**

Competition-related information for all sports, including results reports, will be available on the Games Time Website ([baku2015.com](http://baku2015.com)). All results information will also be accessible from the Baku 2015 Mobile Application (Android, iOS), which will be available for download in early June.

The delivery of printed results information is available only at competition venues and to time-critical services. Select reports will be available for collection from Sport Information Desks at competition venues and the Sport Information Centre at the Athletes Village. After the completion of all competition, all results outputs will be compiled in PDF format and made available for download from the Games Time Website ([www.baku2015.com](http://www.baku2015.com)).

### **Medal Ceremonies**

All Medal Ceremonies at the Baku 2015 European Games will occur on or around the field of play. Athlete chaperones will be on hand to advise and guide all athletes before, during and after their Medal Ceremony. Announcements will be made in both English and Azerbaijani. Athletes who take part in a Medal Ceremony must adhere to the Baku 2015 European Games rules and regulations that pertain to dress and conduct. All athletes will be required to wear their competition attire throughout their Medal Ceremony. Failure to adhere to this rule may result in the delay or postponement of the Medal Ceremony.

Athlete chaperones will lead athletes to the podium for the Medal Ceremony, and will provide direction with regard to the procedures that the athletes will need to follow. Flags, signs, mobile phones, cameras, electronic devices, bottles, items of sport equipment, political statements and accreditations will not be allowed on the podium. If any athlete is in possession of any of these items, they must be passed to the Medal Ceremonies Manager for the duration of the Ceremony. Similarly, if any items are thrown to an athlete while they are on the field of play and/or the podium, the athlete must pass them to their athlete escort

for them to hold during the Medal Ceremony. Failure to comply with these rules may result in disqualification. During the Medal Ceremony, BEGOC plans to also present winning athletes with a bouquet of flowers and a gift, as well as an individual medal presentation box.

After the Medal Ceremony has finished, athletes will be asked to move to a second location in order to provide the media with additional photography opportunities. This will take no more than one minute. After all the photographs have been taken, athlete escorts will lead the athletes to the Broadcast Mixed Zone. If any athlete has been notified for doping control, he/she will be escorted through the Broadcast Mixed Zone by a Doping Control Officer and will then be chaperoned to the Doping Control Station.

Medals will be awarded in each event of the competition as follows:

- 1st place: A gold gilt medal
- 2nd place: A silver gilt medal
- 3rd place: A bronze gilt medal

---

# Training

# Training

## Key information

Training for Artistic Gymnastics (as for all other Gymnastics disciplines) will take place at the Gymnastics Training Venue located behind the competition venue. The Gymnastics Training Venue will be open for Artistic Gymnastics training from 11 June to 21 June. All training equipment will be approved by the UEG, and will comply with the FIG Apparatus Norms and UEG Advertising and Publicity Rules.

Date	Competition Hall	Warm-Up Hall	Training Hall
11 June			8:00 – 21:00 Training per schedule
12 June			9:00 – 15:00 Training per schedule
13 June	10:00 – 20:00 Podium Training	8:00 – 18:00 Warm-Up Podium Training	8:00 – 20:40 Training per schedule
14 June	10:00 – 19:00 Competition	8:30 – 18:00 Warm-Up Competition	8:00 – 19:00 Training per schedule
15 June	10:00 – 19:00 Competition	9:00 – 18:00 Warm-Up Competition	8:00 – 19:00 Training per schedule
16 June			9:00 – 20:00 Training per schedule
17 June			9:00 – 20:00 Training per schedule
18 June	17:30 – 20:00 Competition	14:50 – 17:30 Warm-Up Competition	10:00 – 12:30 + 17:00 – 19:00 Training finalists
19 June			10:00 – 12:30 + 17:00 – 19:00 Training finalists
20 June	16:00 – 19:50 Competition	12:30 – 19:30 Warm-Up competition	09:00-11:00 Training finalists
21 June			09:00 – 14:00 Training per schedule

## Drawing 3. Training Hall

## Allocation of training sessions

The official training schedules are structured in accordance with the FIG Technical Regulations. Delegations must respect the designated training times and the allocated training halls. Although there are detailed breakdowns for the WAG training sessions, the MAG training sessions will be free/open with no detailed per-apparatus breakdowns except for Parallel Bars.

Detailed training schedules and competition warm-up times will be placed in a separate publication. This publication is available to NOCs through the e-Qazet and to National Federations via UEG. They may also be accessed on demand via the Sport Information Centre in the Athlete Village and the Sport Information Desk at NGA.

## Training Groups

Training groups are according to the draw for the first competition and then as applicable to the further stages of competition.

## Training Hall Schedule

Detailed Training Schedules will be published separately to this guide. Training groups and timings will be according to the stage of competition.

## Travelling between the Gymnastics venues

As the Gymnastics Training Venue (TGY) and National Gymnastics Arena (NGA) are next to each other, travelling will be done by foot.

## Training regulations

Gymnasts should respect their training sessions and those of other gymnasts and groups. Sessions may not be changed and no additional sessions will be available. Gymnasts arriving within 15 minutes of their scheduled session start time will be permitted to enter the stretch area. Gymnasts arriving more than 15 minutes prior to their scheduled start time will be directed to the Athletes' Lounge. All training sessions will be open to the media subject to agreement of the NOCs.

Specific training sessions will be available for gymnasts who have completed their participation. Please refer to the detailed training schedule.

As the Gymnastics Training Venue (TGY) and National Gymnastics Arena (NGA) are next to each other, travelling will be done by foot.

