

54TH ARTISTIC GYMNASTICS WORLD CHAMPIONSHIPS

ROTTERDAM (NED)

17 October – 25 October, 2026

Work Plan

World Gymnastics (WGYM) is our new brand and the primary way our organization presents itself to the world. This is our only brand used across all communications, events, and international visibility. At the same time, FIG (Fédération Internationale de Gymnastique) remains the legal entity and for now, all governance, regulatory functions, and institutional responsibilities continue to fall under its umbrella.

In this document, the legal name FIG will be used only for regulatory purposes.

4. PARTICIPATION RIGHTS AND ACCREDITATIONS

Refer to the Directives for details on the participation rights, accreditations principles (including media accreditations), maximum Delegation size, TACs, supplementary accreditations, observers, payment procedures, and insurance deadlines.

National Anthem and Flag

As part of the participation requirements, each Delegation will be requested to provide the following two items **no later than 15 September 2026 via competition@rotterdam2026.nl**:

- The country's national anthem (i.e. for full playback within one minute 30 seconds).
- The correct national flag (i.e. submission of a physical flag sample is not required).

If these items are not submitted by the above deadline, Delegations will still be required to confirm the accuracy of the national anthem and national flag upon accreditation. Early submission by the specified deadline is therefore strongly recommended. Transitional Measures will apply to Russia and Belarus, as necessary.

Participation Rights and Accreditation Principles

The FIG Accreditation rules have to be strictly respected. The accreditation identifies individuals in good standing from the FIG affiliated federations participating in the event. It indicates and defines individuals' right to access to the different zones (see Appendix 1 and Appendix 2) as per their functions.

All participants and officials are required to wear their Accreditation Cards at all times as accreditation cards are necessary to pass the security controls.

The accreditation is personal, non-transferable and compulsory to have access to the Training Hall, Warm-up Hall, and Competition Hall, the official functions and the transport system of the LOC. The LOC transport system will only be accessible if the accommodation was booked via the LOC.

The access in the Warm-up Hall and the Competition Hall is strictly limited to the gymnasts participating in the specific competition and according to the Warm-up and Competition schedules, with the appropriate Delegation member with Transferable Access Card (TAC) if needed.

Any **misuse** of an accreditation (such as, but not limited to, zone, time, transfer) will lead to the **withdrawal of the accreditation and a fine of CHF 2'500 for each case.**

No access will be granted to members of Delegations who forget to take their accreditation or TAC. In case of lost or stolen accreditation cards, the LOC and WGYM must be informed immediately to block the accreditation. Lost or stolen accreditations may be replaced at the charge of the card holder (€250).

The Accreditation Rules will be strictly applied, notably as far as the number of accreditations per federation is concerned. No further accreditations may be issued without the prior approval of the FIG. Any additional person is considered as a spectator and must buy entry tickets.

Accreditations will not be delivered unless all financial, organizational and insurance obligations have been met.

Delegation Accreditation Center

The accreditation center will be located in the Delegation entrance (same entrance as the SID) (see Appendix 1) and will operate according to the schedule below. Please note that the opening hours are subject to change, and any updates will be communicated accordingly:

Dates	Opening Times	Dates	Opening Times
12 - 16 October	By appointment for accreditation pick-up (schedule based on arrivals to follow).	18 October	7:30 – 13:00
13 -14 October	8:00 – 13:00	19 October	7:00 – 13:00
15 October	7:30 – 13:00	20 October	8:15 – 13:00
16 October	7:00 – 13:00	21-22-23 October	9:15 – 13:00
17 October	8:00 – 13:00	24-25 October	8:15 – 13:00

Accreditations will be distributed at the Accreditation Center to the Head of Delegation or the NF Representative upon arrival of the Delegation. NFs will receive an advance invitation by e-mail from loc@rotterdam2026.nl requesting their Head of Delegation or the NF Representative to attend a dedicated registration session. A reminder of this appointment will be given to the Head of Delegation or the NF Representative on arrival at the hotel. Registration appointments will be planned in line with delegation arrivals and airport to hotel transfer times.

The Accreditation cards will be distributed to the Head of Delegation or the NF Representative only once all the financial requirements have been fulfilled.

If Delegations failed to upload all required photos before the event and a photo must be taken at the Accreditation Center, the individual concerned must join the maximum of 2 persons allowed per Delegation in the Accreditation Center at the designated time. An amount of €25 per missing photo will be charged to the NF by the LOC.

Control and Distribution of Material at Accreditation

At accreditation, the Head of Delegation or the NF Representative must:

- verify all Delegation members' names and present passports for identity and nationality control. The LOC will scan each gymnast's passport.
- finalize the necessary payments if needed (such as accreditation, insurance, accommodations, meals, visa).
- provide proof of the cover note or a photocopy of the valid insurance policy in English only (if not submitted to the LOC in advance).
- confirm accommodation, meal, and Farewell Banquet bookings.
- check that the women gymnasts' FX music has been submitted and the data successfully uploaded via the ClicknClear system. For safety reasons, in case of technical issues, Delegations will be required to email a backup copy of every women competitor's FX music to competition@rotterdam2026.nl. The backup copy must include:
 - the name of the Federation (FIG official three letters country code e.g., SUI).
 - the full name of the gymnast.
- confirm the NF contact details onsite (email and cell phone #).
- choose whether or not to join the dedicated WhatsApp groups to receive first-hand information and facilitate exchanges.
- confirm the number of persons attending the Orientation Meeting (maximum 2) and the Head of Delegation Welcome Reception.
- verify the return flight schedules.

