4. PARTICIPATION RIGHTS AND ACCREDITATIONS

Participation Rights

Refer to the Directives for details on the participation rights, accreditations principles (including media accreditations), maximum Delegation size, TACs, supplementary accreditations, observers, payment procedures, and insurance deadlines.

A list including all medical staff duly approved by the FIG is published on the FIG web site. Medical staff seeking accreditation for these JWCH and who are not on this list must send to the FIG Office (attention Mr. Loïc Vidmer at lvidmer@fig-gymnastics.org) a copy of their medical certificate/diploma duly translated in English or French.

They must also complete as soon as possible but at the very latest at the deadline of the Nominative Registration, the “Form to be accredited as Medical Doctor or Paramedical staff at FIG Events (2015 edition)”, which can be downloaded from the FIG database after creating a profile for medical staff (refer to the User instructions available on the FIG administration website). Without this document, the accreditation of the medical staff will not be released.

Accreditation Principles

FIG Accreditation rules have to be strictly respected.

The accreditation identifies individuals in good standing from FIG affiliated federations participating in the event. It indicates and defines individuals’ right to access to the different zones (see Appendix1 and Appendix 2) as per their functions. All participants and officials are required to wear their Accreditation Cards at all times as the accreditation card is necessary to pass the security controls.

The accreditation is personal, non-transferable and compulsory to have access to the Training, Warm-up, and Competition halls, the official functions and the transport system of the LOC. The LOC transport system will only be accessible if the accommodation was booked via the LOC.

The access in the Warm-up hall and the Competition Hall is strictly limited to the gymnasts participating in the specific competition and according to the Warm-up and Competition schedules, with the appropriate Delegation member with Transferable Access Card (TAC) if needed.

Any **misuse** of an accreditation (such as, but not limited to, zone, time, transfer) will lead to the **withdrawal of the accreditation and a fine of CHF 2500.- for each case.**

No access will be granted to members of Delegations who forget to take their accreditation or TAC. In case of lost or stolen accreditation cards, the LOC and the FIG must be informed immediately to block the accreditation. Lost or stolen accreditations may be replaced at the charge of the card holder (US\$ 200).

The Accreditation Rules will be strictly applied, notably as far as the number of accreditations per federation is concerned. No further accreditations may be issued without the prior approval of FIG. Any additional person is considered as a spectator and must buy entry tickets.

Accreditations will not be delivered unless all financial, organizational and insurance obligations have been met.

Accreditation Center

The accreditation center will be located in the LOC Office, adjacent to the SID (see Appendix 2) and will be open as follows:

Dates	Opening Times
November 16	By appointment
November 17-19	09:00 – 18:00

Accreditations will be distributed at the Accreditation Center to the Head of Delegation/Representative upon arrival of the Delegation. NFs will receive an advance invitation by e-mail from Ms. Bea Eusuya, the Head of Accreditation, requesting their Head of Delegation/Representative to attend a dedicated registration session. A reminder of this appointment will be given to the Head of Delegation/Representative on arrival at the hotel. Registration appointment will be planned in line with Delegation arrivals and airport to hotel transfer times. The Accreditation cards will be distributed to the Head of Delegation/Representative only once all the financial requirements have been fulfilled. If a Delegations fails to upload all required photos before the event and a photo must be taken at the Accreditation Center, the individual concerned must join the maximum of 2 persons allowed per Delegation in the Accreditation Center at the designated time. An amount of **US\$ 25** per missing photo will be charged to the NF by the LOC.

Control and Distribution of Material at Accreditation

At accreditation, the Head of Delegation/Representative must:

- verify the correct names of all Delegation members and present valid passports to the LOC for identity verification and nationality control. The LOC will scan and retain a copy of each accredited gymnast's passport.
- confirm the NF contact details onsite (Email and cell phone) for proper delivery of the JWCH related information and facilitate exchanges.
- choose whether or not to join the dedicated WhatsApp groups to receive first-hand information.
- provide proof of the cover note or a photocopy of the valid insurance policy in English only (if not submitted to the LOC in advance).
- confirm the bookings made in terms of accommodation, meals, and Farewell Banquet.
- confirm the number of persons attending the Orientation Meeting (maximum 2) and the Head of Delegation Welcome Reception.
- finalize the necessary payments if needed (such as accreditation, insurance, accommodations, meals, visa).
- if not done in advance, confirm the accuracy of the national anthem (the country's anthem should, if possible, be suitable for full playback in under one minute).
- if not done in advance, confirm the accuracy of the national flag (bringing a sample to the site is not required).
- verify the return flight schedules.
- check that the data of the WAG gymnasts' FX music has been submitted via the ClickNClear system.
- verify that the WAG gymnasts' FX music has been successfully uploaded to the ClicknClear system. For safety reasons, in case of technical issues, Delegations will be required to submit one backup copy of each WAG competitor's music on a thumb drive. The backup copy must include:
 - the name of the Federation (FIG official three letters country code e.g., SUI)
 - the full name of the gymnast. (e.g., PHI_Dela Cruz Maria)
 The copy will be returned to the Head of Delegation/Representative via the SID at the conclusion of the Delegation's competition.

