

QUALIFICATION SYSTEM – OLYMPIC GAMES 2024 – PARIS (FRA)

ARTISTIC GYMNASTICS TIE BREAKING PROCEDURES

A) Criteria 1, 2 and 3 - Teams and Athletes from Non-Qualified Teams

2022 and 2023 World Championships or any Qualification Events outlined in paragraphs D. Qualification Pathway and F. Reallocation of unused quota places for Criteria 1, 2 and 3

In case of a tie in points at any place in the Team Qualifications results or in the Team Finals results (outlined in paragraph D. Qualification Pathway and F. Reallocation of Unused Quota Places), the ranking will be determined by respecting the following criteria:

1. The team with the highest sum of the team apparatus counting scores obtained prevails (i.e. by adding the total of the 5, 4, 3, 2, 1 highest apparatus team scores for men and the total of the 3, 2, 1 highest apparatus team scores for women)
2. The team highest single individual apparatus score obtained prevails

B) Criteria 4 and 7 - All-Around Athletes

2023 World Championships, 2024 Continental Championships (or the other Continental Qualifying Event approved by the FIG), or any Qualification Events outlined in paragraphs D. Qualification Pathway and F. Reallocation of unused quota places for Criteria 4 and 7

In case of a tie in points at any place in the All-Around Qualifications results or in the All-Around Final results (outlined in paragraph D. Qualification Pathway and F. Reallocation of Unused Quota Places), the ranking will be determined by respecting the following criteria:

1. The athlete with the highest sum of the final apparatus scores obtained prevails (i.e., by adding the total of the 5, 4, 3, 2, 1 highest final apparatus scores for men and the total of the 3, 2, 1 highest final apparatus scores for women)
2. The athlete with the highest total E-score by adding all apparatus prevails
3. The athlete with the highest total D-score by adding all apparatus prevails

C) Criteria 5 - Apparatus Athletes

2023 World Championships or any Qualification Events outlined in paragraphs D. Qualification Pathway and F. Reallocation of unused quota places for Criteria 5

i) Apparatus Finals results

All Apparatus except Vault

In case of a tie in points of the final score at any place on all apparatus except Vault (outlined in paragraph D. Qualification Pathway and F. Reallocation of Unused Quota Places), the ranking will be determined by respecting the following criteria:

1. The athlete with the highest E-score prevails
2. The athlete with the highest D-score prevails
3. The athlete with the best final rank in the Apparatus Qualifications results on the apparatus concerned prevails

Vault

In case of a tie in points of the final score at any place on Vault Final (outlined in paragraph D. Qualification Pathway and F. Reallocation of Unused Quota Places), the ranking will be determined by respecting the following criteria:

1. The athlete with the highest score of the 2 vaults before the average for the final score prevails
2. The athlete with the highest E-score of either vault performed prevails
3. The athlete with the highest D-score of either vault performed prevails
4. The athlete with the best final rank in the Apparatus Qualifications results on Vault prevails

ii) Apparatus Qualifications results

All Apparatus except Vault

In case of a tie in points of the final score at any place on all apparatus except Vault (outlined in paragraph D. Qualification Pathway and F. Reallocation of Unused Quota Places), the ranking will be determined by respecting the following criteria:

1. The athlete with the highest E-score prevails
2. The athlete with the highest D-score prevails

Vault

In case of a tie in points of the final score at any place on Vault Final (outlined in paragraph D. Qualification Pathway and F. Reallocation of Unused Quota Places), the ranking will be determined by respecting the following criteria:

1. The athlete with the highest score of the 2 vaults before the average for the final score prevails
2. The athlete with the highest E-score of either vault performed prevails
3. The athlete with the highest D-score of either vault performed prevails

iii) If an NOC exceeds the maximum of 3 individual athletes quota places allowed per NOC or if an individual athlete earns a quota place on more than one Apparatus

a) In case the individual athletes' quota places are all allocated from the Apparatus Finals results, the following procedures will determine which athlete and which apparatus earn the quota places (outlined in paragraph D. Qualification Pathway and F. Reallocation of Unused Quota Places):

