4. PARTICIPATION AND SIZE OF THE DELEGATIONS

Participation / Accreditation

Please refer to the directives for details on the participation rights, maximum delegation size, supplementary accreditations, payment procedures and insurance deadlines.

A list of all medical personnel duly approved by WGYM is available on the WGYM website. Medical personnel seeking accreditation for these events who are **not** included on this list must submit the following to the WGYM office (Attention: Mr. Loïc Vidmer at vidmer@worldgymnastics.sport)

- A copy of their medical certificate or diploma, duly translated into English or French
- The completed **“WGYM Medical Staff – Application Form”**, which can be downloaded from the WGYM database (after creating a profile for medical staff)

Please refer to the WGYM Database User Instructions available on the WGYM Administration website for guidance.

These documents must be submitted **as soon as possible**, and no later than the **nominative registration deadline**.

Accreditation will not be granted without these completed documents.

Accreditation Principles

FIG Accreditation Rules must be strictly respected and applied, particularly regarding the number of accreditations and **Transferable Access Cards (TACs)** allocated per federation.

Accreditation serves to:

- Identify individuals in good standing from WGYM-affiliated federations participating in the event
- Define and indicate each individual's access rights to specific zones according to their role and responsibilities

All participants and officials are required to wear their accreditation card at all times.

The accreditation card is:

- **Personal and non-transferable**
- **Mandatory** for access to the training and competition halls, official functions, and (if applicable) the Local Organising Committee's transport system

Access to the **warm-up hall** is strictly limited to:

- Gymnasts scheduled to compete in the specific session
- Delegation members holding the appropriate Transferable Access Card, in accordance with the official warm-up schedule

Additionally, the accreditation card is required to:

- Pass through security controls
- Access meals (lunch and dinner), if provided

Accreditations for the Junior World Championships and / or the World Youth Competitions will not be valid for the World Championships

Any **misuse of an accreditation**—including unauthorized access to zones, incorrect timing, or improper transfer—will result in the **immediate withdrawal** of the accreditation and a **fine of CHF 2,500 per case** to the respective federation. Further disciplinary actions may be taken, such as referring the case to the **Gymnastics Ethics Foundation**.

In the event of a **lost or stolen accreditation**, the **LOC must be informed immediately** in order to block access.

Replacements may be issued at the **cardholder's expense** (please refer to the event directives for the applicable fee).

Accreditation Procedure

The accreditation process will be handled and accepted **only** if completed by:

- The **Head of Delegation**
- The **Team Manager**
- Or another officially designated person who presents **Appendix 4**, duly **filled in, stamped, and signed** by the **National Federation President** or **Secretary General**.

Transferable access cards (TAC)

- TACs are **only transferable** within the national federation's official delegation and must correspond to the appropriate function.
- They must be used **together with a valid personal accreditation card**.
- **Lost or stolen TACs will not be replaced.**

Lost or stolen transferable cards shall not be replaced.

- **No additional accreditations** will be issued without **prior approval from WGYM**, particularly for changes made **after the online nominative registration** (refer to section #7 of the directives).
- Accreditations will only be delivered once **all financial, organizational, and insurance obligations** have been fully met.
- Delegations choosing to complete the accreditation process at a later time will be assisted by the LOC as soon as possible. However, **priority will be given** to delegations that:
 - Arrive at the agreed time
 - Have fulfilled all financial obligations in advance

A schedule to complete accreditation will be produced and shared by the LOC with all delegations to guarantee a smooth distribution of the accreditations.

Late Submission of Accreditation Information

If the accreditation information has not been submitted **in accordance with the instructions deadline: 5 August 2026**, a fee of **50 EUR.-** will be charged **for each photo taken at the Accreditation Center**.

Please note that **member profiles without an uploaded photo** will **not be handled as a priority**, and you may be required to **wait at the Accreditation Center**.

Each Federation must upload a picture for all members of the delegation to the LOC via the online platform.

The LOC will contact the Federations which have not completed the procedure.

The picture requirements are as follows:

- Colour portrait photo
- Naming Convention: country code_surname_firstname, for example: *GBR_Smith_John*
- File format: .jpg ONLY
- Dimensions: Min 150 x 180 Pixels to Max 1500 x 1800 Pixels or 35mm x 45mm
- Max file size 2MB

The National Federations are requested to upload passport copies of each member of their delegation to the LOC inline platform.

The LOC will contact the NFs which have not finalized the procedure.

Control and distribution of the required material

- ☒ **Verify the correct names** of all delegation members
- ☒ **Present valid passports** for all delegation members (for proof of identity and nationality)

The first gymnasts, pairs, trios and groups submitted will be allocated number 1, the second pairs and trios number 2 and the third gymnast number 3. **No changes will be allowed.**

Music

The LOC is responsible for complying with the local laws of music copyright, to obtain the broadcast and online rights, and to secure and retain all clearances required with respect to any and all music or sounds played during any phase of the event.

The ClickNClear system will be used at these events to upload the music of all units, to inform on the music data, and to assist NFs to ensure that all music is appropriately licenced for use in competition.

While Appendix 1 of the directives (i.e., the ClickNClear “How To” document) the procedure to be completed by **5 August 2026** 23:59 CET at the very latest can be summarized as follows:

- Information will be given to check whether the unit’s music has been properly licensed.

For technical support, contact support@clicknclear.com.

During podium training, NFs will be able to verify that the music for their units is correctly played.

Fines

The fines after missing the registration deadlines or after late registrations are as follows (as per the FIG TR, Section 1, Reg. 11.1.2):

Fine after missing the Nominative Registration – deadline or after late Nominative Registration - Step 1	CHF	1'000

- If a gymnast is injured or falls ill before the arrival at the place of the competition (i.e. in the period after the nominative registration – **Step 2** until before the accreditation), they may be replaced by another gymnast (and accredited) upon arrival. The federation must contact WGYM sport managers in order to receive the online dedicated link to update its registration into the WGYM DB.
- In the case of injuries or illness between the time of accreditation and 24 hours prior to the beginning of the respective qualifications, the NF is allowed to change accreditations. The injured or ill gymnast must return his/her accreditation and another gymnast may be accredited. WGYM and the LOC must be informed immediately via the he SID office.

Only the accredited coaches in the competition area are entitled to submit an inquiry. Inquiry forms are no longer used as inquiries must be submitted electronically using a tablet provided by Swiss Timing. An LOC Inquiry Officer will help if needed. Procedures and details will be given during the orientation meeting and sent to the participating NFs. The expected score must NO LONGER be entered into the tablet for the inquiry to be accepted.

The inquiry **requires an agreement to pay** CHF 300.- for the first inquiry, CHF 500.- for the second inquiry and CHF 1,000.- for the third and all subsequent inquiries lodged by the same NF throughout the events (and not starting from "1" at each competition phase).

NFs may not pay in cash as no cash is allowed on the FoP.

Every inquiry will be examined by the Superior Jury and a final decision, which may not be appealed, will be taken at the very latest:

- at the end of the rotation for the qualifying competitions
- before the score of the following gymnast/unit is shown for the finals.

After review of the inquiry, if the final score is higher, WGYM will not invoice the NF. However, if the final score remains unchanged, or is lowered, the amount due will be invoiced and donated to the WGYM Foundation for Solidarity.