## Media access

Acrobatic Gymnastics training will be open to media at all times. NOCs or EF may not request closure of training sessions.

## Training venue access

The point of access for athletes and team officials is at the common security entry and then the first door on the arena side of TGY. After arriving at the venue, athletes and team officials would have to go through the security check where their accreditation will be checked.

NOC accreditation categories Ao, Aa and Ac will have access to the training venues for their assigned sports, in line with venue access distribution.

There will be no P accreditation category or Training Venue Passes (TVPs) available at the Baku 2015 European Games. NOCs must utilise their transferable Ao accreditations to maximise access opportunities (see page 88).

The validated Accreditation Pass with the applicable sport code must be shown at all times and access will not be given to those who do not have any.

## Training facilities

### Athletes' changing rooms and showers

Changing rooms and showers will be available for gymnasts to use during their allocated training session.

### Athletes' Lounge

Athletes' lounge with refreshments for the athletes and their supporting staff will be located within the training hall and operating during the official training schedule.

### Catering

Refreshment stations for athletes and team officials will consist of unlimited packaged bottled water and isotonic sports drinks.

## Lost and found

All reports of lost items at the Gymnastics Training Venue should be directed to a BEGOC representative on site who will be able to provide assistance.

## Massage plinths

Massage plinths are located in the training hall.

## Medical services and facilities

Limited services will be available at training venues, with enhanced services for those sports requiring specific specialist cover.

## Music systems

Music system for gymnasts' floor exercises will be available in the WAG training area. Sport volunteers will assist with organising and playing floor exercise music.

## Training hall

Training for Artistic Gymnastics (as for all other Gymnastics disciplines) will take place at the Gymnastics Training Venue located behind the competition venue. The Training Venue will be open for training from 11 June to 21 June 2015. All training equipment will be approved by the UEG and will comply with the FIG Apparatus Norms and UEG Advertising and Publicity Rules.

There will be two training floors available for floor exercises and a music system for women gymnasts for floor exercises.

## Weighing Scales

Weighing scales will be available for all WAG and MAG gymnasts.

---

# Technical Officials' Information

---

## Technical Officials' information

### Arrivals and departures

Technical Officials (ITOs and TDs) arriving and departing from Heydar Aliyev Baku International Airport (GYD) between 29 May and 1 July will use the T-All shuttle service to/from their official accommodation.

Prior to arrival, Technical Officials will have been sent a Pre-Valid Card that they will use as an immigration visa waiver to enter Azerbaijan. After validation, Technical Officials will use their accreditation to access T-All Transport Services at the airport.

### Accommodation

Technical Officials will be accommodated at the following establishment:

Media Village Baku 2015 (MVL)  
115 Heydar Aliyev Prospect,  
Baku

Arrival date: 11 June 2015

Departure date: 22 June 2015

### Departures/Accommodation helpline

A helpline for all accommodation queries will be available from 25 May to 31 May between the hours of 08:00 and 20:00. From 1 June onwards, the helpline will also provide assistance with any arrivals and departures matters.

The helpline will operate from 1 June to 30 June from 07:00 to 23:00, and on 1 July from 07:00 to 18:00. To contact the helpline, please call +994 12525 9922.

Out of hours emergency assistance will be available from 23:00 to 07:00. Assistance will be available in Azerbaijani, Russian and English.

### Insurance

The UEG shall be responsible for its own property and equipment. BEGOC shall not be responsible for any damage or loss to any property or equipment of the UEG, including property of the UEG officials.

## Per diems

### TDs and ITOs

Technical Delegates and International Technical Officials will be paid a per diem for their agreed official duration of stay and travel days. The per diem is to cover meals (except breakfast and any meals provided at the competition venue by BEGOC) and incidentals, such as laundry. The sum for the ITOs will be paid directly by BEGOC via pre-loaded debit card that will be distributed to them soon after arrival.

### NTOs

National Technical Officials (NTOs) will be paid a per diem for their agreed official duration of work on venue. The per diem is to cover meals and incidentals for the agreed official duration of their duties. NTOs will be paid their per diem in full following the conclusion of the Games. NTOs must complete a time sheet which will then be authorised by the Competition Manager. Upon presentation of this authorised time sheet to BEGOC Finance at the Games Headquarters (after Gymnastics is complete), NTOs will receive their per diem in one cash payment.

## Distribution of Ceremonies tickets

Ceremonies tickets have been allocated to Technical Officials in accordance and agreement with the EOC.

- ITOs who are in Baku on 12 June 2015 will be eligible for one ticket each to the Opening Ceremony. All tickets are non-transferrable and accreditation must be presented along with the ticket to gain access to the stadium.
- NTOs will receive one ticket for the Opening Ceremony and one ticket for the Closing Ceremony.

All tickets will be distributed by the Gymnastics Competition Manager.

Comfortable shoes are recommended for the evening of the Opening Ceremony.

## Transport

### T-All services

BEGOC is responsible for providing transport services to accredited International Technical Officials (ITOs) and EF staff during the period of the European Games. These transport services will be provided as part of the Games shared shuttle transport (T-All) system.

### Services between hotels and competition venues

A dedicated T-All service will operate between Technical Officials' hotels and each competition venue during the competition period for each sport, in accordance with the competition schedule. Where International Technical Officials are required to attend meetings, briefings, venue familiarisations or other events before the start of competition, either at the competition venue or at another venue such as the Athletes Village, transport services will be provided from/to the Technical Officials' hotels in accordance with the officials' requirements. For gymnastics this provision of transport services will be regular, frequent shuttle bus service from the Media Village (MVL) to the NGA and return.