At accreditation, the LOC will also hand out to each NF:

- A maximum of 2 Orientation Meeting Access Cards
- the "Medical and anti-doping practical information"
- information regarding the gymnasts' safeguarding plan.

Delegation Seating

The LOC will reserve a number of seats for the accredited Delegation members in the venue rows 7 to 12 of the East Wing (see Appendix 2). These seats will be available on a first come, first served basis. Delegates will be requested not to sit in any other spectator seats within the arena unless permitted to do so by a representative of the LOC. Reserved places will also be put at the disposal of Press, Radio, Television, Photographers, authorized officials and guests of honors.

Transferable Access Cards (TAC)

Appendix 2 of the Directives provides guidance for the Head of Delegation, Team Manager, (additional) Coaches and Medical Staff on their access rights to the Training, Warm-up, and Competition halls during Training, Podium Training, and all Competition phases. The number of TACs issued with the main accreditation card (which can only be transferred within the Federation's official Delegation and for the appropriate function) is also specified in detail.

The TACs will be distributed on a daily basis by the LOC at the entrance to the Warm-up Hall, at the beginning of each Delegation's scheduled warm-up session. Lost or stolen transferable cards will **not** be replaced.

5. INSURANCE

Delegations are requested to upload a **copy** of their insurance coverage note to the LOC online system **by October 15, 2025 at the very latest**. Delegation members with insufficient insurance coverage must inform the LOC **in writing** no later than **15 October 2025**. The LOC will subsequently offer insurance at the Federations' own charge as follows: **US\$ 30** per person per day. Further details can be obtained by contacting the LOC.

Visit <https://www.gymnastics.sport/site/pages/medical-insurance.php> for details on the First Class Assistance provided by FIG for Athletes and Judges.

6. NOMINATIVE REGISTRATIONS

Refer to the Directives for details on the various steps involved in the Nominative Registration.

As per FIG Code of Ethics, during the conduct of their activities, FIG members are expected to display correct conduct and deportment, to strictly follow the FIG Code of Conduct and to declare any conflict of interest between the organisation of which he/she is a member and all other organisations with which the FIG has relationships.

Any close family relative to a competitive gymnast may not judge that gymnast or his/her unit (pair, group, etc.) at any FIG sanctioned event. If a conflict should or could appear, the President of the FIG is to be informed, so appropriate action can be taken. As per the EC decision, the definition for "close family relative" is as follows:

- People who are married to, or live in a registered partnership or co-habit with a gymnast.
- People who are related to a gymnast by birth or marriage in direct or in collateral line, including the following persons: grandparent, parent, uncle, aunt, brother, sister, child, grandchild, nephew and cousin.

Fines

As per FIG TR, the fine to be paid to FIG after missing the Nominative Registration's deadlines or after late Nominative Registration is of CHF 1'000.-. The fine for not participating with a team following the NF confirmation of its qualified team quota place or after a Definitive Entry made with a team is of CHF 1'000.-

FIG licences

Refer to the Directives for details on FIG licenses.

Gymnasts' age limits

- The age of the **MAG gymnasts** in 2025 must be 15, 16, 17, or 18 years old (born 2007, 2008, 2009 or 2010). NFs must indicate in the FIG database whether their gymnasts who are 18 years old will compete as juniors or seniors before their first competition in 2025.
- The age of the **WAG gymnasts** in 2025 must be 14 or 15 years old (born 2010 or 2011)

7. JUDGES' BREVET

Only judges with the appropriate and valid category (1, 2, 3) of brevet for their function for this 16th Cycle (2025-2028) will be authorized to be registered via the **FIG** online system and judge in Pasay City, Manila. Category 4 judges will only be allowed to serve as Time judges or Line Judges and will have to register in writing via Email to the FIG Office.

