20. INSURANCE

The Host Federation, the LOC and World Gymnastics will not be held responsible for any liabilities in the event of accidents, illness (including COVID-19), repatriation, or similar occurrences.

In accordance with the **FIG Technical Regulations**, all participating Federations are responsible for ensuring that all Delegation Members have valid insurance coverage for illness, accidents, and repatriation during the entire duration of their stay.

It is mandatory that Delegation Members are covered by **basic insurance** (covering sickness, accident, and repatriation) in their country of residence, in order to benefit from coverage by the **FIG IMSSA subsidiary insurance**.

For detailed information regarding the World Gymnastics IMSSA insurance for Athletes and Judges, please refer to:

<https://www.gymnastics.sport/site/pages/medical-insurance.php>

A copy of the insurance while in the host country must be submitted via the LOC online platform well in advance but no later than **Wednesday 5 August 2026**. If the note has not been sent in advance to the LOC (which is strongly recommended), the LOC will verify the Delegation members' insurance upon arrival at the latest (e.g., coverage note or photocopy of the valid policy in **English** only). Insurance notes in other languages will automatically be refused.

The policy must be valid starting **from the day of arrival** and must remain valid for the **entire duration of the stay**.

If a Federation cannot provide proof of valid insurance, the LOC will offer insurance coverage at the Federation's own expense, at a cost of:

15 Euro per person/day.

Note: The insurance will cover only official activities of the WCH such competitions, trainings and routes of local transportation. Additional activities such leisure or tourism will not be covered.

21. SAFEGUARDING AND PROTECTING PARTICIPANTS IN GYMNASTICS

From the **official day of arrival** until the **official day of departure**, all participants — including **gymnasts, coaches, judges, and other Delegation Members** — will have the possibility to **contact the LOC Safeguarding Officer** by phone or email in case of:

- Harassment
- Abuse of any kind
- Any situation where they feel uncomfortable or unsafe

The **contact information** for the LOC Safeguarding Officer will be **provided to all Delegations upon arrival** on site.

As part of World Gymnastics' commitment to athlete welfare and youth protection, **posters of the "10 Golden Rules of Gymnastics"**, part of World Gymnastics' awareness campaign, must be **clearly displayed** in several key areas, including:

- Training Halls
- Warm-Up Areas
- Public Zones

These measures are in place to ensure a **safe, respectful, and supportive environment** for all participants throughout the event.

There will be one LOC Safeguarding Officer as well as one person from World Gymnastics.

Their respective contacts will be communicated in the Work Plan.

22. WORK PLAN

The Work Plan will be published on the World Gymnastics online calendar six weeks at the latest before the start of the competitions.