### Opening Ceremony

Where International Technical Officials have been allocated tickets for the Opening Ceremony, a T-All service will operate between Media Village (MVL) and a drop-off point near the National Stadium in accordance with the Ceremonies' start/finish times. Comfortable shoes are recommended for the evening of the Opening Ceremony.

### Uniform collection

All Technical Officials must collect their uniforms from the Uniform and Accreditation Centre (UAC). They will be transported from their official accommodation to the UAC to collect their uniforms on the evening of arrival or in the morning after arrival in Baku, depending on flight arrival times.

Appointments for MAG & WAG Technical Officials are as follows:

- 11June at 19:00–20:00: Transport will leave the Media Village at 18:30.

For late flight arrivals:

- 12 June at 09:00–10:00: Transport will leave the Media Village at 08:15 and return to the NGA.

Any Technical Official arriving outside these dates will be individually advised of their UAC appointment.

All Gymnastics Technical Officials will be provided with a formal uniform, as follows:

### **TO Formal Uniform**

The formal uniform will consist of:

- 1 x Suit Jacket
- 3 x Shirt or blouse
- 2 x Trouser/skirt
- 1 x Tie or Scarf
- 1 x Baseball cap
- 1 x Bag

Shoes will not be provided to TOs as part of the uniform. Officials are required to bring plain, black, flat soled footwear with their formal uniform. Ladies shoes should be non-reflective with heel between two and seven centimetres. All footwear items worn may carry the identification as generally used on products sold through the retail trade.

## **Pre-competition procedures**

### **Venue access for Technical Officials**

Technical Officials will arrive on venue by bus from the Media Village. On arrival, they will pass through security and be directed to the Technical Official entrance at level -2 of the venue.

## Technical Officials' meetings and briefings

<b>MAG – TECHNICAL COMMITTEE (plus ITO meetings set out below)</b>			
<b>Date</b>	<b>Time</b>	<b>Topic</b>	<b>Venue</b>
11 June 2015	09:30 - 19:00	TC Meeting (based on arrival times)	NGA, Level 1, TO Meeting Room

12 June 2015	13:15 - 15:30	WAG Judges' Introduction	NGA, Level -2, R 2
13 June 2015	08:45	Reunion of the judges for WAG podium training and draw C I and C II	NGA, Level -2, R 2
14 Jun 2015	08:30	Reunion of the judges for the WAG C I 1st day	NGA, Level -2, R 2
15 June 2015	08:30	Reunion of the judges for the WAG C I 2nd day	NGA, Level -2, R 2
18 June 2015	15:30	Meeting of the WAG judges for C II Draw and for C III	NGA, Level -2, R 2
20 June 2015	14:30	Meeting of the WAG judges for C III	NGA, Level -2, R 2

Artistic Gymnastics – MAG Location: Technical Meeting Room 1, National Gymnastics Arena, Level -2.

Artistic Gymnastics – WAG Location: Technical Meeting Room 2, National Gymnastics Arena, Level -2

### Venue familiarisation

During their first official visit to the venue TO's will be given a guided tour of relevant areas. Technical Officials will have the opportunity to familiarise themselves with the venue, as well as their own areas (for example, the Technical Officials' Lounge, the Technical Officials' Meeting Room and positions on the field of play and Technical Table) on the first day of arrival on venue.

## Technical Officials' equipment distribution

The EF Services Team Leader will ensure all necessary judging equipment (line flags, stop watches, etc.) is issued before the start of the competition. Equipment should be left at the respective Judge's table at the end of competition for collection by the EF Services Team Leader. Judging recording sheets will be issued as a pack for each TO before the start of competition.

## Difficulty cards WAG

Team leaders may submit the written exercises (shorthand writing) of each female gymnast as soon as possible on arrival at the SID at the National Gymnastics Arena and at the latest by 13:00 on 12 June. These will be copied and supplied to the Technical Delegate, Superior Jury and relevant Difficulty Judges prior to podium training.

## Competition procedures

### Assembly of Technical Officials before competition

TOs (including reserves) should be present in the Technical Officials' Lounge 30 minutes before the start of competition. The EF Services Team Leader will collect the Technical Officials for their roll call and assembly at the corner of the field of play approximately 20 minutes before the start of the competition in order to place their papers at their desks.

Before leaving the Technical Officials' Lounge, all Technical Officials' uniforms will be checked to ensure the correct uniform is being worn and carried and to ensure compliance with branding policies. Non-official items of clothing and equipment are not allowed on the field of play.

### Access to the field of play

Aside from members of the UEG, Swiss Timing Ltd and BEGOC staff, Technical Officials, and members of the media with separate accreditations, access to the field of play will be limited to the gymnasts and officials who are taking part in the competition at the time. The number of persons who will have access to the field of play will be strictly limited in accordance with the FIG Technical Regulations and Accreditation Rules. All persons seeking access to the field of play must have a Baku 2015 European Games Accreditation and a TAC.

There is a wall corridor immediately around the field of play. There are five access points to the field of play, one of which is a dedicated access point into the area for the Technical Officials. Technical Officials must enter and leave the field of play by the Technical Officials' entrance door only (located in the corner of the field of play close to the Beam podium) and should use the back-of-house corridors to move around the building.