8. REGISTRATION CHANGES

Refer to FIG TR Section 2 for details on the provisions regarding registration changes. Request for modifications (such as withdrawal/replacement, function change or late request) must be submitted **online** via **Form 1**.

A link with a personal login and password will be sent by the FIG IT Dept. to each NF to enable access to the system.

Competitors' bib numbers

The LOC will distribute the competitors' bib numbers to the Head of Delegation/Representative at the SID on **17 November 2025 from 18:00 to 19:00**. The loss of a competitor's bib number will have to be reported immediately to the SID. The competitor's bib number must be firmly attached to the competition attire during the whole competition. Sponsors' advertisements on competition bib numbers should not be covered and must be clearly visible.

- Stretching areas will be provided both for MAG and WAG in the ground floor adjacent to the SID and in the 2nd floor at the East Pre-Function Area, outside of the Delegation entrance.
- Equipment for the Women's FX musical accompaniment will be provided.

10. TRANSPORTATION AND VISAS

Refer to the Directives for details on Visas, International Transportation, Local Transportation, Shuttle Services and deadlines. For earlier arrivals or later departures, you may contact the LOC directly to discuss local transportation possibilities, as transport at any time other than from the official arrival day until the official departure day may be subject to fees.

Delegations are required to upload their arrival and departure information onto the **LOC** online system by **15 October 2025**.

IMPORTANT INFORMATION: Delegations are required to complete the [eTravel System](#), a digital single data platform for the collection of travel data, which is **COMPULSORY** for all passengers **BOTH** entering AND departing the Philippines. In addition, a **WEG or Waiver of Exclusion Ground** is a mandatory requirement of the Philippine Bureau of Immigration (BI) for foreign minors under the age of 15 travelling to the Philippines unaccompanied by their parents or legal guardian. This document is a formal permission from a parent or guardian that allows the child to be admitted into the Philippines, waiving the standard exclusion rule for unaccompanied minors. JWCH Transport Office Phone Number: whatsapp and viber: +639083699738

Arrivals

The LOC will welcome the Delegations with greeting signs at Ninoy Aquino International Airport (MNL) in the arrival lobby. The Delegations will be requested to make their ways to meet with the LOC.

Shuttle timetables for local transportation between the Training, Warm-up or Competition Halls and the official hotels will be provided to the Head of Delegation/Representative upon arrival. These timetables will also be available at the SID upon request, on the Delegations' information platform, and in the main hall of the official hotels (flipchart or screen).

The final payment to the LOC of the remaining 50% for accommodation costs is required to be **received on the LOC account by 16 October 2025**. Failure to forward the payment by the required date will result in the cancellation of reservations and the forfeiture of the deposit.

All questions concerning accommodation must be addressed directly to the LOC.

Check-in Times and Procedures

Each Official Hotel will have received a rooming list for the Delegations that submitted their registration.

Room cards and hotel information will be distributed to the Delegation upon their hotel check-in provided all financial requirements have been met. For check-in times, refer to the Directives.

Credit cards imprints may be made to cover all incidental costs during the Delegation's stay.

Check-out Times and Procedures

For check-out times, refer to the Directives.

Delegations will be responsible for all hotel costs incurred, including extra costs (such as, but not limited to, hotel services, laundry, room service, mini-bar, parking, paid TV movies, telephone calls). Any damages made to the Hotel facilities will be the exclusive responsibility of the Delegation concerned.

Refer to the Directives for details on the prices, reservations, arrangements, payments procedures, and cancellation policy.

Federations were required to register via the LOC online system their “Meal by Name” by 10 September 2025 (including charged Farewell Banquet tickets). The final payment to the LOC of the remaining 50% for the meals (including charged Farewell Banquet tickets) is required to be **received on the LOC account** by **16 October 2025**. Failure to forward the payment by the required date will result in the cancellation of reservations and the forfeiture of the deposit.

Based upon the reservations and payment made by each Federation via the LOC, the different meals arrangements will be made as mentioned in the Directives.

A variety of hot and cold food in sufficient quantities will be guaranteed each day at the MGBX located at the Basement 1 of the Marriott Grand Ballroom. Menus will be designed to be nutritious, tasty, and of excellent quality. The LOC will also provide the following:

All questions concerning meals must be addressed directly to the LOC.

Farewell banquet

Accredited Delegation members who will stay at one of the official hotels and will book their accommodation via the LOC online system will receive a free ticket for the Farewell Banquet, which will be held at the Tent City - Manila Hotel on **24 November 2025** from **20:00 to 24:00**. The Farewell Banquet will not be open to the media, with the exception of one ENG crew of the Host Broadcaster.

