E. CONFIRMATION PROCESS

Confirmation of quota places

E.1. Following receipt of the confirmation from the FIG of the allocated quota places after the end of the qualification period for all gymnastics disciplines, the NOCs will then have two weeks to confirm if they wish to use these quota places, as detailed in paragraph **G. Qualification Timeline**.

After this deadline, unused quota places will be reallocated as per the procedure set out in paragraph **F. Reallocation of Unused Quota Places**.

Confirmation of host country places

E.2. After the last LA28 Qualification Event, the FIG will inform the respective NOC of its allocated quota places. Following receipt of confirmation from the FIG, the NOC will have two weeks to confirm if it wishes to use its quota places or not, as outlined in paragraph **H. Qualification Timeline**.

F. REALLOCATION

Reallocation of unused quota places

F.1. Individual quota places

Criteria 1, 2 and 3: 2026 World Championships, 2026-2027 World Cup Series and 2027 World Championships

Any unused place from the 2026 World Championships, 2026-2027 World Cup Series and 2027 World Championships will be allocated to the next highest ranked eligible NOC(s) from the results of the All-Around Competition (Qualifications, ranking of in total the four routines) of the 2027 World Championships from an NOC that is not already qualified. NOCs already qualified with two quota places may not obtain additional quota places. NOCs already qualified under Criteria 1 (2026 World Championships), or Criteria 2 (2026-2027 World Cup Series) or Criteria 3 (2027 World Championships) with one quota place may obtain a second quota place. The quota places are allocated to individual athletes by name.

Criteria 4: 2028 Continental Championships (or the other Continental Qualifying Event approved by the FIG)

Any unused place from Continental Championships (or the other Continental Qualifying Event approved by the FIG) will be allocated to the next highest ranked eligible individual athlete(s) based on the Individual All-Around results (ranking of in total the four routines) of the respective Continental Championships (or the other Continental Qualifying Event approved by the FIG) from NOCs that are not already qualified under Criteria 1 (2026 World Championships), or Criteria 2 (2026-2027 World Cup Series) or Criteria 3 (2027 World Championships). The quota places are allocated to individual athletes by name.

If there are no more eligible athletes from the Individual All-Around results (ranking of in total the four routines) of the respective Continental Championships (or the other Continental Qualifying Event approved by the FIG), the allocation will be based on the results of the next highest ranked eligible individual athlete(s) based on the individual ranking results of the All-Around Competition (Qualifications, ranking of in total the four routines) of the 2027 World Championships from NOCs that are not already qualified under Criteria 1 (2026 World Championships), or Criteria 2 (2026-2027 World Cup Series) or Criteria 3 (2027 World Championships). The quota places are allocated to individual athletes by name.

Should the Continental Championships (or the other Continental Qualifying Event approved by the FIG) not take place or not be held in April-May 2028 (or another date approved by the FIG), the quota place(s) of the respective continent is/are lost and will be allocated to the next highest ranked individual athlete based on the individual ranking results of the All-Around Competition

(Qualifications, ranking of in total the four routines) of the 2027 World Championships from NOCs that are not already qualified with an athlete under Criteria 1 (2026 World Championships), or Criteria 2 (2026-2027 World Cup Series) or Criteria 3 (2027 World Championships). The quota places are allocated to individual athletes by name.

Group quota places

Criteria 1, 2 and 3: 2026 World Championships, 2026-2027 World Cup Series and 2027 World Championships

Any unused place from the 2026 World Championships, 2026-2027 World Cup Series or 2027 World Championships will be allocated to the next highest ranked eligible NOC(s) from the results of the All-Around Competition (Qualifications, ranking of in total the two routines) of the 2027 World Championships from an NOC not already qualified.

Criteria 4: 2028 Continental Championships (or the other Continental Qualifying Event approved by the FIG)

Any unused place from Continental Championships (or the other Continental Qualifying Event approved by the FIG) will be allocated to the next highest ranked eligible NOC based on the group ranking results of the All-Around Competition (Qualifications, ranking of in total the two routines) from the respective Continental Championships (or the other Continental Qualifying Event approved by the FIG) that is not already qualified under Criteria 1 (2026 World Championships) or Criteria 2 (2026-2027 World Cup Series) or Criteria 3 (2027 World Championships). The quota places are allocated to the NOC.

If there are no more eligible groups from the group ranking results of the All-Around Competition (Qualifications, ranking of in total the two routines) of the respective Continental Championships (or the other Continental Qualifying Event approved by the FIG), the allocation will be based on the results of the next highest ranked eligible group based on the group ranking results of the All-Around Competition (Qualifications, ranking of in total the two routines) of the 2027 World Championships from NOCs that are not already qualified with a group under Criteria 1 (2026 World Championships), or Criteria 2 (2026-2027 World Cup Series) or Criteria 3 (2027 World Championships).

Should the Continental Championships (or the other Continental Qualifying Event approved by the FIG) not take place or not be held in April-May 2028 (or another date approved by the FIG), the quota place of the respective continent is lost and will be allocated to the next highest ranked eligible group based on the ranking results of the All-Around Competition (Qualifications, ranking of in total the two routines) of the 2027 World Championships from NOCs that are not already qualified under Criteria 1 (2026 World Championships), or Criteria 2 (2026-2027 World Cup Series) or Criteria 3 (2027 World Championships).

Reallocation of unused host country places

F.2. Individual quota place

In the event that the host country does not use its quota place, the quota place will be allocated to the next highest ranked eligible individual athlete from an NOC not qualified through Criteria 1 (2026 World Championships), or Criteria 2 (2026-2027 World Cup Series), Criteria 3 (2027 World Championships) or Criteria 4 (2028 Continental Championships or the other Continental Qualifying

Event approved by the FIG) based on the individual ranking results of the All-Around Competition (Qualifications, ranking of in total the four routines) of the 2027 World Championships.

Group quota place

In the event that the host country does not use its quota place, the quota place will be allocated to the next highest ranked eligible NOC from the group ranking results of the All-Around Competition (Qualifications, ranking of in total the two routines) of the 2027 World Championships from an NOC not already qualified with a group under Criteria 1 (2026 World Championships), Criteria 2 (2026–2027 World Cup Series), or Criteria 3 (2027 World Championships) or Criteria 4 (2028 Continental Championships or the other Continental Qualifying Event approved by the FIG).

Reallocation of unused universality places

F.3. Should the Tripartite Commission not be able to allocate the universality place, the unused quota place will be allocated to the next highest ranked eligible individual athlete from an NOC that is not already qualified through Criteria 1 (2026 World Championships), or Criteria 2 (2026–2027 World Cup Series), or Criteria 3 (2027 World Championships), or Criteria 4 (2028 Continental Championships or the other Continental Qualifying Event approved by the FIG) or Criteria 5 (host country place) based on the individual ranking results of the All-Around Competition (Qualifications, ranking of in total the four routines) of the 2027 World Championships.

G. AP ATHLETES

Definition

G.1. “Ap” athletes are non-competing athletes accredited in the “Ap” category who have different entitlements from competing athletes (accredited as “Aa”) as described in the “Ap” accreditation quotas and conditions outlined in the IOC ACR Annex – 1 Accreditation at the Olympic Games – Detailed Specification. These participants are not part of the athlete quota as described in paragraph B. Quota places. “Ap” alternate athletes may become competing athletes subject to the conditions outlined in the IOC/LA 2028 Late Athlete Replacement policy.

Eligibility

G.2. “Ap” athletes must comply with the same eligibility rules as competing athletes as described in paragraph C. Athletes Eligibility.

Quota

G.3. Each qualified group is entitled to one (1) “Ap” Athlete.