Technical Officials will be asked to show their accreditation and separate TAC as necessary to gain access to the field of play.

### **March-in and march-out**

The sequence of march-in and march-out routes will be explained to Judges during the first ITO/NTO instruction meeting.

During competition, the D1 Judge on each panel will liaise with the Field of Play Manager and the Field of Play Team Leaders about his/her panel entering and leaving the field of play.

### **Reserve Judges**

Reserve Judges will have allocated seats close to the field of play or on the Technical Table. Where time allows, between competitions, Technical Officials may return to the Technical Officials' Lounge. Judges are asked to leave the field of play in an orderly manner, following the direction of the D1 Judge, and to be back in position before the gymnasts march-in.

### **Activity between subdivisions and rotations**

While the competition will run seamlessly without breaks between subdivisions, there are rotations when either MAG or WAG gymnasts will not compete. Relevant ITOs at that time will all be invited to leave the field of play for a comfort break and to be back in position before the gymnasts march-in for the next relevant rotation.

### **Technical Officials' seating**

Technical Officials will have access to the accredited seating area (in the spectator bowl). Please note space may be limited during certain times of the competition and is available on a "first come, first served" basis. Accreditation must be worn at all times in this area. Technical Officials are strictly prohibited from sitting in any other ticketed seat, unless

authorised to do so by a member of BEGOC staff.

## Post-competition procedures

### Leaving the field of play

Technical Officials will leave the field of play by the gate they entered from based on direction from the D1 Judge.

Judges are not expected to leave the field of play during competition. Any Judge with an unavoidable need to leave the field of play should inform the D1 Judge on the respective panel who will advise the relevant Superior Jury member on the Technical Table.

At the end of the competition, following resolution of any and all inquiries, each judging panel will be invited to march out of the arena, following the same route they took to enter the field of play. This will be coordinated by the panel's D1 Judge and the Field of Play Group Leaders.

### Certificates

Technical Officials will receive a participation certificate in recognition of their contribution to the inaugural European Games.

---

# The Games and Baku

# The Games and Baku

## Accreditation

BEGOC issues a European Games Identity and Accreditation Card (EGIAC) to each individual participating in the Baku 2015 European Games. The EGIAC establishes the identity of its user and allows access to European Games venues.

Before validation, the EGIAC is referred to as a Pre-Valid Card. To validate the Pre-Valid Cards participants must present an acceptable form of identification document at an accreditation centre. All participants in the European Games must provide a valid and original Identification Document as follows:

- Azerbaijani nationals: National Identification Document
- Nationalities of other countries and stateless citizens: Passport/official travel document

The Pre-Valid Card can be used as a travel and multiple entry and exit document valid from 13 April 2015 until 28 July 2015. Failure to be in possession of the Pre-Valid Cards may prohibit travel and entry to Azerbaijan.

Only once the Pre-Valid Card is validated does it become an official EGIAC.

## Accreditation facilities

During the European Games, participants holding a Pre-Valid Card will be able to validate them at locations including:

- The validation counters located at the Heydar Aliyev International Airport (only validation location for Technical Officials);
- The Welcome Centre at the Athletes Village, which will be the primary accreditation centre for Village residents based in Baku; and
- The Canoe Sprint Village Accreditation Centre, which will be the primary accreditation centre for Canoe Sprint participants based in Mingachevir

All competition venues/clusters will offer a Venue Accreditation Help Office (VAHO) for issue resolution. The table below summarises the accreditation facilities available and the client groups they serve:

Accreditation facilities			
Facilities	Date and time	Client groups	Services
Heydar Aliyev International Airport	29 May – 28 June (24 hours a day)	All	Card validation, card replacement (***)
Athletes Village	- From 07:00 on 3 June until 00:00 on 12 June (24 hours a day) - 13 June – 1 July (07:00-21:00)	NOCs	Card validation and production, card replacement, photo capture, issue resolution
Canoe Sprint Village	9 – 18 June (07:00-23:00)	NOCs	Card validation and production, card replacement, photo capture, issue resolution
VAHOs	Operates 2.5 hours prior to competition/ training until end of competition/ training (may vary by location and by day). Detailed opening hours available at each VAHO.	All	Card validation (*), photo capture (**), card replacement (***), day pass

(\*) exceptions only  
 (\*\*) for Day Pass only if required  
 (\*\*\*) only if image held on system  
 (\*\*\*\*) only if image held on system and required for immigration purposes

## Accreditation codes

Venue codes and pictograms printed on the front side of the EGIAC indicate access to competition and/or non-competition venues. A full description of the codes is available on the reverse side of the card. Venue zone access rights are printed on the EGIAC using colour and alphanumeric codes.

The following zones are used at the Baku 2015 European Games:

Village codes	
Zone code	Description
AVL	Athletes Village
CVL	Canoe Sprint Village
MVL	Media Village
R	Residential Zone

Venue zone codes	
Zone code	Description
Blue	Field of play
Red	Operational Areas
White	General Circulation Areas
2	Athlete Preparation Area
5	Press and Broadcast Area
6	Protocol Area

## Lost, stolen or damaged accreditation

Every lost, stolen or damaged Accreditation Card must be reported immediately to the nearest accreditation facility, where it will be cancelled in the accreditation system. A new card will be issued upon presentation of a request for Accreditation Card replacement.

## Transport

A summary of transport at the Baku 2015 European Games follows. Please note that full details of transport services at the Games, including timetables and schedules, will be made available to athletes and team officials at the Transport Desk in the NOC Services Centre.

