WHAT IS SAFEGUARDING?

Safeguarding is the action we take to ensure all children and adults are kept safe from harm when involved in ITF tournaments, events and wider tennis activities

If you are concerned for your immediate safety or the immediate safety of someone else, **dial the emergency number in that country** e.g. 999 in UK, 911 in USA, and report your concerns to the Police.

If you have a concern about the safety or welfare of a child or adult at risk of harm you must take action.

In the first instance, speak with a Designated Safeguarding Officer or a person in charge of supervising the tournament or event who will be able to respond to your concern.

REPORT A CONCERN

If you cannot speak with someone at the time, use our reporting form below to contact the ITF Safeguarding Team directly, or use the safeguarding referral email: safeguarding@itftennis.com
