6. PARTICIPATION RIGHT and ACCREDITATIONS

Accreditation Principles

Please refer to the directives for details on the participation rights, maximum delegation size, supplementary accreditations, payment procedures, and insurance deadlines.

In addition, a list including all medical personnel duly approved by the FIG is published on the FIG website. Medical personnel seeking accreditation for these World Championships and who are not on this list must send to the FIG office (attention Mr. Loïc Vidmer at lvidmer@fig-gymnastics.org) a copy of his/her medical certificate/diploma duly translated in English or French and must complete the "Form to be accredited as Medical Doctor or Paramedical staff at FIG Events (2015 edition)" form which can be downloaded from the FIG database after creating a profile for medical staff, (please refer to the FIG database User instructions available on the FIG administration website) as soon as possible but at the very latest at the deadline of the nominative registration. Without this document, the accreditation of the medical personnel will not be released.

Accreditation Principles

FIG Accreditation rules have to be strictly respected and applied notably as far as the number of accreditations and transferable access cards (TAC) per federation is concerned. The accreditation identifies individuals in good standing from FIG affiliated federations participating in the event. It indicates and defines individuals' right to access to the different zones as per their functions. All participants and officials are required to wear their Accreditation Card at all times.

The accreditation is personal, non-transferable and compulsory to have access to the training and competition halls, the official functions and the transport system of the LOC (if applied). The access in the warm-up Hall is strictly limited to the gymnasts participating in the specific competition and according to the warm-up schedule, with the appropriate delegation member's transferable access card. The accreditation card is also necessary to pass the security controls and have access to lunch and dinner.

Any misuse of an accreditation (zone, time, transfer, etc.) will lead to the withdrawal of the accreditation and a fine of CHF 2500.- for each case.

In case of lost or stolen accreditation, the LOC must be informed immediately to block the accreditation. Lost or stolen accreditations may be replaced (except TAC) at the charge of the card holder (EUR 100).

Transferable access cards (TAC)

The TACs are only transferable **within** the NF's official delegation and **appropriate function**.

They can only be used in conjunction with the primary accreditation card.

Lost or stolen transferable cards shall not be replaced.

Accreditation Center

Accreditation will take place in the Information Center which is located at the Arena Armeec, and will be open as follows:

- 04-05 November 2017 from 08:00 to 20:00

Accreditation and inscriptions are managed by sporttech.io system. Each Federation will receive an email from LOC with specific instructions early October.

Accreditations will be distributed to the Head of Delegation or his/her substitute, at the Information Center upon arrival of the Delegations.

No additional accreditations may be issued without the prior approval of FIG (for changes after the on-line nominative registration (please refer to Appendix 1). Accreditations will not be delivered unless all financial, organizational and insurance obligations have been met.

Any additional person is to the nominative list considered as a spectator and must buy entry tickets.

A copy of valid passport (format JPG) is to be submitted by email to the LOC via email bul_tramp@abv.bg until 04 October 2017 at the very latest.

Delegations who did not respect this directive will have to wait at the accreditation center.

If the accreditation info and the passport copies have not been submitted as per instruction at 04 October 2017 at the latest, there will be a charge of EUR 10 for each photo taken at the accreditation center.

The accreditation sent without pictures will not be handled with priority. You may wait at the accreditation center.

Control and Distribution of the Required Material

Upon accreditation Heads of Delegations or their substitutes will be requested to:

- present to the LOC the valid passport of all Delegation Members for proof of identity and Nationality. A scan of the passports of each gymnast and judge will be made by the LOC and handed out to the FIG.
- make any necessary payments (insurance, accommodation, additional accreditation, etc.)
- show proof of the cover note or photocopy of the valid insurance policy
- check the correct names of their complete Delegation
- verify the accommodation and meal requirements
- verify the return flight schedules
- hand in a CD with the music of their Federation national anthem (Appendix 3)
- confirm their national flag presented by them to the LOC
- if possible hand in 1 copy of each of the official forms for Difficulty - Competition Cards (Appendix 4) as follow:
 - **IND and SYN** – Qualification
 - **TUM / DMT** – All routines for Qualification and Finals.

In principle, no changes can be made to the Competition Cards (routine 1 IND and SYN) after 07 November 2017 - 15:00. Changes will be accepted only in case of injuries or minor accidents, or for other important reasons, subject to approval by the FIG Superior Jury.

Other Competition Cards must be returned to LOC (Secretariat) no later than follow:

- **TRA M & W Team Final and IND M & W Semi-Final and Final** – 10.11.2017 / 10:00.
- **TUM M & W Team and Individual Final** – 10.11.2017 / 10:00.
- **DMT W Team Individual Final** – 10.11.2017 / 15:00
- **DMT M Team Individual Final**– 10.11.2017 / 17:30
- **SYN M & W Final** – 10.11.2017 / 20:00

At the time of return the correspondent competition cards for Team Finals, each NF must return also the “Confirmation Team Finalists” form (Appendix 9).

A revised work plan, starting order, and schedules will be given to the Head of Delegation upon accreditation *if needed*.

Delegation Seating

The LOC will reserve a number of seats for the seating of the accredited delegation members in the venue. These seats will be available on a first come, first served basis. Delegates will be requested not to sit in any other spectator seats within the arena unless permitted to do so by a representative of the LOC. Reserved places will also be put at the disposal of Press, Radio, Television, Photographers, authorized officials and guests of honours (Appendix 5).

7. INSURANCE

Please refer to the directives for details on the insurance policy.

8. CHANGE OF START LIST

- If gymnasts get injured or ill before the arrival at the place of the competition (between the Nominative Registration and the Accreditation), the injured or sick gymnasts can be replaced by another gymnast (and accredited) upon arrival. The FIG and the LOC must be informed immediately (Appendix 2).
- In the case of injuries or illness between the time of accreditation and until 24 hours prior to the beginning of the respective Qualifications the federation is allowed to change accreditations. The gymnast injured or ill must return their accreditation and another gymnast can be accredited. The FIG and the LOC must be informed immediately (Appendix 2).
- 60 minutes prior to the beginning of each phase of the competition (with medical certificate verified by the official FIG/LOC medical doctor), a gymnast can be substituted (Appendix 2).
- In the case of injuries or illness with medical certificate verified by the official FIG / LOC medical doctor of one of the confirmed gymnasts in qualification from 60 min prior to the beginning of qualification or team final and until the end of qualification or team final, one reserve gymnast substitute by the NF. The substitute shall take exactly the same place as the replaced gymnast

In all above mentioned cases, the replacing gymnast will fill the position of the replaced gymnast (in the draw/starting order).

- After 24 hours prior to the beginning of Qualification, no accreditations can be changed. The 24 hour period is from the start of the day of Qualification (Group 1).

In case a Federation withdraws a gymnast from the Qualification Round, his place in the starting order will not be taken by the next gymnast from the same Federation. I.e. if **ABC 2** is withdrawn the **ABC 2** place will remain “empty”.
