Art. 2.2 Rights of participation and size of delegations

The number of athletes (12 men + 12 women = total 24) is determining following an agreement between the IWGA and the FIG.

The qualification is based on the FIG Parkour World Championships in the year preceding The World Games. For TWG 2021, the qualifying event is the WCH 2020.

The quota places are allocated as follows:

- In order to finalize the 12 men and 12 women, four (4) different qualification lists will be assembled first (Men's Speed, Men's Freestyle, Women's Speed, and Women's Freestyle). No individual athlete will appear on two lists. The two lists for Men will be combined to complete their quota allocation list. The two (2) lists for Women will be combined to complete their quota allocation list.

- There is a maximum quota per NF for participation in The World Games of one male and one female athlete overall.
- The highest ranked athlete in each gender regardless of event will receive the quota place. In case of a tie, the highest ranked athlete from the 2020 World Ranking List (from the World Cup Series) prevails. The order of precedence for Criteria 2 (see below) is based on the number of athletes participating in each event; the highest number prevails.

Each of the four (4) Qualification Lists will be based on the following Criteria steps:

Event	Criteria 1 Qualifiers	Criteria 2 Continental and Host Country	Final Event Total
Men's Speed	5 athletes	Up to 1 athlete	6
Men's Freestyle	5 athletes	Up to 1 athlete	6
Women's Speed	5 athletes	Up to 1 athlete	6
Women's Freestyle	5 athletes	Up to 1 athlete	6

Criteria for each event:

<p>Criteria 1: The top five (5) ranked athletes from the Finals (then Qualifications if necessary) of the 2020 World Championships, will earn a nominative quota place.</p>
<p>Criteria 2: To the highest ranked athletes (nominative) based on 2020 World Championships (Finals then Qualifications, if necessary) in order to fill the remaining quota places not represented in Criteria 1, until a) the host country receives one quota place* (the highest ranked man or woman) and b) four (4) total continents are represented after Criteria 1 and 2.</p> <p><i>*The host country is guaranteed an NF quota place regardless of participation in the 2020 World Championships. This quota position would be the last place filled.</i></p>

~~Places are allocated to the NF and not to the athletes, with the exceptions of places 11 and 12.~~

~~Places 1-10 will be attributed to the NFs (max. 1 pair per NF) according to the ranking of their athletes at the Qualifications at the qualifying World Championships.~~

~~In case there is an insufficient number of NFs participating, in The World Games to fill these places, the participating NFs will be given the opportunity to send 2 athletes per NF (priority in ranking order as mentioned above)~~

~~Places 11-12 are nominated (in order of priority) by the FIG-EC in consultation with the PK-TC:~~

~~1. To make sure the host country of The World Games is represented with, at least, one women's or one men's athlete, provided they have participated at the qualifying World Championships. The place will be given to the best ranked athlete as mentioned above~~

~~2. To guarantee that at least 4 continents are represented at The World Games. (if such a place has to be assigned, it will be given to the best ranked women's or men's athlete of the respective Continent at the qualifying World Championships.)~~

~~3. To cater for other unforeseen cases provided the athlete has participated at the qualifying World Championships.~~

~~Any place(s) not assigned, under the criteria mentioned above, will be attributed following the same criteria as places 1—10 to increase the number of NFs not yet represented at The World Games.~~