1. The athlete with the best rank on the final score on the respective apparatus in the Apparatus Finals results, in relation to the total number of all ranked athletes (smallest ratio), prevails
2. The athlete with the best rank on the final score on the respective apparatus in the Qualifications results, in relation to the total number of all ranked athletes (smallest ratio), prevails
3. The athlete with the best rank on the final E-score (i.e., combined average E-score on Vault) on the respective apparatus in the Apparatus Finals results, in relation to the total number of all ranked athletes (smallest ratio), prevails
4. The athlete with the best rank on the final D-score (i.e., combined average D-score on Vault) on the respective apparatus in the Apparatus Finals results, in relation to the total number of all ranked athletes (smallest ratio), prevails

b) In case the individual athletes' quota places are all allocated from the Qualifications results, the following procedures will determine which athlete and which apparatus earn the quota (outlined in paragraph D. Qualification Pathway and F. Reallocation of Unused Quota Places):

1. The athlete with the best rank on the final score on the respective apparatus in the Qualifications results, in relation to the total number of all ranked athletes (smallest ratio), prevails
2. The athlete with the best rank on the final E-score (i.e., combined average E-score on Vault) on the respective apparatus in the Qualifications results, in relation to the total number of all ranked athletes (smallest ratio), prevails.
3. The athlete with the best rank on the final D-score (i.e., combined average D-score on Vault) on the respective apparatus in the Qualifications results, in relation to the total number of all ranked athletes (smallest ratio), prevails

c) In case the individual athletes' quota places are allocated from both the Apparatus Finals results and the Qualifications results, the following procedures will determine which athlete and which apparatus earn the quota places (outlined in paragraph D. Qualification Pathway and F. Reallocation of Unused Quota Places):

1. The athletes taking part in the Apparatus Finals will be considered first. The procedure described under section iii) a) for the Apparatus Finals results will be implemented
2. The athletes taking part in the Qualifications will be considered next in case of any remaining individual athletes' quota places. The procedure described under section iii) b) for the Apparatus Qualifications results will be implemented

D) Criteria 6 - Apparatus Athletes

2024 Apparatus World Cup Series or any Qualification Events outlined in paragraphs D. Qualification Pathway and F. Reallocation of unused quota places for Criteria 6

In case of a tie in ranks in the Olympic Qualification World Cup Ranking List concerned (outlined in paragraph D. Qualification Pathway and F. Reallocation of Unused Quota Places), the tie will be broken by respecting the following criteria:

1. The ranks of the maximum 3 counting exercises will be added and the athlete with the lowest total prevails.
In case of a tie in ranks to determine the 3 counting exercises, the exercises with the highest final scores prevail.
2. The final scores of the maximum 3 counting exercises will be averaged and the athlete with the highest average prevails
3. The total E-scores of the maximum 3 counting exercises (maximum 6 scores for Vault) will be averaged and the athlete with the highest average prevails
4. The total D-scores of the maximum 3 counting exercises (maximum 6 scores for Vault) will be averaged and the athlete with the highest average prevails

i) If an NOC exceeds the maximum of 3 individual athletes quota places allowed per NOC or if an individual athlete earns a quota place on more than one Apparatus

The following procedures will determine which athlete and which apparatus earn the quota places (outlined in paragraph D. Qualification Pathway and F. Reallocation of Unused Quota Places):

1. The athlete with the best rank on the respective apparatus in the Olympic Qualification World Cup Ranking List prevails.
2. The ranks of the maximum 3 counting exercises will be added and the athlete with the lowest total prevails.
In case of a tie in ranks to determine the 3 counting exercises, the exercises with the highest final scores prevail.
3. The final scores of the maximum 3 counting exercises will be averaged and the athlete with the highest average prevails
4. The total E-scores of the maximum 3 counting exercises (maximum 6 scores for Vault) will be averaged and the athlete with the highest average prevails
5. The total D-scores of the maximum 3 counting exercises (maximum 6 scores for Vault) will be averaged and the athlete with the highest average prevails
