2021, 2022, 2023, 2024

in
Trampoline, Tumbling and Double
Mini-Trampoline

V 3.0 April 2023

ART. 1 GENERAL PRINCIPLES

During the Olympic cycle 2021-2024, there will be four FIG Trampoline Gymnastics World Cup Series (2021, 2022, 2023, 2024), with four to six events each year. The competitions will take place between February and mid-April and between mid-June and mid-October. The max. four best results out of a max. of 6 competitions are taken into consideration to determine the winner of the Series.

For the Olympic Qualification for Individual Trampoline only, the selected events of the Series 2023 and 2024 will be combined, with 3 to 4 competitions in 2023 and 1 to 2 competitions in 2024 taken into consideration, the 2 best results out of 5 counting. See Art. 18 below.

Member federations organising a Trampoline Individual World Cup competition must at the same time organise Trampoline Synchro World Cup competitions. They can also organise a Tumbling and/or a Double Mini-Trampoline World Cup. Tumbling and/or Double Mini-Trampoline World Cup competitions cannot be organised as separate events.

These FIG World Cup competitions are best events, staged in attractive and well known cities and venues, with guaranteed TV coverage and a limited participation. Their aim is to showcase the Worlds very best federations and gymnasts in a media and public friendly surrounding. The events will take place in the same city and if possible at the same date every year.

At each event, the gymnasts will have the opportunity to win prize money and earn World Cup points which will result in the various FIG World Cup Series Ranking List. The 2023-2024 combined Trampoline Individual World Cup Series will be qualifying for the 2024 Olympic Games for Individual Trampoline competitors as outlined in art. 18. (NOC positions).

ART. 2 RIGHTS AND ADVANTAGES OF FIG WORLD CUP COMPETITIONS

- Each event will use the official title of “FIG Trampoline / Tumbling / Double Mini-Trampoline World Cup Competition”
- Each event will contribute points to the FIG World Cup Series Ranking List.
- Each event will be considered as an official FIG event.
- Each event will be listed in the official FIG calendar of events.
- The event dates will be protected by FIG.
- Each event will be announced in the FIG *World of Gymnastics* magazine.

- Each event will be published on the FIG official website (www.gymnastics.sport).
- The Directives and invitations of each event will be published by FIG directly to all eligible member federations and updated regularly in FIG's communication platforms.
- The FIG Office will send information to all FIG Member Federations by e-mail and/or through the official FIG website.
- The Organising Committee of each event will be entitled to use the FIG logo on official communications, posters and programme. This does not apply for any selling item (i.e. T-shirts, souvenirs, etc.).
- The Organising Committee of each event will be entitled to require assistance from the official TRA Technical Delegate and the FIG EC Member (if appointed).
- Each event will be included in the official FIG result service system (publication of the results on the FIG website).

ART. 3 CANDIDATURES, APPLICATIONS AND ASSIGNMENT

Art. 3.1 Bids and Criteria for approval

Bids for the FIG World Cup competitions for Trampoline, Tumbling and Double Mini-Trampoline must be received at the FIG Office by 30th June (23:59 CET) the previous year of the World Cup Series. Bids covering more than one World Cup Series will also be valid.

For World Cup competitions taking place in 2021, bids must be received by the FIG Office by 15 July 2020 (23:59 hours, CET), they will be assigned by the FIG Executive Committee in mid-August 2020.

Should the Executive Committee not be in a position to approve at least four bids for each of the four series (2021, 2022, 2023, 2024), the FIG World Cup Series will not take place.