At accreditation, the LOC will also hand out to each NF:

- A maximum of 2 Orientation Meeting Access Cards.
- The "Medical and anti-doping practical information".
- Information regarding the gymnasts' safeguarding plan.

Delegation Seating

The LOC will reserve a number of seats for the accredited Delegation members as follows (see Appendix 2):

- sections EM/GM for the Qualifications
- sections EM/GE/GF/GM for the Team Finals
- sections EM/GB/GC/GD/GE/GF/GM for the All-Around Finals and Apparatus Finals.

These seats will be available on a first come, first served basis.

Delegates will be requested not to sit in any other spectator seats within the arena unless permitted to do so by a representative of the LOC. Reserved places will also be put at the disposal of Press, Radio, Television, Photographers, authorized officials and guests of honors.

Transferable Access Cards (TAC)

Appendix 1 of the Directives provides guidance for the Head of Delegation, Team Manager, (additional) Coaches and (additional) Medical Staff on their access rights to the Training, Warm-up, and Competition halls during Training, Podium Training, and all Competition phases. The number of TACs issued with the main accreditation card (which can only be transferred within the Federation's official Delegation and for the appropriate function) is also specified in detail.

The TACs will be distributed daily by the LOC **at the SID**, at the beginning of each Delegation's scheduled warm-up session. Lost or stolen transferable cards will not be replaced.

5. INSURANCE

Delegations are requested to upload a **copy** of their insurance coverage note to the LOC at LOC@rotterdam2026.nl before **15 September 2026**.

Delegation members with insufficient insurance coverage must inform the LOC in writing no later than **15 September 2026**. The LOC will subsequently offer insurance at the Federations' own charge as follows: €180 for the whole period (12-25 October 2026). The premium amount must be paid to the LOC **prior to arrival in Rotterdam**. The Policy is as follows:

1. Personal Injury

Accidental death – €100,000

Permanent disability due to accident – €100,000

Medical expenses – €100,000 (with a €400 deductible per person)

2. Special Costs

Extra travel and accommodation costs, emergency assistance, rescue, repatriation and transport costs – up to €100,000.

The insurance applies in the Netherlands during the WCH and provides 24-hour coverage during the WCH period. Detailed policy conditions can be provided to the NF upon request to LOC@Rotterdam2026.nl. Application for insurance must be submitted via LOC@Rotterdam2026.nl at least before the 1st of October 2026.

For details on the First Class Assistance provided by FIG for Athletes and Judges, visit: <https://www.gymnastics.sport/site/pages/medical-insurance.php>

6. NOMINATIVE REGISTRATIONS

Refer to the Directives for details on the various steps involved in the Nominative Registration.

As per the FIG Code of Ethics, during the conduct of their activities, the FIG members are expected to display correct conduct and deportment, to strictly follow the FIG Code of Conduct and to declare any conflict of interest between the organization of which they are a member and all other organizations with which FIG has relationships.

Any close family relative to a competitive gymnast may not judge that gymnast at any FIG sanctioned event. If a conflict should or could appear, the FIG President is to be informed, so appropriate action can be taken. As per the EC decision, the definition for "close family relative" is as follows:

- People who are married to, or live in a registered partnership or co-habit with a gymnast.
- People who are related to a gymnast by birth or marriage in direct or in collateral line, including the following persons: grandparent, parent, uncle, aunt, brother, sister, child, grandchild, nephew and cousin.

Fines

As per the FIG TR, the fine to be paid to FIG after missing the Nominative Registration's deadlines or for late Nominative Registration is of CHF 1'000.

A fine of CHF 1'000 will be imposed on any NF that withdraws a team after confirming its qualified team quota place or after submitting its Definitive Entry with a team.

FIG licenses

Refer to the Directives for details on the FIG licenses for gymnasts and coaches.

10. TRANSPORTATION AND VISAS

Refer to the Directives for details on Visas, International Transportation, Local Transportation, Shuttle Services and deadlines. For earlier or later arrivals and departures, contact the LOC in order to discuss the local transportation possibilities.

Transport at any time other than from the official arrival day until the official departure day may be subject to fees.

Delegations were requested to upload arrival and departure information onto the **LOC** online system by **26 August 2026** at the latest.

The WCH Transport Office Phone Number will be: +31 6 13542257

Arrivals

The LOC personnel will welcome the Delegations with greeting signs at the airports as follows:

Amsterdam Schiphol Airport (AMS)

A distinction will be made between "group" arrivals and "individual or small groups" arrivals.

For "group" arrivals (i.e., most participants), the official meeting location upon arrival will be the Meeting Point at Schiphol Airport. The Meeting Point is clearly signposted throughout all arrival halls and can easily be reached from every gate by following the airport signage. All participant communications will therefore refer to the Meeting Point as the official gathering location. On the busiest arrival days, volunteers will be stationed at selected gates to welcome groups and guide them to the official Meeting Point. From the Meeting Point, volunteers will escort participants together to the shuttle buses. The walking distance to the shuttle buses is approximately five minutes.

Participants arriving "individually or in small groups" will be picked up at the STA Desk (Schiphol Travel Assistance) in Arrival Hall 4, a permanent and easily identifiable location where they should report upon arrival. Prior to their journey, these participants will receive an instruction email containing:

- The exact pick-up location (STA Desk);
- A photograph of the desk to help them identify it easily;
- The telephone number of the transport provider for questions or emergencies;
- Confirmation of their airport transfer.

For participants travelling with an individual transfer, the driver will also contact them by phone once the vehicle is ready for departure.