### Athletes' Transport System: T-A

During the Baku 2015 European Games, the T-A system will offer an exclusive, secure and dedicated service for athletes and team officials, providing service throughout Games-time operations. T-A system privileges are available to Aa, Ac and Ao accredited persons. Accreditation must be displayed at all times to access it.

### Frequency-based or scheduled T-A services

The T-A system will operate using 50-seater coaches. Services will run on a regular frequency or in accordance with a schedule published at the Transport Desk in the NOC Services Centre for:

- Arrivals from Heydar Aliyev International Airport (GYD) to the Athletes Village will run on peak and off-peak frequency based on Arrivals and Departures System (ADS) data.
- Departures to GYD from the Athletes Village will be provided with a mix of frequency-based and scheduled services, after reconfirmation of flight details during the departure meetings conducted by NOC Services.
- Transfers from the Athletes Village in Baku to the Canoe Sprint Village in Mingachevir.
- Arrivals from Ganja International Airport (KVD) to the Canoe Sprint Village will run a scheduled service based on ADS data.
- Departures from Canoe Sprint Village to either KVD, GYD or Athletes Village.
- Competition and training.
- Internal Village Transport System at the Athletes Village.
- Same-sport spectating athletes.

The Athletes Village Transport Mall is located adjacent to the Athletes Village to provide athletes and team officials with direct access.

### **T-All Transport System**

The T-All Transport System will provide select accredited clients groups with a variety of transport services, throughout all phases of the Games. The client groups entitled to access this service are Media, Technical Officials, Technical Delegates, Athletes, Team Officials, European Games Family and their accredited guests. The T-All system will operate from 29 May 2015 until 1 July 2015. Services are listed below:

- Arrivals and departures
- Direct shuttle services from the Media Village to all competition venues and select non-competition venues
- Games shuttle shared services, which includes an All Venues Loop
- ITOs transport services
- Mingachevir city centre shuttle
- Transport for Opening and Closing Ceremonies for ITOs

### **Games Route Network**

The Games Route Network (GRN) will consist of European Games Lanes which will be for the exclusive use of Games vehicles that properly display a Vehicle Access and/or Parking Permit (VAPP), ensuring that travel times are consistent. Lanes will operate 24 hours a day from 29 May until 1 July 2015.

The key principles of the Games Route Network operation are:

- A continuous and secure flow with no traffic lights
- No level-crossings for pedestrians
- Special signage clearly identifying the Games lanes
- Traffic cameras and continuous police monitoring to ensure only Games vehicles use the lane

For a map of the Games Route Network, see the appendices section.

### **Public transport**

Free access to the Baku public transport system (metro and Games-time shuttle lines from/to the competition venues) will be granted to all accredited Games participants and ticketed spectators. The operating

hours of the public transport system will be available on a 20-hour basis each day during the Games from 05:00 to 01:00.

## Taxis

BEGOC recommends that individuals wishing to use public taxis use metered London-type taxis, which are the colour purple as opposed to the white London-type taxis that make up the T-X fleet.

## Security

The Government of the Republic of Azerbaijan is responsible for all aspects of safety and security for the Baku 2015 European Games. The Government Security Authorities (GSA) will ensure that all appropriate and necessary security measures, throughout planning and operational delivery, are implemented to ensure the safe and peaceful celebration of the Baku 2015 European Games.

The Special State Protection Service (SSPS) will assign a dedicated Venue Security Coordinator for the coordination of protective security arrangements at Villages and designated competition venues.

### Security in the Villages

Both Villages and their residents will be afforded the highest level of protection of all venues. Access to the Village will be restricted to accredited client groups with designated Village accreditation rights and authorised guests. Accreditation will be authenticated by GSA security personnel.

All Village residents, accredited client groups, guests and their personal effects will be subject to security screening prior to entry into the Village. All deliveries (goods and materials) including vehicles will be subject to security screening after venue lockdown and the start of security operations.

The Village will be protected by a perimeter security fence and enhanced with additional protective security measures including security lighting and electronic security systems including Closed Circuit Television (CCTV) surveillance. Security screening measures will include but are not limited to:

- Walk-through metal detectors ('mags'),

- Portable metal detectors,
- X-ray screening and other technical security measures.

### **Security at competition and training venues**

Every competition venue will be protected by a perimeter fence enhanced with additional protective security measures, including security lighting, security patrols/static guards and CCTV. Access to competition venues will be restricted to appropriately accredited and ticketed individuals who will be subject to accreditation / ticket authentication and 100 per cent security screening at a Pedestrian Screening Area (PSA) prior to entry.

Any vehicle and its occupants (including delivery vehicles) seeking to drop off or enter the secure perimeter of a venue will be subject to the appropriate level of security screening at the Vehicle Screening Area (VSA).

Independent training venues will be subject to the same security protocols as competition venues.

### **Security in transit**

Bubble-to-bubble T-A system bus movements will be implemented to facilitate secure transportation from the Villages to competition and training venues. Athletes and officials travelling on the T-A system are not required to disembark the bus for search and screening requirements on arrival at competition and training venues.

Upon return to the Athletes Village/Canoe Sprint Village, all athletes and officials are subject to 100 per cent search and screening, prior to entering the Village.

### **Prohibited and restricted items**

The prohibited items list has been compiled by the Republic of Azerbaijan Government Security Authorities. It supports the protection of people, assets and infrastructure during the Baku 2015 European Games by clearly identifying items that would cause a security or safety risk to venues, workforce or visitors.

