## 5. PARTICIPATION RIGHT AND ACCREDITATIONS

Senior Gymnasts holding a valid FIG licence until the end of the competitions, and with the correct age from European Gymnastics and FIG affiliated Federations in good standings, may take part in these European Championships. An individual is entitled to only one accreditation card. If an individual has several valid “accreditable” functions, the highest function is normally selected and the access zones of the functions are cumulated. No substitutes may directly benefit from unused accreditations. The functions of judge and gymnast cannot be combined with any other function, except for gymnast who can also act as Head of Delegation.

### Maximum Delegation Size

Maximum size of each delegation, as per European Gymnastics Accreditation Rules.

For the Tokyo 2020 Qualification, the MAG and WAG gymnasts’ participation rights are still pending IOC approval

Function	MAG	WAG	Combined
Gymnasts	6	4	10
Head of Delegation	1	1	1
Team leader	1	1	2
Coaches	3	3	6
Doctor	1	1	1
Physiotherapists	1	1	2
Judges (for delegations with 1-2 gymnasts)	1	1	2
Judges (for delegations with 3-6 MAG and 3-4 WAG gymnasts)	2	2	4

*Additional Coaches	2	2	4
*Additional Physiotherapists	2	2	4
<del>*Guests or VIP Guests</del>	<del>2</del>	<del>2</del>	<del>2</del>

The costs for the accreditations of additional coaches and physiotherapists have to be assumed by the National Federation.

\*Costs for:

Additional Coach	CHF 150
Additional Physiotherapists	CHF 150
<del>Guests</del>	<del>CHF 150</del>
<del>VIP Guests and Federation Presidents</del>	<del>CHF 250</del>

The cost for additional accreditations must be paid directly via invoice to the LOC until March 22<sup>nd</sup>, 2021.

## Accreditation Application Process

---

All the details on how to access the online portal and description of the application process will be provided to each NF by the LOC **prior to the application process**.

Each National Federation (NF) is kindly asked to **enter the personal details** and to **upload photos** of **all delegation members** in the following **online accreditation tool of the LOC**:

<https://register.basel2021.com>

The **online accreditation system** will be **open from January 21, 2021** and will be closed on **March 22<sup>nd</sup>, 2021**.

Requirements of the photograph uploaded to the online accreditation system:

The photograph must follow the same requirements as for a passport:

- It must be in **colour**, should be a recent and an accurate likeness of the applicant and must not have been altered in any way
- It should be a **front view of the applicant's face, head and shoulders (facing forward and looking straight at the camera)**; hats, hair bands or dark glasses must not be worn.
- It should show the full head, without any head covering, unless worn for religious beliefs or medical reasons
- With a neutral expression and with the mouth closed
- With eyes open and clearly visible (no sunglasses or tinted glasses and no hair across the eyes)
- No objects, other people or shadows in the photo
- The **background must be plain and light colour, preferably white** but light blue and light grey will be accepted (NO black, dark blue, red etc.)
- Be clear and in sharp focus
- Be taken within the last 6 months

Details should be entered for all participants of the 2021 European Championships **until no later than 22.03.2021**. This includes applications for accreditation of additional coaches, paramedical staff and guests for whom the NF will assume the participation costs, as described above.

Accreditation applications without a photo will not be accepted and accreditation cards will not be pre-printed.

Please consider: If photos will have to be taken at the accreditation desk (because they were not sent within the deadline/in the correct format) **CHF 15.00** will be charged for each photo.

All data submitted by NFs via the LOC online portal are subject to the approval of European Gymnastics. The European Gymnastics Accreditation Rules will be strictly applied, notably as far as the number of accreditations per federation is concerned. No further accreditations may be issued. Any additional person is considered a spectator and must buy entry tickets.

Accreditation cards will not be delivered unless all financial and insurance obligations have been successfully completed.

In addition, each NF **must also** register on the **European Gymnastics GymData Online registration system** by the stated entry deadlines for Definitive & Nominative entry (see Point 7).

Each delegation will be taken to the accreditation desk upon arrival. The following items will be checked there:

- PCR-test results for all members of the delegation (**max. 72 hours old**)
- Form from COVID Guidelines – health status
- The passport of gymnasts and judges
- Proof of insurance coverage of the delegation (except for gymnasts and judges)
- Proof of the fulfilment of all financial obligations to the LOC (accommodation, meals)
- The correctness of the national flag and the anthem of the country, to be confirmed with the form “Confirmation of the national flag and anthem”
- Departure confirmation

Please consult the FIG licence rules for additional information in this respect.

