ARTICLE 3 JUDGES

No panel may include more than one (1) member from the same NF (excluding the Chair of Judges Panel (CJP) and the Difficulty (D) judges) unless specified otherwise.

At Continental Championships and World Cups (if necessary), up to two (2) judges from the same NF can be within the same panel, acting in different juries (D/E/A). The Chair of Judges Panel and the Difficulty judges must be from different NFs.

ARTICLE 4 JUDGES' NOMINATION, SELECTION AND DRAW

4.1 General Principle

Each NF must present one Judge and may present a second judge Category 1, 2 or 3, in good standing. NFs who have one of their judges drawn as CJP, DJ may propose one or two additional judges of Category 1, 2 or 3.

All judges will be given the opportunity to judge at least **one** (1) phase of competition.

4.2 Judges' selection process for World Championships and The World Games

Position	Number	How to select	Observation
CJP	2 (1/ panel)	Draw from Cat. 1 Judges	Draw during a TC Meeting or by TC President in Lausanne minimum 6 months prior the WCH.
DIF	4=2 teams OR 6=3 teams	Draw from Cat. 1 and 2 Judges, but priority to Cat. 1 considering the best results in the examination of Difficulty and the experience.	Draw during a TC Meeting or by TC President in Lausanne minimum 6 months prior the WCH Cannot be same nationality as CJP

The Chairs of Judges' Panel and the Difficulty Judges are drawn by the ACRO TC President and FIG office six months prior to the competition by the judges' selection process.

They are selected, from the Category 1 Brevet Judges of good standing. A reserve substitute will be invited, if confirmation is not received by the target date from the Federation concerned. If a NF rejects the draw/nomination as CJP or D Judge, this judge may not be selected to another position for the same competition.

The Chairs of Judges' Panel (Cat.1) and the Difficulty Judges (Cat 1 and Cat 2) for **The World Games** are drawn by the TC President and FIG office, six months prior to the competition by the judges' selection process.

Federations not accepting the nomination will not be allowed to send a judge.

4.3 Draw Procedure

Draw the 2 CJP from all Cat. 1 judges

They are assigned to Panel A and Panel B.

Reserve CJP from a different NF as the ones in 1.1.

Draw the D Judges

(4 DJ + 2 reserves Or 6 DJ) from Cat 1 & 2 judges

The order of the draw is:

- a) Dif. 1 team A
- b) Dif. 1 team B
- c) Dif. 2 team A
- d) Dif. 2 team B
- e) Dif. Reserve 1
- f) Dif. Reserve 2

If a judge is drawn from the same country as the CJP, he/she will move directly to the other panel.

If that is not possible, another eligible judge will be drawn.

Criteria during the current or the previous cycle:

For experience

Participation as a CJP, a D judge or an E or A judge in a minimum of one World Championships or The World Games.

Honesty and Integrity

JEP evaluation: NO significant bias identified

NO warnings or sanctions received during the current or previous cycle

If a judge is nominated from same country as CJP, he/she will move direct to the other panel. If that is not possible, another eligible judge will be nominated.

Up to 6 DJs are drawn provisionally by the TC ACRO at least 6 months prior to the competition date and confirmed after the provisional closure date.

Judges for Execution and Artistic Panels will be drawn in the period just prior to competition. Included in the draw will be all judges not officiating as Difficulty Judges in the particular event.

In the event of illness, lateness or sanction of a judge, a reserve judge will be assigned as a replacement. This will not invalidate the replacement judge from officiating in his/her own drawn places. It is at the discretion of the Superior Jury, after taking into account the reason for earlier disqualification, to allow the replaced judge to return to officiating later in the competition.