Candidatures can only be submitted by FIG Member Federations. To be approved, the following minimum requirements must be met:

- All FIG World Cup competitions must offer competitions for TRA Individual, TRA Synchro, between February and mid-April and mid-June to mid-October of each year of the 2021 – 2024 Olympic cycle, if possible at the same date). They may also offer competitions for TUM and/or DMT.
- Preference is given to organising member federations offering a competition each year.
- Although the World Cup competitions are distinct competitions, the organizer may hold other competitions at the same site and date, as long as these competitions do not interfere with the training and competition schedule of the World Cup competition according to the Technical Regulations. Qualifying events for the Olympic Games must not be organized together with other competitions.
- A venue with capacity of minimum 2'000 seats.
- A training and warm-up hall, adjacent or nearby the competition hall, large enough to place 4 trampolines and additional space for TUM/DMT should these disciplines also be included.
- FIG Member Federations interested in organising FIG World Cups on a regular basis must apply in writing to the FIG Office as soon as possible but no later than 30 June (23:59 hours CET) the year prior to the competition, except for the 2021 series (deadline 15 July 2020). Preference is given to organisers offering a competition each year.

- Applications must include information on the date and the year (if possible the same week-end in all four Series), the location, the prize money.
- Member federations applying for a competition in 2021, must provide the appropriate invitation letter and forms provided to them by the FIG, including the detailed list of certified equipment (products with reference number or article number, as defined on the FIG website) no later than 15 July 2020 (23:59 hours CET).
- Applications must include the name and contact address of the Event Manager and the Media Officer.
- Member Federations applying for FIG World Cup events must provide TV broadcasting. Applications must include the name and address of the Host Broadcaster and the name of the person in charge of the production.
- Applications must include the name and contact address of the official Hospital.
- Should a World Cup competition be combined with another competition, then the World Cup Applications must also include all information for this combined competition (including provisional competition and training schedules, etc.).
- The organising member federation for FIG World Cup events must offer minimum three different hotel categories, including the official hotel and one being a “low cost hotel”. The prices charged for the hotel rooms cannot exceed the usual hotel rates.
- The organising member federation must pay a non-refundable application fee to the FIG of CHF 3'000.-. This fee must accompany the application. The application fee will only be returned in full, should the application not be considered by the FIG Executive Committee.
- The organising member federation must pay a deposit of CHF 5'000. This deposit must accompany the application. The deposit will be returned in full, should the FIG decide not to assign the event to the member federation. The deposit will also be returned in full after the event, provided all conditions of these Rules are fulfilled. Infractions and/or non-fulfilment of conditions set out in these Rules will result in the FIG not returning the deposit or not returning it in full. The deposit will be lost in full (i.e. stay with FIG) if the dates, the city, or the venue of the event are changed by the organising member federation or if the event cannot be organised by the organising member federation.
- Late applications, applications which are not complete, or are not accompanied by the application fee and the deposit are refused.

Art. 3.2 Assignment of FIG World Cup competitions by the FIG Executive Committee

Preference will be given for leading tournaments as follows:

- organisers who offer a competition every year
- previous FIG World Cup Organizers
- organisers who also offer TUM and/or DMT competitions
- the highest media impact (quality of the Host Broadcaster and worldwide sales)
- the highest prize money and other advantages provided to the gymnasts and participating member federations
- experienced and reliable organising member federations and Organising Committees
- traditional and worldwide established tournaments

- attractive and large venues, located in famous leading cities of the world
- television coverage
- venue capacity.

Specific Provisions for the Series counting for the Olympic Qualification

Best efforts must be made to assign the 5 World Cup competitions of the combined Series 2023-2024 counting for the Olympic Qualification to NF from at least 3 continents.

The prize money and its distribution per rank must be mentioned in the invitations.

In case of a tie at any rank, the prize money of the equal ranks are added and divided by the number of ties.

No prize money will be given, if there are less than 4 participating federations per discipline. This must be mentioned in the invitations.

Art. 10.2 Additional prize money to be paid by the FIG at the end of each of the four Series

FIG shall pay the following additional prize money for Trampoline Individual men and women only to the best ranked gymnasts of each of the four Series:

1 st rank:	CHF 7'000
2 nd rank:	CHF 5'000
3 rd rank:	CHF 3'000

This additional prize money will be paid to the winner of the World Cup as per Art. 17 here below.

