It regularly welcomes acts from all over the world and boasts an architectural design that allows for a wide range of seating arrangements and capacities. The building, facing the longest river in China, draws inspiration from imagery of "layered waves and overlapping tides" depicted in the Song Dynasty's ink painting while built with an ecofriendly concept by utilizing hybrid and green energy. The venue has a total area of 8,750 m² and a seating capacity of around 3000. 22. INSURANCE

The Host Federation, the LOC and World Gymnastics will not be held responsible for any liabilities in the event of accidents, illness (including COVID-19, if applicable), repatriation, or similar occurrences.

In accordance with the FIG Technical Regulations, all participating Federations are responsible for ensuring that all Delegation Members have valid insurance coverage for illness, accidents, and repatriation during the entire duration of their stay.

It is mandatory that Delegation Members are covered by basic insurance (covering sickness, accident, and repatriation) in their country of residence, in order to benefit from coverage by the FIG IMSSA subsidiary insurance.

For detailed information regarding the World Gymnastics IMSSA insurance for Athletes and Judges, please refer to:

<https://www.gymnastics.sport/site/pages/medical-insurance.php>

A copy of the insurance while in the host country must be submitted via the LOC online platform well in advance but no later than **30 September 2026**. If the note has not been sent in advance to the LOC (which is strongly recommended), the LOC will verify the Delegation members' insurance upon arrival at the latest (e.g., coverage note or photocopy of the valid policy in **English** only). Insurance notes in other languages will automatically be refused.

The policy must be valid starting from the day of arrival and must remain valid for the entire duration of the stay.

Delegation members with insufficient insurance coverage must inform the LOC in writing no later than **30 September 2026**. The LOC will subsequently offer insurance at the Federations' own charge as follows: **15 USD** per person and per day.

Note: The insurance will cover only official activities of the WCH such competitions, trainings and routes of local transportation. Additional activities such leisure or tourism will not be covered.
