6. PARTICIPATION RIGHT and ACCREDITATIONS

Participation Rights

Please refer to the directives for details on the participation rights, maximum delegation size, supplementary accreditations, payment procedures, and insurance deadlines.

In addition, a list including all medical personnel duly approved by the FIG is published on the FIG website. Medical personnel seeking accreditation for these World Championships and who are not on this list must send to the FIG office (attention Mr. Loïc Vidmer at lvidmer@fig-gymnastics.org) a copy of his/her medical certificate/diploma duly translated in English or French and must complete the "Form to be accredited as Medical Doctor or Paramedical staff at FIG Events" form which can be downloaded from the FIG database after creating a profile for medical staff, (please refer to the FIG database User instructions available on the FIG administration website) as soon as possible but at the very latest at the deadline of the nominative registration. Without this document, the accreditation of the medical personnel will not be released.

Accreditation Principles

FIG Accreditation rules have to be strictly respected and applied notably as far as the number of accreditations and transferable access cards (TAC) per federation is concerned. The accreditation identifies individuals in good standing from FIG affiliated federations participating in the event. It indicates and defines individuals' right to access to the different zones as per their functions. All participants and officials are required to wear their Accreditation Card at all times.

The accreditation is personal, non-transferable and compulsory to have access to the training and competition halls, the official functions and the transport system of the LOC (if applied). The access in the warm-up Hall is strictly limited to the gymnasts participating in the specific competition and according to the warm-up schedule, with the appropriate delegation member's transferable access card. The accreditation card is also necessary to pass the security controls and have access to lunch and dinner (if applies).

Any misuse of an accreditation (zone, time, transfer, etc.) will lead to the withdrawal of the accreditation and a fine of CHF 2500.- for each case. Further steps are possible (e.g. case to be submitted to the Disciplinary Commission).

In case of lost or stolen accreditation, the LOC must be informed immediately to block the accreditation. Lost or stolen accreditations may be replaced (except TAC) at the charge of the card holder (USD 120).

Transferable access cards (TAC)

The TACs are only transferable within the NF's official delegation and appropriate function.

They can only be used in conjunction with the primary accreditation card.

Lost or stolen transferable cards shall not be replaced.

Accreditation Center

Accreditation will take place in the Information Centre which is located at the AGC, and will be open as follows:

02-03 December 2019 from 08:00 to 20:00

Accreditations are managed by Longines - EMS system. Each Federation will receive an email from the LOC with specific instructions during October.

Accreditations will be distributed to the Head of Delegation or his/her substitute, at the Information Centre upon arrival of the Delegations.

No additional accreditations may be issued without the prior approval of FIG (for changes after the on-line nominative registration (please refer to Appendix 1, Appendix 2 and/or Appendix 3).

Accreditations will not be delivered unless all financial, organizational and insurance obligations have been met.

Any additional person is to the nominative list considered as a spectator and must buy entry tickets.

If the accreditation info have not been submitted as per instruction at 6 November 2019 at the latest, there will be a charge of USD 10 for each photo taken at the accreditation center.

The accreditation sent without pictures will not be handled with priority. You may wait at the accreditation center.

Control and Distribution of the Required Material

Upon accreditation Heads of Delegations or their substitutes will be requested to:

- present to the LOC the valid passport of all Delegation Members for proof of identity and Nationality
- make any necessary payments (insurance, accommodation, additional accreditation, etc.)
- show proof of the cover note or photocopy of the valid insurance policy
- check the correct names of their complete Delegation
- verify the accommodation and meals' requirements
- verify the return flight schedules
- hand in a CD with the music of their Federation national anthem
- hand in their national flag to the LOC
- if possible hand in 1 copy of each of the official forms for Difficulty - Competition Cards (Appendix 5) as follow:

In principle, no changes can be made to the Competition Cards (routine 1 IND and SYN) after 03 December 2019 – 11:00. Changes will be accepted only in case of injuries or minor accidents, or for other important reasons, subject to approval by the FIG Superior Jury.

A revised work plan, starting order, and schedules will be given to the Head of Delegation upon accreditation *if needed*.

Delegation Seating

The LOC will reserve a number of seats for the seating of the accredited delegation members in the venue. These seats will be available on a first come, first served basis. Delegates will be requested not to sit in any other spectator seats within the arena unless permitted to do so by a representative of the LOC. Reserved places will also be put at the disposal of Press, Radio, Television, Photographers, authorized officials and guests of honours.

- In the case of injuries or illness between the time of accreditation and until 24 hours prior to the beginning of the respective Qualifications the federation is allowed to change accreditations. The person designated to receive the verbal inquiry (Inquiry Officer) has to note the time of receiving it and this starts the procedure. Only the accredited coaches in the competition area are entitled to submit an inquiry. The expected score **must** be mentioned on the inquiry form for the inquiry to be accepted. An area close to the Kiss & Cry where the coach of the competing gymnast can see the score of the exercise will be designated. Late verbal inquiries will be rejected.

A National Federation is not allowed to complain against a gymnast from another federation. Inquiries for Execution scores are not allowed.

The inquiry must be confirmed as soon as possible in writing but within 4 minutes at the latest after the verbal inquiry and requires an agreement of payment of USD 300.-- for the first inquiry, USD 500.-- for the second inquiry, USD 1'000.-- for the third and all subsequent inquiries, lodged by the same Federation throughout the World Championships (and not starting from "1" at each competition phase). Should the inquiry not be confirmed in writing within 4 minutes, the procedure becomes obsolete.

Federations shall not pay cash when submitting an inquiry as cash money is prohibited on the FoP.

Every inquiry must be examined by the Superior Jury and a final decision which may not be appealed must be taken at the very latest:

- at the end of group for the Qualifications
- before the score of the following individual gymnast/pair is shown for the Finals

After review of the inquiry, should the final score be higher, this sum will not be invoiced by FIG to the Federation. However, should the final score remain unchanged or be lower, the sum will be invoiced and transferred to the FIG Foundation.

The FIG Accreditation Rules and Media Rules have to be strictly respected.

Media Positions

Mixed Zone

After podium training sessions and competitions, gymnasts must exit the Field of Play (FOP) through the Mixed Zone. This is where journalists collect flash quotes from the competitors.

Federations are responsible for the proper and timely appearance of their gymnasts at press and media opportunities, such as the mixed zone and press conferences. Any federation whose athletes do not appear as stated above will be fined for each infraction. The amount of the fine has been fixed by the FIG Council in 2002 at CHF 2'000.-.

Cooperation with the press is most appreciated. To assist gymnasts to talk to the press, each participating federation may ask for one Mixed Zone Card, which allows staff to accompany gymnasts on the athletes' lane of the mixed zone. The cards are distributed onsite by the FIG Media staff.