ART. 11 JUDGES' PANELS AND FIG TECHNICAL DELEGATES

Technical Delegate

The respective Technical Committees will propose at least 3 months prior to the date of the event a Technical Committee member or an expert (to be approved by the FIG President) to serve as Technical Delegate. This Technical Delegate must receive all information from the Organising Committee and they must be present at the event. The Technical Delegate will serve as President of the Superior Jury.

Composition and number of Judges' Panels

Two Judges' panels each for IND and SYN.

One Judges' panel for TUM and for DMT.

The Judges' panels are set up by a draw - directed by the FIG Technical Delegate - from the judges present at the event. Priority will be given to the judges of the highest category.

No panel may include more than one member from a single federation

- The Chair of Judges Panel must be of cat. 1
- The Difficulty judges must be cat. 1 or 2.
- The Execution judges must be cat. 1, 2 or 3.

Each participating Federation must provide minimum one judge in each discipline in which they have competitors. Failure to do so, or if a participating Federation sends a judge with Category 4 (instead of Category 1, 2 or 3), will result in a fine of CHF 2'000.- to be paid to the organising member federation. This provision must be mentioned in the invitation letter.

The Organising Member Federation is responsible that there are enough FIG brevetted judges present with the appropriate category of brevet for their function.

Should there not be sufficient judges, the organising federation must propose at the time of the nominative entry to the FIG for approval the name of neutral additional judges to complete the panels (plus 1 reserve). These judges, once approved, have to be invited, through their NF, at the cost of the Organising Member Federation. Should the Organising Member Federation fail to propose names for additional judges, the FIG will invite such judges at the cost of the Organising Member Federation.

In the five Qualifying events for the 2024 Olympic Games in 2023 and 2024, 3 supervisors per panel (Trampoline Individual) will be nominated by FIG.

ART. 12 APPARATUS AND APPARATUS CONTROL

All apparatus must have a valid FIG certificate no later than six months prior to the event and until the end of the event. The organising member federation must inform FIG at least six months prior to the event about the name of the apparatus manufacturer and in addition must provide a detailed list of certified equipment (as well as the name of the products, the reference number or the article number, as defined on the certificate and published on the FIG website).

The organising member federation must enter into a service agreement with the official apparatus manufacturer which guarantees the presence of at least two technicians for the installation of the apparatus in the competition hall, warm-up hall and training hall, as well as throughout the duration of training, podium training, warm-up and competition. A copy of the service agreement must be sent to the FIG at least six months prior to the event.

The apparatus control in the competition hall, warm-up, and training hall prior to training is the responsibility of the FIG Technical Delegate (TD) or an Apparatus Supervisor designated by him/her. The TD will be accompanied by a technician of the apparatus manufacturer and the local Competition Director.

The apparatus control includes the check of the dimensions of the apparatus which must respect the valid FIG Apparatus Norms. It must be verified that the duly certified apparatus are set up and fixed correctly and that the apparatus in the different halls are identical.

A written report (see Control Form in the Apparatus Norms) about all the problems faced must be established. Adjustments must be made by the apparatus manufacturer concerned in cooperation with the LOC. The TD will approve the use of the apparatus by the gymnasts, after verifying that the adjustments have been made.

During the competitions, the respective Technical Delegate is responsible for the apparatus control.

ART. 13 SCORING AND RESULT SERVICE

The organisers must provide a scoring and result service with outputs as provided by the official scoring / data handling provider at World Championships, including a high quality video system (as per the Technical Regulations, Section 1, Art. 4.10.4.1) which allows the recording, storage and provision of compilation of the recorded images for the Difficulty Judges, the Superior Jury and the President of the Superior Jury. The videos must be sent to the FIG within one week after the end of the competition.