13. TRAINING AND PODIUM TRAINING

Early or late training opportunities

Federations wishing to organize pre-camps before these JWCH must contact the LOC at secretariat.jwch@philippinegymnastics.com for all necessary arrangements in terms of trainings (**strictly outside the official sites for these JWCH**), accommodation, meals, and transportation.

Official training schedules

The Official training schedules and the composition of the different training groups for MAG and WAG are included in Appendix 3 (subject to minor modifications). **NEW:** Each gymnast will have minimum 2 ½ hours and maximum 3 hours per day **in 1 session only**.

The Training sessions will be organized in the Training Halls (in accordance with scheduled times for both MAG and WAG) except prior to the Apparatus Finals. In that case, a 60 minutes training session (ending 60 minutes before the start of the competition) will be held in the Competition Hall for all qualified gymnasts (as well as the designated reserves and NF substitutes).

The LOC will strictly monitor the rotations and training orders of each group and the Delegations will have to respect the designated training times and the allocated halls. Changes to the official scheduled training hours will **not** be accepted and Delegations will be responsible for following the official training schedules. **No additional training requests will be accepted.**

After the Qualifications/Team Ranking, sufficient training sessions will be available for the qualified gymnasts and the designated reserves.

In order to maintain balanced training groups for the All-Around Final, the designated reserves will be placed into groups as follows:

- For NFs with qualified MAG or WAG gymnast, the designated reserves will, in principle, be placed in the same group as the qualified gymnast.
- For NFs without qualified MAG gymnast, the designated reserves will be placed, in principle, as follows:
 - designated reserve #1 in group #21 - #24
 - designated reserve #2 in group #17 - 20
 - designated reserve #3 in group #13 - 16
 - designated reserve #4 groups #9 - 12
- For NFs without qualified WAG gymnast, the designated reserves will be placed, in principle, as follows:
 - designated reserve #1 in group #19 - #24
 - designated reserve #2 in group #13 - #18
 - designated reserve #3 in group #7 - 12
 - designated reserve #4 groups #1 - 6

For the Apparatus Finals, the MAG and WAG designated reserves will all be assigned to train on their respective apparatus.

For gymnasts who do not progress beyond the Qualifications/Team Ranking as well as for NF substitutes (i.e., ranked higher than designated reserves but excluded from the Finals due to NF limits), open and free training sessions will be made available following the Qualifications/Team Ranking.

Due to space limits, the judges will **not** be authorized to attend any training sessions.

Podium training

Refer to Appendix 3 for information on the MAG and WAG podium training schedules (subject to minor modifications).

Podium Trainings will be considered as Training Days and will be open to media **and** the public.

The single Podium Training session for MAG and WAG will be held in accordance with the starting order of the FIG Draw for the Qualifications/Team Ranking and will in principle follow the time periods for Qualifications/Team Ranking.

In each rotation, the podium training times will be managed as follows:

- For Team Groups, time will be divided equally between the two Teams, except on VT where the time is shared (though Teams may agree to split time equally as well). Reserve gymnasts on Teams can participate in podium training. The Team scheduled to compete first will begin podium training, followed by the second Team, with no alternation between apparatus. If a Team consists of only one gymnast, that gymnast will retain the Team's drawn position.

- For Mixed Groups, the time will be shared among all gymnasts.

During their allocated Podium Training session time, the gymnasts will be authorized to return to the warm-up hall. However, before using the designated stretching area and the apparatus, gymnasts must first obtain permission from the NFs warming up for the next subdivision, who will always have priority.

To ensure that the gymnasts' WAG FX Exercise music will be played in the desired order, Federations will be required to submit **online Form 4**. A link with a personal login and password will be sent by the FIG IT Dept. to each NF to enable access to the system until **18 November 2025 at 10:00** at the latest for all subdivisions.

After each podium training session, the official and compulsory **portrait photo session** will take place in Room 6 MGB G/F, which is located next to the Athlete's Lounge (see Appendix 2). For the portrait photo session, athletes are requested to wear their national tracksuit and any visible branding must meet the FIG Advertising Rules. The images will be shown on the scoreboards and video screen in the Competition Hall during the TV broadcast and on the FIG website as part of the athletes' biographies.