Rotterdam The Hague Airport (RTM)

Both participants travelling by shuttle buses and those with an individual transfer will be met directly outside the arrivals hall exit, where a volunteer or driver will be waiting to welcome them. Prior to their journey, these participants will also receive an instruction email containing:

- The pick-up location;
- A brief explanation of the arrival procedure;
- A contact telephone number they can call if they have any questions or require assistance.

Shuttle timetables for local transportation between the Training halls, Warm-up Hall, or Competition Hall and the official hotels will be provided to the Head of Delegation or the NF Representative upon arrival. These timetables will also be available at the SID upon request, on the Delegations' information platform, and on display at the official hotels.

Refer to the Directives for further details on Arrivals.

Departures

Local transportation from the official hotels to the official airports of Amsterdam Schiphol airport (AMS) and Rotterdam The Hague airport (RTM) will be arranged by the LOC based on the flight schedules collected from each Delegation. All Delegations will be asked to confirm their departure flight information at Accreditation. A detailed departure schedule will be available on the Delegations' information platform. Refer to the Directives for further details on Departures.

11. ACCOMMODATIONS

Refer to the Directives for details on the selection of official hotels, reservations, payments procedures, and cancellation policy. All judges will stay at the SS Rotterdam.

Each Federation were requested to register via the **LOC** online system their "Accommodation by Name" by **26 August 2026** at the very latest. The first 50% of the accommodation costs must be received in the LOC account by **10 September 2026**, with the remaining 50% to be received in the LOC account by **24 September 2026**. Failure to forward the payment by the required date will result in the cancellation of the reservations and the forfeiture of the deposit payment. All questions concerning accommodation must be addressed directly to the LOC.

Check-in Times and Procedures

Each Official Hotel will have received a rooming list for the Delegations that submitted their registration. Room cards or keys and hotel information will be distributed to the Delegation upon their hotel check-in provided all financial requirements have been met. For check-in times, refer to the Directives and hotel policies. Credit cards imprints may be made to cover all incidental costs during the Delegation's stay.

Check-out Times and Procedures

In principle, a copy of the individual account of each Delegation member will be available the day before departure. After confirmation, the balance due will have to be paid in full upon check-out. For check-out times, refer to the Directives and hotel policies. Delegations will be responsible **for all hotel costs incurred, including extra costs** (such as, but not limited to, hotel services, laundry, room service, mini-bar, parking, paid TV movies, telephone calls). Any damages made to the Hotel facilities will be the exclusive responsibility of the Delegation concerned.

12. MEALS

Refer to the Directives for details on the prices, reservations, arrangements, payments procedures, fines, and cancellation policy.

Each Federation were required to register via the **LOC** online system their “Meal by Name” by **26 August 2026** at the very latest (including the charged Farewell Banquet tickets). The first 50% of the meals’ costs (including the charged Farewell Banquet tickets) must be received in the LOC account by **10 September 2026**, with the remaining 50% to be received in the LOC account by **24 September 2026**. Failure to forward the payment by the required date will result in the cancellation of the reservations and the forfeiture of the deposit payment.

Based upon the reservations and payment made by each Federation via the LOC, the different meals arrangements will be made as mentioned in the Directives. Access to lunches and dinners served daily at the hotel will be controlled based on the names provided during the hotel booking process. The hotel will verify the access rights accordingly.

A variety of hot and cold food in sufficient quantities will be guaranteed each day. Menus will be designed to be nutritious, tasty, and of excellent quality. The LOC will also provide the following:

- In the Training Hall, Warm-up Hall, and Competition Hall: water, snack and fruits for the Delegations.

Accredited Delegation members who will stay at one of the official hotels and will book their accommodation through the **LOC** on line system will receive a free ticket for the Farewell Banquet, which will be held at the SS Rotterdam on **25 October 2026** from **20:00 to 00:00**. The Farewell Banquet will **not** be open to the media, with the **exception** of one ENG crew of the Host Broadcaster.

The Farewell Banquet will include drinks and different food stations, so no dinner will be served in the hotels on 25 October 2026. The dress code for the evening will be casual. Bus transfers will be organized between the Hotels and the Banquet as per schedule. Transport Information will be distributed via the Delegations’ information platform and at the help desk of each hotel.

Refer to the Directives for details on the reservations as well as the payments procedures and the cancellation policies for all other persons willing to attend the Farewell Banquet or buy additional tickets. There is limited availability of tickets to purchase.

13. TRAINING AND PODIUM TRAINING

Early or late training opportunities

Delegations arriving earlier or departing later than the Official arrival and departure dates are requested to contact topsport@kngu.nl in order to receive information on early or late training opportunities in local facilities if needed. **No** early or late training opportunities will be available at the official competition, warm-up or training venues. All costs and logistical arrangements will have to be covered by the Federation concerned.

Official training schedules

The Official training schedules and the composition of the various men and women training groups are provided in Appendix 3 (subject to minor modifications). Training sessions will take place in the designated Training Halls, according to the official scheduled times for both men and women. The LOC will strictly monitor the rotations and training orders of each group, and the Delegations will have to respect the assigned training times and allocated training halls.

Each gymnast or team will be allocated a single training session per day, with a duration ranging from a minimum of 2½ hours to a maximum of 3 hours. Changes to the official scheduled training hours will **not** be permitted and Delegations will be responsible for complying with the published training times. No requests for additional training sessions will be accepted. Reserve gymnasts within Teams will have the same training rights as other gymnasts.

