- Competitive salary by agreement
- Opportunities for professional development
- Freedom with responsibility

Responsibilities:

- Overall responsibility for the sporting framework in artistic gymnastics for WAG and MAG
- Plan, execute, and evaluate training for assigned groups
- Develop annual plans for sporting activities
- Mentor and support other coaches, providing a solid foundation for their development
- Participate in competitions and training camps

Qualifications and personal attributes:

- High level of competence and experience at the international level (FIG)
- Emphasis on a sport-related education
- Dedication to the development of high-level gymnasts
- Long-term perspective
- Organizational skills
- Good spotting skills
- Collaborative and loyal

- Proficiency in a Scandinavian language or English, both spoken and written, is an advantage
- Willingness to work within the guidelines and regulations applicable to Norwegian sports
