NOC Emblem and National Identity

Additional IF Specifications

Section 07

Third Party Identifications (athlete names)
No names of athletes allowed on items, section 8 of the General Guidelines applies.

Section 9

NOC Emblems and National Identity

All competitors who participate in competition must wear an identification of their country/ territory in the form of a flag (in official colors) and/or the country name (IOC abbreviation or in full) [●] and the minimum total area is 30cm². A national emblem, NOC emblem, or crest, if the country/territory has one, or its coat of arms may be worn, in addition to the required flag and/or country/territory name [●].

The uniform may be designed in the national colours and portray clearly the national identity, in addition to the required flag and/or country name (IOC abbreviation or in full). Identification may be in the form of a badge, sewn on, or affixed by numerous other methods in a safe and secure manner.

- National identification must appear on the athlete at least one time, with no limit on frequency
- Placement is optional

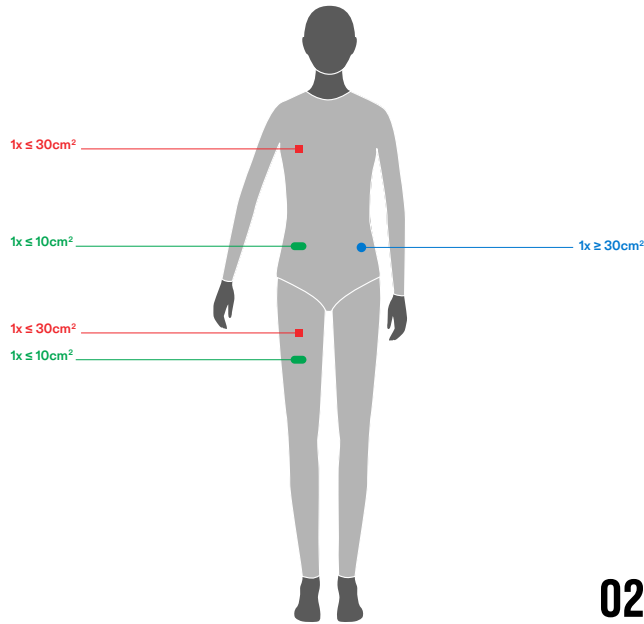

Such emblems may appear as follows:

Men's singlet or unitard: anywhere
Men's shorts or pants: anywhere

For teams, the national identification must be the same for all members.

The national identification on the warm-up suit is not regulated, but should be reasonable and in good taste in keeping with other rules as specified. National identification is not advertising.