Apparatus Specialists can only officially train on their qualified apparatus and use the stretching area while waiting for their turn. They may however continue to train on the other apparatus during dedicated daily open training sessions until the end of the Qualifications.

Prior to the Apparatus Finals, a 60 minutes training session (ending 60 minutes before the start of the competition) will be held in the Competition Hall for all qualified gymnasts, the designated reserves and the NF Substitutes.

After the Qualifications, sufficient official training sessions will be available to the qualified gymnasts and teams, as well as the designated reserves. "Open" and "free" official training sessions will also be available **exclusively** to gymnasts who do not advance to any Finals and to the NF substitute (i.e., gymnast ranked above the designated reserve but excluded from the final due to NF participation limits).

The designated reserves will in principle be assigned to the following All-Around Final groups:

- Designated reserve gymnasts from an NF with qualified gymnasts will be assigned in the same training group as the qualified gymnasts representing their NF.
- Men designated reserve gymnasts from an NF without qualified gymnasts will be assigned as follows:
 - designated reserve gymnast #1 will join training group #21-#24
 - designated reserve gymnast #2 will join training group #17-#20
 - designated reserve gymnast #3 will join training group #13-#16
 - designated reserve gymnast #4 will join training group #9-#12
- Women designated reserve gymnasts from an NF without qualified gymnasts will be assigned as follows:
 - designated reserve gymnast #1 will join training group #19-#24
 - designated reserve gymnast #2 will join training group #13-#18
 - designated reserve gymnast #3 will join training group #7-#12
 - designated reserve gymnast #4 will join training group #1-#6

For the Apparatus Finals, the men and women designated reserves will all be assigned to train on their respective qualified apparatus.

Judges will **not** be entitled to enter the training halls.

Podium training

Refer to Appendix 3 for information on the men and women podium training schedules (subject to minor modifications). Podium Trainings will be considered as "Training" for all gymnasts and teams (including the reserve gymnasts within teams) and will be officially open to the media and the public.

The men and women Podium Training sessions will be, in principle, conducted according to the draw order and follow the same schedule as the Qualifications.

During their allocated Podium Training session time, the gymnasts will be authorized to return to the warm-up hall. However, before using the designated stretching area and the apparatus, these gymnasts must first obtain permission from the NFs warming up for the next subdivision, who will always have priority.

To ensure that the women's Floor Exercise music will be played in the desired order, Federations will be required to submit **online Form 4**. A link with a personal login and password will be sent by the **WGYM IT Dept.** to each NF to enable access to the system as follows:

- until **14 October 2026** at **16:00** at the latest for subdivisions 1 to 3.
- until **15 October 2026** at **09:30** at the latest for subdivisions 4 to 10.

After each podium training session, the official and compulsory **portrait photo session** will take place in the Mixed Zone located at the exit of the FOP (see Appendix 2). Athletes are requested to wear their national tracksuit and any visible branding must meet the FIG Advertising Rules. The images will be shown on the scoreboards and video screen in the competition hall, during the TV broadcast and on the FIG website.

14. WARM-UP BEFORE PODIUM TRAINING AND COMPETITION

Refer to Appendix 3 for information on the men and women warm-up schedules (subject to minor modifications). Warm-up times prior to Podium Training and Competitions will be organized in accordance with scheduled times for both men and women as follows:

Before the **Podium Training and Qualifications**:

- 1h30 in the Warm-up Hall for all men and women individual gymnasts and teams (including the reserve gymnasts within teams)

Before the **Team Finals**:

- 1h45 in the Warm-up Hall for all qualified men and women teams (including the reserve gymnasts within teams)

Before the **All-Around Finals**:

- 1h45 in the Warm-up Hall for all qualified men and women gymnasts.
- Designated reserves and NF substitutes may use the Warm-up Hall until the end of the All-Around Final warm-up time period. They will in principle be assigned as follows:
 - NF substitute gymnasts will be assigned in the same warm-up group as the qualified gymnasts representing their NF.
 - Designated reserve gymnasts from an NF with qualified gymnasts will be assigned in the same warm-up group as the qualified gymnasts representing their NF.
 - Men designated reserve gymnasts from an NF without qualified gymnasts will be assigned as follows:
 - designated reserve gymnast #1 will join warm-up group #21-#24
 - designated reserve gymnast #2 will join warm-up group #17-#20
 - designated reserve gymnast #3 will join warm-up group #13-#16
 - designated reserve gymnast #4 will join warm-up group #9-#12
 - Women designated reserve gymnasts from an NF without qualified gymnasts will be assigned as follows:

 - designated reserve gymnast #4 will join warm-up group #1-#6

Before the **Apparatus Finals**:

- Between the end of the training session for **Apparatus Finals** in the Competition Hall and throughout the Apparatus Finals, all qualified gymnasts (including the designated reserves and NF substitutes) will have access in the Warm-up Hall until the end of the warm-up period for each Final. All gymnasts will be assigned to warm-up on their respective qualified apparatus.

Athletes qualified for the Team Final, the All-Around Final or the Apparatus Finals are **only allowed** to warm up in the warm-up hall for the competitions they are qualified for, and exclusively on the day of the respective competition.

15. COMPETITION (INCLUDING “TOUCH” WARM-UP)

See Appendix 3 for information on men and women Competition schedules (subject to minor modifications).

Drawing of Lots

The electronic Drawing of Lots, which will determine the starting order for the Qualifications and the Apparatus Finals, will take place on **4 September 2026**. The results will be officially announced at **11:30 CEST** from Rotterdam (NED) during a promotional event as part of the annual World Port Days. These results will be published immediately thereafter.