- Explosives or other substances/objects containing explosive ingredients

- Gunpowder in all packages/bundles and in all quantities
  - Shell casings (also small calibre)
  - Casings for gas guns
  - Capsules used for hunting
  - Pyrotechnical arsenals/resources (flares, smoked arsenals), petards which are used in the rail industry
  - Sparklers, fireworks, metal petards/detonators
  - TNT, dynamite, ammonia and plastic explosives
  - Detonator capsules, electrical detonators, electrical flammables, detonating cord
- 
- Guns and ammunition
    - Firearms/fire-guns
    - Signal guns
    - Pneumatic guns
    - Gas
    - All types of ammunition
    - Electroshock equipment
    - All main parts of fire-guns
    - All objects that can be used as guns (bit/hurl, stick, etc.)
- 
- Gases – compressed and non-compressed
  - Flammable liquids and solids
  - Oxidising substances and organic peroxide substances
  - Toxic substances, radioactive substances, and other corrosion substances
  - Poisonous and toxic substances
  - Other dangerous substances and packages, which can be used for attack or could cause problems during the Games
  - Medicines/drugs and other medical substances in excess of permitted quantity and volume (all guests/visitors can take medicines in quantity of one package and no more than three types of medicines in all forms inclusive of aerosols, capsules, injections, etc.) in fabric manufacturers' package/bundle. The volume of all medicines should not be in excess of 100ml.
  - Drugs and psychotropic drugs
  - Knives, cutting tool and other objects or edged weapons
  - Liquids in volumes of 100ml or more.
  - Glass containers and bottles
  - All other objects, which could be interpreted as prohibited and dangerous items or replicate the intention.

The Azerbaijani Security Authorities will include the identification of items that do not, in themselves, pose any security threat but could affect spectator safety, comfort or enjoyment of competition. These include:

- Bicycles, skateboards, scooters
- Tripod for digital cameras with three legs (tripod) and a support (monopod)
- Any device with a laser beam/laser pointers
- Unlicensed Wireless Devices such as transmitters and radios
- Large bags or bags that have a rigid frame and will not fit under the seat on the viewing platform
- Animals (except service animals)
- Large umbrellas
- Devices producing excessive noise and capable of interfering with viewing and competition (vuvuzela, drum, whistle, horn/whistle, horns) at the Archery and Shooting competitions only
- Rigid poles and fishing poles used to hold flags (as these are safety risks to other spectators, may restrict visibility, and impinge evacuation)
- Large food containers, ice buckets (as these may block the aisle and pose a risk on evacuation)
- Signage and banners containing religious, political, provocative or obscene content
- Food not for personal consumption
- Alcohol

The list of prohibited items will be displayed at points of entry where a search and screening operation is in place.

### Exceptions

Emergency services and certain accredited personnel, including workforce, will be permitted to carry items as required by their accreditation in order to enable them to carry out their functions.

Athletes and team officials in possession of full accreditation are permitted to carry up to five litres of alcohol, in sealed containers, into the residential areas of the Villages.

## Tools of the trade

These include the requirements for people to bring items into venues that fall under the prohibited items policy but are required for categories of staff to undertake their work. Athletes, team officials and Technical Officials are permitted to carry a reasonable amount of liquids, aerosols and gels.

## Requests for emergency assistance

### Within the Athletes Village and Media Village

Details of emergency numbers to use within the Athletes Village and the Media Village will be issued in the welcome pack and will be displayed in all common areas, as well as on internal phones within each apartment. It will also be published on the rear of the residential apartment doors, along with the emergency service numbers used within Azerbaijan. Whilst on the village please use the number provided or locate a member of staff equipped with a personal radio for access to emergency services.

### Elsewhere in Baku and Azerbaijan

If you are outside the Athletes Village, Media Village or a Baku 2015 competition venue, dial the emergency numbers provided within your welcome pack. If you are within a Baku 2015 venue and require emergency assistance, contact the nearest BEGOC representative to ensure a response from first responders.

## Baku 2015 European Games

The European Games will be a multi-sport event for athletes from the National Olympic Committees in Europe and will be held every four years. The Games are owned, co-organized, and regulated by the European Olympic Committees (EOC). The European Games were created at the General Assembly of the European Olympic Committees on December 8, 2012 in Rome, Italy. At this General Assembly the right to host the Games was awarded to the City of Baku, Azerbaijan.

The Baku 2015 Organising Committee was established by decree of the President of the Republic of Azerbaijan on January 17, 2013. The Committee is chaired by the First Lady Mehriban Aliyeva. The Baku 2015 European Games Operations Committee (BEGOC) was established on March 4, 2013.

### Games overview

- More than 6,000 Athletes
- More than 3,000 Team Officials
- 20 Sports / 31 Disciplines
- 25 Olympic Disciplines
- 6 Non-Olympic Disciplines
- 253 Medal Events
- 17 days of competition
- 18 competition venues
- 12 Sports part of the Road to Rio 2016 Qualification
- Opening Ceremony: 12 June 2015
- Closing Ceremony: 28 June 2015

### Competition venues

The 253 medal events that make up the sport programme at the Baku 2015 European Games will be held at a total of 18 competition venues. These venues are divided in four geographical groupings:

- **Village Cluster** – venues in the vicinity of the Athletes Village
- **City Cluster** – venues in the vicinity of downtown Baku
- **Flag Square Cluster** – venues in the vicinity of Flag Square
- **Western and Other Venues** – venues to the west of downtown Baku, as well as Bilgah Beach and Mingachevir

The 18 competition venues, and the sports featured at each venue, are listed in the table below

Sport/discipline	Competition venue
Aquatics – Diving	Baku Aquatics Centre
Aquatics – Swimming	Baku Aquatics Centre

## Baku, and the history of the city

Baku is the capital and the largest city of Azerbaijan, as well as the largest city on the Caspian Sea and of the Caucasus region. It is located on the southern shore of the Absheron Peninsula, which projects into the Caspian Sea. At 28 metres below sea level Baku is the lowest lying national capital in the world and is home to approximately 2,5 million people. It is twinned with the European cities of Naples in Italy, Sarajevo in Bosnia and Izmir in Turkey.

