South Africa has run eleven Academies under FIG license with its own experts trained by the FIG to deliver the curriculum content. Australia has run two Academies under FIG license with its own experts trained by the FIG to deliver the curriculum content.

The eight Academies in Switzerland (6 with training camp at the training centre in Aigle) were all run as special projects by the FIG.

Most MAG-WAG academies have been run as combined academies. They are recorded as one academy rather than two. If recorded separately, the total number of academies for all disciplines is 496. Similarly, Age Group Camps = 232. Total 728.

* The four Age Group sessions in CAN (2) and SUI (2) were not specifically hosted by those Federations. They were run as special projects by the FIG to train