For the Qualifications, Teams as well as All-Around and additional All-Around gymnasts will be drawn by Federation, while the Apparatus Specialists will be drawn by name.

Registrations received in the WGYM Offices after the drawing of lots will be refused and the gymnasts and teams concerned will not be allowed to compete. National Federations with a Team will still be authorized to add gymnasts to the number declared, up to the maximum quota allowed of five gymnasts plus one reserve.

WGYM, in consultation with the TC and the LOC reserves the right to make adjustments to the draw and starting order if the Nominative Registrations received or the final number of participants at the time of the competition create organizational challenges related to training, podium training, warm-up and competitions.

General Principles

Qualifications, Team Finals, All Around Finals, and Apparatus Finals will be held in accordance with the 2026 TR including Section 2 for Artistic Gymnastics, the Men's Code of Points 2025-2028 (including NSL# 1, # 2, # 3 and # 4), the Women's Code of Points 2025-2028 (including NSL# 1 and Help Desk 16th cycle, 2nd Edition), as well as other FIG Technical Directives.

For gymnasts' substitution or withdrawal, refer to Section 2 of the TR.

These WCH comprise exercises on each of the various apparatus to determine the Team World Champion, the All-Around World Champion and the World Champion on each Apparatus.

All gymnasts competing must attend the Gymnasts' Presentation at the start of each competition, except Apparatus Specialists during Qualifications, who will be required to enter the FOP during the rotation time for their first or their only apparatus.

Quota places for the **Olympic Games LA28** will be awarded during these WCH to the three best performing teams in the Team Final (Criteria 1). The Teams results from the Qualifications will also determine the eight teams eligible to participate in the **2027 WCH**.

The Competition Director and the FOP Managers will be in charge in all relevant areas. The instructions given by them must be strictly observed, especially during TV broadcast in relation with the march -in and -out.

During “touch” warm-up and competitions on the FOP, gymnasts, coaches, medical staff, and judges are absolutely prohibited from using any electronic device to talk, transmit or receive messages (such as, but not limited to, mobile phones, mini-notebooks, computers) or use any camera or video device. D- Judges may use a personal computer only for their necessary judging information and to record details of exercises for their final report. Gymnasts may use an electronic device in the FOP only for the playing of personal music with headphones.

Preparation of Apparatus

Men Provisions

General:

- At the start of the competition, coaches / gymnasts may begin preparing the apparatus as soon as the gymnasts’ presentation or the march -in music starts.
- Preparation of any apparatus may be performed by coaches for the upcoming rotation upon completion of the final exercise in the current rotation and publication of the last gymnast’s score on that apparatus.

Qualifications:

- For preparation of any apparatus prior to an exercise (during the “touch” warm-up and competition), any FOP accredited person from the federation of the gymnasts may assist.

All-Around Final and Apparatus Finals:

- A maximum of three people (the competing gymnast, coach, and 1 other FOP accredited person) may be on the podium to prepare the apparatus. This additional gymnast or coach must exit the FOP immediately or at the very latest at the end of the gymnast’s routine.

Women Provisions

General:

- At the start of the competition, coaches / gymnasts may begin preparing the apparatus as soon as the gymnasts’ presentation or the march -in music starts.
- For all of subsequent rotations, coaches / gymnasts may move to the apparatus in advance and begin preparations as soon as the rotation music starts.

VT and BB (Qualifications and all the Finals):

- The accredited coaches in attendance on the FOP may prepare VT and BB

UB (Qualifications and all the Finals):

- Since 2 accredited persons may prepare the UB, if a NF has only 1 accredited coach in attendance on the FOP, an additional gymnast, coach or medical staff may enter the FOP to assist with the preparation. Once the UB is ready, this additional gymnast, coach or medical staff must exit the FOP immediately or at the very latest by the end of the gymnast’s routine.

“Touch” Warm-up on the FOP

For the Qualifications and all the Finals, the “touch” warm-up period will be granted on the FOP as follows:

- For **men**: 50 seconds on FX, PH, SR, HB and PB and a maximum of 2 attempts on VT
- For **women**: 30 seconds on FX and BB, 50 seconds on UB (including the preparation of the bars), and a maximum of 2 attempts on VT, except in Qualifications, where gymnasts aiming for the Apparatus Final may have up to 3 attempts

The “touch” warm-up times are allocated to the entire team in team groups and belong to each gymnast in Mixed Groups composed of All-Around Gymnasts, additional All-Around Gymnasts or Apparatus Specialists.

During the **Qualifications**, all gymnasts will perform their “touch” warm-up as one group according to the starting order. Team gymnast # 5 is allowed to use the “touch” warm-up time allocated to the entire Team.

During the **Team Final**, two teams compete on each apparatus. Each Team performs its “touch” warm-up separately, one after the other (Team gymnasts # 4 and # 5 are allowed to use the “touch” warm-up time allocated to the entire Team). The team whose gymnast is scheduled to compete first, according to the starting order, will complete its “touch” warm-up first. The start time of each team’s “touch” warm-up will be announced. Only the team authorized to perform its “touch” warm-up can be present on the podium. Example for all apparatus:

- starting order: 1. SUI / 2. NED / 3. SUI / 4. NED / 5. SUI / 6. NED
- “touch” warm-up: SUI / NED

During the **All-Around Final**, all gymnasts will perform their “touch” warm-up as one group according to the starting order.