14. WARM-UP BEFORE PODIUM TRAINING AND COMPETITIONS

Refer to Appendix 3 for information on the MAG and WAG warm-up schedules (subject to minor modifications). Warm-up times prior to Podium Training and Competitions will be organized in accordance with scheduled times for both MAG and WAG as follows:

Before **Podium Training and Qualifications/Team Ranking**: 1h45 in the Warm-up Hall for all MAG gymnasts (including for Reserve gymnasts on teams) and 1h30 in the Warm-up Hall for all WAG gymnasts (including for Reserve gymnasts on teams).

Before the **All-Around Finals**: 1h15 in the Warm-up Hall for all qualified MAG gymnasts and 1h30 in the Warm-up Hall for all qualified WAG gymnasts. Designated reserves and NF substitutes may also use the Warm-up Hall until the end of the All-Around Final warm-up time period as follows:

- For NFs with qualified MAG or WAG gymnast as well as designated reserves or NF substitutes, these gymnasts will, in principle, all be placed in the same group as the qualified gymnast
- For NFs without qualified MAG gymnast, the designated reserves will be placed, in principle, as follows:
 - designated reserve #1 in group #21 - 24
 - designated reserve #2 in group #17 - 20
 - designated reserve #3 in group #13 - 16
 - designated reserve #4 groups #9 - 12
- For NFs without qualified WAG gymnast, the designated reserves will be placed, in principle, as follows:
 - designated reserve #1 in group #19 - #24
 - designated reserve #2 in group #13 - 18
 - designated reserve #3 in group #7 - 12
 - designated reserve #4 groups #1 - 6

Between the end of **Apparatus Finals** training session in the Competition Hall and throughout the Apparatus Finals, all qualified gymnasts (including designated reserves and NF substitutes) will have access to warm-up time in the Warm-up Hall until the end of the warm-up period for each Final. All gymnasts will be assigned to warm-up on their respective apparatus.

15. COMPETITIONS (INCLUDING "TOUCH" WARM-UP)

See Appendix 3 for information on the MAG and WAG Competition schedules (subject to minor modifications).

Drawing of Lots

The gymnasts' drawing of lots, deciding the starting order of the Qualifications/Team Ranking and the Apparatus Finals, was conducted on 01 September 2025 at 10:00 CET in the FIG Offices in Lausanne (SUI), in the virtual presence of MTC President Andrew Tombs, WTC President Donatella Sacchi and LOC Representatives. The results were published consecutively. As per FIG TR section 1, following the draw, no new individual gymnast may be added beyond the number declared in the Definitive Registration, nor may they appear in the Nominative Registration or be accredited; however, NFs with a team may still add gymnasts within the permitted team quota. The FIG, in consultation with the TC and the LOC reserves the right to make adjustments to the draw and starting order if the Nominative Registrations received or the final number of participants at the time of the competition create organizational challenges related to training, podium training, warm-up and competition schedules.

General Principles

Qualifications/Team Ranking, All Around Finals, and Apparatus Finals will be held in accordance with the 2025 FIG TR including Section 2, the MAG Code of Points 2025-2028 (including modifications for Junior Competitions and NSL# 1 and # 2), the WAG Code of Points 2025-2028 (including modifications for Junior Competitions and Help Desk for the 16th Cycle, 1st Edition), as well as other FIG Technical Directives. For gymnasts' substitution or withdrawal, refer to Section 2 of the FIG TR.

These JWCH comprise exercises on each of the various apparatus to determine the Team Junior World Champion, the All-Around Junior World Champion and the Junior World Champion on each Apparatus.

The Competition Director and the FOP Managers will be in charge in all relevant areas. The instructions given by them must be strictly observed, especially during TV broadcast in relation with the march -in and -out.

During "touch" warm-up and competition on the FOP, gymnasts, coaches, medical staff, and judges are absolutely prohibited from using any electronic device to talk, transmit or receive messages (such as, but not limited to, mobile phones, mini-notebooks, computers) or use any camera or video device. D- Judges may use a personal computer only for their necessary judging information and to record details of exercises for their final report. Gymnasts may use an electronic device in the FOP only for the playing of personal music with headphones.

Preparation of Apparatus

MAG Provisions

- At the start of the competition, coaches/gymnasts may begin preparing the apparatus as soon as the gymnasts' presentation or the march -in music starts.
- Preparation of any apparatus may be performed by coaches for the upcoming rotation upon completion of the final exercise in the current rotation and publication of the last gymnast's score on that apparatus.

Qualifications/Team Ranking:

- For preparation of any apparatus prior to an exercise (during the "touch" warm-up and competition), any FOP accredited person from the federation of the gymnasts may assist.

