## ARTICLE 3 CATEGORY 1 JUDGES

### 3.1 Category 1 Judges – qualification and quotas

The WTC must assure that enough Category 1 judges are selected to fulfil the necessary responsibilities required during the cycle.

The top 25 judges (excluding TC members) from the ranking list fulfilling the criteria for Cat. 1 judges are selected. No ties will be broken.

Should there not be a minimum of 13 NFs within the top 25 judges, the percentage to reach “Excellent” in Difficulty will be adapted until 13 NFs are represented. All judges fulfilling the adapted criteria will receive Cat. 1.

### 3.2 Category 1 Judges’ Draw

The pool of ~~initial~~-D judges will be determined by Category 1 judges in rank order according to their results achieved in the Examination.

This ranking will be done by the results of the D- ~~Practical~~ Examination.

For World Championships, Category 1 judges will be drawn by NF first, and then by name ~~according to the result~~ for the D positions. When a NF has more than one cat.1 judge, these

additional judges cannot be taken into consideration during the cycle, until all the NFs have been drawn.

#### **ARTICLE 4 THE JUDGES' NOMINATION, SELECTION AND DRAW**

The judges' nomination, selection and draw procedure is based on the principles in the Technical Regulations.

~~The D and Execution judges in the panel must be from different NFs.~~

In the Team Final and Apparatus Finals the Execution judges must be "neutral". ~~In Team Final the E judges must be "neutral".~~

If a NF rejects the draw/nomination as D Judge, this judge may not be selected to another position for the same competition. ~~In the case of the Olympic Games and Youth Olympic Games, no other position will be assigned to another judge from this NF.~~

The E-jury draw for Apparatus Finals at World Championships and Junior World Championships will be conducted by giving priority to Cat. 1 and Cat. 2 judges, except at Junior World Championships in the case of a NF with a Cat.3 judge, having received no position in the previous phases.