During the **Apparatus Finals**, the “touch” warm-up will be conducted on each apparatus **in two groups** based on the starting order:

- Gymnasts 1 - 4 will “touch” warm-up first and then compete.
- Once gymnasts 1 - 4 have finished competing, gymnasts 5 - 8 will “touch” warm-up and then compete.

If more than 8 finalists qualify for an apparatus, a draw will be conducted between the tied gymnasts. In such cases, the first group to “touch” warm-up (and compete) will have the smallest number of gymnasts, the second group will include the others.

Qualifications and Starting Order

The gymnasts will proceed with their competition as one group. They will either be assigned into Team Groups (24 for men and 24 for women, with the reserve within the Team permitted on the FOP), Groups of All-Around gymnasts and Additional All-Around gymnasts (10 for men and 14 for women), and Groups of Specialists on each Apparatus (2 for men and 2 for women). The distribution of these groups into the various subdivisions and apparatus as well as the starting order of the teams or gymnasts in the first rotation are decided by the draw.

The Apparatus Specialists will only compete on the apparatus for which they have qualified. They **must** stay in the warm-up hall and **only** enter the FOP during the rotation time for their first or their only apparatus. Once their last or their only apparatus is over, they must leave the FOP during the rotation time. If qualified on multiple apparatus, they may either stay in their group on the FOP or return to the warm-up hall during the rotation time. They must re-enter the FOP during the rotation time for their next apparatus only. Coaches and medical staff can **only** remain on the FOP when their Apparatus Specialists are present on the FOP.

The scores of Individual gymnasts cannot count in the Team Ranking.

The Head of Delegation or the NF Representative must confirm the following:

- **For the Teams:**
 - the starting order of the gymnasts for each apparatus: of the 5 gymnasts, 4 compete and the 3 highest scores count.
 - if the gymnast will perform **one or two** Vaults and the Vault Number (including for the Reserve within the Team).

- **For the All-Around gymnasts and Additional All-Around gymnasts:**
 - if a Federation has 2 gymnasts in the same group, the starting order among the 2 gymnasts **for the first rotation only**. Then, for the following rotations, the gymnasts competing first in the group on an apparatus will drop to the last position on the next apparatus.
 - whether or not the gymnasts will compete on all apparatus.
 - if the gymnasts will perform **one or two** Vaults and the Vault Number.
- **For the Apparatus Specialists:**
 - whether or not the gymnasts will compete on all the apparatus for which they have qualified.
 - if qualified on VT, if the gymnasts will perform **one or two** Vaults and the Vault Number.

The confirmation of the starting order must be submitted **online** via **Form 5Q**, 24 hours at the latest before the start of the first men and women Subdivisions each day. As men and women Qualifications take place over one and a half days each, the deadlines of 24 hours are as follows:

- For **men** Subdivisions **1 to 4:** **16 October 2026 at 10:00**
- For **men** Subdivisions **5 to 6:** **17 October 2026 at 10:00**
- For **women** Subdivisions **1 to 3:** **17 October 2026 at 16:00**
- For **women** Subdivisions **4 to 10:** **18 October 2026 at 09:30**

A link with a personal login and password will be sent by the **WGYM IT Dept.** to each NF in order to access the system. If a federation does not respect these deadlines, the gymnasts' starting order will be determined based on the gymnasts' bib numbers.

The gymnasts will be authorized to return to the warm-up hall during the Qualifications. However, before using the designated stretching area and the apparatus, these gymnasts must first obtain permission from the NFs warming up for the next subdivision, who will always have priority. These gymnasts will be fully responsible for being present in the Competition Hall when required in order to perform their routine on time.

At the end of the Qualifications, the lists of qualified Teams and individual gymnasts (including the designated reserves and NF Substitutes) for the Team Finals, the All-Around Finals and the Apparatus Finals will be published and distributed. In case of ties, the tie-breaking rules as defined in the FIG TR will apply. A gymnast qualified for the All-Around Final or the Apparatus Finals may be substituted by another gymnast from the same NF, as per the FIG TR Section 2, provided that the NF substitute is ranked above the first designated reserve.

Team Finals and Working Order

The 8 teams having obtained the highest total scores in the Qualifications take part in the Team Final (with the reserves within the teams permitted on the FOP).

Participation in the Team Final does not need to be confirmed. However, any place refused must be submitted by the Head of Delegation or the NF Representative **online** via **Form 7TE**, at the very latest **24 hours** prior to the start of each Final as follows:

- For **men:** **19 October 2026 at 19:30**
- For **women:** **20 October 2026 at 19:30**

A link with a personal login and password will be sent by the **WGYM IT Dept.** to each NF in order to access the system.

The working order of the 8 qualified men's and women's teams will be in accordance with the TR, section 2. Gymnasts from two teams compete alternately one after the other on each apparatus: 1. SUI / 2. NED / 3. SUI / 4. NED / 5. SUI / 6. NED

The confirmation of the gymnasts' starting order for each apparatus (of the 5 gymnasts, 3 compete and 3 scores count) and the Vault Number (including for the Reserve) will have to be submitted **online** by the Head of Delegation or the NF Representative via **Form 5TF** 24 hours before the start of each Team Final at the latest as follows:

- For **men: 19 October 2026 at 19:30**
- For **women: 20 October 2026 at 19:30**

A link with a personal login and password will be sent by the **WGYM IT Dept.** to each NF in order to access the system. If a federation does not respect this deadline, the gymnasts' starting order will be determined based on their bib number.

During the Team Final, gymnasts are authorized to leave the competition hall to return to the Warm-up Hall if their starting order allows it. The gymnasts will be fully responsible for being present in the competition hall when required in order to perform their routine on time.