The city consists of two principal parts: the downtown area and the old Inner City (Icherisheher). Baku is divided into 11 administrative districts (raions) and 48 townships. Among these are townships on islands in the Bay of Baku and the town of Oil Rocks built on stilts in the Caspian Sea, 60 km (37 miles) away from Baku. The Inner City of Baku along with the Palace of the Shirvanshahs and Maiden Tower were inscribed as UNESCO World Heritage Sites in 2000. According to the Lonely Planet's ranking, Baku is also among the world's top ten destinations for urban nightlife.

Baku is one of the few cities in the world to offer visitors the opportunity of enjoying all the attractions that a modern European city has to offer while also embracing traditions and culture that date back to medieval times.

Located at the crossroads of Europe and Asia, the city is one of the world's best-kept secrets with world class sporting and cultural events and modern and ancient attractions presenting no end of things to discover and enjoy.

The port city lies on the eastern side of Azerbaijan and is completely surrounded by the Caspian Sea - the world's largest lake.

Perhaps one of the most unique features of Baku is that it is the first European city in which the sun rises. The picturesque city is built on a high hill and forms an amphitheatre that slopes down to Baku Bay. It is often compared to San Francisco, or Naples in Italy with whom it is twinned along with the other European cities of Sarajevo in Bosnia and Izmir in Turkey.

Baku's reputation as the 'City of Contrasts' is well earned with the city having perfectly combined the beauty and intrigue of its ancient past with its ambition to establish itself as a modern European city featuring award winning architecture, business centre and skyscrapers.

The heart of Baku is the Old City which became a UNESCO heritage site in 2000. It has existed for thousands of years and is firmly established as the pearl of Azerbaijani architecture and culture. Within its walls visitors can travel back in time as they explore a maze of narrow cobbled streets, ancient caravanserais and the courtyards surrounding the 12th century Maiden Tower and the ornate Palace of the Shirvanshahs.

Azerbaijan's President Ilham Aliyev and First Lady and UNESCO and ISESCO Goodwill Ambassador Mehriban Aliyeva have been actively involved in the work which has taken place in recent years to restore and preserve this ancient heart of Azerbaijan.

The modern face of Baku is equally impressive. New developments have redefined the hills that line the picturesque Bay of Baku and even the coastline itself.

The iconic Heydar Aliyev Centre, designed by Zaha Hadid, provides a stunning setting for operas, symphonies, museum exhibits and modern art collections. Visits to The National Art Museum and Museum of Modern Art are also recommended.

Theatre is also a much-loved form of entertainment with Baku presenting a diverse range of theatre houses including a Mime Theatre and Puppet Theatre.

Baku's Flame Towers are the tallest skyscrapers in the city at 190 metres. The spectacular buildings which comprise apartments, a hotel and office blocks takes on another dimension each evening when thousands

of LED lights illuminate the façade of the three towers to display the movement of a fire visible from the farthest points of the city.

Another must see venue is the Heydar Aliyev Arena which has hosted numerous sports events. It will be home to Judo, Sambo and Wrestling during the Baku 2015 European Games. Azerbaijan's pop duo Ell & Nikki were crowned winners of the Eurovision Song Contest in 2011 with their song 'Running Scared'. Their success earned Azerbaijan the right to host the 2012 edition of the competition for the first time.

The event was staged at the magnificent Baku Crystal Hall, a 25,000 seat arena located near the National Flag Centre on a dramatic peninsula jutting out into the Bay of Baku.

## Discover Baku

### Shopping

Azerbaijan has been a popular choice for expatriates ever since large oil reserves were found in the country. The influx of westerners resulted in the availability of branded products, which has increased in dramatic proportions since independence. Prices of these products are not very expensive, but one needs to be careful against fake brands. For any foreign tourist, the country's arts and crafts section holds the maximum attraction.

In various cities of Azerbaijan, there are streets that sell handcrafts, silk, and other artefacts local to the city.

### Café culture, music and dining

Baku's café culture and social scene revolves around Baku's city Boulevard which features a six-kilometre promenade of shops, restaurants, cafes, clubs and family friendly fairground rides. Here visitors can enjoy al fresco dining and cocktails in bar terraces overlooking the Caspian Sea.

Live music is a feature of the energetic and eclectic nightlife in the city. Visitors can experience home-grown rock bands, the ever popular karaoke bars, Baku's unique jazz or some traditional mugam folk music.

Bars, clubs and discos are open till late in the morning, especially during weekends.

The city's excellent restaurants serve up an eclectic mix of international culinary styles ranging from five-star creations that will satisfy the most demanding gourmet to corner kebab shops for a taste of local flavour on the go.