All-Around Final and Apparatus Finals:

- A maximum of three people (the competing gymnast, coach, and 1 other FOP accredited person) may be on the podium to prepare the apparatus. This additional gymnast or coach must exit the FOP immediately or at the very latest at the end of the gymnast's routine.

WAG Provisions

- At the start of the competition, coaches/gymnasts may begin preparing the apparatus as soon as the gymnasts presentation or the march -in music starts.

- For all of subsequent rotations, coaches/gymnasts may move to the apparatus in advance and begin preparations as soon as the rotation music starts.

VT and BB (Qualifications/Team Ranking and all the Finals):

- The accredited coaches in attendance on the FOP may prepare VT and BB

UB (Qualifications/Team Ranking and all the Finals):

- Since 2 accredited persons may prepare the UB, if a NF has only 1 accredited coach in attendance on the FOP, an additional gymnast, coach or medical staff may enter the FOP to assist with the preparation. Once the UB is ready, this additional gymnast, coach or medical staff must exit the FOP immediately or at the very latest by the end of the gymnast's routine.

“Touch” Warm-up on the FOP

For the **Qualifications/Team Ranking** and all the **Finals**, the “touch” warm-up period will be provided on the FOP for each gymnast as follows:

- For WAG:
 - 30 seconds on FX and BB.
 - 50 seconds on UB (including the preparation of the bars)
 - A maximum of 2 attempts on VT, except in Qualifications/Team Ranking, where gymnasts aiming for the Apparatus Final may have up to 3 attempts
- For MAG:
 - 50 seconds on FX, PH, SR, HB and PB
 - A maximum of 2 attempts on VT

These 'touch' warm-up times are allocated to the entire Team in Team Groups, and to each individual gymnast in Mixed Groups.

For the **Qualifications/Team Ranking**:

- Team gymnasts in **Team Groups** will perform their “touch” warm-up separately according to the draw:
 - All teams drawn **first** will begin their “touch” warm-up simultaneously, then proceed to compete.
 - Once all first-drawn teams have finished competing, all teams drawn **second** will begin their “touch” warm-up at the same time, followed by competition.
 - Announcements will indicate the start time of the “touch” warm-up for both first-drawn and second-drawn teams. Only the teams scheduled for their “touch” warm-up are permitted on the podium.
 - The draw order for teams will remain the same throughout all rotations; **Teams will not alternate** between apparatus.
 - If a country drawn as a Team participates with only one gymnast, that gymnast will retain the Team's drawn position. The “touch” warm-up (and competition) will follow the same procedures as for Teams.
- Individual gymnasts in **Mixed Groups** will perform their “touch” warm-up together, as **one group**, following the starting order.

For the **All-Around Final**:

- All gymnasts will perform their “touch” warm-up as one group, according to the starting order.

For the **Apparatus Finals**:

- The “touch” warm-up will be conducted on each apparatus in **two groups**, based on the starting order:
 - **Gymnasts 1–4** will “touch” warm up first and then compete.
 - Once gymnasts 1–4 have finished competing, **gymnasts 5–8** will “touch” warm up and then compete.
- If more than 8 finalists qualify for an apparatus, a draw will be conducted among the tied gymnasts. In such cases, the **first group to “touch” warm-up** (and compete) will have the smallest number of gymnasts, the second group will include the others.

Qualifications/Team Ranking and Starting Order

The gymnasts will be divided into groups consisting either of Groups with 2 Teams (for NFs with Teams) or Mixed Groups (for NFs with individual gymnasts). The placement of groups within the various subdivisions and apparatus, as well as the starting order of the NFs in the first rotation, was determined by the draw.

The 2 teams in the **Team Groups** will compete separately:

- All teams drawn **first** will compete immediately after the end of their “touch” warm-up.
- Once all teams drawn first have finished competing, all teams drawn second will compete together, immediately after the end of their “touch” warm-up.
- The order in which the teams have been drawn will remain the same for each rotation. Teams will **NOT** alternate from one apparatus to the other.
- If a country drawn as a Team participates with only one gymnast, that gymnast will retain the Team’s drawn position. The (“touch” warm-up and) competition will follow the same procedures as for Teams.

Gymnasts in **Mixed Groups** will compete immediately after their “touch” warm-up, **as one group**, and will rotate from one apparatus to the next according to standard rules, with the gymnast who competed first on one apparatus moving to the last position on the next.

The Head of Delegation/Representative must confirm:

- For **Teams**: the starting order of the gymnasts on each apparatus (of the 3 gymnasts, 3 compete, and the 2 highest scores count).
- For **Individual Gymnasts**: whether the gymnast will compete on all apparatus or not.
- For Vault: whether the gymnast will **perform one or two** Vaults and the **Vault Number**.