In case of ties, the tie-breaking rules as defined in the FIG TR will apply.

All-Around Final and Working Order

In order to qualify for the All-Around Final, all gymnasts (including the Apparatus Specialist) must have competed in the Qualifications on all 6 apparatus for men and on all 4 apparatus for women.

The best 24 gymnasts from the Qualifications will qualify for the All-Around Final with a maximum of 2 gymnasts per Federation, and with 4 designated reserve gymnasts standing by.

The men and women competitions working order will take place in accordance with the FIG TR, section 2. All gymnasts will do their competition in one group. During the All-Around Final, gymnasts are **not authorized** to leave the Competition Hall to return to the Warm-up Hall.

Participation in the All-Around Final does not need to be confirmed. However, any place refused or gymnast withdrawn (for qualified gymnasts, designated reserves, and NF substitutes) must be submitted by the Head of Delegation or the NF Representative **online** via **Form 7AAF**, at the very latest **24 hours** prior to the start of each Final as follows:

- For **men: 21 October 2026 at 19:30**
- For **women: 22 October 2026 at 19:30**

A link with a personal login and password will be sent by the **WGYM IT Dept.** to each NF in order to access the system.

In case of ties, the tie-breaking rules as defined in the FIG TR will apply.

Apparatus Finals and Starting Order

The best eight gymnasts per apparatus from the Qualifications will qualify for the Apparatus Finals with a maximum of two gymnasts per Federation and with 3 designated reserve gymnasts per apparatus standing by. The men and women starting order will take place as per the gymnasts' drawing of lots results. The gymnasts will compete in two groups as follows:

- Gymnasts 1- 4 compete first after completing their "touch warm-up"
- Gymnasts 5- 8 compete second after completing their "touch warm-up"

If more than 8 finalists qualify for an apparatus, a draw will be conducted between the tied gymnasts. In such cases, the first group to ("touch" warm-up and) compete will have the smallest number of gymnasts, the second group will include the others.

Participation in the Apparatus Finals does not need to be confirmed. However, any place refused or gymnast withdrawn (for qualified gymnasts, designated reserves, and NF substitutes) must be submitted **online** by the Head of Delegation or the NF Representative via **Form 7AF**, at the very latest **24 hours** before to the start of the Apparatus Finals as follows:

- For **men** and **women**: **23 October 2026 at 14:00** for **Day 1**
- For **men** and **women**: **24 October 2026 at 14:00** for **Day 2**

A link with a personal login and password will be sent by the **WGYM IT Dept.** to each NF to enable access to the system.

During Apparatus Final, gymnasts are authorized to leave the competition hall to return to the Warm-up Hall if their starting order allows it. The gymnasts will be fully responsible for being present in the Competition Hall when required in order to perform their routine on time.

In case of ties, the tie-breaking rules as defined in the FIG TR will apply.

Kiss and Cry

For each competition phase except the Apparatus Finals, gymnasts will be required to remain in front of the sponsor backdrop located behind the seating area for their apparatus until a few seconds after their score has been displayed. For the Apparatus Finals, a dedicated kiss-and-cry area will be set up. Final confirmation of this procedure will be provided at the Orientation Meeting.

18. Women FX MUSIC

The LOC is responsible to comply with the local laws of music copyright, to obtain the broadcast and online rights, and to secure and retain all clearances required with respect to any and all music or sounds displayed during any phase of the event.

The ClicknClear system will be used at these WCH to assist NFs in ensuring that the FX music of their gymnasts used in competition is properly licensed. It will also enable NFs to upload the FX music for their women's artistic gymnastics athletes. In addition, the LOC will use the system to collect and manage music cue sheet information and distribute it to the relevant stakeholders.

While Appendix 3 of the Directives provides detailed guidance to Federations, the procedure to be followed by **12 October 2026** till 23:59 CEST at the very latest can be summarized as follows:

- Access the event for music submission: [Click here](#)
- Create an account and register the women gymnast(s)
- Upload the FX music for the women gymnast(s)
- Provide a music license agreement and supporting documentation for each women gymnast if needed.
- Receive confirmation from the system on whether the women gymnast's music is properly licensed.

For technical support, contact support@clicknclear.com.

During Podium training, NFs will be able to verify that the music for their women gymnasts is correctly played.

19. JUDGES' PANEL, JURY OF APPEAL, AND SUPERVISORY BOARD

Refer to Appendix 2 for the judges' march -in and -out.

D- Judges

The 12 men and 8 women Difficulty Judges for these WCH have been drawn respectively by the MTC and WTC.

E- Judges

Each NF taking part entering a team has the right to present two qualified E-judges in good standing of which one, at least, will be called upon to judge, provided that no D-judge was drawn of its Federation. If a D-judge was drawn, only one E-judge can be assigned. The total number of judges per NF may not exceed 2.

Federations entering individuals have the right to present one qualified E-judge, regardless if a D-judge was drawn.

E-judges cannot attend Podium Trainings on the FOP. It is however their responsibility to be present for the start of their Judges' Instructions as follows:

- For **men**: 16 October 2026 at 13:30 in the Judges' room
- For **women**: 17 October 2026 at 13:30 in the Judges' room

The men and women E-judges' draw will be conducted in accordance with the principles mentioned in the TR Section 1, and as outlined in the General and Discipline Specific Judges' Rules.

Jury of Appeal and Supervisory Board

The Jury of Appeal and Supervisory board will consist of three members (one acting as President).

