7. ACCREDITATION

ARENA Burgas - OC OFFICE

Wednesday, 27th May from 09:00 – 20:00

(Delegation arriving later than 20:00 must contact the LOC)

The accreditation system identifies individuals participating in the competition and ensures controlled access to each area.

All participants and officials are required to wear accreditationcards at all times.

At accreditation, the Head of Delegation must check the correct names of their complete delegation, verify accommodation requirements, make the necessary payments (including insurance, if necessary). They also must present the passports / ID of all competitors and judges for the control of nationality and age. If there was any change of what is on WG website, the definitive competition schedule will be given to the Head of Delegation.

The accreditation is personal, non-transferable and compulsory to control access to training and competition hall, functions, official transport, lunches and dinners.

Without your accreditation card, you cannot pass the security control, and you cannot participate in lunches, dinners, etc. So, if you have lost your accreditation card, you must purchase a new one for the price of **150 Euro**.

When all the commitments are fulfilled, all delegation members will receive their accreditations. All participants and officials are required to wear the accreditations at all times. Federations will receive accreditation based on nominative entry upon arrival at the Competition Venue.

8. TARIFF SHEETS

Tariff sheets must be made on Acro Companion software and uploaded by 20/05/2026.

Changes on tariff sheets will be allowed according to the CoP (until 27/05/2026, accreditation day).

Please be sure that all tariff sheets are correct, so you may avoid any penalties.

In principle, no changes can be made to the Tariff Sheets after accreditation.

Changes will be accepted only in case of injuries/minor accidents or for other important reasons subject to approval by the WG Superior Jury President.

9. MUSIC

Music must be uploaded on the tariff sheet in Acro Companion until 20/05/2026.

The Organizing Committee guarantees personal protection and the strict use of your musical creations during this event.

Keep in your possession a *specimen* of your music on a USB Key in case of a technical problem in the Competition area or for your training sessions

10. INSURANCE

The host Federation, the Organizing Committee and the World Gymnastics will not be held responsible for any liabilities in case of accidents, illness, repatriation and the like.

The World Gymnastics Technical Regulations foresee that all participating Federations are responsible for making their own arrangements to have the necessary valid insurance coverage against illness, accidents and repatriation for all the members of their Delegation.

Basic insurance (sickness, accident and repatriation) in your country of residence is compulsory to be able to benefit from coverage by World Gymnastics IMSSA subsidiary insurance. Please also refer to [World Gymnastics - Medical - Insurance](#) for additional information regarding the World Gymnastics IMSSA insurance for Athletes and Judges.

If the note has not been sent in advance to the LOC (which is strongly recommended), the LOC will verify the insurance coverage upon arrival of the delegation members (e.g. cover note or photocopy of the valid policy).

The insurance must be valid at least starting from the arrival day of the delegation and must last for the delegation's entire stay.

Delegation members with insufficient insurance coverage must inform the LOC in advance.

The Organizing Committee will subsequently offer insurance at the Federations own charge as follows: 50 EUR per person/day.