## 9. JUDGING

---

Each participating National Federation has the obligation to nominate judges in accordance with the number of gymnasts (see section 5).

**As these Artistic Gymnastics European Championships 2021 in Basel is a qualification competition for Tokyo 2020, please be advised that priority will be given to Category I & II Judges in the Senior draw for the Qualification Competition. As a result, we recommend that where possible, participating Federations should send Category I & II Judges for the Senior Competition.**

## 18. INSURANCE

---

The Host Federation, the LOC, EG and the FIG will not be held responsible for any liabilities in case of accidents, illness, repatriation and the like.

The FIG Technical Regulations foresee that all participating Federations are responsible for making their own arrangements to have the necessary valid insurance coverage against illness, accidents and for repatriation for all the members of their Delegation.

European Gymnastics has concluded a contract with IMSSA International Medical & Security Sports Assistance. The detailed terms and conditions of this insurance policy can be found on our intranet website ([www.europeangymnastics.com](http://www.europeangymnastics.com)) under "Contractual Documents".

**People insured:** all participating **gymnasts** and the people acting as **judges** during these Championships.

**Attention:** the coaches, heads of delegation, etc, are **NOT** insured, please present a proof of insurance at the accreditation.

The IMSSA insurance does cover Covid-19 as illness. However, an eventual quarantine period in Switzerland is NOT covered!

Important! All delegation members must have a medical insurance that also covers Covid-19 (this should be specified in the document) in order to take part in the event.

The LOC will verify the insurance upon arrival of the delegation members (e.g. cover note or photocopy of the valid policy in English writing). Delegation members with insufficient insurance cover must inform the LOC until **22.03.2021**.

The LOC will subsequently offer insurance at the Federations own charge as follows: CHF 120.- per person for the whole stay.

## 24. COVID-19

---

European Gymnastics will publish the Covid-19 Guidelines together with the Work Plan.

Should at a later stage the event will have to be cancelled the LOC will try its' best to handle the force majeure situation with the reimbursement of costs for accommodation and meals bookings. However, the financial responsibility for all bookings (travel, accommodation, meals) remains with the NF.

In order to maintain the safety for everyone participating in the event we strongly recommend to remain within the event bubble during your stay, abstaining from going out or using any public transportation.

It is the responsibility of the NF that all of their delegation members commit to fully respect the Covid19 guidelines for European Gymnastics events. We are convinced the Covid19 risks can be brought to a minimum with that. The LOC will prepare the necessary arrangements of eventual quarantine / positive Covid19 cases. Nonetheless, the responsibility for eventual quarantine and/or positive Covid19 cases concerning their delegation remains with the NF. This includes the covering of all costs.

The LOC will bear responsibility for proving all safety measures according to the Covid-19 Guidelines of European Gymnastics, including:

- All LOC members and staff as well as venue contactors, partners and volunteers as well as hotel staff that are in contact with the delegations are regularly tested before and during the event (at the charge of the LOC).

- Closed waste bins for the safe disposal of hygienic materials (e.g. tissues, towels, sanitary supplies) in all rooms.
- Alcohol-based hand sanitizers and single-use tissues have to be available at the site entrance, in all common areas and in medical treatment areas.
- Regular check of the availability of soap, paper towels and disinfection fluids.
- Adequate supply of personal protective equipment, in particular face masks and respirators, disposable rubber gloves, disinfectant wipes, and transparent protective face shields.

- Enough thermometers to check the temperature of all people entering the venue on a daily basis.
- Work in conjunction with local health authorities, local hospitals on the protocols and procedures for the care and isolation of people suspected or diagnosed with Covid-19.
- Isolation rooms in the competition venue equipped with the necessary supplies to facilitate hand hygiene and respiratory etiquette.
- Transparent separation walls (such as a plexiglass) in areas where contact or distance cannot be avoided.
- An increase in on-site medical staff.
- Installation of hygiene signage (posters) across all venues and accreditation zones.
- Marking of the delegations' seating to respect social distancing to other teams.