Nine of the world's climate zones can be found in Azerbaijan. This provides lush fertile land which produces a great quantity of fresh herbs and vegetables which contribute to the high quality of the local food. Food forms a significant part of the culture in Azerbaijan and is deeply rooted in the history, tradition and values of the nation.

### Azerbaijani Cuisine

The city's excellent restaurants serve up an eclectic mix of international culinary styles ranging from five-star creations that will satisfy the most demanding gourmet to corner kebab shops for a taste of local flavour on the go.

Aside from the wonderful variety of soups and kebabs, Azerbaijan's most distinctive dish is the plov, a saffron rice-based dish which is traditionally accompanied by a variety of herbs and fresh vegetables.

### Theatre

The kind of life that Azerbaijani people lead, the festivals they celebrate, their traditions and outlook towards life has a great impact on the theatre of Azerbaijan. Traditional ceremonies, their dressing styles, dialogs, all form an integral part of the Azerbaijani theatrical experience. Dramatic clothes, masks, traditional dances, chorus songs and dance dramatise a typical Azerbaijani play.

The development of theatre has come a long way since Soviet rule to independent Azerbaijan. Theatre during Soviet rule represented the struggle of Azerbaijan's people for their independence along with contemporary, cultural and traditional formations. Theatre after Azerbaijan achieved independence has changed much, with present situations and topics affecting the content of the play. Theatre has started touring in foreign countries preserving and spreading their rich culture and tradition as well as the life of the Azerbaijani people.

## Nightlife

Although it is not known for its nightlife, visitors to Baku can enjoy a host of lively bars and clubs to have some fun at night. Food and drinks are reasonably priced. Most nightclubs have sprung up in the last decade or so after the influx of oil industry expatriates. Bars, clubs and discos are open till late in the morning, especially during weekends.

## Museums and Exhibitions

Azerbaijan has a long and rich history of culture, tradition and struggle for independence. A variety of interesting exhibitions can be found throughout the city.

## Azerbaijan, the land of fire

Azerbaijan is often referred to as the Land of Fire, since ancient religions based on fire-worship originated here. One of the first names for Azerbaijan was Aturpatakan, translating to “a place where sacred fire is preserved”.

Land of Fire originates from the sight of gas igniting on escaping from the ground, creating the effect of a burning hillside, at several sites in the Absheron peninsula, in the South Caucasus.

The South Caucasus is considered one of the first regions where fire was used. Nowadays there are 12 such fires throughout the Republic.

The most famous is the Yanar Dag, translated as the ‘Burning Mountain’, 27 km north of Baku city centre. It continuously vents flames of fire all year round, a process that has been going for around 1,000 years. Natural gas vents on the sides of the mountain ensure that the flame remains lit in wet weather.

## Useful information

### Banks and credit cards

There are a multitude of ATM machines around the city in Baku, most of which accept international debit and credit cards. Depending on your account-holding bank, there may be limits on the amount of currency you are able to withdraw in one day. The withdrawal limit from most

machines in the city is 500 New Manat (AZN) in one transaction.

Larger bank branches are open Mondays to Saturdays, but closed on Sundays. Smaller branches are closed on Saturdays and Sundays. International credit and debit cards are accepted in most restaurants and larger shops.

## Currency

The currency in Azerbaijan is the Azerbaijan New Manat (AZN). One hundred qepik equals one Manat, and Manat notes come in 1, 5, 10, 20, 50 and 100 denominations.

It is not possible to exchange currency into Manat in countries other than Azerbaijan so visitors will need to use the foreign exchange desk at the arrivals hall at the airport or withdraw from ATMs around the city.

## Electricity

Standard electrical power in Azerbaijan is 220v. Electrical equipment and appliances use the standard European 220-240v two-pin plug.

## Gratuities and tipping

Tipping is not expected across Azerbaijan but is commonplace in Baku. Occasionally a service charge is included on the bill, particularly in more established hotels and restaurants. Like any other place in the world, tipping for above-average service will be appreciated.

## Language

The official language is Azerbaijani but many people also speak Russian, Turkish and/or English.

The official language of the European Games will be English.

## Opening hours

Office hours are officially 09:00 to 17:00 Mondays through Fridays. Banking hours are officially 09:30 to 17:30, Mondays through Fridays.

Shops generally open around 09:30 or 10:00 and close around 19:00. Shops are open seven days a week. Bars and restaurants are open until at least 23:00.

## Smoking

Smoking is permitted in public areas across Azerbaijan, including most restaurants and bars. Smoking will not be permitted in any Baku 2015 European Games venue except for designated smoking areas.

## Taxes (VAT)

VAT in Azerbaijan is similar to that in most European VAT systems, with tax levied on the supply of most goods and services and on the import of goods. VAT payers are entitled to recover the amount of VAT paid on purchases (input VAT) that exceeds the VAT received from their taxable supplies (output VAT).

## Telephones

The country code for Azerbaijan is 994 and the city code for Baku is 012. The city code for Mingachevir is 2427. The international exit code for calling out of Azerbaijan is 00 and must be dialled before the relevant country code and telephone number.

Azerbaijani mobile phone numbers have 10 digits and most mobile numbers start with 050 or 051. All 10 digits must be dialled for calls within Azerbaijan. For example: 050-123-XXXX.

When calling from outside Azerbaijan, the country code then number minus the zero should be dialled. For example: +994-50-123-XXXX.

## Time Zone

Azerbaijan is UTC+4 hours. Daylight savings time is used in Azerbaijan so clocks go forward on the last Sunday in March and go back on the last Sunday in October.
