3.3 Accreditation

3.3.1 Access Zones

There are 8 (eight) specific zones inside an accredited venue:

- 0 – All Access;
- 1 – Competition Area (Field of Play);
- 2 – Athlete Preparation Area/Warm-up (Changing rooms, Athletes' Lounge, Warm-up);
- 3 – Administration & Operation Area;
- 4 – Non-Rights Holding Media Area;
- 5 – Rights Holding Media Area;
- 6 – Zone for Accredited Participants;

Any accredited participant of Napoli 2019 will be required to go through specific accreditation access control points to enter the venues. This is where the venue code, on the accreditation card, is visually checked and where the High Quality QR Code is scanned (via phone or tablet) to confirm the participant's identity and Status of Accreditation Card (Cancelled or Distributed).

Once inside the venue, an individual may be required to go through various other access control points to enter internal areas (zones). This is where the access codes (numbers, categories and colours) are visually checked on the accreditation card. The accreditation card **must always be worn and visible** within an accredited venue.

3.3.2 Lost, Stolen or Damaged Accreditation Card Replacement

All lost, stolen or damaged Accreditation Cards should be reported immediately to the nearest Accreditation Centre or to the Venue Management Team, if the participant is in an accredited venue. Participants will be required to complete a «Lost or Stolen Accreditation Card Form», or bring the damaged card to the OC Staff, and present an identification document to register for the application of a new Accreditation Card.

In order to access a venue in an emergency, the participant can apply for a Daily Pass. The Venue Management Team will oversee issuing the Daily Pass. Participants found in possession of another participant's card will be ejected from the venue and may be referred to authorities for investigation.

Types of Access Devices

Temporary Pass

Distributed at the Delegation Welcome Centre (DWC) at Napoli Capodichino Airport, Temporary passes will be issued only to the delegations as an interim card until the permanent ones (Accreditation Cards) are approved and issued by the CIC. Temporary Passes are valid only for 24 hours and allow access to accommodation, food and beverages. Athletes are not allowed to compete or train with temporary passes. Please refer to chapter 8 for the complete "Arrival and Departures" and "Delegation Welcome Centre" processes.

Accreditation Cards

Issued to all Delegations at the CIC Office (at the Main Accreditation Centre in Stazione Marittima Athletes' Village), the Accreditation Card grants dedicated access rights and privileges to its holder for the whole duration of Napoli 2019 Summer Universiade.

International Zone Upgrade Cards

Issued to visitors, these devices grant temporary access to the Athletes' Villages International Zone. The official request for receiving this device must be sent at least 24 hours in advance by the Head of Delegation.

Use of Accreditation Cards

After the completion of the accreditation procedure, the Heads of Delegation will collect the accreditation cards at the Main Accreditation Centre (in Stazione Marittima Athletes' Village International Zone). HoDs will distribute a numbered accreditation card with a recent photograph to each athlete whose dossier has been approved by the CIC, once all finance dues have been paid by the concerned delegations to the OC and FISU.

Athletes will always be required to keep their accreditation card with them and be prepared to present it for inspection by CIC members or FISU/OC authorised staff.

Accreditation cards will give the holders access to sports venues, official accommodation and to any other services or accredited facilities of Napoli 2019.

Athletes reporting for the start of any individual or team sport must be prepared to show their card to the officials in charge. For team sport competitions, the manager must present before each match the list of the athletes who will take part in the matches, including their accreditation card number. Any misuse of the accreditation card (attempting to forge the cards, etc.) shall lead to the accreditation card cancellation.

The accreditation card is intended for personal use only and may not be passed on to other people.

3.4 Transportation

OC will provide transportation services for Universiade 2019. The service will be provided in Campania Region with dedicated vehicles for Delegations, Media and International-National Technical Officials for all days of training and competition. This service will start at the official opening of the Village until its closure and will operate for opening/closing ceremonies and arrivals/departures as well. The OC will provide transportation service from June 27/06/2019 until 16/07/2019, including arrival and departure transfer services from International airport Napoli Capodichino.

3.4.1 Competition and Training Transportation

Shuttle buses will transport athletes and officials to venues and back on fixed routes. Everyday Athletes and Officials will have a dedicated shuttle bus to get them to the competition venue(s) and/or to the training venue(s).

In the case of Artistic Gymnastics, delegations will be served by a dedicated bus-line departing from Athletes' Village in Napoli AVN (at Stazione Marittima). This dedicated service will stop first at PVS (Palavesuvio) competition venue and then will continue its service to the PCP (Palacercola) training venue (this stop for training days only). Due to the unique competition venue, both sports as Gymnastic Artistic - Rhythmic, will be offered with same transport service for both individual sports assuring a better frequent schedule.

3.4.2 Opening and Closing Ceremonies Transportation

A special Opening & Closing Ceremony bus system will be provided from/to any Athletes' Village according to ceremonies' schedule. This special bus system will follow specific rules and schedule according to Ceremonies "bump-in/out" plans; these services must be intended as "first come – first serve" services from/to Athletes' Villages and not differentiated by sport (e.g. Athletes from several sports and Delegations will share same vehicles).

3.4.3 Transportation for Delegation as Spectators

For spectating athletes who want to attend an individual sports competition, there will be the possibility to take directly the relevant individual sports route shuttle bus upon seats availability (priority given to relevant sport athletes, and then spectating athletes from other sports will be allowed to get on board). In case spectating athletes would want to attend an individual sports competition in a different city, they would rely on the intra-village shuttle to go to the relevant village first and then take the appropriate bus there (this could be the case of an athlete accommodated in Caserta and interested in attending an individual sports competition held in Napoli).

To reach Team sports competitions, a special "spectating athletes" shuttle service for those venues will be provided in each relevant Athletes' Village; in case spectating athletes would want to attend a team sports competition in a different city, they would rely on the intra-village shuttle to go to the relevant village first and then take the appropriate bus there (this could be the case of an athlete accommodated in Caserta and interested in attending a team sports competition held in Napoli).

Athletes who test positive for banned drugs and fail the doping test may be subject to disqualification and disciplinary action.

Additional Controls Requested

A team may request for doping control tests to be performed on an athlete who has not been selected for doping control.

Examples of indications for this request are for National Records, or Target Testing. These athletes must complete the "FISU Doping Control Request Form".