Throughout the competition, the system must be able to redisplay in real time, normal speed, slow motion or fixed image, the different sequences and the registered scores of every exercise performed for the Technical Delegate, the Supervisors and the Difficulty Judges' Panel;

A copy must be handed over to the Technical Delegate immediately after the competition and a second copy must be sent to the FIG Office within one week after the competition.

The scoring and result system must include a TV graphics generator. The presentation of the TV-graphics on the international signal must be identical to those used at the FIG World Championships, free of advertising, and thus the same for all Organising Member Federations. The title must include the FIG logo and the text e.g. "2021 FIG Trampoline World Cup Lausanne (SUI)". The title has to be submitted to the FIG for approval

The organising member federation must provide an approved device for the measurement of the time of flight and the horizontal displacement.

ART. 14 MEDIA REQUIREMENTS

Art. 14.1 Media Rights across all means and Marketing Rights

Media Rights across all means and reproduction rights together with publicity and marketing rights concerning the World Cup events are the property of the FIG.

Art. 14.2 Media Rights across all means – Definition

The organising member federation must guarantee the production of a basic feed (international signal). The international signal must be available for the FIG and its right holders free of charge at the International Broadcasting Centre or at the gateway without any limitations and free of any access fees.

FIG releases all national media rights across all means to the organising member federation. The media rights are released free of charge and granted exclusively for a period of until one week after the competition and then on a non-exclusive basis until one year after the event. Then the rights are back with the FIG.

The release of the rights shall only be effective under the condition that:

- That the organising member federation submits national rights contracts to the FIG for written approval prior to signature.
- Each organising member federation undertakes to provide the FIG Office with the contact details of the host-broadcaster at least six months prior to the event.
- Each organising member federation undertakes to provide the FIG Office with the basic feed (international signal) immediately after the end of the competition on site to the FIG representative or agent. These footages are supplied to the FIG free of charge. Production costs and postage are at the cost of the organising member federation.

The international media rights across all means remain with the FIG.

Art. 14.4 International TV signal- Definition

The International TV Signal shall be produced in accordance with the following:

- the International TV Signal shall be an integrated, complete, uninterrupted and continuous live television feed produced to a first class professional sports broadcasting standard, using a minimum of six cameras in 16:9 format (but 4:3 protected and explicitly excluding letterbox format) and include coverage not only of the competition but also of any award ceremonies;
- the international TV signal shall include slow motion replays, full graphics with all graphics text in English, including but not limited to starting numbers, starting lists, names of competitors, results, in accordance with applicable laws and regulations, international sound with necessary related background sound effects on at least two audio tracks;

- the international TV signal shall not include any domestic elements which would not be acceptable for international broadcast such as commercial elements, in-vision presenters, talking heads, interviews, commercial breaks and black holes or any other elements which may hinder ability to exploit the rights;
- the International TV Signal must include full duration coverage of the finals with award ceremonies and shall start at least fifteen (15) minutes prior to the commencement of the competition.

Art. 14.5 Marketing Rights

For the 2021-2024 series, the FIG releases all marketing rights (including the publicity space on the apparatus) free of charge to the organising member federation. It is understood that the FIG Advertising and Publicity Norms must be respected.

Art. 14.6 Results

The Technical Delegate is responsible that the results of the competition, signed by the respective Technical Delegate, are sent by e-mail to the FIG Office immediately after the end of the respective competitions.

The results and the updated World Cup Ranking List will be published on the FIG website within 24 hours after the end of the respective competitions to the conditions that the organising member federation respects the following process:

Art. 14.6.1 Before the competition (7 days)

The FIG Office will send the event's ID, the list of registered gymnasts with their respective license number and a template of the electronic results file (empty) to the federation who organizes the competition.

Art. 14.6.2 After the competition

The organizer must return to the FIG at the end of the competition:

A copy of all detailed results (qualifications & finals) in PDF format and duly signed by the Technical Delegates for archival purposes only.

