DIRECTIVES

Dear President,

World Gymnastics* is pleased to herein provide you with the Directives for the 2nd Acrobatic Gymnastics Junior World Championships (JWCH) and 14th World Youth Competition (WYC) to be held in Pesaro (ITA) from 17th until 20th September 2026.

These JWCH/WYC (afterwards called “event”) will be organized following the current valid version of the FIG Statutes, Technical Regulations, the Acrobatic Gymnastics Code of Points as well as all other current Rules and Guidelines valid starting 1st January 2026 (cycle 2025-2028), onwards, any possible amendments by the date of this event, and any complements decided in the meantime.

All participating Federations commit to abide by the Statutes and all FIG Rules and Regulations. Federations not respecting them will not be allowed to compete.

**World Gymnastics is our new brand and the primary way our organisation presents itself to the world. This is our only brand used across all communications, events, and international visibility.*

At the same time, FIG (Fédération Internationale de Gymnastique) remains the legal entity and for now, all governance, regulatory functions, and institutional responsibilities continue to fall under its umbrella. In this document, the legal name FIG will be used only for regulatory purposes.

<https://acc.gymresult.it/>

The online accreditation system will be open from 10 June 2024 and will be closed on 12 August 2026.

Please consider: if photos will have to be taken at the accreditation desk (because they were not sent within the deadline/in the correct format) **EUR 50.- will be charged for each photo**.

Please note that provisional, definitive, nominative registrations as well as any kind of modifications within the delegations (name changes, function changes etc) must be submitted via the FIG online platform to be official.

21. INSURANCE

The Host Federation, the LOC and the FIG will not be held responsible for any liabilities in case of accidents, illness, repatriation and the like.

The FIG Technical Regulations foresee that all participating Federations are responsible for making their own arrangements to have the necessary valid insurance coverage against illness (including COVID-19), accidents and for repatriation for all the members of their Delegation.

Basic insurance (sickness, accident and repatriation) in your country of residence is compulsory in order to be able to benefit from coverage by FIG IMSSA subsidiary insurance. Please also refer to

<https://www.gymnastics.sport/site/pages/medical-insurance.php> for additional information regarding the FIG IMSSA insurance for Athletes and Judges.

The LOC will verify the insurance upon arrival of the delegation members (e.g. cover note or photocopy of the valid policy **in English only**).

The LOC will subsequently offer insurance at the Federations own charge as follows: **20EUR per person**.

Note: The insurance will cover only official activities of the WCH such competitions, trainings and routes of local transportation. Additional activities such leisure or tourism will not be covered.

22. SAFEGUARDING AND PROTECTING PARTICIPANTS IN GYMNASTICS

From the official date of arrival until the official day of departure of the event, participants (gymnasts, coaches, judges and any other delegation members) have the opportunity to contact by phone or e-mail a Safeguarding Officer in case of harassment or abuse of any type or if they are worried or do not feel comfortable.

There will be one LOC Safeguarding Officer as well as one person from World Gymnastics on-site throughout the event. The contacts will be communicated upon arrival of the delegations.

In addition, posters of the “10 Golden Rules of Gymnastics” – the World Gymnastics campaign to raise awareness about youth protection in Gymnastics - will be displayed in several locations, including training and warm-up halls and public zones.

23. WORK PLAN

The Workplan will be sent to all the participating federations at the latest six weeks before the start of the competitions.

24. MUSIC AND MUSIC FORM

Music:

The LOC is responsible to comply with the local laws of music copyright and to secure and retain all clearances required with respect to any and all music or sounds displayed during any phase of the event. In principle, ClickNClear will also be used to assist NFs to ensure that the music of their unit(s) is appropriately licensed for use in competition.

If confirmed, the procedure to be completed by **12 August 2026** at the very latest is as follows:

- The link to access the ClickNClear system for these WCH will be communicated at a later stage
- NFs will be required to create an account and add their unit(s) (if not done from previous FIG events)
- NFs will be asked to upload the music for their unit(s)
- NFs will be able to provide a music license agreement and supporting information for each of their unit(s)
- Information will be given to check whether their unit(s) music has been properly licensed.

During Podium training, NFs will be able to verify that the music for their unit(s) is correctly played.

Pending confirmation of the use of the ClickNClear system, Appendix 1, the “How To” document, will guide you through the upload process.

For technical support, please contact support@clicknclear.com.