The confirmation of the starting order for the Qualifications/Team Ranking must be submitted **online** via **Form 5Q**, 24 hours at the latest before the start of the first MAG or WAG Subdivision as follows:

- For **MAG** Subdivisions **1 to 4**: **19 November 2025 at 10:00**
- For **WAG** Subdivisions **1 to 6**: **20 November 2025 at 10:00**

A link with a personal login and password will be sent by the FIG IT Dept. to each NF to enable access to the system.

If a federation does not respect these deadlines, the gymnasts’ starting order will be determined based on the gymnasts’ bib numbers.

The gymnasts will be authorized to return to the warm-up hall during the Qualifications/Team Ranking. However, before using the designated stretching area and the apparatus, gymnasts must first obtain permission from the NFs warming up for the next subdivision, who will always have priority. Gymnasts will be fully responsible for being present in the Competition Hall when required in order to perform their routine on time.

At the end of the Qualifications, the **Team Ranking** will be determined. **Medal-winning teams that competed in earlier subdivisions must be present in time for the Awards Ceremony, scheduled to take place for MAG on 20 November 2025 immediately after subdivision 4 and for WAG on 21 November 2025 immediately after subdivision 6.**

The lists of qualified gymnasts (including the designated reserves and the NF substitutes) for the All-Around Finals and the Apparatus Finals will be published and distributed. In case of ties, the tie-breaking rules as defined in the FIG TR will apply.

A gymnast qualified for the All-Around Final or the Apparatus Finals may be substituted by another from the same NF, as per FIG TR Section 2, if the substitute is ranked above the first designated reserve.

All-Around Final and Working Order

In order to qualify for the All-Around Final, the gymnast must have competed in the Qualifications/Team Ranking on all the apparatus. The best 24 gymnasts from the Qualifications/Team Ranking will qualify for the All-Around Final with a maximum of 2 gymnasts per Federation, and with 4 designated reserves standing by.

The MAG and WAG competitions working order will take place in accordance with the TR, section 2.

NEW: The **24 MAG gymnasts** will compete in **6 groups of 4 gymnasts** (instead of 4 groups of 6 gymnasts).

All gymnasts will do their competition in one group. During the All-Around Final, gymnasts are **NOT authorized** to leave the Competition Hall to return to the Warm-up Hall.

Participation in the All-Around Final does not need to be confirmed. However, any place refused or gymnast withdrawn (for qualified gymnasts, designated reserves, and NF substitutes) must be submitted **online** by the Head of Delegation/Representative via **Form 7AAF**, at the very latest 24 hours before the start of each Final as follows:

- For **MAG: 21 November 2025 at 15:00**
- For **WAG: 21 November 2025 at 19:00**

A link with a personal login and password will be sent by the FIG IT Dept. to each NF to enable access to the system.

In case of ties, the tie-breaking rules as defined in the FIG TR will apply.

Apparatus Finals and Starting Order

In order to qualify for the Apparatus Finals, the gymnasts **must have received a score on every apparatus in the Qualifications/Team Ranking**. The best eight gymnasts per apparatus from the Qualifications/Team Ranking will qualify for the Apparatus Finals with a maximum of two gymnasts per Federation and with 3 designated reserve gymnasts per apparatus standing by.

The MAG and WAG starting order will take place as per the gymnasts' drawing of lots results. The gymnasts will compete in two groups as follows:

- Gymnasts 1- 4 compete first after completing their "touch warm-up"
- Gymnasts 5- 8 compete second after completing their "touch warm-up"

In case more than 8 Finalists qualify for the Apparatus Finals, a draw is conducted between the tied gymnasts. The group with the smallest number of gymnasts will "touch warm-up" and compete first.

Participation in the Apparatus Finals does not need to be confirmed. However, any place refused or gymnast withdrawn (for qualified gymnasts, designated reserves, and NF substitutes) must be submitted **online** by the Head of Delegation/Representative via **Form 7AF**, at the very latest 24 hours before to the start of the Apparatus Finals as follows:

- For **MAG and WAG: 22 November 2025 at 14:00 for Day 1**
- For **MAG and WAG: 23 November 2025 at 14:00 for Day 2**

A link with a personal login and password will be sent by the FIG IT Dept. to each NF to enable access to the system.