The organizer must also return to the FIG maximum 24 hours after the competition:

An electronic file in XLS or CSV format, using the same structure as the template previously sent by the FIG Office including necessary information for automatic processing of results and awarding points for the TRA World Cup.

If the above deadlines are not respected or if the FIG does not receive any electronic results file in the format specified above, the organising member federation's deposit will be lost in full.

ART. 15 MEDICAL INJURY REPORT FORM AND DOPING CONTROLS

The organising member federation must provide a Gymnast injury summary report and all related injury reports or a written confirmation that no injury occurred. This report must be sent to the FIG Office under medical confidentiality within 3 days after the event. Failure to do so after the first reminder will result in a deposit being lost in full.

The organising member federation must provide at its own charge a minimum of four (4) doping controls for TRA and two (2) doping controls for TUM and DMT. Failure to do so will result in the deposit being lost in full.

Doping control forms must be sent to FIG Office by Doping control officer within 3 days after the event. Failure to do so after the first reminder will result in a deposit being lost in full.

ART. 16 ASSIGNMENT OF POINTS FOR THE FIG INDIVIDUAL APPARATUS WORLD CUP RANKING LIST

World Cup Series Ranking Lists are established for the series 2021, 2022, 2023, 2024 for each discipline:

- Trampoline Individual Men / Trampoline Individual Women
- Trampoline Synchro Men / Trampoline Synchro Women
- Tumbling Men / Tumbling Women
- Double Mini-Trampoline Men / Double Mini-Trampoline Women

For Trampoline Individual, Tumbling and Double Mini-Trampoline, World Cup points are assigned to the competitors by name.

Trampoline synchro pairs are listed by name, but considered as an entity.

In case of change of a synchro partner, the synchro pair is considered as a new pair.

The World Cup Points are assigned to the competitors as follows:

Ranking	Points	Ranking	Points
1	60	16	15
2	55	17	14
3	50	18	13
4	44	19	12
5	38	20	11
6	32	21	10
7	28	22	9
8	25	23	8
9	22	24	7
10	21	25	6
11	20	26	5
12	19	27	4
13	18	28	3
14	17	29	2
15	16	30	1

In case that less than four federations participating per apparatus, no World Cup points, no medals and no prize money will be given.

In case of a tie at any rank, the points of the equal ranks are added and divided by the number of ties.

ART. 17 WINNERS OF THE WORLD CUP SERIES

The winner of the World Cup Series of each discipline is the gymnast (IND., TUM and DMT) and the pairs (SYN) with the highest number of points after the last event of the Series, taking into consideration the best results (maximum 4 regardless of the number of competitions the gymnast participated in) out of the max. 6 possible results.

The gymnasts (TRA individual men and women) will receive an additional prize money paid by the FIG as per Art. 10.2.

If there is a tie, the sum of the number of ranks of the counting competitions achieved by the respective gymnasts will be added and the gymnast with the lowest total will prevail.

If there is still a tie, the gymnast who has participated in the greater number of Finals of the counting competitions will prevail.

If there is still a tie, the gymnast who has the best rank at one of the counting competitions will prevail.

If there is still a tie the sum of the score of the second routine in qualification for TRA and the two passes in qualification in TUM and DMT will prevail.

A special award ceremony will be held at the last World Cup Competition of the series in which the World Cup winners of the TRA Synchro competition (men and women) will receive a Cup.

ART. 18 QUALIFICATION FOR THE 2024 OLYMPIC GAMES (TRA INDIVIDUAL, Ranking list by NOC)

Refer to the TR Appendix C for details on the OG 2024 Qualifications system to be published after IOC approval.

ART. 19 DRAWING OF LOTS

The gymnasts' drawing of lots for all World Cup events will take place at the FIG Office in Lausanne (SUI) within two weeks after the closing date of the nominative registration.

These Rules have been updated by the Executive Committee at its meeting February 2020 in Dakar (SEN). They enter into effect 1st January 2021.