20. ANNOUNCEMENTS, ROLL CALLS AND MARCH -IN AND -OUT

During the competitions, the announcements will be made exclusively in English. The warm-up will end **15 minutes** before the start of the competition. The first roll call will be conducted in the warm-up hall **10 minutes** before the start of the competitions. The second roll call will be conducted at the entrance of the Competition Hall, **5 minutes** before the start of the competitions. The gymnasts must remain in position and may not leave within these 5 minutes. The competitors are required to wear their competition attire for the march -in and -out (see Appendix 2) and to follow the instructions of the LOC staff. Coaches and medical staff will be asked to enter the FOP through their dedicated entrance ahead of the gymnasts and to carry the gymnasts' bags directly to their first apparatus.

21. SCORING

Swiss Timing will provide the official scoring equipment for these WCH. Their system will be used to manage the gymnasts' start lists, the judges' assignments, as well as the recording and processing of scores and results.

All start lists and results will be distributed electronically by email and made available through the SID upon request. In addition, start lists, results, and live scoring will be accessible on the WGYM website.

Two Scoring Assistance Systems (SAS) will be used during these WCH in accordance with the Appendix to the Code of Points 2025-2028: "IRCOS" (Instant Replay and Communication System) and "SDAS" (Sensing and Data Analytics System).

Invalid Results marks (IRM)

Refer to the Appendix to the Code of Points for details on the designations and implications of invalid results marks (IRM), namely "Did Not Start" (DNS), "Did Not Finish" (DNF), "0" score, "Disqualified for Breach of FIG Competition Rules" (DSQ) or Disqualified for Serious Unsportsmanlike Behavior (DQB).

22. INQUIRY, REVISION OF TIME OR LINE DEDUCTIONS, AND BONUS

Inquiries are allowed only for the D-score and cannot be withdrawn once submitted. Only the designated NF Authorized Representative (a coach or a Delegation member, never a judge) may submit an inquiry, and only for their own gymnast. Inquiries cannot be submitted on behalf of another NF. The designated NF Authorized Representative must be present in the Inquiry Area on the FOP and will remain fully and solely responsible for the proper and timely submission of inquiries. The Inquiry Officer will check the identity of the NF Authorized Representative and may give guidance only.

Inquiries must be submitted through the electronic device by **selecting the relevant gymnast's name** within the time limit. Inquiries must be submitted **within two minutes after the score is displayed**. The device will automatically prevent late submissions. Late or incorrectly submitted inquiries will be rejected by the President of the Superior Jury. The rejection is final and cannot be challenged. Timely and properly submitted inquiries will be reviewed by the Superior Jury President, using official competition footage only. The decision will be made as quickly as possible. In Apparatus Finals the inquiry must be resolved before the next gymnast score is displayed. Decisions resulting from inquiries cannot be challenged.

The score may be increased, reduced, or remain unchanged after the inquiry review. The inquiry costs are as follows: CHF 300 for the first inquiry, CHF 500 for the second, CHF 1'000 for each subsequent one (not reset by competition phase). If the D-score increases, the fee is waived. If it remains unchanged or is reduced, the fee is charged to the NF and transferred to the FIG Foundation for Solidarity. No on-site payments will be allowed. WGYM will invoice the NF after the event.

Rankings will become final once all inquiries have been processed and results have been confirmed and signed by the Superior Jury President.

Requests to revise Time or Line deductions or Bonuses are treated separately from inquiries and do not incur fees. However, such requests must comply with the same principles, procedures, and deadlines specified for inquiries. Requests to revise other penalties are not permitted. Additional information is laid down in the FIG TR and in the Appendix to the Code of Points.

The registration timeline is **17 August - 20 September 2026**. Late requests and incomplete registrations will not be considered. The FIG Accreditation Rules and Media Rules have to be strictly respected.

Athlete photoshoot

It is compulsory for all athletes to have their headshot taken by the WGYM photographer after their podium training. The exact location will be communicated during the Orientation Meeting. These photos are used in the sports presentation, so any athlete who does not have their photo taken at this opportunity will not have their photo shown on screen in the venue or on television. Furthermore, the photos taken during this session are used for facial recognition of the athlete that allows the athlete to receive any photos taken of them during the event automatically through the WGYM Socialie platform.

Media Positions

Mixed Zone and I-Zone

Gymnasts must exit the FOP through the Mixed Zone after podium training sessions and competitions. This is where journalists collect flash quotes from the competitors. While there is no obligation for a gymnast to STOP for interviews, it is compulsory for them to pass through the Mixed Zone according to the FIG TR 2026. Apart from the Mixed Zone, athlete interviews can be requested and held in the I-Zone, a dedicated space next to the Mixed Zone. These interviews are informal in nature and take place after the gymnast has passed through the Mixed Zone. They are not mandatory but we would encourage gymnasts to take the opportunity to increase their own profile and that of the sport.

Media operations Mixed Zone / I-Zone staff will escort gymnasts who agree to the interviews to the I-Zone and escort them to the post competition area after the completion of the interview. Media may also use the I-Zone space to conduct interviews with athletes and coaches outside of post-competition times. Federations are responsible for the proper and timely appearance of their gymnasts at press and media opportunities, such as the mixed zone and press conferences. Any federation whose athletes do not appear as stated above will be fined for each infraction. The amount of the fine has been fixed by the FIG Council in 2002 at CHF 2'000. Cooperation with the press is most appreciated.

To assist gymnasts to talk to the press, each participating federation may ask for one press attaché armband, which allows staff to accompany gymnasts on the athletes' lane of the mixed zone. The armbands are distributed onsite by the LOC Media staff.