During Apparatus Final, gymnasts are authorized to leave the competition hall to return to the Warm-up Hall if their starting order allows it. The gymnasts will be fully responsible for being present in the Competition Hall when required in order to perform their routine on time.

In case of ties, the tie-breaking rules as defined in the FIG TR will apply.

Kiss and Cry

For each phase of the competition, gymnasts will be required to remain in front of the sponsor backdrop located in the seating area next to their apparatus until a few seconds after their score is displayed. This procedure will be confirmed at the Orientation Meeting

D- Judges

The 12 MAG and 8 WAG Difficulty Judges for these JWCH have been drawn respectively by the MTC and WTC.

E- Judges

Each Delegation entering either a Team or an Individual gymnast has the right to present one qualified E-judge in good standing of Category 1, 2, or 3 through the **FIG** online system, and this right remains even if a D-Judge has been drawn.

Category 4 judges will only be allowed to serve as Time judges or Line Judges and will have to register in writing via Email to the FIG Office.

E-judges **cannot** attend Podium Trainings **on the FOP**. It is however their responsibility to be present for the start of their Judges' Instructions as follows:

During the competitions, the announcements will be made exclusively in English.

The warm-up will end **15 minutes** before the start of the competition. The first roll call will be conducted in the warm-up hall **10 minutes** before the start of the competitions. The second roll call will be conducted at the entrance of the Competition Hall, **5 minutes** before the start of the competitions. The gymnasts must remain in position and may not leave within these 5 minutes.

The competitors are required to wear their competition attire for the march -in and -out (see Appendix 2) and to follow the instructions of the LOC staff. Coaches and medical staff will be asked to enter the FOP by a separate entrance and to carry the gymnasts' bags to their first apparatus.

21. SCORING

Swiss Timing will provide the official scoring equipment for these JWCH. The Swiss Timing equipment will be used for the data management of the gymnasts' start lists, judges' lists, scores, and results.

While the IRCOS system will be used in accordance with FIG Rules, the start list of competitors, the list of judges and the results will be distributed electronically via Email and will be available at the Delegations' information platform. Start lists, results and live scoring will also be accessible on the FIG website.

The Superior Jury will have the possibility of using the outputs provided by the IRCOS video replay system in accordance with FIG Rules.

Invalid Results marks

Refer to the "Appendix to the Code of Points" for details on the designations and implications of invalid results marks, including "Did Not Start" (DNS), "Did Not Finish" (DNF), "0" score, or "Disqualified" (DSQ).

22. INQUIRY, REVIEW OF TIME OR LINE DEDUCTIONS, AND BONUSES

NEW: In accordance with FIG TR, the procedures have been amended as described below.

Inquiries are allowed only for the D-score and cannot be withdrawn once submitted. Only the designated NF Authorised Representative (a coach or a Delegation member, never a judge) may submit an inquiry, and only for their own gymnast. Inquiries cannot be submitted on behalf of another NF. The designated NF Authorised Representative must be present in the Inquiry Area on the FOP and will remain fully and solely responsible for the proper and timely submission of inquiries. The Inquiry Officer will check the identity of the NF Authorised Representative and may give guidance. Decisions resulting from inquiries cannot be challenged.

Inquiries must be submitted through the electronic device by selecting the relevant gymnast's name within the time limit. Inquiries must be submitted **within two minutes after the score is displayed**. The device will automatically prevent late submissions. Late or incorrectly submitted inquiries will be rejected by the President of the Superior Jury. The rejection is final and cannot be challenged.

Timely and properly submitted inquiries will be reviewed by the Superior Jury President, using official competition footage only. The decision will be made as quickly as possible. In Apparatus Finals the inquiry must be resolved before the next gymnast score is displayed. Decisions resulting from inquiries cannot be challenged.

The score may be increased, reduced, or remain unchanged after the inquiry review. The inquiry costs are as follows: CHF 300 for the first inquiry, CHF 500 for the second, CHF 1,000 for each subsequent one (not reset by competition phase). If the D-score increases, the fee is waived. If it remains unchanged or is reduced, the fee is charged to the NF and transferred to the FIG Foundation for Solidarity. No on-site payments will be allowed. FIG will invoice the NF after the event.

Rankings will become final once all inquiries have been processed and results have been confirmed and signed by the Superior Jury President.

Requests to revise Time or Line deductions or Bonuses are treated separately from inquiries and do not incur fees. However, such requests must comply with the same principles, procedures, and deadlines specified for inquiries. Requests to revise other neutral deductions or penalties are not permitted

Additional information is laid down in the FIG TR and in the Appendix to the Code of Points.
